PPS DIVISION 45

DISTRICT CONTRACTS GENERALLY

PPS- 45-0000 Generally

Except as expressly provided in other School Board Policies, PPS Divisions 45, 46, 47, 48, and 49 (collectively, the "Portland Public Schools Public Contracting Rules") govern all District Contracts. These Division 45 Rules address delegation of contracting authority under ORS 279A.075 and 332.075, Ethics in Contracting, and Procurement from Qualified Rehabilitation Facilities. Divisions 46, 47, 48, and 49 govern Public Contracts as defined in ORS Chapters 279A, 279B, and 279C (the Public Contracting Code). Except as otherwise expressly provided in School Board Policy or these Rules, these Division 45 Rules apply to all District Contracts, including Public Contracts as defined in the Public Contracting Code.

PPS- 45-0100 Definitions

As used in the Public Contracting Code and Divisions 45, 46, 47, 48, and 49 of these Rules, and except as otherwise provided in School Board Policy:

(1) "District Contract" means all Contracts entered into by the District, including Public Contracts subject to the Public Contracting Code and Divisions 46, 47, 48, and 49, and all other Contracts or agreements entered into by the District. For the purpose of these Public Contracting Rules, "District Contract" does not include settlements of lawsuits or other claims against the District that continue to be governed by Board Policy 8.60.021-P, or the purchase, conveyance, acceptance, sale, or lease of real property or an interest in real property.

AUTHORITY TO APPROVE AND EXECUTE DISTRICT CONTRACTS

PPS- 45-0200 Authority to Approve District Contracts; Delegation of Authority to Superintendent

- (1)** The District is the Contracting Agency within the meaning of the Public Contracting Code.
- (2)** Except as otherwise provided in these Rules, the powers and duties of the Local Contract Review Board under these Rules shall be exercised and performed by the School Board, and the powers and duties of the District under the Rules shall be exercised and performed by the Superintendent.
- (3)** Except as provided in Section (4) of this Rule or as otherwise expressly authorized in these Rules, the School Board must approve all District Contracts.
- (4)** Pursuant to ORS 279A.075 and 332.075(3), and except as expressly limited by other School Board Policy, the School Board delegates to the Superintendent the authority to enter into and approve payment on District Contracts in the following circumstances:
 - (a)** The District Contract is within appropriations made by the School Board and is not a collective bargaining agreement or a Service Contract that includes the provision of labor performed by employees of the School District, as defined in ORS 332.075(3); and
 - (b)** In any of the following circumstances:
 - (A)** The total amount payable by the District under the individual District Contract does not exceed \$150,000;
 - (B)** The District Contract is for routine and customary expenditures, including but not limited to payroll, payroll taxes and benefits, utility bills, and postage;
 - (C)** Advance authorization has been given by the School Board for the Superintendent to execute a particular District Contract or class of District Contracts;

Portland Public Schools Public Contracting Rules
Division 45 ~~—~~ Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (D) The District Contract is an Emergency Procurement;
 - (E) The District Contract is a Change Order or Contract amendment to a prior-approved Contract authorized under these Rules;
 - (F) An offer of judgment made in the course of litigation in with the District is a party when the Superintendent and general counsel determine that such an offer is in the best interest of the District or is to the District's tactical advantage; or
 - (G) These Rules otherwise expressly authorize the Superintendent to approve the Contract.
- (5) The Superintendent may designate in Writing any District employee or employees to exercise all or a portion of the Superintendent's powers and duties under these Rules.
- (6) If the Superintendent authorizes an offer of judgment pursuant to PPS 45-0200(4)(b)(F) in an amount exceeding \$25,000, the superintendent shall request that the general counsel draft a lawyer-client privileged memo to the School Board to explain the legal basis for the offer of judgment.
- (7) No district employee or official shall authorize and no contractor shall undertake any work under a district contract prior to full execution of the contract by all authorized signatories. Notwithstanding the forgoing, the Superintendent may authorize work to begin under a contract prior to full execution in the following circumstances:
- (a) The contract is an intergovernmental agreement pursuant to ORS Chapter 190, the parties have agreed in principal to the terms of the contract, and the only remaining step is circulation of the Contract for approval; or
 - (b) The contract is an amendment that is subject to approval of the Board of Education because it will increase the cost of the contract above the superintendent's contract approval authority, but the Board approval process will cause a delay in work completion that will prevent timely delivery of essential services. For the purposes of this exception, "essential services" means goods, services, personal services, or construction services necessary for a school to open on time, a class to start on time, a class or program to complete on time, to comply with conditions of grant that is otherwise at risk of loss, or other services critical to timely and complete education of district students. The Superintendent will only authorize such work in cases where the delay is caused by factors outside of the District's control and that could not have been identified when the contract was first negotiated.

ETHICS IN CONTRACTING

PPS- 45-0300 Policy

These Rules supplement and do not replace the Oregon Government Ethics Law (ORS 244.010 through ~~ORS~~ 244.400). These Rules are designed to accomplish the policy of ORS 244.010 that service as a public official is a public trust and that implementation of District Contracting under these Rules and the Public Contracting Code should be free of undisclosed conflicts or undue influence.

PPS- 45-0305 Ethics in the Solicitation and Award of District Contracts

District officers who participated in the process of development, selection, and Award of District Contracts must comply with the following Rules:

(1) Definitions:

- (a) "**Business**" means any corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual, and any other legal entity operated for economic gain, but excluding any income producing, not-for-profit corporation that is tax exempt

Portland Public Schools Public Contracting Rules
Division 45 ~~—~~ Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

under ~~section~~[Section](#) 501(c) of the Internal Revenue Code with which the District officer or relative is associated only as a member or board director or in a non-remunerative capacity. If the business is privately held, the District official or relative is "associated with the business" if the Person is a director, officer, owner, or employee, or in which the Person owns or has owned stock, debt instruments, stock options, or other form of equity interest worth more than \$1,000 in the preceding calendar year. If the business is publicly held, the District official or relative is "associated with the business" if the Person is a director or officer or owns or has owned \$100,000 or more of stock, debt instruments, stock options, or other form of equity interest in the preceding calendar year. If the District official is required to file a statement of economic interest, "business" also includes a business listed as a source of income as required under ORS 244.060(3).¹

- (b) **"Conflict of interest"** means any action, decision, or recommendation by a District officer in the course of participating in a Procurement under these Rules that would ("actual conflict of interest") or could ("potential conflict of interest") be to the private pecuniary benefit or detriment of the District officer, a relative of the District officer, or a business with which the District officer or relative is associated. For the purpose of this requirement:
- (c) **"District officer"** means any person who is serving the District as an elected official, appointed official, employee, or agent, whether or not the person is compensated for those services.
- (d) **"Gift"** means something of economic value given to a public official or the public official's relative without an exchange of valuable consideration of equivalent value, including the full or partial forgiveness of indebtedness, which is not extended to others who are not public officials or the relatives of public officials on the same terms and conditions. "Gift" also includes something of economic value given to a public official or the public official's relative for valuable consideration less than that required from others who are not public officials.
- (e) **"Relative"** means:
 - (A) The District officer's spouse or domestic partner;
 - (B) Children of the District officer, spouse, or domestic partner;
 - (C) Siblings, spouses of siblings, or parents of the public official, spouse, or domestic partner;
 - (D) Any individual for whom the District officer has a support obligation;
 - (E) Any individual for whom the District officer provides benefits related to the public official's public employment or from whom the District officer receives benefits; and
 - (F) Any person who resides with the public official.

(2) Disclosure of Conflict of Interest Required. Any District official participating in a District Procurement, whether for Goods and Services, Personal Services, Public Works, Public Improvements, or any other District Contract shall disclose actual or potential conflicts of interest.

- (a) **Appointed District Officials.** An appointed District official must disclose actual or potential conflicts of interest in Writing to the District official's appointing authority (the person who has hire-and-fire authority over the official). This Writing must disclose the nature of the conflict and request the appointing authority to dispose of the matter. The appointing authority shall

¹ The only District officials required to file a statement of economic interest are the Superintendent and the chief financial officer.

and Personal Services Contracts

respond in Writing by designating an alternate to dispose of the matter or directing the District officer to dispose of the matter as directed by the appointing authority.

(b) Elected District Official or Officials Who Serve on Advisory Boards or Commissions. Such District officials shall publicly announce an actual or potential conflict of interest prior to taking any action on the matter giving rise to the conflict. If the conflict is an actual conflict of interest, the public official must refrain from participating in the decision or discussion of the issue. If the conflict is only a potential conflict of interest, the public official may participate in the debate and decision following disclosure of the potential conflict.

(3) **Gifts.** District officers are prohibited from soliciting or receiving gifts with an aggregate value of in excess of \$50 in a calendar year from any single source that could reasonably be known to have a legislative or administrative interest in any matter subject to the decision or vote of the District official. For the purpose of this ~~Section~~section, a District official is considered a decision-maker in the Procurement process if he or she makes decisions or recommendations in regard to the drafting of the Procurement, the solicitation process, the opening, review, or scoring of the solicitation, or a recommendation or decision to Award, correct, or reject a solicitation, or response to or resolution of a protest.

(4) **Use of Office for Personal Gain Prohibited.** District officers, employees, and agents are prohibited from using their official position for personal gain.

PPS- 46-0515 Other Approved Solicitation Methods

(1) Request for Qualifications. An RFQ may be used to determine that competition does not exist for a particular Service, to establish a list of qualified Contractors for RFPs or for informal solicitations under these Rules, or to establish an FSCP as provided in PPS- 46-0520.

- (a) The RFQ must at least describe the particular specialty desired, the qualifications the Contractor must have in order to be considered, and the evaluation factors and their relative importance. The RFQ may require information including, but not limited to, the Contractor's particular capability to perform the required Services; the number of experienced staff available to perform the required Services, including specific qualifications and experience of personnel; a list of similar Services the Contractor has completed with references concerning past performance; and any other information necessary to evaluate Contractor qualifications.
- (b) A qualifications pre-submission meeting (voluntary or mandatory) may be held for all interested Contractors to discuss the proposed Services. The RFQ must include the date, time, and place of the meeting.
- (c) Unless the RFQ establishes that competition does not exist or that Contracts will be individually negotiated with Contractors in an FSCP, each Contractor qualified under an RFQ will receive a notice (or other materials as appropriate) of any required Services and have an opportunity to submit a Proposal or Price Quote in response to the District's subsequent RFP.

(2) Price Agreements. The District may enter into Price Agreements for Personal Services. Such Price Agreements shall be solicited as otherwise required by these Rules based on the maximum Contract amount.

PPS- 46-0520 Flexible Services Contractor Pool

The Superintendent may establish an FSCP for a particular class of Services where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (1) Solicitation to Create an FSCP.** An FSCP can be established pursuant to an RFQ, an RFP, Competitive Quotes, or such other method of competitive Procurement as the Superintendent deems to be appropriate given the Services to be procured.
 - (a) The Superintendent shall document in the Procurement File the reasons for establishing an FSCP consistent with this Rule. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the Procurement qualifies for use of an FSCP under these Rules.
 - (b) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside the designated class of Contracts to the FSCP.
 - (c) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.

- (d) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
 - (e) The solicitation may set or limit the value of the Work performed by the FSCP.
- (2) **Contracting for Work ~~from~~From an FSCP.**
- (a) Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform individual Projects within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Projects will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the superintendent has offered Work to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer Work out of sequence in the following circumstances:
 - (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
 - (B) Contract negotiations with the next-listed Contractor are not successful.
 - (C) The Project is for Work that is a continuation of, addition to, or connected with Work previously performed by a Contractor on the list and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work.
 - (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability is required. In order to make this determination, the Superintendent shall conduct an informal Procurement pursuant to PPS- 46-0510 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (b) An FSCP established under this ~~Section~~section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
- (c) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or any Work at all.
- (d) The establishment of an FSCP does not preclude the Superintendent from procuring Work that would otherwise fall within the FSCP class of Work from other Contractors through any other Procurement method authorized under these Rules.
- (e) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, or other capability needed to perform the class of Work.

PPS- 46-0525 PSC Selection by Negotiation

- (4) The Contractor possesses unique knowledge and/or expertise in a specialized service area, making competition impractical. Such Services can include, but are not limited to, education Services, academic and staff coaching, school sports officiation, and community relations.

- (8) The Contract is entered into pursuant to an emergency declared by the Superintendent.
- (9) The Contract is for the provision of child care services to District students where the Contractor is paid directly by a non-District funding source (generally parents).
- (10) The Contract is for the provision of tutoring to eligible District students attending private schools as per Title I.

PPS- 46-0535 PSC Contract Amendments

(1) The District may amend any Personal Services Contract if the District, in its sole discretion, determines that the Amendment is within the scope of the Solicitation and that the Amendment would not materially impact the field of competition for the Personal Services described in the final form of the original Procurement document. In making this determination, the District shall consider potential alternative methods of procuring the Services contemplated under the proposed Amendment. An Amendment would not materially impact the field of competition for the Services described in the Solicitation Document if the District reasonably believes that the number of Proposers would not significantly increase if the Procurement document were re-issued to include the additional Services.

- (2) The District may Amend any Contract if the additional Services are required by reason of existing or new laws, rules, regulations, or ordinances of federal, state, or local agencies which affect performance of the Original Contract.
- (3) All Amendments to Contracts must be in Writing, must be Signed by an authorized representative of the Consultant and the District, and must receive all required approvals before the Amendments will be binding on the District.
- (4) A single contract amendment or cumulative amendments may not increase the total Contract Price to greater than ~~one hundred twenty five~~ 125 percent (~~125%~~) of the original Contract Price, except in any of the following circumstances:
- (a) The Superintendent determines that the need for the amendment is caused by unforeseen conditions or circumstances and conducting a new procurement would result in unreasonable additional cost or delay. For the purposes of this section:
 - (A) An "unforeseen condition or circumstance" is one that is discovered after the original contract was solicited and awarded that could not have been reasonably anticipated as part of the original solicitation or contract.
 - (B) "Unreasonable additional cost or delay" means that the cost of conducting a new procurement and/or awarding a new contract is likely to exceed the cost of a contract amendment and/or that the delay caused by conducting a new procurement would cause a break in service, require repetition of earlier work, or cause a delay in completion of the contract that would be detrimental to the District program or service benefiting from the contract.
 - (b) The Superintendent determines that the amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original contract. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or that specifically allows for alternates or additional work.)
 - (c) The Amendment is presented to the School Board as part of the Board's² business consent agenda and the Board approves the Amendment based upon the circumstances of the particular contract. The Superintendent shall set forth the justification for the Amendment in a supplementary staff report enclosed with the Board's² consent agenda.

- (5) Amendments ~~that would cause~~ That Would Cause a Contract to ~~exceed~~ Exceed the Superintendent's ~~authority~~ Authority. An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS- 45-0200 must be approved by the School Board except as provided in PPS- 45-0200(7)(b).

 - (f) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance or other relevant requirements of the procurement; or
 - (g) Taking any arbitrary action in the procurement process.
- (3) The District may not apply any statutory or administratively imposed state or local geographical preferences except where allowed or mandated by applicable federal statutes. Nothing in this section preempts state licensing requirements. In addition, contracts for architectural and engineering services may include geographical location as a selection criterion provided its applications leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.
- (4) A District procurement must:
 - (a) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured, but should not be so detailed or restrict that it unduly restricts competition; and
 - (b) Identify all requirements that bidders or proposers must fulfill and all other factors to be used in evaluating bids or proposals.
- (5) The District must ensure that all prequalified lists of persons, firms, or products that are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the District must allow potential bidders to qualify during the solicitation period.

PPS 46-0620 Procurement by Micro-Purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. The current micro-purchase threshold is set at \$10,000, but is periodically adjusted. The most current threshold is set forth at 48 CFR Subpart 2.101 (Definitions). To the extent practicable, the District must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the District considers the price to be reasonable.

PPS 46-0625 Procurement by Small Purchase Procedures

Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold. The Simplified Acquisition threshold is set at \$250,000, but is periodically adjusted. The most current threshold

is set forth at 48 CFR Subpart 2.1. If small purchase procedures are used, the District must obtain price or rate quotation from an adequate number of qualified sources.

PPS 46-0630 Procurement by Sealed Bids (Formal Advertising)

Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) supported by a Federal Award must be awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (1) of this section apply.

- (1) In order for sealed bidding to be feasible, the following conditions should be present:
 - (a) A complete, adequate, and realistic specification or purchase description is available;
 - (b) Two or more responsible bidders are willing and able to compete effectively for the business; and
 - (c) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.
- (2) If sealed bids are used, the following requirements apply:
 - (a) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local, and tribal governments, the invitation for bids must be publicly advertised;
 - (b) The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
 - (c) All bids will be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;
 - (d) A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
 - (e) Any or all bids may be rejected if there is a sound documented reason.

PPS 46-0635 Procurement by Competitive Proposals

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used for contracts supported by a Federal Award, the following requirements apply:

- (1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (2) Proposals must be solicited from an adequate number of qualified sources;
- (3) The District will establish a written method for conducting technical evaluations of the proposals received and for selecting recipients;
- (4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

Portland Public Schools Public Contracting Rules
Division 46 — Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

(5) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. Notwithstanding ORS 279C.100 to 279C.124 and OAR Division 48, qualifications-based selection can only be used in procurement of A/E professional services.

PPS 46-0640 Procurement by Noncompetitive Proposals

Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only for contracts supported by a Federal Award when one or more of the following circumstances apply:

- (1) The item is available only from a single source;
- (2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
- (3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District; or
- (4) After solicitation of a number of sources, competition is determined inadequate.

PPS 46-0645 Contracting With Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms

- (1) The District must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- (2) Affirmative steps must include:
 - (a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - (b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - (c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
 - (d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
 - (e) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - (f) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (a) through (f) of this section.

PPS 46-0650 Procurement of Recovered Materials

The District and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management

Division 46 — Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

PPS 46-0655 Contract Cost and Price

(1) The District must perform a cost or price analysis in connection with every procurement action supported by a Federal Award in excess of the Simplified Acquisition Threshold including contract modifications. The District must make independent estimates before receiving bids or proposals.

(2) The District must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under the Federal Award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the non-Federal entity under 2 CFR Subpart E—Cost Principles. The District may reference its own cost principles that comply with the Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

PPS 46-0660 Federal Awarding Agency or Pass-Through Entity Review

At the request the Federal awarding agency or the pass through entity, the District will make available all relevant procurement documents for review as required by 2 CFR Section 200.324.

PPS 46-0665 Bonding Requirements

For construction or facility improvement contracts or subcontracts supported by a Federal Award exceeding the Simplified Acquisition Threshold, the Federal awarding agency or pass-through entity may accept the bonding policy and requirements of the District provided that the Federal awarding agency or pass-through entity has made a determination that the Federal interest is adequately protected. If such a determination has not been made, the minimum requirements must be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

PPS 46-0670 Mandatory Contract Provisions

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the District under a Federal Award must contain provisions covering the following, as applicable.

(1) Contracts for more than the Simplified Acquisition Threshold (see Subsection 5) must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Portland Public Schools Public Contracting Rules
Division 46 — Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (2) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (3) **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- (4) **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- (5) **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- (6) **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(7) **Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as Amended.** Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(8) **Debarment and Suspension (Executive Orders 12549 and 12689).** A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(9) **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(10) **Additional Requirements of the Specific Federal Award.** In addition to the requirements of this section, a specific Federal Award may contain other procurement requirements or mandatory contract clauses. The District officer, employee, or agent that is responsible for procurement of a contract subject to a Federal Award shall review the requirements of the specific Federal Award and shall incorporate such requirements into the procurement process or proposed contract.

**PUBLIC CONTRACTING RULES FOR CONTRACTS FOR GOODS AND/OR
SERVICES OTHER THAN PERSONAL SERVICES**

PPS- 47-0000 Generally

These Division 47 Rules implement ORS 279B applicable to public Procurements for Goods or Services, or both.

PPS- 47-0250 Methods of Source Selection

- (1) Except as permitted in these Rules, the District must Award a Public Contract for Goods or Services, or both, by one of the following sourcing methods:
- (a) Competitive Sealed Bidding (also known as Invitation to Bid or ITB) pursuant to ORS 279B.055 and PPS- 47-0255 and [47-0257](#);

 - (e) Sole-source Procurement pursuant to ORS 279B.075 and PPS- 47-0275;
 - (f) Emergency Procurement pursuant to ORS 279B.080 and PPS- 47-0280;

PPS- 47-0252 Procurement of Service Contracts Over \$250,000 in Compliance ~~with~~ [With](#) ORS 279B.030 ~~through ORS~~ [Through](#) 279B.036

(1) Unless the District determines that it is not feasible to perform the Services with the District's own personnel and resources pursuant to Section (4) of this Rule, before conducting a Procurement of a Contract for Services with an estimated Contract Price that exceeds \$250,000 the District shall conduct a Written cost analysis in accordance with Section (2) of this Rule. The cost analysis must compare an estimate of the District's cost in performing the Services with an estimate of the cost that a potential Contractor would incur in performing the Services. The District may proceed with the Procurement only if it determines that the District would incur more cost in performing the Services with its own personnel and resources than in procuring the Services from a Contractor. For the purposes of this ~~Section~~[section](#), "Contract for Services" does not include:

- (a) Contracts for Personal Services as defined in PPS- 46-0500.
- (b) Contracts for Services exempted from compliance with the Public Contracting Code by ORS 197.025 or other state statute.
- (c) Procurements for Client Services as defined in OAR 125-246-0110. "Client Services" means any Services that directly or primarily support a Client, whether or not the Client is the recipient through the provision of voluntary or mandatory Services. Client Services also means any Goods that are incidental or specialized in relation to any Services defined in this ~~Section~~[section](#). Client

Other Than Personal Services

Services may include, but are not limited to (where these terms are used in another statute, they must have that meaning):

- (A) Housing, including utilities, rent, or mortgage, or assistance to pay utilities, rent, or mortgage;
- (B) Sustenance, including clothing;
- (C) Employment training or skills training to improve employability;
- (D) Services for people with disabilities;
- (E) Foster care or foster care facilities;
- (F) Residential care or residential care facilities;
- (G) Community housing;
- (H) In-home care, including home-delivered meals;
- (I) Medical care, services, and treatment, including, but not limited to:
 - (i) Medical, dental, hospital, psychological, psychiatric, therapy, vision;
 - (ii) Alcohol and drug treatment;
 - (iii) Smoking cessation;
 - (iv) Drugs, prescriptions, and non-prescriptions; or
 - (v) Nursing services and facilities.
- (J) Transportation or relocation;
- (K) Quality of life, living skills training;
- (L) Personal care;
- (M) Legal services and expert witness services;
- (N) Religious practices, traditions, and services, separately or in any combination thereof; and
- (O) Educational services. The term "Client Services" does not include benefits or services provided as a condition of employment with an agency.

(2) In the cost analysis required under Section (1) of this Rule, the District shall consider cost factors that include the following:

- (a) Cost of Using the District's Own Personnel and Resources. When estimating the District's costs of performing the Services, the District will consider cost factors that include:
 - (A) Salary or wage and benefit costs for District employees who are directly involved in performing the Services, including employees who inspect, supervise, or monitor the performance of the Services to the extent those costs reflect the proportion of the activity of those employees in the direct inspection, supervision, or monitoring of the performance of the subject Services.
 - (B) The material costs necessary for the performance of the Services, including costs for the space, energy, transportation, storage, raw and finished materials, equipment, and supplies used or consumed in the provision of the Services.

Portland Public Schools Public Contracting Rules

Division 47 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (C) Costs incurred in planning for, training for, starting up, implementing, transporting, and delivering the Services.
 - (D) Any costs related to stopping and dismantling a Project or operation because the District intends to procure a limited quantity of Services or procure the Services within a defined or limited period of time.
 - (E) The miscellaneous costs related to performing the Services. These costs exclude the District's indirect overhead costs for existing salaries or wages and benefits for administrators, and costs for rent, equipment, utilities, and materials except to the extent that the costs are attributable solely to performing the Services and would not exist unless the District performs the Services.
 - (F) Oregon Laws 2009, ~~chapter~~[Chapter](#) 880, ~~section~~[Section](#) 3(1)(a) provides that an estimate of the District's costs of performing the Services includes the costs described in Sections (A) through (E) of this Rule. Therefore, those costs do not constitute an exclusive list of cost information. The District may consider other reliable information that bears on the cost to the District of performing the Services. For example, if the District has accounted for its actual costs for performing the Services under consideration, or reasonably comparable Services in a relatively recent Services Project, the District may consider those actual costs in making its estimate.
- (b) Costs of a Potential Contractor. When estimating a Contractor's costs of performing the Services, the District will consider cost factors that include:
- (A) The average or actual salary or wage and benefit costs for Contractors and employees:
 - (i) Who work in the industry or business most closely involved in performing the Services; and
 - (ii) Who would be necessary and directly involved in performing the Services or who would inspect, supervise, or monitor the performance of the Services;
 - (B) The material costs necessary to the performance of the Services, including costs for space, energy, transportation, storage, raw and finished materials, equipment, and supplies used or consumed in the provision of the Services; and
 - (C) The miscellaneous costs related to performing the Services, including, but not limited to, reasonably foreseeable fluctuations in the costs for the items in Sections (A) through (C) of this Rule.
 - (D) Oregon Laws 2009, ~~chapter~~[Chapter](#) 880, ~~section~~[Section](#) 3(1)(a) provides that an estimate of the District's costs of performing the Services includes the costs described in Sections (A) through (E) of this Rule. Therefore, those costs do not constitute an exclusive list of cost information. The District may consider other reliable information that bears on the cost to the District of performing the Services. For example, if the District, in the reasonably near past, received Bids or Proposals for the performance of Services under consideration, or reasonably comparable Services, the District may consider the pricing offered in those Bids or Proposals in making its estimate. Similarly, the District may consider what it actually paid out under a Contract for the same or similar Services.
- (3) **Exceptions.**
- (a) Exception Based on Salaries or Wages and Benefits. If the sole reason that the costs estimated in Section (2)(b) of this Rule are lower than the costs estimated in Section (2)(a) of this Rule is

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

because the average or actual salary or wage and benefit costs for Contractors and employees estimated in Section (2)(b)(A) of this Rule are lower than the salary or wage and benefit costs for employees of the District estimated in Section (2)(a)(A) of this Rule, the District may not proceed with the Procurement.

- (b) Exception Based on Lack of District Personnel and Resources; Reporting. In cases where the District determines that it would incur less cost in providing the Services with the District's own personnel and resources, the District may nevertheless proceed with the Procurement if, at the time the District intends to conduct a Procurement, the District determines that it lacks personnel and resources that are necessary to perform the Services within the time in which the Services are required. If the District conducts a Procurement under this ~~Section~~section, the District will:
- (A) Make and keep a Written determination that it lacks personnel and resources to perform the Services within the time the District requires them and the basis for the District's decision to proceed with the Procurement.
 - (B) Provide to the Contract Review Board, each calendar quarter, copies of each Written cost analysis and Written determination.

(4) **Provision of Services by District ~~not~~Not Feasible.** The District may proceed with a Procurement of a Contract for Services without conducting a cost analysis required under Sections (1) and (2) of this Rule if the District makes Written Findings that use of the District's own personnel or resources to perform the Services is not feasible. Reasons include, but are not limited to, the following.

- (a) The District lacks the specialized capabilities, experience, or technical or other expertise necessary to perform the Services. In making the Finding, the District shall compare the District's capability, experience, or expertise in the field most closely involved in performing the Services with a potential Contractor's capability, experience, or expertise in the same or a similar field.
- (b) Special circumstances require the District to procure the Services by Contract. Special circumstances may include, but are not limited to, the following:
 - (A) The terms under which the District receives a Grant or other funds for use in a Procurement require the District to obtain Services through an independent contractor;
 - (B) Other state or federal law requires the District to procure Services through an independent contractor;
 - (C) The Procurement is for Services that are incidental to a Contract for purchasing or leasing real or personal property, including service and maintenance agreements for equipment that is leased or rented;
 - (D) The District cannot accomplish policy, administrative, or legal goals, including, but not limited to, avoiding conflicts of interest or ensuring independent or unbiased Findings in cases when using the District's existing personnel or Persons that the District could hire through a regular or ordinary process would not be suitable;
 - (E) The Procurement is for Emergency Services pursuant to PPS-47-0280;
 - (F) The Procurement is for Services, the need for which is so urgent, temporary, or occasional that attempting to perform the Services with the District's own personnel or resources would cause a delay that would frustrate the purpose for obtaining the Services;
 - (G) The Services that the District intends to procure will be completed within six months after the date on which the Contract for the Services is executed; or

Portland Public Schools Public Contracting Rules
Division 47 ~~—~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (H) Any other circumstances, conditions, or occurrences that would make the Services, if performed by the District's own employees and resources, incapable of being managed, utilized, or dealt with successfully in terms of the quantity, timeliness of completion, success in obtaining desired results, or other reasonable needs of the District.

PPS- 47-0255 Competitive Sealed Bidding; One-Step Solicitations

(1) **Generally.** The District may procure Goods and Services by Competitive Sealed Bidding as set forth in ORS 279B.055. An Invitation to Bid is used to initiate a Competitive Sealed Bidding solicitation and must contain the information required by ORS 279B.055(2) and by Section (2) of this Rule. The District must provide public notice of the Competitive Sealed Bidding solicitation as set forth in PPS- 47-0300.

(E) Key contact information as follows:

- (i) The office or location where the Solicitation Documents may be reviewed;
- (ii) The name of the person designated for receipt of Bids;

(F) A statement that each Bidder must identify whether the Bidder is a "resident Bidder," as defined in ORS 279A.120(1);

(G) Bidder's certification of nondiscrimination in obtaining required subcontractors in accordance with ORS 279A.110(4);

(H) How the District will notify Bidders of Addenda, and how the District will make Addenda available (see PPS- 47-0430);

- (f) Whether Bid Security ~~is~~ Required.
- (g) Good Cause. For the purposes of this Rule, "good cause" means a reasonable explanation for not requiring Contractor to meet the highest standards, and may include an explanation of circumstances that support a Finding that the requirement would unreasonably limit competition or is not in the best interest of the District. The District shall document in the Procurement File the basis for the determination of good cause for specification otherwise. The District will have good cause to specify otherwise under the following circumstances:
 - (A) The use or purpose to which the Goods or Services will be put does not justify a requirement that the Contractor meet the highest-prevalent standards in performing the Contract;
 - (B) Imposing express technical, standard, dimensional, or mathematical specifications will better ensure that the Goods or Services will be compatible with or will operate efficiently or effectively with components, equipment, parts, Services, or information technology including hardware, Services, or software with which the Goods or Services will be used, integrated, or coordinated;
 - (C) The circumstances of the industry or business that provides the Goods or Services are sufficiently volatile in terms of innovation or evolution of products, performance techniques, or scientific developments that a reliable highest-prevalent standard does not exist or has not been developed;
 - (D) Any other circumstances in which the District's interest in achieving economy, efficiency, compatibility, or availability in the Procurement of the Goods or Services reasonably outweighs the District's practical need for the highest-prevalent standard in the applicable or closest industry or business that supplies the Goods or Services to be delivered under the resulting Contract.

Evaluation criteria need not be precise predictors of actual future costs and performance, but to the extent possible the ~~factors must be reasonable estimates of actual future costs based on information available to the District.~~ criteria shall:
- (i) Afford the District the ability to compare the Proposals and Proposers, applying the same standards of comparison to all Proposers;
 - (ii) Rationally reflect Proposers' abilities to perform the resulting Contract in compliance with the Contract's requirements; and
 - (iii) Permit the District to determine the relative pricing offered by the Proposers, and to reasonably estimate the costs to the District of entering into a Contract based on each Proposal, considering information available to the District and subject to the understanding that the actual Contract costs may vary as a result of the Statement of Work ultimately negotiated or the quantity of Goods or Services for which the District contracts.
- (C) If the District's solicitation process calls for the District to establish a Competitive Range, the District shall generally describe, in the Solicitation Document, the criteria or parameters that the District will apply to determine the Competitive Range. The District, however, may subsequently determine or adjust the number of Proposers in the Competitive Range in accordance with PPS- 47-0261(6).
- (d) Applicable Preferences, including those described in ORS 279A.120, 279A.125(2), and 282.210.

(See PPS- 47-0260(3).)

Further, the District may specify that it will include or use Proposers' terms and conditions that have been pre-negotiated under PPS-47-550(8), but the District may only include or use a Proposer's pre-negotiated terms and conditions in the resulting Contract to the extent that those terms and conditions do not materially conflict with the applicable Contract terms and conditions. The District shall not agree to any Proposer's terms and conditions that were expressly rejected in a solicitation protest under PPS-47-0730.
- (4) For multiple Award Contracts, the District may enter into Contracts with different terms and conditions with each Contractor to the extent those terms and conditions do not materially conflict with the applicable contractual terms and conditions. The District shall not agree to any Proposer's terms and conditions that were expressly rejected in a solicitation protest under PPS-47-0730.
- (5) **Good Cause.** For the purposes of this Rule, "good cause" means a reasonable explanation for not requiring the Contractor to meet the highest standards prevalent in the industry or business most closely involved in providing the Goods or Services Under the Contract, and may include an explanation of circumstances that support a Finding that the requirement would unreasonably limit competition or is not in the best interest of the District. The District shall document in the Procurement File the basis for the determination of good cause or for specifying otherwise. The District will have good cause to specify otherwise when the District determines that:
- (a) The use or purpose to which the Goods or Services will be put does not justify a requirement that the Contractor meet the highest-prevalent standards in performing the Contract;
 - (b) Imposing express technical, standard, dimensional, or mathematical specifications will better ensure that the Goods or Services will be compatible with, or will operate efficiently or effectively with, associated information technology, hardware, software, components, equipment, parts, or ongoing Services with which the Goods or Services will be used, integrated, or coordinated;
 - (c) The circumstances of the industry or business that provides the Goods or Services are sufficiently volatile in terms of innovation or evolution of products, performance techniques, or scientific developments, that a reliable highest-prevalent standard does not exist or has not been developed;
 - (d) That other circumstances in which the District's interest in achieving economy, efficiency, compatibility, or availability in the Procurement of the Goods or Services reasonably outweighs the District's practical need for the highest-prevalent standard in the applicable or closest industry or business that supplies the Goods or Services to be delivered under the resulting Contract.
- (6) **Optional Proposal Requirements.**
- (a) As provided in the Request for Proposals or in Written Addenda issued thereunder, the District may conduct site tours, demonstrations, individual or group discussions, and other informational activities with Proposers before or after the opening of Proposals for the purpose of clarification to ensure full understanding of, and responsiveness to, the solicitation requirements or to consider and respond to requests for modifications of the Proposal requirements. The District

shall use procedures designed to accord Proposers fair and equal treatment with respect to any opportunity for discussion and revision of Proposals.

 - (A) An Award or Awards based solely on the ranking of Proposals;
 - (B) Discussions leading to best and final Offers, in which the District may not disclose private discussions leading to best and final Offers;
 - (C) Discussions leading to best and final Offers, in which the District may not disclose information derived from Proposals submitted by competing Proposers;
 - (D) Serial negotiations, beginning with the highest-ranked Proposer;
 - (E) Competitive simultaneous negotiations;
 - (F) Multi-~~tiered~~Tiered competition designed to identify, at each level, a class of Proposers that fall within a Competitive Range or to otherwise eliminate from consideration a class of lower-ranked Proposers;
 - (G) A Multi-~~step~~Step Request for Proposals requesting the submission of unpriced technical submittals, and then later issuing a Request for Proposals limited to the Proposers whose technical submittals the District had determined to be qualified under the criteria set forth in the initial Request for Proposals; or
 - (H) Any combination of methods described in this paragraph as authorized or prescribed by these Rules.
- (c) Revisions of Proposals may be permitted after the submission of Proposals and before Award for the purpose of obtaining best Offers or best and final Offers.
- (d) After the opening of Proposals, the District may issue or electronically post an Addendum to the Request for Proposals that modifies the criteria, rating process, and procedure for any tier of competition before the start of the tier to which the Addendum applies. The District shall send an Addendum that is issued by a method other than electronic posting to all Proposers who are eligible to compete under the Addendum. The District shall issue or post the Addendum at least five Days before the start of the subject tier of competition or as otherwise determined by the District to be adequate to allow eligible Proposers to prepare for the competition in accordance with rules adopted under ORS 279A.065.
- (7) The cancellation of Requests for Proposals and the rejection of Proposals must be in accordance with ORS 279B.100.
- (8) In the Request for Proposals, the District shall describe the methods by which the District will make the results of each tier of competitive evaluation available to the Proposers who competed in the tier. The District shall include a description of the manner in which the Proposers who are eliminated from further competition may protest or otherwise object to the District's decision.
- (9) The District shall issue or electronically post the notice of intent to Award described in ORS 279B.135 to each Proposer who was evaluated in the final competitive tier.
- (10) If a Contract is Awarded, the District shall Award the Contract to the responsible Proposer whose Proposal the District determines in Writing to be the most advantageous to the District based on the evaluation process and evaluation factors described in the Request for Proposals, any applicable preferences described in ORS 279A.120 and 279A.125, and, when applicable, the outcome of any negotiations

authorized by the Request for Proposals. Other factors may not be used in the evaluation. When the Request for Proposals specifies or authorizes the Award of multiple Public Contracts, the District shall Award Public Contracts to the responsible Proposers who qualify for the Award of a Contract under the terms of the Request for Proposals.

(11) The District may issue a request for information, a request for interest, a Request for Qualifications, or other preliminary documents to obtain information useful in the preparation of a Request for Proposals.

PPS- 47-0261 Procedures for Competitive Range; Multi-Tiered and Multi-Step Solicitations

(1) **Generally.** The District may procure Goods and Services employing any combination of the methods of Contractor selection as set forth in PPS- 47-0260(3)(b). In addition to the procedures set forth in PPS- 47-0300 through ~~PPS- 47-0490~~ for methods of Contractor selection, the District may provide for a Multi-~~tiered~~Tiered or Multi-~~step~~Step selection process that permits Award to the highest-ranked Proposer at any tier or step, calls for the establishment of a Competitive Range, or permits either serial or competitive simultaneous discussions or negotiations with one or more Proposers.

(2) **Methods.** When conducting a Multi-~~tiered~~Tiered or Multi-~~step~~Step selection process, the District may use any combination or series of Proposals, discussions, negotiations, demonstrations, offers, or other means of soliciting information from Proposers that bears on the selection of a Contractor or Contractors. In Multi-~~tiered~~Tiered and Multi-~~step~~Step competitions, the District may use these means of soliciting information from prospective Proposers and Proposers in any sequence or order, and at any stage of the selection process, as determined in the discretion of the District.

(3) **District ~~may~~May Elect to Award Contract Prior to Completion of Stages.** When the District's Request for Proposals prescribes a Multi-~~tiered~~Tiered or Multi-~~step~~Step Contractor selection process, the District nevertheless may, at the completion of any stage in the competition and on determining the most advantageous Proposer (or, in multiple Award situations, on determining the Awardees of the Public Contracts), Award a Contract (or Contracts) and conclude the Procurement without proceeding to subsequent stages. The District also may, at any time, cancel the Procurement under ORS 279B.100.

(4) **Exclusion Protest.** The District may provide, before the notice of an intent to Award, an opportunity for a Proposer to protest exclusion from the Competitive Range or from subsequent phases of Multi-~~tiered~~Tiered or Multi-~~step~~Step sealed Proposals as set forth in PPS- 47-0720.

(5) **Award Protest.** The District shall provide an opportunity to protest its Intent to Award a Contract pursuant to ORS 279B.410 and PPS- 47-0740. An Affected Offeror may protest, for any of the bases set forth in PPS- 47-0720(2), its exclusion from the Competitive Range or from any phase of a Multi-~~tiered~~Tiered or Multi-~~step~~Step Sealed Proposal process, or may protest an Addendum issued following initial Closing, if the District did not previously provide Proposers the opportunity to protest the exclusion or Addendum. The failure to protest shall be considered the Proposer's failure to pursue an administrative remedy made available to the Proposer by the District.

(6) **Competitive Range.** When the District's solicitation process conducted under ORS 279B.060(8) calls for the District to establish a Competitive Range at any stage in the Procurement process, the District may do so as follows:

(a) Determining Competitive Range.

(A) The District may establish a Competitive Range after evaluating all Responsive Proposals in accordance with the evaluation criteria in the Request for Proposals. After evaluation of all Proposals in accordance with the criteria in the Request for Proposals, the District may determine and rank the Proposers in the Competitive Range. Notwithstanding the foregoing, however, in instances in which the District determines that a single Proposer has a

Portland Public Schools Public Contracting Rules
Division 47 ~~—~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

reasonable chance of being determined the most advantageous Proposer, the District need not determine or rank Proposers in the Competitive Range. In addition, notwithstanding the foregoing, the District may establish a Competitive Range of all Proposers to enter into discussions to correct deficiencies in Proposals.

- (B) The District may establish the number of Proposers in the Competitive Range in light of whether the District's evaluation of Proposals identifies a number of Proposers who have a reasonable chance of being determined the most advantageous Proposer, or whether the evaluation establishes a natural break in the scores of Proposers that indicates that a particular number of Proposers are closely competitive or have a reasonable chance of being determined the most advantageous Proposer.
- (b) Protesting Competitive Range. The District must provide Written notice to all Proposers identifying Proposers in the Competitive Range. The District may provide an opportunity for Proposers excluded from the Competitive Range to protest the District's evaluation and determination of the Competitive Range in accordance with PPS-47-0720.
- (7) **Discussions**. The District may initiate oral or Written discussions with all "eligible Proposers" on subject matter within the general scope of the Request for Proposals. In conducting discussions, the District:
- (a) Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;
 - (b) May disclose other eligible Proposers' Proposals or discussions only in accordance with ORS 279B.060(8)(b) or (c);
 - (c) May adjust the evaluation of a Proposal as a result of discussions. The conditions, terms, or price of the Proposal may be changed during the course of the discussions provided the changes are within the scope of the Request for Proposals.
 - (d) At any time during the time allowed for discussions, the District may:
 - (A) Continue discussions with a particular eligible Proposer;
 - (B) Terminate discussions with a particular eligible Proposer and continue discussions with other eligible Proposers; or
 - (C) Conclude discussions with all remaining eligible Proposers and provide, to the then-eligible Proposers, notice requesting best and final Offers.
- (8) **Negotiations**.
- (a) Serial Negotiations Allowed. The District may commence serial negotiations with the highest-ranked eligible Proposer or commence simultaneous negotiations with all eligible Proposers. The District may negotiate:
 - (A) The statement of Work;
 - (B) The Contract Price as it is affected by negotiating the statement of work and other terms and conditions authorized for negotiation in the Request for Proposals or Addenda thereto; and
 - (C) Any other terms and conditions reasonably related to those authorized for negotiation in the Request for Proposals or Addenda thereto. Proposers shall not submit for negotiation, and a District shall not accept, alternative terms and conditions that are not reasonably related to those authorized for negotiation in the Request for Proposals or any Addendum.
 - (b) Terminating Negotiations. At any time during discussions or negotiations the District conducts under this Rule, the District may terminate discussions or negotiations with the highest-ranked

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Proposer, or the eligible Proposer with whom it is currently discussing or negotiating, if the District reasonably believes that:

- (A) The eligible Proposer is not discussing or negotiating in good faith; or
 - (B) Further discussions or negotiations with the eligible Proposer will not result in the parties agreeing to the terms and conditions of a Contract in a timely manner.
- (c) Continuing Serial Negotiations. If the District is conducting serial negotiations and the District terminates negotiations with an eligible Proposer, the District may then commence negotiations with the next highest-scoring eligible Proposer, and continue the sequential process until the District has either:
- (A) Determined to Award the Contract to the eligible Proposer with whom it is currently discussing or negotiating; or
 - (B) Decided to cancel the Procurement under ORS 279B.100.
- (d) Competitive Simultaneous Negotiations. If the District chooses to conduct competitive negotiations, the District may negotiate simultaneously with competing eligible Proposers. The District:
- (A) Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;
 - (B) May disclose other eligible Proposers' Proposals or the substance of negotiations with other eligible Proposers only if the District notifies all of the eligible Proposers with whom the District will engage in negotiations of the District's intent to disclose before engaging in negotiations with any eligible Proposer.
- (e) Any oral modification of a Proposal resulting from negotiations must be reduced to Writing.

(9) **Best and Final Offers**. If the District requires best and final Offers, the District must establish a common date and time by which eligible Proposers must submit best and final Offers. If the District is dissatisfied with the best and final Offers, the District may make a Written determination that it is in the District's best interest to conduct additional discussions, negotiations or change the District's requirements and require another submission of best and final Offers. The District must inform all eligible Proposers that if they do not submit notice of withdrawal or another best and final Offer, their immediately previous Offers will be considered their best and final Offers. The District shall evaluate Offers as modified by the best and final Offers. The District shall conduct the evaluations as described in OAR PPS- 47-0600. The District may not modify evaluation factors or their relative importance after the date and time that best and final Offers are due.

(10) **Multi-stepStep Sealed Proposals**. The District may procure Goods or Services by using Multi-stepStep Competitive Sealed Proposals under ORS 279B.060(8)(b)(g). Multi-stepStep Sealed Proposals is a phased Procurement process that seeks necessary information or unpriced technical Proposals in the first phase and, in the second phase, invites Proposers who submitted technically qualified Proposals to submit Competitive Sealed Price Proposals on the technical Proposals. The District must Award the Contract to the Responsible Proposer submitting the most advantageous Proposal in accordance with the terms of the Solicitation Document applicable to the second phase.

- (a) Public Notice. When the District uses Multi-stepStep Sealed Proposals, the District shall give public notice for the first phase in accordance with PPS- 47-0300. Public notice is not required for the second phase. However, the District shall give notice of the subsequent phases to all

Other Than Personal Services

Proposers and inform any Proposers excluded from the second phase of the right, if any, to protest exclusion under PPS- 47-0720.

- (b) Procedure for Phase One of Multi-~~step~~Step Sealed Proposals. The District may initiate a Multi-~~step~~Step Sealed Proposals Procurement by issuing a Request for Proposals in the form and manner required for Competitive Sealed Proposals except as provided in this Rule. In addition to the requirements required for Competitive Sealed Proposals, the Multi-~~step~~Step Request for Proposals must state:
- (A) That unpriced technical Proposals are requested;
 - (B) That the solicitation is a Multi-~~step~~Step Sealed Proposal Procurement and that, in the second phase, priced Proposals will be accepted only from those Proposers whose unpriced technical Proposals are found qualified in the first phase;
 - (C) The criteria for the evaluation of unpriced technical Proposals; and
 - (D) That the Goods or Services being procured shall be furnished generally in accordance with the Proposer's technical Proposal as found to be finally qualified and shall meet the requirements of the Request for Proposals.
- (c) Addenda to the Request for Proposals. After receipt of unpriced technical Proposals, Addenda to the Request for Proposals shall be distributed only to Proposers who submitted unpriced technical Proposals.
- (d) Receipt and Handling of Unpriced Technical Proposals. Unpriced technical Proposals need not be opened publicly.
- (e) Evaluation of Unpriced Technical Proposals. Unpriced technical Proposals shall be evaluated solely in accordance with the criteria set forth in the Request for Proposals.
- (f) Discussion of Unpriced Technical Proposals. The District may seek clarification of a technical Proposal of any Proposer who submits a qualified, or potentially qualified, technical Proposal. During the course of such discussions, the District shall not disclose any information derived from one unpriced technical Proposal to any other Proposer.
- (g) Methods of Contractor Selection for Phase One. In conducting phase one, the District may employ any combination of the methods of Contractor selection that call for the establishment of a Competitive Range or include discussions, negotiations, or best and final Offers as set forth in this Rule.
- (h) Procedure for Phase Two. On the completion of phase one, the District shall invite each qualified Proposer to submit price Proposals. The District shall conduct phase two as any other Competitive Sealed Proposal Procurement except as set forth in this Rule.
- (i) No public notice need be given of the request to submit Price Proposals because such notice was previously given.

(3) No Fragmentation. A Procurement may not be artificially divided or fragmented so as to constitute a Small Procurement. See ORS 279B.065(2).

PPS-47-0270 Intermediate Procurements

(1) Generally. For Procurements of Goods and Services greater than the dollar amount stated in ORS 279B.065 and less than or equal to the higher dollar amount stated in ORS 279B.070, the District may Award a Contract as an Intermediate Procurement pursuant to ORS 279B.070.

(2) Intermediate Solicitation Process. When conducting an Intermediate Procurement, the District shall seek at least three informally solicited Competitive Price Quotes or Competitive Proposals from prospective Contractors. The District shall keep a Written record of the sources of the Quotes or Proposals received. If three Quotes or Proposals are not reasonably available, fewer will suffice, but the District shall make a Written record of the effort made to obtain the Quotes or Proposals.

(4) Award. If a Contract is Awarded, the District shall Award the Contract to the Offeror whose Quote or Proposal will best serve the interests of the District, taking into account price as well as considerations including, but not limited to, experience, expertise, product functionality, suitability for a particular purpose, and Contractor responsibility under ORS 279B.110.

(5) Amendments. The District may amend a Contract Awarded as an Intermediate Procurement in accordance with PPS-47-0800.

(6) No Fragmentation. A Procurement may not be artificially divided or fragmented so as to constitute an Intermediate Procurement. See ORS 279B.070(2).

PPS-47-0275 Sole-Source Procurements

(1) Generally. The Superintendent is delegated the authority to determine whether Goods and Service or a class of Goods and Services are available from only one source pursuant to ORS 279B.075. The Superintendent's determination must be based on Written Findings that may include information that:

- (a)** The efficient utilization of existing Goods or Services requires the acquisition of compatible Goods or Services;
- (b)** The Goods or Services required for the exchange of software or data with other public or private agencies are available from only one source;
- (c)** The Goods or Services are for use in a pilot or an experimental Project; or
- (d)** Other Findings that support the conclusion that the Goods or Services are available from only one source.

(2) Public Notice. If the Contract amount is greater than \$150,000, the District shall give public notice of the Superintendent's determination that the Goods or Services or class of Goods or Services are available from only one source. The District shall publish such notice in a manner similar to public notice of Competitive Sealed Bids under ORS 279B.055(4) and PPS-47-0300. The public notice shall describe the Goods or Services to be acquired by a sole-source Procurement, identify the prospective Contractor, and include the date, time, and place that protests are due. The District shall give affected Persons at least seven Days from the date of the notice of the determination that the Goods or Services are available from only one source to protest the sole-source determination.

PPS-47-0280 Emergency Procurements

(2) Construction Services. For an Emergency Procurement of construction services that are not Public Improvements, the District shall ensure competition for a Contract for the Emergency Work that is reasonable and appropriate under the emergency circumstances. In conducting the Procurement, the District shall set a solicitation time period that the District determines to be reasonable under the Emergency circumstances, and may issue Written or oral requests for Offers or make direct appointments without competition in cases of extreme necessity. See PPS-49-0150.

SPECIAL PROCUREMENTS (CONTRACTING EXEMPTIONS)

PPS-47-0285 Special Procurements; Purpose and Application

The District may Award a Public Contract as a Special Procurement pursuant to the requirements of ORS 279B.085 without using Competitive Sealed Bidding or Competitive Sealed Proposals or other competitive procedures as otherwise required by these Rules. The Contract Review Board must approve Special Procurements. The Contract Review Board may approve the following two types of Special Procurements:

(1) A "Class Special Procurement" is a Procurement procedure for entering into a series of Contracts over time or for multiple Projects based on the classification of the Contract.

(2) A "Contract-Specific Special Procurement" is a Procurement procedure for the purpose of entering into a single Contract or a number of related Contracts on a one-time basis or for a single Project.

PPS-47-0287 Special Procurements; Request Procedures

(1) To seek approval of an additional Special Procurement, the Superintendent shall submit a Written request to the Contract Review Board. The request must describe the contracting procedure, the Goods and Services or class of Goods and Services that are the subject of the Special Procurement, and the circumstances that justify the use of a Special Procurement under the standards set forth in Section (2) of this Rule.

(2) The Contract Review Board shall review and may approve a request for a Special Procurement if the Contract Review Board finds that the use of the Special Procurement:

(a) Is unlikely to encourage favoritism in the Awarding of Public Contracts or to substantially diminish competition for Public Contracts; and

(b) (A) Is reasonably expected to result in substantial cost savings to the District or to the public; or

(B) Otherwise substantially promotes the public interest in a manner that could not practicably be realized by complying with Procurement requirements that would otherwise be applicable to the Procurement under Division 47 of these Rules.

(3) The District shall give public notice of approval of a Special Procurement in the manner provided in PPS-47-0300. The notice will describe the Goods or Services or class of Goods or Services subject to the Special Procurement, and shall give affected Persons at least seven Days from the date of notice of the approval of the Special Procurement to protest the Special Procurement.

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

(4) An affected Person may protest the approval of a Special Procurement in accordance with ORS 279B.400 and PPS- 47-0700.

(5) An approved Class Special Procurement shall be added to enumerated Class Special Procurements in PPS- 47-0288.

PPS- 47-0288 Approved Class Special Procurements

The Contract Review Board declares the following classes of Contracts for Goods or Services listed in this ~~Section~~[section](#) as Class Special Procurements for which Contracts may be Awarded without compliance with the competitive Procurement requirements that would otherwise be applicable to the Procurement under Division 47 of these Rules. Unless an alternative Procurement process is particularly specified in these Rules, the selection procedures for such Class Special Procurements shall be as the Superintendent determines will result in a Contract that will best serve the interests of the District. Prior to utilizing a Class Special Procurement, the Superintendent will document in Writing in the Procurement File the reasons why the Contract qualifies as a Class Special Procurement under these Rules, including any required Findings. Except as otherwise provided in this Rule, the School Board must approve any Contracts Awarded pursuant to Special Procurement if the Contract Price exceeds the Superintendent's delegated authority under PPS- 45-0200. The Contract Review Board hereby designates the following classes of Contracts for Special Procurement:

(1) **Advertising Contracts.** The District may purchase advertising in any medium, regardless of the dollar value of the Contract. The District may sell advertising for District publications or activities, regardless of the dollar value of the Contract.

(2) **Equipment Repair/Overhaul.** The District may enter into a Public Contract for equipment repair or overhaul without competitive Procurement, subject to the following conditions:

- (a) Where the extent of the repair or overhaul is unknown or not easily identified; or
- (b) Where service or parts requirements are unpredictable; or
- (c) Service or parts required are for equipment for which specially trained personnel are required, and such personnel are available from only one source; and
- (d) Conducting a competitive process is impractical. The District must document in the Procurement File the reasons why a competitive process was deemed to be impractical

(3) **Specifications.**

(a) "Or Equal" Specification.

(A) A Brand Name or Equal Specification may be used when the use of a Brand Name or Equal Specification is advantageous to the District, because the Brand Name describes the standard of quality, performance, functionality, and other characteristics of the product needed by the District.

(B) The Superintendent is entitled to determine what constitutes a product that is equal or superior to the product specified, and any such determination is final.

(C) Nothing in this ~~Section~~[section](#) may be construed as prohibiting the Superintendent from specifying one or more comparable products as examples of the quality, performance, functionality, or other characteristics of the product needed by the District.

(b) Specifying a Particular Make or Product. A Brand Name Specification may be prepared and used only if the Superintendent determines for a solicitation or a class of solicitations that only

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the identified Brand Name Specification will meet the needs of the District based on one or more of the following Findings:

- (A) That use of a Brand Name Specification is unlikely to encourage favoritism in the Awarding of Public Contracts or substantially diminish competition for Public Contracts;
- (B) That use of a Brand Name Specification would result in substantial cost savings to the District;
- (C) That there is only one manufacturer or seller of the product of the quality, performance, or functionality required;
- (D) That the equipment or supplies being procured are used in athletic programs or physical education programs; or
- (E) That efficient utilization of existing Goods requires the acquisition of compatible Goods or Services. For the purposes of this Finding, "compatibility" includes, without limitation, technical compatibility, technological equity, and equivalent ease of training, durability, and use. "Compatibility" also includes, without limitation, compatibility among equipment in a standardized technology bundle developed to deliver curriculum in a classroom.

(4) Copyrighted Materials and Creative Works. The District may directly purchase copyrighted materials or creative works regardless of dollar value if available from only one source. Examples of copyrighted materials covered by this exemption may include, but are not necessarily limited to, new adopted textbooks, workbooks, curriculum kits, on-line curriculum, [instructional software applications and related digital resources, assessments, assessment materials and reports](#), reference materials, books, periodicals, audio and visual media, and non-mass-marketed software. Examples of creative works covered by this Class Special Procurement include, but are not limited to, artwork, music, uncopyrighted writings, and similar works. ~~This class special procurement includes instructional resources (digital resources, educational resources, learning management systems, open educational resources) that are vetted and approved for District use through the Instructional Resource Intake Survey ("IRIS") process. Pursuant to IRIS process, vendors are invited to make a presentation to a District committee of subject matter experts (which may be different depending on the instructional materials being sought). The committee will determine whether the materials meets the applicable criteria and will approve or disapprove of the materials for District use. Principals and departments may purchase materials on the approved list without further competitive procurement if the total cost is within the delegated authority of the particular District official.~~

(5) Insurance and Employee Benefits. The District may purchase liability, property damage, workers' compensation, and other insurance and insurance services Contracts, and employee benefits, without Competitive Procurement and regardless of dollar amount, by selecting either a vendor directly or by appointing an agent of record. For the purpose of this Special Procurement, "employee benefits" includes, but is not limited to, "employee benefit plans" as defined in ORS 243.105(1), plans provided through the Oregon Educators Benefits Board pursuant to ORS 243.860 through 243.886, plans provided through the School District No. 1J Health and Welfare Trust, flexible benefit plans as defined in ORS 243.221, insurance or other benefit based on life, supplemental medical, supplemental dental, optical, accidental death or disability insurance plans, long-term care insurance, health care coverage to retired officers, employees, spouses, and children, employee assistance plans, and expense reimbursement plans.

(6) Spot Buys. This Special Procurement provides a process for the District to procure products that are available for a limited period of time at "lower-than-normal" prices (also referred to as "spot buys").

- (a) Regardless of dollar value and without Competitive Procurement, the District may purchase "spot buys."

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Conditions. The District may procure an unlimited dollar value of products when any of the following conditions are present:
- (A) A non-exclusive mandatory-use Contract or regularly scheduled Bid process already exists for the item being purchased;
 - (B) The proposed unit price of the item(s) to be purchased is significantly less than a comparable item's price on an existing mandatory-use Contract, recent Bid, or based on obtaining at least three Quotes, and the amount saved exceeds any additional administrative costs incurred to purchase the item using this Special Procurement;
 - (C) The product being purchased has limited availability (i.e., the product may no longer be available or available at the special price upon completion of normal Bid processes); or
 - (D) Any mandatory-use Contract currently in place for the item being purchased contain clauses allowing for the use of this Special Procurement.
- (c) Notwithstanding ~~subsection~~ Subsection 6(b) of this ~~Section~~ section, the District may not purchase a spot buy if doing so would jeopardize fulfillment of a guaranteed minimum volume under an existing mandatory-use Contract;
- (d) Documentation. Purchases may only be made under this Special Procurement if the Superintendent documents to the Procurement File that the conditions set forth in Section (6)(b) apply to the proposed purchase.
- (e) Notwithstanding PPS- 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on "spot-buy" Contracts in any dollar amount, but will report the nature and amount of the Contract to the School Board as provided in PPS- 45-0200(6).
- (7) **Price Agreements.**
- (a) Price Agreements may be established for the purposes of minimizing paperwork, achieving continuity of product, securing a source of supply, reducing inventory, combining District requirements for volume discounts, creating standardization among agencies, and reducing lead time for ordering. The Superintendent may enter into Price Agreements to purchase Goods or Services for an anticipated need at a predetermined price, but the Contract must be let by a Competitive Procurement process pursuant to the requirements of these Rules.
 - (b) The Superintendent may purchase the Goods and Services from a Contractor Awarded a Price Agreement without first undertaking additional Competitive solicitation up to the amount set forth in the Price Agreement.
 - (c) The Superintendent may use the Price Agreement entered into by another Public Agency when the Original Contract was let pursuant to PPS- 46-0400 through ~~PPS~~ 46-0480;
 - (d) The term of the Price Agreement, including renewals, may not exceed the term stated in the original solicitation.
- (8) **Purchase of Used Personal Property.** The District may purchase used property or equipment. "Used personal property or equipment" is property or equipment that has been placed in its intended use by a previous owner or user for a time recognized in the relevant trade or industry as qualifying the personal property or equipment as "used" at the time of the District purchase. "Used personal property or equipment" generally does not include property or equipment if the District was the previous user, whether under a lease, as part of a demonstration, trial, or pilot project, or under a similar arrangement. Notwithstanding PPS- 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

a Contract for the purchase of used personal property in any dollar amount, ~~but will report the nature and amount of the Contract to the School Board as provided in PPS 45-0200(6).~~

(9) Sale of Used Personal Property.

- (a) The Superintendent may sell used personal property without obtaining Competitive Bids or Quotes if a liquidation sale would bring in greater revenue to the District than would be gained through Bids. As used in this ~~Section~~ section, "surplus personal property" is property or equipment that has been determined to no longer be useful to the District. It may be property or equipment that the District has used for some time and that is fully used up or obsolete. It may be property or equipment that is the natural excess or leftover from a Project, such as cable, wire, carpet, etc., that has been cut or partially used in some manner so that it cannot be returned to the supplier for a refund.
- (b) For sales of surplus property valued at more than \$25,000 per item or lot, the Superintendent must attempt to obtain at least three Competitive Quotes. The Superintendent will keep a Written record of the source and number of Quotes received. If three Quotes are not available, a Written record must be made of the attempt to obtain three Quotes.
- (c) The Superintendent may sell used personal property regardless of price via an electronic auction or sales service including, without limitation, eBay, Craigslist, or other similar Internet-based auctions or marketplaces. If the service does not otherwise provide for a competitive sales process, the Superintendent will establish a minimum Bid, a time period for acceptance of Bids, and will not sell the property unless the Superintendent receives a minimum of three Bids. The sale will be Awarded to the highest Responsible Bidder submitting a Responsive Bid, except that the Superintendent may accept a lower Bid if transportation or other costs associated with collection or delivery of the property would offset the higher Bid amount.
- (d) The Superintendent may sell, sell at a discount, or donate used personal property to another school district, to another Public Body, or to a nonprofit corporation that provides educational, social, or other important services to the District, District students, or families of District students.
- (e) If the Superintendent determines that the used personal property has no market value, or that the market value is so low that the staff time or cost involved in selling the property is likely to exceed the value of the used personal property, the Superintendent may dispose of the property as the Superintendent determines is in the best interest of the District.

(10) Reverse Auctions.

- (a) A reverse auction means a process for the purchase of Goods and Services from the lowest Bidder. The District must conduct reverse auctions by first publishing a solicitation that describes its requirements and Contract terms and conditions. Then the District must solicit online Bids from all interested Bidders through an Internet-based program. The solicitation must set forth a start and end time for Bids and specify the following type of information to be disclosed to Bidders during the reverse auction:
 - (A) The prices of the other Bidders or the price of the most Competitive Bidder;
 - (B) The rank of each Bidder (e.g., (i) "winning" or "not winning" or (ii) "1st, 2nd, or higher");
 - (C) The scores of the Bidders if the District chooses to use a scoring model that weighs non-price factors in addition to price; or

Portland Public Schools Public Contracting Rules

Division 47 — Public Contracting Rules for Contracts for Goods and/or Services Other Than Personal Services

- (D) Any combination of (A), (B), and (C) above. Before the reverse auction commences, Bidders must be required by the District to assent to the Contract terms and conditions, either in Writing or by an Internet "click" agreement. The Bidders then compete for the Award of a Contract by offering successively lower prices, informed by the price(s), ranks, and scores, separately or in any combination thereof, disclosed by the District. The identity of the Bidders must not be revealed during this process. Only the successively lower price(s), ranks, scores, and related details, separately or in any combination thereof, will be revealed to the participants. The District may cancel this solicitation if the District determines that it is in the District's best interest. At the end of this Bidding process, the District must Award any potential Contract to the lowest Responsible Bidder, or in the case of multiple Awards, lowest Responsible Bidders pursuant to ORS 279A.055(10)(b). This process allows the District to test and determine the suitability of the Goods and Services before making the Award.

(11) Software and Hardware Maintenance, Licenses, Subscriptions, and Upgrades. The Superintendent may directly enter into a Contract and may or renew existing Contracts for ~~proprietary~~ information technology and telecommunications ~~services, and~~ hardware or software maintenance ~~or upgrades where the efficient utilization of existing equipment or systems requires the acquisition of compatible Goods or Services, or where Goods or Services are~~ licenses, subscriptions, and upgrades without competitive solicitation where the maintenance, upgrades, subscriptions, and licenses are either available from only one source or, if available from more than one provider, are obtained from the District's current provider in order to utilize the pre-existing knowledge of the vendor regarding the specifics of the District's hardware or software system. The Superintendent ~~must make a Finding supporting this conclusion as required in PPS PPS 47-0275 or PPS 47-0288(3)(b).~~ In making this determination, the Superintendent may consider the functionality of the existing system with upgrades or continued service, long term cost, ease of use, integration with existing technology or systems, or other factors shall document in the Procurement File the facts that justify either that maintenance, licenses, subscriptions, and upgrades were available from only one source or, if from more than one source, from the current vendor.

(12) Hazardous Material Abatement.

- (a) The Superintendent may enter into Public Contracts without Competitive Procurement, regardless of dollar amount, when ordered to clean up oil or hazardous waste pursuant to the authority granted by the Oregon Department of Environmental Quality ("DEQ") under ORS Chapter 466, especially ORS 466.605 through 466.680. In exercising its authority under this exemption.
- (b) The Superintendent must, to the extent reasonable under the circumstances, encourage competition by attempting to obtain informal Quotes from potential suppliers of Goods and Services.
- (c) The department responsible for managing or coordinating the clean-up must submit a Written description of the circumstances that require the clean-up and a copy of the DEQ order for the clean-up, ~~along with a requisition authorizing the Contract,~~ to the District Purchasing Department.
- (d) The District ~~Procurement~~Purchasing and ~~Distribution~~Contracting Department must record the measures taken under Section (12)(b) of this Rule to encourage competition, the amount of the Quotes or Proposals obtained, if any, and the reason for selecting the Contractor to whom Award is made.
- (e) The District may not contract pursuant to this exemption in the absence of an order from the DEQ to clean up a site that includes a time limit that would not allow the District to hire a

Contractor under normal Competitive Procurement procedures. Goods and Services to perform other hazardous material removal or clean-up will be purchased in accordance with normal Competitive Procurement procedures as described in these Rules and policies.

- (f) Notwithstanding PPS- 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on a Contract for hazardous material abatement in any dollar amount, ~~but will report the nature and amount of the Contract to the School Board as provided in PPS 45-0200(6).~~

(13) Purchase of Products for Resale to Students and Staff. The District may purchase personal property for resale to students and staff without Competitive Procurement and regardless of dollar amount.

(14) Radio and Television Contracts for Student Activities.

- (a) Generally. The Superintendent must use a Competitive Procurement method (e.g., an Invitation to Bid or Request for Proposals) to obtain Written Bids or Proposals to provide commercial radio and television Services for any student activity or District program, including athletics, if the value of the Services totals more than \$150,000, regardless of whether the District is paying or receiving revenue under the Contract.
- (b) Specific and Ancillary Services. The Solicitation Document used to invite Bids or Proposals to furnish radio or television Services to District programs must include the minimum Bidder or qualifications and Service specifications and will conform to the other requirements of the "Request for Proposal" Rule herein. The Solicitation Document may invite interested Bidders or Proposers to offer other ancillary Services. Each ancillary Service, if offered, must be accompanied by a dollar value that reflects the current purchase price for the Service and a description of the Service and its use and application.
- (c) Term of Contract. A Contract for radio or television Services may be Awarded for up to five years.

(15) Donated Materials or Services. The District may directly negotiate a Contract with a Person to perform Services or provide Goods or Services regardless of dollar amount, if:

- (a) The Person has agreed to donate all or a significant portion of the materials or Services necessary to perform the Work; and
- (b) The Person enters into a license or agreement with the District whereby the Person agrees to comply with the Public Contract requirements applicable to the particular Project and any requirements that the District deems necessary or beneficial to protect the District.

(16) Manufacturer Direct Supplies. The District may purchase Goods directly from a manufacturer if a large-volume purchase is required and the cost from the manufacturer is the same or less than the cost the manufacturer charges to its distributor(s). Procurements of this type are made on a Contract-by-Contract basis and are not Price Agreements.

~~**(17) Purchases through Federal Programs.** The District may purchase certain authorized Goods and Services through General Service Administration federal programs or federal contracts, provided that the District has federal authorization to purchase through the federal program and the federal contract was solicited in a manner substantially equivalent to the requirements of PPS Division 47 and the Public Contracting Code.~~

~~**(17)**~~ **(18) Benson House Program Contracts.** The District may directly negotiate a Contract for Goods and/or Services without complying with the Competitive Procurement requirements of these Rules where the

Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

Contract is for the purpose of supporting the Benson Polytechnic High School Building Construction Class, and all or a portion of the Contract Price is discounted or donated to the District.

(18) ~~(19)~~ Purchases ~~under~~ Under Contracts Solicited by Nonprofit Procurement Organizations of Which the District ~~is~~ Is a Member. The District may purchase Goods and/or Services under a Contract or Procurement solicited by a Nonprofit Procurement Organization of which it is a member. For the purposes of this Special Procurement, such a Procurement Organization will be considered to be an "Administering Contracting Agency" and a "Contracting Purchasing Group" under PPS- 46-0400 through 46-0480. Such Procurement must otherwise comply with the requirements for permissive, joint, or Interstate Cooperative Procurements, as applicable, pursuant to PPS- 46-0400 through ~~PPS-46-0480~~.

(19) ~~(20)~~ Secure, Specialized Transportation for Special Needs Students. The Superintendent may contract directly for transportation services for special needs students where such transportation need requires a transportation service with skills or equipment tailored to the needs of the particular special needs student or class of special needs students. For the purposes of this Special Procurement, a "special needs student" is a student with special physical, mental, developmental, or security needs such that District transportation, public transportation, or other private general transportation providers (taxicabs, town car services, charter services, etc.) cannot provide safe, beneficial, or timely service. Notwithstanding PPS- 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on a Contract for secure, specialized transportation, in any dollar amount, ~~and will report the nature and amount of the Contract to the School Board as provided in PPS- 45-0200(6).~~

(20) ~~(21)~~ FSCP. The Superintendent may establish an FSCP for Goods, Services, or construction services that are not Public Improvements for a particular class of Services, where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (a) **Solicitation to Create an FSCP.** An FSCP for Goods or Services shall be solicited based on the total cost of the Work estimated to be Awarded through the FSCP during its life. If the total amount of the Work is estimated to be over \$150,000, the Superintendent shall use a Competitive Sealed Proposals process as provided in PPS- 47-0260. If the total amount of the Work is \$150,000 or less, the FSCP may be solicited pursuant to the Intermediate Procurement process set forth in PPS- 47-~~0270~~0270.
- (A) The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the procurement qualifies for use of an FSCP under these Rules.
- (B) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside the designated class of Contracts to the FSCP.
- (C) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
- (D) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
- (E) The solicitation may set or limit the value of the Work to be performed by the FSCP.

Portland Public Schools Public Contracting Rules

Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Contracting for Work from an FSCP. Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform certain Services or provide certain Goods within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Services or Goods will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has offered a Contract to all of the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer a Contract to Contractors out of sequence in the following circumstances:
- (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
 - (B) Contract negotiations with the next-listed Contractor are not successful.
 - (C) The Project is for Goods or Services that is a continuation of, addition to, or connected with Goods or Services previously performed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work or provided the prior Goods.
 - (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability or capacity is required. In order to make this determination, the Superintendent shall conduct an Intermediate Procurement pursuant to PPS-47-0270 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (c) An FSCP established under this Rule will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
- (d) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or orders, or any Work or orders at all.
- (e) The establishment of an FSCP does not preclude the Superintendent from procuring Goods or Services that would otherwise fall within the FSCP from other Contractors through any other Procurement method authorized under these Rules.
- (f) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, inventory, or other capability needed to perform the class of Work or provide the required Goods or Services.
- (g) If an FSCP for construction services is reasonably estimated to include Public Works Projects that will total over \$50,000 during the life of the FSCP, Public Works Contracts Awarded to Contractors on an FSCP list shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.

 - (c)** The interval between the first date of notice of the Solicitation Document given in accordance with Sections (2)(a) or (b) above and Closing, which shall not be less than seven Days for an Invitation to Bid and 14 Days for a Request for Proposals, unless the District determines that a shorter interval is in the public's interest, and that a shorter interval will not substantially affect competition. However, in no event shall the interval between the first date of notice of the Solicitation Document given in accordance with Section (2)(a) or (b) above and Closing be less than seven Days as set forth in ORS 279B.055(4)(f). PPS- 47-0310 Bids or Proposals ~~are~~ Are Offers

- (1) **Offer and Acceptance.** The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract.
- (a) In Competitive Bidding and Competitive Proposals, the Offer is always a "Firm Offer," i.e., the Offer shall be held open by the Offeror for the District's acceptance for the period specified in PPS- 47-0480. The District may elect to accept the Offer at any time during the specified period, and the District's Award of the Contract constitutes acceptance of the Offer and binds the Offeror to the Contract.
- (b) Notwithstanding the fact that a Competitive Proposal is a "Firm Offer" for the period specified in PPS- 47-0480, the District may elect to discuss or negotiate certain contractual provisions, as identified in these Rules or in the Solicitation Document, with the Proposer. Where negotiation is permitted by the Rules or the Solicitation Document, Proposers are obligated to negotiate in good faith and only on those terms or conditions that the Rules or the Solicitation Document have reserved for negotiation.
- (2) **Contingent Offers.** Except to the extent that the Proposer is authorized to propose certain terms and conditions pursuant to PPS- 47-0262, a Proposer must not make its Offer contingent upon the District's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.
- (3) **Offeror's Acknowledgment.** By Signing and returning the Offer, the Offeror acknowledges that it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits Proposers to propose alternative terms or conditions under PPS- 47-0261, the Offeror's Offer shall include any nonnegotiable terms and conditions, any proposed terms and conditions offered for negotiation upon and to the extent accepted by the District in Writing, and Offeror's agreement to perform the scope of Work and meet the performance standards set forth in the final negotiated scope of Work.

PPS- 47-0320 Facsimile Bids and Proposals

- (1) **District Authorization.** The District may authorize Offerors to submit Facsimile Offers. If the District determines that Bid or Proposal security is or will be required, the District should not authorize Facsimile Offers unless the District has another method for receipt of such security. Prior to authorizing the submission of Facsimile Offers, the District must determine that the District's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the District must establish administrative procedures and controls:
- (a) To receive, identify, record, and safeguard Facsimile Offers;
- (b) To ensure timely delivery of Offers to the location of Opening; and
- (c) To preserve the Offers as sealed.
- (2) **Provisions to ~~be~~ Be Included in Solicitation Document.** In addition to all other requirements, if the District authorizes a Facsimile Offer, the District will include in the Solicitation Document the following:

- (c) A provision that requires Offerors to Sign their Facsimile Offers;

PPS-47-0330 E-Procurement

(1) Electronic Procurement Authorized.

- (a) The District may conduct all phases of a Procurement, including, without limitation, the posting of Electronic Advertisements and the receipt of electronic Offers, by electronic methods if and to the extent the District specifies in a Solicitation Document, a Request for Quotes, or any other Writing that instructs Persons how to participate in the Procurement.
- (b) The District must open an Electronic Offer in accordance with electronic security measures in effect at the District at the time of its receipt of the Electronic Offer. Unless the District provides procedures for the secure receipt of Electronic Offers, the Person submitting the Electronic Offer assumes the risk of premature disclosure due to submission in unsealed form.
- (c) The District's use of electronic Signatures must be consistent with applicable statutes and Rules. The District must authorize, and may limit the use of, electronic methods of conducting a Procurement based on the best interests of the District, as determined by the District.

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (d) If the District determines that Bid or Proposal security is or will be required, the District should not authorize Electronic Offers unless the District has another method for receipt of such security.

(2) Rules Governing Electronic Procurements. The District must conduct all portions of an Electronic Procurement in accordance with these Division 47 Rules, unless otherwise set forth in this Rule.

(3) Preliminary Matters. As a condition of participation in an Electronic Procurement, the District may require potential Contractors to register with the District before the date and time on which the District will first accept Offers, to agree to the terms, conditions, or other requirements of a Solicitation Document, or to agree to terms and conditions governing the Procurement, such as procedures that the District may use to attribute, authenticate, or verify the accuracy of an Electronic Offer, or the actions that constitute an electronic Signature.

(4) Offer Process. The District may specify that Persons must submit an Electronic Offer by a particular date and time, or that Persons may submit multiple Electronic Offers during a period of time established in the Electronic Advertisement. When the District specifies that Persons may submit multiple Electronic Offers during a specified period of time, the District must designate a time and date on which Persons may begin to submit Electronic Offers, and a time and date after which Persons may no longer submit Electronic Offers. The date and time after which Persons may no longer submit Electronic Offers need not be specified by a particular date and time, but may be specified by a description of the conditions that, when they occur, will establish the date and time after which Persons may no longer submit Electronic Offers. When the District will accept Electronic Offers for a period of time other than at the designated date and time that the District will first receive Electronic Offers, the District must begin to accept real time Electronic Offers on an Electronic Procurement System, and must continue to accept Electronic Offers in accordance with Section (5)(b) of this Rule until the date and time specified by the District, after which the District will no longer accept Electronic Offers.

(5) Receipt of Electronic Offers.

- (a) When the District conducts an Electronic Procurement that provides that all Electronic Offers must be submitted by a particular date and time, the District must receive the Electronic Offers in accordance with these Division 47 Rules.
- (b) When the District specifies that Persons may submit multiple Electronic Offers during a period of time, the District must accept Electronic Offers, and Persons may submit Electronic Offers, in accordance with the following:
- (A) Following receipt of the first Electronic Offer after the date and time that the District first receives Electronic Offers, the District must post and update on a real-time basis:
- (i) The prices of the other Bidders or the price of the most Competitive Bidder;
 - (ii) The rank of each Bidder (e.g., (i) "winning" or "not winning" or (ii) "1st, 2nd, or higher";
 - (iii) The scores of the Bidders if the District chooses to use a scoring model that weighs non-price factors in addition to price; or
 - (iv) Any combination of (i), (ii), and (iii) above. At any time before the date and time after which the District will no longer receive Electronic Offers, a Person may revise its Electronic Offer, except that a Person may not lower its price unless that price is below the then lowest Electronic Offer.

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (B) A Person may not increase the price set forth in an Electronic Offer after the date and time that the District first accepts Electronic Offers.
- (C) A Person may withdraw an Electronic Offer only in compliance with these Division 47 Rules. If a Person withdraws an Electronic Offer, it may not later submit an Electronic Offer at a price higher than that set forth in the withdrawn Electronic Offer.

(6) **Failure of the E-Procurement System.** In the event of a failure that interferes with the ability of Persons to submit Electronic Offers, protest, or to otherwise participate in the Procurement, the District may cancel the Procurement in accordance with PPS- 47-0660, or may extend the date and time for receipt of Electronic Offers by providing notice of the extension immediately after the system becomes available.

BID AND PROPOSAL PREPARATION

- (2) **Forms.** Offerors must submit their Offer on the form(s) provided in the Solicitation Document, unless Offerors are otherwise instructed in the Solicitation Document.
- (3) **Documents.** Offerors must provide the District with all documents and Descriptive Literature required by the Solicitation Document.

PPS- 47-0410 Offer Submission

(1) **Product Samples and Descriptive Literature.** The District may require Product Samples or Descriptive Literature if the District determines either is necessary or desirable to evaluate the quality, features, or characteristics of an Offer. The District will dispose of Product Samples, or make them available for the Offeror to retrieve, in accordance with the Solicitation Document.

(2) **Identification of Offers.**

- (a) To ensure proper identification and handling, Offers must be submitted in a sealed envelope appropriately marked. If the District permits Electronic Offers or Facsimile Offers in the Solicitation Document, the Offeror may submit and identify Electronic Offers or Facsimile Offers in accordance with these Division 47 Rules and the instructions set forth in the Solicitation Document. The District will not consider Facsimile or Electronic Offers unless authorized by the Solicitation Document.
- (b) The District is not responsible for Offers submitted in any manner, format, or to any delivery point other than as required in the Solicitation Document.

(3) **Receipt of Offers.** Offerors are responsible for ensuring that the District receives their Offers at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

PPS- 47-0420 Pre-Offer Conferences

- (1) **Purpose.** The District may hold pre-Offer conferences with prospective Offerors prior to Closing to explain the Procurement requirements, obtain information, or conduct site inspections.
- (2) **Required Attendance.** The District may require attendance at the pre-Offer conference as a condition for making an Offer.
- (3) **Scheduled Time.** If the District holds a pre-Offer conference, it must be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(4) Statements Not Binding. Statements made by the District's representative at the pre-Offer conference do not change the Solicitation Document unless the District confirms such statements with a Written Addendum to the Solicitation Document.

(5) District Announcement. The District must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with PPS- 47-0255(2) or ~~PPS-47-0260(2)~~.

PPS- 47-0430 Addenda to Solicitation Document

(1) Issuance; Receipt. The District may change a Solicitation Document only by Written Addenda. An Offeror must provide Written acknowledgment of receipt of all issued Addenda with its Offer, unless the District otherwise specifies in the Addenda.

(2) Notice and Distribution. The District must notify prospective Offerors of Addenda in a manner intended to foster competition and to make prospective Offerors aware of the Addenda. The Solicitation Document must specify how the District will provide notice of Addenda and how the District will make the Addenda available before Closing, and at each subsequent step or phase of evaluation if the District will engage in a Multi-~~step~~Step Competitive Sealed Bidding process in accordance with PPS- 47-0257, or a Multi-~~tiered~~Tiered or Multi-~~step~~Step Competitive Sealed Proposals process in accordance with PPS- 47-0261. The following is an example: "The District will not mail notice of Addenda, but will post public notice of any Addenda on the District's Web site. Offerors should frequently check the District's Web site until Closing, i.e., at least once weekly until the week of Closing and at least once daily the week of Closing."

(3) Timelines; Extensions.

(a) The District must issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The District may extend the Closing if the District determines that prospective Offerors need additional time to review and respond to Addenda. Except to the extent justified by a countervailing public interest, the District must not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.

(b) Notwithstanding Section (3)(a) of this Rule, an Addendum that modifies the evaluation criteria, selection process, or procedure for any step or phase of competition under a Multi-~~step~~Step Sealed Bidding or Multi-~~step~~Step Sealed Proposals process issued in accordance with PPS- 47-0257 or ~~PPS-47-0261~~ must be issued no fewer than five Days before the beginning of that step or phase of competition, unless the District determines that a shorter period is sufficient to allow the Offerors to prepare for that step or phase of competition. The District must document the factors it considered in making that determination, which may include, without limitation, the scope of the changes to the Solicitation Document, the location of the remaining eligible Proposers, or whether shortening the period between issuing an Addendum and the beginning of the next step or phase of competition favors or disfavors any particular Proposer or Proposers.

(4) Request for Change or Protest. Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in PPS- 47-0730, by the close of the District's next business Day after issuance of the Addendum, or up to the last Day allowed to submit a request for change or protest of the solicitation under PPS- 47-0730, whichever date is later. If the date established in the previous sentence falls after the deadline for receiving protests to the Solicitation Document in accordance with PPS- 47-0730, then the District may consider an Offeror's request for change or protest to the Addendum only, and the District shall not consider a request for change or protest to matters not added or modified by the Addendum. Notwithstanding any provision of this Section (4) of this Rule, the District is not required to provide a protest period for Addenda issued after the initial Closing

during a Multi-~~tiered~~Tiered or Multi-~~step~~Step Procurement process conducted pursuant to ORS 279B.055 or 279B.060.

PPS- 47-0440 Pre-Closing Modification or Withdrawal of Offers

(1) Modifications. An Offeror may modify its Offer in Writing prior to the Closing. An Offeror must prepare and submit any modification to its Offer to the District in accordance with PPS- 47-0400 and PPS- 47-0410, unless otherwise specified in the Solicitation Document. Any modification must include the Offeror's statement that the modification amends and supersedes the prior Offer. The Offeror must mark the submitted modification as follows:

- (a) Bid (or Proposal) Modification; and
- (b) Solicitation Document Number (or other identification as specified in the Solicitation Document).

(2) Withdrawals.

- (a) An Offeror may withdraw its Offer by Written notice submitted on the Offeror's letterhead, Signed by an authorized representative of the Offeror, delivered to the individual and location specified in the Solicitation Document (or the place of Closing if no location is specified), and received by the District prior to the Closing. The Offeror or authorized representative of the Offeror may also withdraw its Offer in person prior to the Closing upon presentation of appropriate identification and evidence of authority satisfactory to the District.
- (b) The District may release an unopened Offer withdrawn under Section (2)(a) of this Rule to the Offeror or its authorized representative, after voiding any date and time-stamp mark.
- (c) The Offeror must mark the Written request to withdraw an Offer as follows:
 - (A) Bid (or Proposal) Withdrawal; and
 - (B) Solicitation Document Number (or other identification as specified in the Solicitation Document).

(3) Documentation. The District must include all documents relating to the modification or withdrawal of Offers in the appropriate Procurement File.

PPS- 47-0450 Receipt, Opening, and Recording of Offers; Confidentiality of Offers

(1) Receipt. The District must electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The District must not open the Offer or modification, but must maintain it as confidential and secure until Opening. If the District inadvertently opens an Offer or a modification prior to the Opening, the District must return the Offer or modification to its secure and confidential state until Opening. The District must document the resealing for the Procurement File (e.g., "District inadvertently opened the Offer due to improper identification of the Offer").

(2) Opening and Recording. The District must publicly open Offers including any modifications made to the Offer pursuant to PPS- 47-0440(1). In the case of Invitations to Bid, to the extent practicable, the District must read aloud the name of each Bidder and such other information as the District considers appropriate. However, the District may withhold from disclosure information marked by the Offeror as "confidential" or a "trade secret" in accordance with ORS 279B.055(5)(c) and 279B.060(6). In the case of Requests for Proposals or voluminous Bids, if the Solicitation Document so provides, the District will not read Offers aloud.

PPS- 47-0460 Late Offers, Late Withdrawals, and Late Modifications

Any Offer received after Closing is late. An Offeror's request for withdrawal or modification of an Offer received after Closing is late. The District must not consider late Offers, withdrawals, or modifications except as permitted in PPS- 47-0470 or ~~PPS-47-0261~~.

PPS- 47-0470 Mistakes

(1) General. To protect the integrity of the Competitive Procurement process and to ensure fair treatment of Offerors, the District should carefully consider whether to permit waiver, correction, or withdrawal of Offers for certain mistakes.

(2) District Treatment of Mistakes. The District must not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the District discovers certain mistakes in an Offer after Opening but before the Award of the Contract, the District may take the following action:

- (a)** The District may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:
 - (A)** Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - (B)** Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer evidencing an intent to be bound; and
 - (C)** Acknowledge receipt of an Addendum to the Solicitation Document, provided: it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms; or the Addendum involved did not affect price, quality, or delivery.
- (b)** The District may correct a clerical error if the error is evident on the face of the Offer, or other documents submitted with the Offer, and the Offeror confirms the District's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Unit prices will prevail over extended prices in the event of a discrepancy between extended prices and unit prices.
- (c)** The District may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:
 - (A)** The nature of the error;
 - (B)** That the error is not a minor informality under this ~~Section~~[section](#) or an error in judgment;
 - (C)** That the error cannot be corrected or waived under Section (b) of this Rule;
 - (D)** That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;
 - (E)** That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;
 - (F)** That the Offeror will suffer substantial detriment if the District does not grant the Offeror permission to withdraw the Offer;
 - (G)** That the District's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the District or the public it represents; and
 - (H)** That the Offeror promptly gave notice of the claimed error to the District.

Portland Public Schools Public Contracting Rules
Division 47 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(d) The criteria in Section (2)(c) of this Rule must determine whether the District will permit an Offeror to withdraw its Offer after Closing. These criteria also must apply to the question whether the District will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or Proposal security), or without liability to the District based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually Awarded by the District, whether by Award to the next lowest Responsive and Responsible Bidder, the most advantageous Responsive and Responsible Proposer, or by resort to a new solicitation.

(3) **Rejection for Mistakes.** The District must reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents accompanying the Offer.

(4) **Identification of Mistakes ~~after~~After Award.** The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may only withdraw its Offer or rescind a Contract entered into pursuant to this Division 47 to the extent permitted by applicable law.

PPS- 47-0480 Time for District Acceptance

An Offeror's Offer is a Firm Offer, irrevocable, valid, and binding on the Offeror for not less than 60 Days following Closing unless otherwise specified in the Solicitation Document.

PPS- 47-0490 Extension of Time for Acceptance of Offer

The District may request, orally or in Writing, that Offerors extend, in Writing, the time during which the District may consider their Offer(s). If an Offeror agrees to such extension, the Offer must continue as a Firm Offer, irrevocable, valid, and binding on the Offeror for the agreed-upon extension period.

QUALIFICATIONS AND DUTIES

PPS- 47-0500 Responsibility of Offerors

(1) **Determination.** Before Awarding a Contract, the District must determine that the Offeror submitting the lowest Bid or Proposal or most advantageous Offer is Responsible. The District must use the standards set forth in ORS 279B.110 and PPS- 47-0640(1)(c)(F) to determine if an Offeror is Responsible. In the event the District determines an Offeror is not Responsible, it must prepare a Written determination of non-Responsibility as required by ORS 279B.110 and must reject the Offer.

PPS- 47-0525 Qualified Products Lists

(1) **Authority.** The District may develop and maintain a qualified products list pursuant to ORS 279B.115 in instances in which the testing or examination of Goods before initiating a Procurement is necessary or desirable in order to best satisfy the requirements of the District. For purposes of this ~~Section~~section, "Goods" includes products that have associated or incidental service components, such as supplier warranty obligations or maintenance service programs.

(2) **Notice.** In the initial development of any qualified products list, the District shall give public notice, in accordance with PPS- 47-0300, of the opportunity for potential Contractors, sellers, or suppliers to submit Goods for testing and examination to determine their acceptability for inclusion on the list, and may solicit in Writing representative groups of potential Contractors, sellers, or suppliers to submit Goods for the testing and examination. Any potential Contractor, seller, or supplier, even though not solicited, may offer its Goods for consideration.

(3) **Inclusion to ~~be~~Be Based ~~Upon~~on Tests or Examinations.** The District's inclusion of Goods on a qualified products list shall be based on the results of tests or examinations. Notwithstanding any provision

of ORS 192.410 through 192.505, the District may make the test or examination results public in a manner that protects the identity of the potential Contractor, seller, or supplier that offered the Goods for testing or examination, including by using only numerical designations. Notwithstanding any provision of ORS 192.410 through 192.505, the District may keep confidential trade secrets, test data, and similar information provided by a potential Contractor, seller, or supplier if so requested in Writing by the potential Contractor, seller, or supplier.

(4) List Does Not Constitute Prequalification. The inclusion of Goods on a qualified products list does not constitute and may not be construed as a prequalification under ORS 279B.120 and 279B.125 of any prospective Contractor, seller, or supplier of Goods on the qualified products list.

PPS-47-0550 Prequalification of Prospective Offerors; Pre-~~negotiation~~Negotiation of Contract Terms and Conditions

(1) Prequalification of Prospective Offerors. Pursuant to ORS 279B.120 and 279B.125, the District may prequalify prospective Bidders or Proposers to submit Bids or Proposals for Public Contracts to provide particular types of Goods or Services.

(2) Notice of Prequalification. The District shall, in response to the receipt of a prequalification application submitted under Section (1) of this Rule, notify the prospective Bidder or Proposer whether the prospective Bidder or Proposer is qualified based on the standards of responsibility listed in Section (7), the type and nature of Contracts that the prospective Bidder or Proposer is qualified to compete for and the time period for which the prequalification is valid. If the District does not prequalify a prospective Bidder or Proposer as to any Contracts covered by the prequalification process, the notice must specify which of the standards of responsibility listed in Section (7) the prospective Bidder or Proposer failed to meet. Unless the reasons are specified, the prospective Bidder or Proposer shall be deemed to have been prequalified in accordance with the application.

(3) Revocation of Prequalification. If the District subsequently discovers that a prospective Bidder or Proposer that prequalified under Sections (1) and (2) of this Rule is no longer qualified, the District may revoke the prequalification upon reasonable notice to the prospective Bidder or Proposer, except that a revocation is invalid as to any Contract for which an advertisement for Bids or Proposals has already been issued. Notwithstanding this prohibition against revocation of prequalification, the District may determine that a prequalified Offeror is not Responsible prior to Contract Award.

(4) Application. When the District permits or requires prequalification of Bidders or Proposers, a prospective Bidder or Proposer who wishes to prequalify shall submit a prequalification application to the District on a form prescribed by the District. Upon receipt of a prequalification application, the District shall investigate the prospective Bidder or Proposer as necessary to determine whether the prospective Bidder or Proposer is qualified. The determination shall be made in less than 30 Days, if practicable, if the prospective Bidder or Proposer requests an early decision to allow the prospective Bidder or Proposer as much time as possible to prepare a Bid or Proposal for a Contract that has been advertised. In making its determination, the District shall consider only the applicable standards of responsibility listed in Section (7). The District shall promptly notify the prospective Bidder or Proposer whether the prospective Bidder or Proposer is qualified.

(5) Contents of Notice. If the District finds that a prospective Bidder or Proposer is qualified, the notice must state the type and nature of Contracts that the prospective Bidder or Proposer is qualified to compete for and the period of time for which the prequalification is valid. If the District finds that the prospective Bidder or Proposer is not qualified as to any Contracts covered by the Rule, resolution, ordinance, or other regulation, the notice must specify the reasons given under Section (7) below. To be entitled to a hearing

Other Than Personal Services

under PPS- 47-0760, a prospective Bidder or Proposer shall, within three business Days after receipt of the notice, notify the District that the prospective Bidder or Proposer demands a hearing under PPS- 47-0760.

(6) Revocation or Reissuance Process. If the District has reasonable cause to believe that there has been a substantial change in the conditions of a prequalified prospective Bidder or Proposer and that the prospective Bidder or Proposer is no longer qualified or is less qualified, the District may revoke or may revise and reissue the prequalification after reasonable notice to the prequalified prospective Bidder or Proposer. The notice must specify the reasons given under Section (2) for revocation or revision of the prequalification of the prospective Bidder or Proposer and inform the prospective Bidder or Proposer of the right to a hearing under PPS- 47-0760. To be entitled to a hearing under PPS- 47-0760, a prospective Bidder or Proposer shall, within three business Days after receipt of the notice, notify the District that the prospective Bidder or Proposer demands a hearing under PPS- 47-0760. A revocation or revision does not apply to any Contract for which an advertisement for Bids or Proposals was issued before the date the notice of revocation or revision was received by the prequalified prospective Bidder or Proposer.

(7) Standards of Responsibility. In determining whether a Bidder or Proposer has met the standards of responsibility pursuant to ORS 279B.110(2), the District shall consider whether a Bidder or Proposer has:

- (a) Available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to indicate the capability of the Bidder or Proposer to meet all contractual responsibilities;
- (b) A satisfactory record of performance. The District shall document the record of performance of a Bidder or Proposer if the District finds the Bidder or Proposer non-responsible under this [Section](#);
- (c) A satisfactory record of integrity. The District shall document the record of integrity of a Bidder or Proposer if the District finds the Bidder or Proposer non-responsible under this [Section](#);
- (d) Qualified legally to contract with the District;
- (e) Supplied all necessary information in connection with the inquiry concerning responsibility. If a Bidder or Proposer fails to promptly supply information requested by the District concerning responsibility, the District shall base the determination of responsibility on any available information or may find the Bidder or Proposer non-responsible; and
- (f) Not been debarred by the District under PPS- 47-0575.

(8) Pre-negotiation ~~Negotiation~~. The District may pre-negotiate some or all Contract terms and conditions including prospective Proposer Contract forms such as license agreements, maintenance and support agreements, or similar documents for use in future Procurements. Such pre-negotiation of Contract terms and conditions (including prospective Proposer forms) may be part of the prequalification process of a Proposer in Section 1 or the pre-negotiation may be a separate process. Unless required as part of the prequalification process, the failure of the District and the prospective Proposer to reach agreement on pre-negotiated Contract terms and conditions does not prohibit the prospective Proposer from responding to Procurements. The District may agree to different pre-negotiated Contract terms and conditions with different prospective Proposers. When the District has pre-negotiated different terms and conditions with Proposers or, when permitted, Proposers offer different terms and conditions, the District may consider the terms and conditions in the Proposal evaluation process.

PPS- 47-0560 Request for Qualifications ("RFQ")

For purposes of this [Section](#), an RFQ may be used without the RFQ constituting a prequalification pursuant to PPS- 47-0550, if the District establishes the RFQ to determine whether competition exists to

Other Than Personal Services

perform the needed Services or to establish a nonbinding, open list of qualified Contractors in addition to the general public and in order to expand the pool of qualified Contractors, prior to issuing an RFP. If the District establishes a closed, exclusive, or binding list of qualified Contractors, then the District must comply with Section (1) of this Rule. The District is not required to issue an RFQ and may elect to forego using an RFQ before issuing an RFP.

(1) Content of RFQ. At a minimum, the RFQ must describe the particular specialty desired, the qualifications the Contractor(s) must have in order to be considered, and the evaluation factors and their relative importance. The RFQ may require information including, but not limited to: the Contractor's particular capability to perform the required Services; the number of experienced staff available to perform the required Services, including specific qualifications and experience of personnel; a list of similar services the Contractor has completed, with references concerning past performance; and any other information deemed necessary by the District to evaluate Contractor qualifications. All RFQs must:

- (a) Be in Writing;
- (b) Provide that the District may, at any time during the solicitation process, reject any or all Proposals or cancel the solicitation without liability if it is in the public interest to do so; and
- (c) Provide that the District is not responsible for any costs of any Proposers incurred while submitting Proposals, and that all Proposers who respond to solicitations do so solely at their own expense, unless compensation is expressly provided for in the Solicitation Document.

(2) Pre-Submission Meeting. A qualifications pre-submission meeting, voluntary or mandatory, may be held for all interested Contractors to discuss the proposed Services. The RFQ must include the date, time, and place of the meeting(s).

(3) Notice and Opportunity to Submit RFQ. Unless the RFQ establishes that competition does not exist or unless the solicitation process is canceled or all qualification statements are rejected, all respondents who met the published qualifications must receive a notice, or other materials as appropriate, in addition to the general public, of any required Services and have an opportunity to submit a Proposal in response to the District's subsequent RFP.

PPS-47-0575 Debarment of Prospective Offerors

(1) Generally. The District may debar prospective Offerors for the reasons of discriminating against a subcontractor in the Awarding of a Contract because the subcontractor is a minority, women or emerging small business enterprise as set forth in ORS 279A.110, or after providing notice and the opportunity for hearing as set forth in Sections (5)-(8).

(2) Responsibility. Notwithstanding the limitation on the term for debarment in ORS 279B.130(1)(b), the District may determine that a previously debarred Offeror is not Responsible prior to Contract Award.

(3) Imputed Knowledge. The District may attribute improper conduct of a Person or their affiliate or affiliates having a Contract with a prospective Offeror to the prospective Offeror for purposes of debarment where the impropriety occurred in connection with the Person's duty for or on behalf of, or with the knowledge, approval, or acquiescence of, the prospective Offeror.

(4) Limited Participation. The District may allow a debarred Person to participate in solicitations and Contracts on a limited basis during the debarment period upon Written determination that participation is advantageous to the District. The determination must specify the factors on which it is based and define the extent of the limits imposed.

(5) Debarment Process. The District may debar a prospective Bidder or Proposer from consideration for Award of the District's Contracts for the reasons listed in Section (6) of this Rule after providing the prospective Bidder or Proposer with notice and a reasonable opportunity to be heard.

 - (b)** The prospective Bidder or Proposer has been convicted under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty that currently, seriously, and directly affects the prospective Bidder's or Proposer's responsibility as a Contractor.
 - (c)** The prospective Bidder or Proposer has been convicted under state or federal antitrust statutes.
 - (d)** The prospective Bidder or Proposer has committed a violation of a Contract provision that is regarded by the District or the Construction Contractors Board to be so serious as to justify disqualification. A violation may include, but is not limited to, a failure to perform the terms of a Contract or an unsatisfactory performance in accordance with the terms of the Contract. However, a failure to perform or an unsatisfactory performance caused by acts beyond the control of the Contractor may not be considered to be a basis for debarment.
 - (e)** The prospective Bidder or Proposer does not carry workers' compensation or unemployment insurance as required by statute.
- (7) Written Debarment Decision Required.** The District shall issue a Written decision to debar a prospective Bidder or Proposer under this ~~Section~~[section](#). The decision must:
- (a)** State the reasons for the action taken;
 - (b)** Inform the debarred prospective Bidder or Proposer of the appeal rights of the prospective Bidder or Proposer under PPS-47-0760; and
 - (c)** Be mailed or otherwise furnished immediately to the debarred prospective Bidder or Proposer.
- (8)** A prospective Bidder or Proposer that wishes to appeal debarment shall, within three business Days after receipt of notice of debarment, notify the District that the prospective Bidder or Proposer appeals the debarment as provided in PPS-47-0760.

The District must document clarification of any Offeror's Bid or Proposal in the Procurement File.

(3) **Negotiations.**

(b) Requests for Proposals. The District may only conduct discussions or negotiate with Proposers in accordance with ORS 279B.060(6)(b) and PPS- 47-0261. After Award of the Contract, the District and Contractor may only modify the Contract in accordance with PPS- 47-0800.

(4) **Award.**

(a) General. If Awarded, the District must Award the Contract to the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer submitting the most advantageous Responsive Proposal. The District may Award by item, groups of items, or the entire Offer, provided such Award is consistent with the Solicitation Document and in the public interest.

(b) Multiple Items. An Invitation to Bid or Request for Proposals may call for pricing of multiple items of similar or related type with the Award based on individual line item, group total of certain items, a "market basket" of items representative of the District's expected purchases, or grand total of all items.

deemed significant by the District. Multiple Awards may not be allowed for user preference unrelated to utility or economy. A notice to prospective Bidders that multiple Contracts may be Awarded for any Invitation to Bid shall not preclude the District from Awarding a single Contract for such Invitation to Bid.

- (B) If an Invitation to Bid permits the Award of multiple Contracts, the District must specify in the Invitation to Bid the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services.
- (d) Multiple Awards~~—~~Proposals.
 - (A) Notwithstanding Section (4)(a) of this Rule, the District may Award multiple Contracts under a Request for Proposals in accordance with the criteria set forth in the Request for Proposals. A multiple Award may be made if the Award to two or more Proposers is beneficial for adequate availability, delivery, service, competition, pricing, product capabilities, or other factors deemed significant by the District. Multiple Awards may not be allowed for user preference unrelated to utility or economy. A notice to prospective Proposers that multiple Contracts may be Awarded for any Request for Proposals must not preclude the District from Awarding a single Contract for such Request for Proposals.
 - (B) If a Request for Proposals permits the Award of multiple Contracts, the District must specify in the Request for Proposals the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services, which may include consideration and evaluation of the Contract terms and conditions agreed to by the Contractors.
- (e) Partial Awards. If after evaluation of Offers the District determines that an acceptable Offer has been received for only parts of the requirements of the Solicitation Document:
 - (A) The District may Award a Contract for the parts of the Solicitation Document for which acceptable Offers have been received; or
 - (B) The District may reject all Offers and may issue a new Solicitation Document on the same or revised terms, conditions, and Specifications.
- (f) All-or-None Offers. The District may Award all-or-none Offers if the evaluation shows an all-or-none Award to be the lowest cost for Bids or the most advantageous for Proposals of those submitted.

PPS-47-0610 Notice of Intent to Award

(1) **Notice of Intent to Award.** The District must provide Written notice to all Offerors of its Intent to Award pursuant to ORS 279B.135 at least seven Days before the Award of a Contract, unless the District determines that circumstances justify prompt execution of the Contract, in which case the District may provide a shorter notice period. The District must document the specific reasons for the shorter notice period in the Procurement File. This ~~Section~~section does not apply to a Contract Awarded as a Small Procurement, an Intermediate Procurement, a sole-source Procurement, an Emergency Procurement, or a Special Procurement.

(2) **Finality.** The District's Award will not be final until the later of the following:

PPS-47-0630 Availability of Award Decisions

The reasons for the cancellation or rejection must be made part of the Procurement File. The District is not liable to any Bidder or Proposer for any loss or expense caused by or resulting from the cancellation or rejection of a solicitation, Bid, Proposal, or Award. ORS 279B.100.
 - (b)** The District must reject an Offer upon the District's Finding that the Offer:

- (c) The District must reject an Offer upon the District's Finding that the Offeror:
- (A) Has not been prequalified and the District required mandatory prequalification;
 - (B) Has been debarred or has been disqualified ~~pursuant to~~under PPS- 46-0210(4) (~~DBE~~ Disqualification);
 - (C) Has not met the requirements of ORS 279A.105 (emerging small business), if required by the Solicitation Document;
 - (D) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;
 - (E) Has failed to provide the certification of non-discrimination required under ORS 279A.110(4); or
 - (F) Is Non-Responsible. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the District must have information that indicates that the Offeror meets the applicable standards of responsibility. To be a Responsible Offeror, the District must determine ~~pursuant to~~under ORS 279B.110 that the Offeror:
 - (i) Has available the appropriate financial, material, equipment, facility and personnel resources, and expertise, or ability to obtain the resources and expertise, necessary to meet all contractual responsibilities;
 - (ii) Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that to the extent the costs associated with and time available to perform a previous contract were within the Offeror's control, the Offeror stayed within the time and budget allotted for the Procurement, and otherwise performed the contract in a satisfactory manner. The District should carefully scrutinize an Offeror's record of contract performance if the Offeror is or has recently been materially deficient in contract performance. In reviewing the Offeror's performance, the District should determine whether the Offeror's deficient performance was expressly excused under the terms of the contract, or whether the Offeror took appropriate corrective action. The District may review the Offeror's performance on both private and Public Contracts in determining the Offeror's record of contract performance. ~~Pursuant to ORS 279B.110(2)(b),~~ ~~the~~The District must make its basis for determining an Offeror non-Responsible under this ~~Section~~section part of the Procurement File; ~~as required by ORS 279B.110(2)(b).~~
 - (iii) Has a satisfactory record of integrity. An Offeror may lack integrity if the District determines that the Offeror demonstrates a lack of business ethics, such as violation of state environmental laws or false certifications made to the District. The District may find an Offeror non-Responsible based on the lack of integrity of any person

having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the contract or a parent company, predecessor, or successor person). The standards for debarment under ORS 279B.130 may be used to determine an Offeror's integrity. The District may find an Offeror non-Responsible based on previous convictions of offenses related to obtaining or attempting to obtain a contract or subcontract, or in connection with the Offeror's performance of a contract or subcontract. ~~Pursuant to ORS 279B.110(2)(e), the~~The District must make its basis for determining that an Offeror is non-Responsible under this ~~Section~~section part of the Procurement File as required by ORS 279B.110(2)(c);

- (v) Has attested in Writing that the Offeror complied with the tax laws of this state and of political subdivisions of this state; and
- (vi) ~~(v)~~ Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Offeror fails to promptly supply information requested by the District concerning responsibility, the District must base the determination of responsibility on any available information, or may find the Offeror non-Responsible.

(2) Required Tax Certification. For the purposes of subparagraph (1)(c)(F)(v) of this rule:

- (A) The period for which the Offeror must attest that it complied with the applicable tax laws must extend no fewer than six years into the past from the date of the Closing.
- (B) Tax laws include, but are not limited to, ORS 305.620, ORS Chapters 316, 317, and 318, any tax provisions imposed by a political subdivision that apply to the Offeror or to the performance of the Contract, and any rules and regulations that implement or enforce those tax laws.
- (C) Contracting Agency may exercise discretion in determining whether a particular form of attesting to compliance with the tax laws is "credible and convenient" under ORS 279B.110(2)(e), taking into consideration the circumstances in which the attestation is made and the consequences of making a false attestation. Therefore, a Contracting Agency may accept forms of attestation that range from a notarized statement to a less formal document that records the Offeror's attestation. However, State Contracting Agencies may not accept the certificate of compliance with tax laws required by ORS 305.385 unless that certificate embraces, in addition to the tax laws described in ORS 305.380, the tax laws of political subdivisions.

(3) ~~(2)~~ **Form of Business Entity.** For purposes of this Rule, the District may investigate any Person submitting an Offer. The investigation may include that Person's officers, directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this Rule or to apply the debarment provisions of this Rule.

PPS- 47-0650 Rejection of All Offers

These causes may include, without limitation, those that tend to limit competition, such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct, and inadvertent or intentional errors in the Solicitation Document;

If there is no return address on the envelope, the District must open the Offer to determine the source and then return it to the Offeror. For Electronic Offers, the District must delete the Offers from ORPIN or other approved Electronic Procurement System.
- (2) **After Opening.** If the District cancels a Procurement or solicitation after Opening, the District:
 - (a) May return Proposals in accordance with ORS 279B.060(6)(c); and
 - (b) Must keep a list of all Offers received in the Procurement File.
- (3) **Rejection of All Offers.** If the District rejects all Offers, the District must keep all Proposals and Bids in the Procurement File.

PPS- 47-0720 Protests and Judicial Review of Multi-Tiered and Multi-Step Solicitations

(1) Purpose. An affected Offeror may protest exclusion from the Competitive Range or from subsequent tiers or steps of a solicitation in accordance with the applicable Solicitation Document. When such a protest is permitted by the Solicitation Document, then pursuant to ORS 279B.420(3)(f), before seeking judicial review, an affected Offeror must file a Written protest with the District and exhaust all administrative remedies.

(2) Basis for Protest. An affected Offeror may only protest its exclusion from a tier or step of competition if the Offeror is Responsible and submitted a Responsive Offer and, but for the District's mistake in evaluating the Offerors or other Offerors' Offers, the protesting Offeror would have been eligible to participate in the next tier, step, or phase of competition. For example, the protesting Offeror must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring Offerors are removed from consideration, and that those ineligible Offerors are ineligible for inclusion in the Competitive Range because their Proposals were not Responsive, or the District committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.

(3) Delivery. Unless otherwise specified in the Solicitation Document, an affected Offeror must deliver a Written protest to the District within five Days after issuance of the notice of the Competitive Range or notice of subsequent tiers, steps, or phases.

(4) Content of Protest. The affected Offeror's protest must be in Writing and must specify the grounds on which the protest is based.

(5) District Response. The District must not consider an affected Offeror's Multi-~~tiered~~Tiered or Multi-~~step~~Step solicitation protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the Solicitation Document. The District must issue a Written disposition of the protest in a timely manner. If the District upholds the protest, in whole or in part, the District may in its sole discretion either issue an Addendum under PPS- 47-0430 reflecting its disposition or cancel the Procurement or solicitation under PPS- 47-0660.

(6) Judicial Review. Judicial review of the District's decision relating to a Multi-~~tiered~~Tiered or Multi-~~step~~Step solicitation protest must be in accordance with ORS 279B.420.

- (d) A statement of the desired changes to the Procurement process or the Solicitation Document that the prospective Offeror believes will remedy the conditions upon which the prospective Offeror based its protest.

(4) District Response. The District will not consider a Prospective Offeror's solicitation protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the Solicitation Document. The District must consider the protest if it is timely filed and meets the conditions set forth in Section (3) of this Rule. The District will issue a Written disposition of the protest no fewer than three business Days before Offers are due. If the District upholds the protest, in whole or in part, the District may in its sole discretion either issue an Addendum reflecting its disposition under PPS- 47-0430 or cancel the Procurement or solicitation under PPS- 47-0660.

(5) Extension of Closing. If the District receives a protest from a prospective Offeror in accordance with this Rule, the District may extend Closing if the District determines an extension is necessary to consider and respond to the protest.

(6) Clarification. Prior to the deadline for submitting a protest, a prospective Offeror may request that the District clarify any provision of the Solicitation Document. The District's clarification to an Offeror, whether orally or in Writing, does not change the Solicitation Document and is not binding on the District unless the District amends the Solicitation Document by Addendum.

(7) Judicial Review. Judicial review of the District's decision relating to a solicitation protest must be in accordance with ORS 279B.405.

The Contract Review Board shall set forth in Writing the reasons for the hearing decision.
- (4) At the hearing, the Contract Review Board shall consider de novo the notice of denial, revocation, or revision of a prequalification or the notice of debarment, the standards of responsibility listed in ORS 279B.110(2) on which the District based the denial, revocation or revision of the prequalification or the reasons listed in ORS 279B.130(2) on which the District based the debarment, and any evidence provided by the parties. PPS-47-0800 Amendments to Goods or Services Contracts and Price Agreements

(1) **Generally.** The District may Amend a Contract for Goods or Services without additional competition in any of the following circumstances:

- (a) The amendment is within the scope of the Procurement as described in the Solicitation Documents, if any, or if no Solicitation Documents, as described in the sole-source notice or the approved Special Procurement, or the Contract, if any. An amendment is not within the scope of the Procurement if the District determines that if it had described in the Procurement the changes to be made by the amendment, it would likely have increased competition or affected Award of the Contract.
- (b) These Rules otherwise permit the District to Award a Contract without competition for the Goods or Services to be procured under the amendment.
- (c) The amendment is necessary to comply with a change in law that affects performance of the Contract.
- (d) The amendment results from renegotiation of the terms and conditions, including the Contract Price, of a Contract and the amendment is advantageous to the District, subject to all of the following conditions:
 - (A) The Goods or Services to be provided under the Amended Contract are the same as the Goods or Services to be provided under the unamended Contract.
 - (B) The District determines that, with all things considered, the Amended Contract is at least as favorable to the District as the unamended Contract.
 - (C) The amended Contract does not have a total term greater than allowed in the Solicitation Documents, if any, or if no Solicitation Documents, as described in the sole-source notice or the approved Special Procurement, if any, after combining the initial and extended terms. For example, a one-year Contract described as renewable each year for up to four additional years, may be renegotiated as a two- to five-year Contract, but not beyond a total of five years.

(2) **Price Agreements.** The District may amend a Price Agreement as follows:

- (a) As permitted by the Price Agreement;
- (b) If the circumstances set forth in ORS 279B.140(2) exist, as follows:
 - (A) The District fails to receive funding or appropriations to sustain purchases at the levels contemplated at the time of contracting; or
 - (B) The applicable program is terminated or the law changes so that purchases under the Price Agreement are no longer authorized or appropriate for the District's use; or
- (c) As permitted by applicable law.

(3) Amendments That Would Cause a Contract to Exceed the Superintendent's Authority. An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS 45-0200 must be approved by the School Board except as provided in PPS 45-0200.

- ~~(A)~~ **(A)** ~~An "unforeseen condition or circumstance" is one that is discovered after the original contract was solicited and awarded that could not have been reasonably anticipated as part of the original solicitation or contract.~~
- ~~(B)~~ **(B)** ~~"Unreasonable additional cost or delay" means that the cost of conducting a new procurement and/or awarding a new contract is likely to exceed the cost of a contract amendment and/or that the delay caused by conducting a new procurement would cause a break in service, require repetition of earlier work, or cause a delay in completion of the contract that would be detrimental to the District program or service benefiting from the contract.~~
- ~~(B)~~ **(B)** ~~The Superintendent determines that the amendment~~ Amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original ~~contract~~ Contract, and the School Board previously approved the entire scope and/or maximum renewal terms. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or a contract that specifically allows for alternates or additional work.)
- ~~(b)~~ **(b)** Contracts subject to the reporting requirement under this Rule shall be reported to the School Board a second time if subsequent Amendments or Change Orders increase the total Contract Price to greater than one hundred and fifty percent (150%) of the original Contract Price.
- ~~(c)~~ **(c)** ~~The Amendment is presented to the School Board as part of the Board's business consent agenda and the Board approves the Amendment based upon the circumstances of the particular contract. The report shall include an explanation of the basis for the amendment or change order.

~~(4) — Amendments that would cause a Contract to exceed the Superintendent's authority. The District may solicit or use pricing policies and pricing Proposals, or other pricing information, including the number of hours proposed for the Services required, expenses, hourly rates, and overhead, to determine a Consultant's compensation only after the District has selected the most qualified Consultant in accordance with the applicable selection procedure; provided, however, this restriction on a Contracting Agency's solicitation or use of pricing policies, pricing Proposals or other pricing information does not apply to selection procedures used by the Contracting Agency to select a Consultant when the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services for the Project do not exceed \$100,000 or in an Emergency, pursuant to ORS 279C.110(8) and (9). In following the Direct Appointment Procedure under PPS- 48-0200, the District may base its initial selection of a Consultant on any information available to the District prior to beginning the Direct Appointment Procedure for the Project involved.

(2) Selection of Consultants to Perform Related Services. When selecting a Consultant to perform Related Services, the District shall follow one of the following selection procedures:

- (a)** When selecting a Consultant on the basis of qualifications alone, the District shall follow the applicable selection procedure under either PPS- 48-0200 (Direct Appointment Procedure), PPS- 48-0210 (Informal Selection Procedure), or PPS- 48-0220 (Formal Selection Procedure);

For selections under the Informal Selection procedure of PPS- 48-0210, the District may use abbreviated Requests for Proposals that nevertheless meet the requirements of PPS- 48-0210, when the District determines, in its sole discretion, that the characteristics of the Project and the Related Services required by the District would be adequately addressed by a more abbreviated Request for Proposals document generally comparable to the Intermediate Procurement procedures and related documentation under ORS 279B.070 and PPS- 47-0270. The District may request and consider a Proposer's pricing policies and pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates, and overhead, submitted with a proposal.

The District's classification of a procurement that will involve a "mixed" Contract will be determined by the predominant purpose of the Contract. The District will determine the predominant purpose of the Contract by determining which of the Services involves the majority of the total Estimated Fee to be paid under the Contract. If the majority of the total Estimated Fee to be paid under the Contract is for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, the District shall comply with the requirements of Section (1) of this Rule. If the majority of the total Estimated Fee to be paid under the Contract is for Related Services, the District shall comply with the requirements of Section (2) of this Rule. - (7) **Disclosure Requirements for Proposals ~~under~~Under Division 48.** The following provisions apply to proposals received by the District for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services:
- (a) **"Competitive Proposals" Means all Proposals Solicited under Division 48.** The term "Competitive Proposal" includes Proposals under PPS- 48-0200 (Direct Appointment Procedure), PPS- 48-0210 (Informal Selection Procedure), PPS- 48-0220 (Formal Selection Procedure) or

PPS- 48-0130(2)(c) (Selection Based on Price and Qualifications), and any proposals submitted in response to a selection process for a work order or task order under PPS- 48-0270 (Price Agreements) or PPS- 48-0280 (FSCP).

- (b) Direct Appointments. For purposes of Proposals received by the District under PPS- 48-0200 (Direct Appointment Procedure), a formal notice of Intent to Award is not required. As a result, while the District may make Proposals under PPS- 48-0200 (Direct Appointment Procedure) open for public inspection following the District's decision to begin Contract negotiations with the selected Consultant, Proposals are not required to be open for public inspection until after the District has executed a Contract with the selected Consultant.
- (c) Closely Competitive Proposals. Where the District is conducting discussions or negotiations with Proposers who submit Proposals that the District has determined to be closely competitive or to have a reasonable chance of being selected for Award, the District may open Proposals so as to avoid disclosure of Proposal contents to competing Proposers, consistent with the requirements of ORS 279C.107. Otherwise, the District may open Proposals in such a way as to avoid disclosure of the contents until after the District executes a Contract with the selected Consultant. If the District determines that it is in the best interest of the District to do so, the District may make Proposals available for public inspection following the District's issuance of a notice of Intent to Award a Contract to a Consultant.
- (d) ORS 297C.107 Requirements. Disclosure of Proposals and Proposal information is otherwise governed by ORS 279C.107 as follows:
 - (A) The District may open Proposals so as to avoid disclosing contents to competing Proposers during, where applicable, the process of negotiation.
 - (B) The District need not open Proposals for public inspection until after the District executes a Contract.
 - (C) Regardless of when Proposals are opened for public inspection, the District shall withhold from disclosure trade secrets as defined in ORS 192.501, and information submitted to the District in confidence as described in ORS 192.502.
 - (D) Opening a Proposal at a public meeting of the Board or other body subject to the Public Meetings Law does not make the contents of the Proposal subject to disclosure regardless of whether an executive session has been called.
 - (E) If a request for Proposals is cancelled after Proposals are received, the District shall, subject to ORS 192.501 and 192.502, return a Proposal and all copies of the Proposal to the Proposer. The District shall keep a list of returned Proposals in the Procurement File.

(8) Independent and Objective Oversight Required. Pursuant to ORS 279C.307, when procuring Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with, or otherwise overseeing a Contract subject to PPS Divisions 48 or 49 ("ORS 279C.307 Services"), the District may not:

- (a) Procure the ORS 279C.307 Services from a Contractor or an affiliate of a Contractor who is a party to the Public Contract that is subject to administration, management, monitoring, inspection, evaluation, or oversight by means of the ORS 279C.307 Services contract; or
- (b) Procure the ORS 279C.307 Services through the Public Contract that is subject to administration, management, monitoring, inspection, evaluation, or oversight by means of the ORS 279C.307 Services Contract.

(10) Design-Build and CM/GC Contract Solicitations. The restrictions of ORS 279C.307 set forth in Section 9 do not apply in the following circumstances, except as further specified below:

- (a) To the District's Procurement of both design services and construction services through a single "Design-Build" Procurement, as that term is defined in PPS-49-0610. Such a Design-Build Procurement includes a Procurement under an Energy Savings Performance Contract, as defined in ORS 279A.010. Provided, however, the restrictions of Sections 9 and 10 do apply to the District's Procurement of Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with, or otherwise overseeing a Design-Build Contract or performance under such a Contract resulting from a Design-Build Procurement; and
- (b) To the District's Procurement of both pre-construction services and construction services through a single Procurement of Construction Manager/General Contractor Services, as that term is defined in ORS 279C.332(3). Provided, however, the restrictions of Sections 9 and 10 do apply

 - (xiv) Any other criteria that the District deems relevant to the Project and Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP, including, where the nature and budget of the Project so warrant, a design competition between competing Proposers. Provided, however, that these additional criteria cannot include pricing policies and pricing Proposals, or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates, and overhead, when the sole purpose of the RFP is to obtain Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services.
- (C) Conditions or limitations, if any, that may constrain or prohibit the selected Consultant's ability to provide additional Services related to the Project, including, but not limited to, construction services;
- (D) Whether interviews are possible and if so, the weight, points, or other classifications applicable to the potential interview;
- (E) The date and time ~~proposals~~[Proposals](#) are due, and the delivery location for ~~proposals~~[Proposals](#);
- (F) Reservation of the right to seek clarifications of each ~~proposal~~[Proposal](#);
- (G) Reservation of the right to negotiate a final Contract that is in the best interest of the District;
- (H) Reservation of the right to reject any or all ~~proposals~~[Proposals](#) and reservation of the right to cancel the RFP at any time if doing either would be in the public interest as determined by the District;
- (I) A statement that Proposers responding to the RFP do so solely at their expense, and the District is not responsible for any Proposer expenses associated with the RFP;

Portland Public Schools Public Contracting Rules

Division 48 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (J) A statement directing Proposers to the protest procedures set forth in these Division 48 Rules;
 - (K) Special Contract requirements, including, but not limited to, ~~disadvantaged business enterprise ("DBE"), minority business enterprise ("MBE"), women business enterprise ("WBE"), and emerging small business enterprise ("ESB")~~ DBE, MBE, WBE, ESB, and SDVB participation goals or good-faith efforts with respect to DBE, MBE, WBE, ESB, and ESBSDVB participation, and federal requirements when federal funds are involved;
 - (A) ~~(L)~~ A statement whether or not the District will hold a pre-~~proposal~~Proposal meeting for all interested Consultants to discuss the Project and the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP, and if a pre-~~proposal~~Proposal meeting will be held, the location of the meeting and whether or not attendance is mandatory;
 - (B) ~~(M)~~ A request for any information the District deems reasonably necessary to permit the District to evaluate, rank, and select the most qualified Proposer to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP; and
 - (C) ~~(N)~~ A sample form of the Contract.
- (b) RFP Contents for Related Services Selections Based on Price Only. When using the formal selection procedure, the District shall include at least the following in each ~~Request for Proposals~~RFP, whether or not the RFP is preceded by an RFQ, when the formal selection procedure is for Related Services selected on the basis of price ~~proposals~~Proposals and other pricing information only:
- (A) General background information, including a description of the Project and the specific Related Services sought for the Project, the estimated Project cost, the estimated time period during which the Project is to be completed, and the estimated time period in which the specific Related Services sought will be performed;
 - (B) The RFP evaluation process and the price criteria which will be used to select the highest ranked Proposer, including the weights, points or other classifications applicable to each criterion. If the District does not indicate the applicable number of points, weights or other classifications, then each criterion is of equal value. Evaluation price criteria may include, but are not limited to, the total price for the Related Services described in the ~~Request for Proposals~~RFP, Consultant pricing policies, and other pricing information such as the Consultant's estimated number of staff hours needed to perform the Related Services described in the ~~Request for Proposals~~RFP, expenses, hourly rates and overhead;
 - (C) Any minimum or pass-fail qualifications that the Proposers must meet, including but not limited to any such qualifications in the subject matter areas described in ~~section~~Sections (4)(a)(B)(i) through ~~section~~Sections (4)(a)(B)(xii) of this rule; and

- (c) RFP Evaluation Committee. The District shall establish a committee of at least three individuals to review, score, and rank Proposals according to the evaluation criteria set forth in the RFP. If the RFP has followed an RFQ, the District may include the same members who served on the RFQ

evaluation committee. The District may appoint to the evaluation committee the District employees or employees of other public agencies with experience in Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services, construction services, or Public Contracting. At least one member of the evaluation committee must be a District employee. If the District procedure permits, the District may include on the evaluation committee private practitioners of architecture, engineering, land surveying, or related professions. The District shall designate one of its employees who also is a member of the evaluation committee as the evaluation committee chairperson.

- (A) No Proposer will be eligible for Award of the Contract under the RFP if Proposer or any of Proposer's principals, partners, or associates are members of the District's RFP evaluation committee for the Contract;
 - (B) If the RFP provides for the possibility of Proposer interviews, the evaluation committee may elect to interview Proposers if the evaluation committee considers it necessary or desirable. If the evaluation committee conducts interviews, it shall award weights, points, or other classifications indicated in the RFP for the anticipated interview; and
 - (C) The evaluation committee shall provide to the District the results of the scoring and ranking for each Proposer.
- (d) If the District does not cancel the RFP after it receives the results of the scoring and ranking for each Proposer, the District will begin negotiating a Contract with the highest-ranked Proposer. The District shall direct negotiations toward obtaining Written agreement on:
- (A) The Consultant's performance obligations and performance schedule;
 - (B) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the District as determined solely by the District, taking into account the value, scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and
 - (C) Any other provisions the District believes to be in the District's best interest to negotiate.
- (e) The District shall, either orally or in Writing, formally terminate negotiations with the highest-ranked Proposer if the District and Proposer are unable for any reason to reach agreement on a Contract within a reasonable amount of time. The District may thereafter negotiate with the second-ranked Proposer, and if necessary, with the third-ranked Proposer, and so on, in accordance with Section (4)(c) of this Rule, until negotiations result in a Contract. If negotiations with any Proposer do not result in a Contract within a reasonable amount of time, the District may end the particular formal solicitation. Nothing in this Rule precludes the District from proceeding with a new formal solicitation for the same Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP that failed to result in a Contract.

PPS- 48-0230 Ties Among Proposers

(1) If the District is selecting a Consultant on the basis of qualifications alone and determines after the ranking of Proposers that two or more Proposers are equally qualified, the District may select a candidate through any process that the District believes will result in the best value for the District, taking into account the scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services. Provided, however, that the tie-breaking process

Portland Public Schools Public Contracting Rules
Division 48 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

established by the District under this Section (1) cannot be based on pricing policies and pricing Proposals, or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates, and overhead. The process must be designed to instill public confidence through ethical and fair dealing, honesty, and good faith on the part of the District and Proposers and shall protect the integrity of the Public Contracting process. Once a tie is broken, the District and the selected Proposer shall proceed with negotiations under PPS- 48-0210(3) or ~~PPS~~ 48-0220(4)(c), as applicable.

(2) If the District is selecting a Consultant on the basis of price alone, or on the basis of price and qualifications, and determines after the ranking of Proposers that two or more Proposers are identical in terms of price or are identical in terms of price and qualifications, then the District shall follow the procedure set forth in PPS- 46-0300 to select the Consultant.

PPS- 48-0240 Protest Procedures

(1) **RFP Protest and Request for Change.** Consultants may submit a Written protest of anything contained in an RFP and may request a change to any provision, Specification, or Contract term contained in an RFP, no later than seven Days prior to the date Proposals are due, unless a different deadline is indicated in the RFP. Each protest and request for change must include the reasons for the protest or request, and any proposed changes to the RFP provisions, Specifications, or Contract terms. The District may not consider any protest or request for change that is submitted after the submission deadline.

(2) **Protest of Consultant Selection.**

- (a) **Single Award.** In the event of an Award to a single Proposer, the District shall provide to all Proposers a copy of the selection notice that the District sent to the highest-ranked Proposer. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest-ranked Proposer may submit a Written protest of the selection to the District no later than seven Days after the date of the selection notice, unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is the highest-ranked Proposer because the Proposals of all higher-ranked Proposers failed to meet the requirements of the RFP, or because the higher-ranked Proposers otherwise are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.
- (b) **Multiple Award.** In the event of an Award to more than one Proposer, the District shall provide to all Proposers copies of the selection notices that the District sent to the highest-ranked Proposers. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest-ranked Proposers may submit a Written protest of the selection to the District no later than seven Days after the date of the selection notices, unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is one of the highest-ranked Proposers because the Proposals of all higher-ranked Proposers failed to meet the requirements of the RFP, or because a sufficient number of Proposals of higher-ranked Proposers to failed to meet the requirements of the RFP. In the alternative, a Proposer submitting a protest must claim that the Proposals of all higher-ranked Proposers, or a sufficient number of higher-ranked Proposers to include the protesting Proposer in the group of highest-ranked Proposers, otherwise are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.
- (c) **Effect of Protest Submission Deadline.** The District may not consider any protest that is submitted after the submission deadline.

(3) Resolution of Protests. A duly authorized representative of the District shall resolve all timely submitted protests within a reasonable time following the District's receipt of the protest, and once resolved, shall promptly issue a Written decision on the protest to the Proposer who submitted the protest. If the protest results in a change to the RFP, the District shall revise the RFP accordingly and shall re-advertise the RFP in accordance with these Rules.

PPS- 48-0250 Solicitation Cancellation, Delay, or Suspension; Rejection of All Proposals or Responses; Consultant Responsibility ~~For~~for Costs

The District may cancel, delay, or suspend a solicitation, RFQ, or other preliminary Procurement document, whether related to a Direct Appointment Procedure (PPS- 48-0200), Informal Selection Procedure (PPS- 48-0210), or a Formal Selection Procedure (PPS- 48-0200), or reject all Proposals, responses to RFQs, responses to other preliminary Procurement documents, or any combination of the foregoing, if the District believes it is in the public interest to do so. In the event of any such cancellation, delay, suspension, or rejection, the District is not liable to any Proposer for any loss or expense caused by or resulting from any such cancellation, delay, suspension, or rejection. Consultants responding to solicitations, RFQs, or other preliminary Procurement documents are responsible for all costs they may incur in connection with submitting Proposals, responses to RFQs, or responses to other preliminary Procurement documents.

PPS- 48-0260 Two-Tiered Selection Procedure for District Public Improvement Projects

(1) If the District requires an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for a public improvement that is owned and maintained by the District and a State Agency will serve as the lead, the District will enter into Contracts with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for that Public Improvement, and the State Contracting Agency shall utilize the two-tiered selection process described below to obtain these Contracts with Architects, Engineers, or Land Surveyors.

(2) Tier One. State that the District shall, when feasible, identify no fewer than the three most qualified Proposers responding to an RFP that was issued under the applicable selection procedures described in PPS- 48-0210 and ~~PPS- 48-0220~~, or from among Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors identified under PPS- 48-0200, and shall notify the District of the Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors selected.

(3) Tier Two. In accordance with the qualifications-based selection requirements of ORS 279C.110, the District shall either:

- (a)** Select an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor from the State Contracting Agency's list of Proposers to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the District's public improvement; or
- (b)** Select an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the District's Public Improvement through an alternative process adopted by the District consistent with the provisions of the applicable RFP, if any, and these Division 48 Rules. The District's alternative process must be described in the applicable RFP, may be structured to take into account the unique circumstances of the particular procurement of the District, and may include provisions to allow the District to perform its tier-two responsibilities efficiently and economically, alone or in cooperation with other Local

Other Than Personal Services

Contracting Agencies. The District's alternative process may include, but is not limited to, one or more of the following methods:

- (A) A general Written direction from the District to the State Contracting Agency, prior to the advertisement of a Procurement or series of Procurements, or during the course of the Procurement or series of Procurements, that the District's tier two selection shall be the highest-ranked firm identified by the State Contracting Agency during the tier one process, and that no further coordination or consultation with the District is required. However, the District may provide Written notice to the State Contracting Agency that the District's general Written direction is not to be applied for a particular Procurement and describe the process that the District will utilize for the particular Procurement. In order for a Written direction from the District consistent with this ~~Section~~[Section](#) to be effective for a particular Procurement, it must be received by the Contracting Agency with adequate time for the State Contracting Agency to revise the RFP in order for Proposers to be notified of the tier two process to be utilized in the Procurement. In the event of a multiple Award under the terms of the applicable Procurement, the Written direction from the District may apply to the highest-ranked Proposers that are selected under the terms of the Procurement document.
- (B) An intergovernmental agreement between the District and the Contracting Agency outlining the alternative process that the District has adopted for a Procurement or series of Procurements.
- (C) Where multiple Local Government Contracting Agencies are involved in a two-tiered selection procedure, the Local Government Contracting Agencies may name one or more authorized representative(s) to act on behalf of all the Local Government Contracting Agencies, whether the Local Government Contracting Agencies are acting collectively or individually, to select the Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the tier two selection process. In the event of a multiple Award under the terms of the applicable Procurement, the authorized representative(s) of the Local Contracting Agencies may act on behalf of the District to select the highest-ranked firms that are required under the terms of the Procurement document, as part of the tier two selection process.

(4) In the event the State Contracting Agency has made a multiple award of Price Agreements pursuant to OAR 137-048-0270, with that multiple award of Price Agreements meeting the tier-one requirements of ORS 279C.125 and this rule, the District shall make its tier-two selection of an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor for a project-specific work order or task order from the Consultants who have executed Price Agreements with the State Contracting Agency, in accordance with the work order or task order assignment procedures established by the State Contracting Agency in the Price Agreements. If the District elects to select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for District's public improvement through an alternative process adopted by the District, the requirements of that alternative process must be specified in the RFP, if any, in the executed Price Agreements, or in the project-specific work order or task order assignment procedures provided to the Consultants who have executed Price Agreements, at the time the selection of a Consultant is made for the project-specific work order or task order.

~~(5)~~ ~~(4)~~ The State Contracting Agency shall thereafter begin Contract negotiations with the selected Architect, Engineer, or Land Surveyor in accordance with the negotiation provisions in PPS- 48-0200, ~~PPS-48-0210~~, or ~~PPS-48-0220~~ as applicable.

~~(6)~~ ~~(5)~~ Nothing in these Division 48 Rules should be construed to deny or limit the District's ability to contract directly with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors pursuant to ORS 279C.125(4) through a selection process established by the District.

PPS- 48-0270 Price Agreements

(1) The District may establish Price Agreements for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services when the District cannot determine the precise quantities of those Services that the District will require over a specified time period.

(2) When establishing Price Agreements under this Rule, the District shall select no fewer than three Consultants, when feasible. The selection procedures for establishing Price Agreements shall be in accordance with PPS- 48-0130(1) or ~~PPS-48-0130(2)~~, as applicable. The District may select a single Consultant when a Price Agreement is Awarded to obtain Services for a specific Project or a closely-related group of Projects.

(3) In addition to any other applicable solicitation requirements set forth in these Division 48 Rules, solicitation materials and the terms and conditions for a Price Agreement for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services must:

- (a) Include a scope of Services, menu of Services, a specification for Services or a similar description of the nature, general scope, complexity, and purpose of the procurement that will reasonably enable a prospective Bidder or Proposer to decide whether to submit a Bid or Proposal;
- (b) Specify whether the District intends to Award a Price Agreement to one Consultant or to multiple Consultants. If the District will Award a Price Agreement to more than one Consultant, the Solicitation Document and Price Agreement shall describe the criteria and procedures the District will use to select a Consultant for each individual work order or task order. Subject to the requirements of ORS 279C.110, the criteria and procedures to assign work orders or task orders that only involve or predominantly involve Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying services are at the District's sole discretion; provided, however, in circumstances where a direct Contract is not permitted under PPS- 48-0200, the selection criteria cannot be based on pricing policies, pricing Proposals, or other pricing information, including the number of hours proposed for the Services required, expenses, hourly rates, and overhead. In accordance with ~~PPS-48-0130(2)~~ applicable to Related Services procurements, the selection criteria and procedures may be based solely on the qualifications of the Consultants, solely on pricing information, or a combination of both qualifications and pricing information. Pricing information may include the number of hours proposed for the Related Services required, expenses, hourly rates, overhead, and other price factors. Work order or task order assignment procedures under Price Agreements may include direct appointments, subject to the requirements of PPS- 48-0200; and
- (c) Specify the maximum term for assigning Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the Price Agreement.

[\(4\) When the solicitation materials and terms and conditions for a Price Agreement involve a two-tiered selection process pursuant to ORS 279C.125 and OAR 137-048-0260\(1\), the solicitation materials and terms and conditions for a Price Agreement must meet the requirements of subsection \(3\) of this rule, except as](#)

Portland Public Schools Public Contracting Rules

Division 48 ~~—~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

provided in this subsection (4). In the event of a planned multiple award of Price Agreements under a Procurement, the solicitation materials and terms and conditions for the Price Agreements must include assignment procedures for project-specific work orders or task orders that will allow the District to select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor for a work order or task order from the Consultants who have executed Price Agreements with the State Contracting Agency. If the District decides to use an alternative process adopted by the District for its tier-two selection process, however, the District's alternative process must be described in the solicitation materials and terms and conditions supporting the initial award of Price Agreements, in the executed Price Agreements, or in the project-specific assignment procedures for a work order or task order that are provided to the firms who have executed Price Agreements, at the time of selection for the project-specific work order or task order. The District's alternative process may be structured to take into account the unique circumstances of the District and may include provisions to allow the District to perform its tier two responsibilities efficiently and economically, alone or in cooperation with other Local Contracting Agencies, including, but not limited to, the methods specified in PPS 48-0260(3)(b).

(5) ~~(4)~~ All Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services assigned under a Price Agreement require a Written work order or task order issued by the District. Any work orders or task orders assigned under a Price Agreement must include, at a minimum, the following:

- (a) The Consultant's performance obligations and performance schedule;
- (b) The payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the work order or task order that is fair and reasonable to the District, as determined solely by the District, taking into account the value, scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services;
- (c) Language that incorporates all applicable terms and conditions of the Price Agreement into the work order or task order; and
- (d) Any other provisions the District believes to be in the District's best interest.

PPS-48-0280 FSCP

The Superintendent may establish an FSCP for a particular class of Architectural, Engineering, Land Surveying or Related Services where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (1) Solicitation to Create an FSCP.** An FSCP can be established pursuant to an RFQ, an RFP, Competitive Quotes, or such other method of competitive Procurement as the Superintendent deems to be appropriate given the Services to be procured.
 - (a) The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the procurement qualifies for use of an FSCP under these Rules.
 - (b) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside of the designated class of Contracts to the FSCP.

Portland Public Schools Public Contracting Rules
Division 48 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
 - (d) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualifications alone.
 - (e) The solicitation may set or limit the value of the Work to be performed by the FSCP.
- (2) **Contracting for Work ~~from~~ From an FSCP.**
- (a) Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform individual Projects within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Projects will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has Offered Work to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer Work out of sequence in the following circumstances:
 - (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
 - (B) Contract negotiations with the next-listed Contractor are not successful.
 - (C) The Project is for Work that is a continuation of, addition to, or is connected with Work previously performed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work.
 - (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability is required. In order to make this determination, the Superintendent shall conduct an informal Procurement pursuant to PPS- 46-0510 limited to Contractors in the FSCP.
- If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.
- (b) An FSCP established under this ~~Section~~ section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
 - (c) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or any Work at all.
 - (d) The establishment of an FSCP does not preclude the Superintendent from procuring Work that would otherwise fall within the FSCP class of Work from other Contractors through any other Procurement method authorized under these Rules.
 - (e) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, or other capability needed to perform the class of Work.

POST-SELECTION CONSIDERATIONS

PPS- 48-0300 Prohibited Payment Methodology; Purchase Restrictions

- (1) Except as otherwise allowed by law, the District shall not enter into any Contract in which:
 - (a) The compensation paid under the Contract is solely based on or limited to the Consultant's hourly rates for the Consultant's personnel working on the Project, and reimbursable expenses incurred during the performance of Work on the Project (sometimes referred to as a "time and materials" Contract); and
 - (b) The Contract does not include a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract.

- (2) Except in cases of Emergency or in the particular instances noted in the ~~Sections~~[sections](#) below, the District shall not purchase any building materials, supplies, or equipment for any building, structure, or facility constructed by or for the District from any Consultant under a Contract with the District to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the building, structure, or facility. This prohibition does not apply if either of the following circumstances exists:
 - (a) Consultant is providing Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under a Contract with the District to perform Design-Build Services or ESPC Services (see PPS- 49-0670 and ~~PPS~~-49-0680); or
 - (b) That portion of the Contract relating to the acquisition of building materials, supplies, or equipment was Awarded to Consultant pursuant to applicable law governing the Award of such a Contract.

PPS- 48-0310 Expired or Terminated Contracts; Reinstatement

- (1) If the District enters into a Contract for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services and that Contract subsequently expires or is terminated, the District may proceed as follows, subject to the requirements of Section (2) of this Rule:
 - (a) Expired Contracts. If the Contract has expired as the result of Project delay caused by the District or caused by any other occurrence outside the reasonable control of the District or the Consultant, and if no more than one year has passed since the Contract expiration date, the District may Amend the Contract to extend the Contract expiration date, revise the description of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract to reflect any material alteration of the Project made as a result of the delay, and revise the applicable performance schedule. Beginning on the effective date of the Amendment, the District and the Consultant shall continue performance under the Contract as Amended; or
 - (b) Terminated Contracts. If the District or both parties to the Contract have terminated the Contract for any reason and if no more than one year has passed since the Contract termination date, then the District may enter into a new Contract with the same Consultant to perform the remaining Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services not completed under the Original Contract, or to perform any remaining Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services not completed under the Contract as adjusted to reflect a material alteration of the Project.

Portland Public Schools Public Contracting Rules
Division 48 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (2) The District may proceed under either Sections (1)(a) or (1)(b) of this Rule only after making Written Findings that Amending the existing Contract or entering into a new Contract with the Consultant will:
- (a) Promote efficient use of public funds and resources and result in substantial cost savings to the District;
 - (b) Protect the integrity of the Public Contracting process and the competitive nature of the Procurement process by not encouraging favoritism or substantially diminishing competition in the Award of Contracts; and
 - (c) Result in a Contract that is still within the scope of the final form of the original Procurement document.

PPS- 48-0320 Contract Amendments

(1) The District may amend any Contract if the District, in its sole discretion, determines that the Amendment is within the scope of the Solicitation Document and that the Amendment would not materially impact the field of competition for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the final form of the original Procurement document. In making this determination, the District shall consider potential alternative methods of procuring the Services contemplated under the proposed Amendment. An Amendment would not materially impact the field of competition for the Services described in the Solicitation Document if the District reasonably believes that the number of Proposers would not significantly increase if the Procurement document were re-issued to include the additional Services.

(2) The District may Amend any Contract if the additional Services are required by reason of existing or new laws, rules, regulations, or ordinances of federal, state, or local agencies which affect performance of the Original Contract.

(3) All Amendments to Contracts must be in Writing, must be Signed by an authorized representative of the Consultant and the District, and must receive all required approvals before the Amendments will be binding on the District.

(4) ~~Contract Amendments Not to~~ Amendments That Would Cause a Contract to Exceed the Superintendent's Authority. An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS 45-0200 must be approved by the School Board except as provided in PPS 45-0200.

(5) Reporting Requirement for Amendments/Change Orders That Exceed 125% of Original Contract Price; ~~Exceptions. A single contract amendment,~~

(a) A Contract Amendment or Change Order or cumulative ~~amendments may not~~ Contract Amendments or Change Orders that increase the total Contract Price to greater than one hundred twenty-five percent (125%) of the original Contract Price shall be reported to the School Board, except in any of the following circumstances:

(A) ~~(a)-The Superintendent determines that the need for the amendment is caused by unforeseen conditions or circumstances and conducting a new procurement would result in unreasonable additional cost or delay. For the purposes of this section: Original Contract Price does not exceed \$500,000.~~

(A) ~~An "unforeseen condition or circumstance" is one that is discovered after the original contract was solicited and awarded that could not have been reasonably anticipated as part of the original solicitation or contract.~~

Other Than Personal Services

~~(B) "Unreasonable additional cost or delay" means that the cost of conducting a new procurement and/or awarding a new contract is likely to exceed the cost of a contract amendment and/or that the delay caused by conducting a new procurement would cause a break in service, require repetition of earlier work, or cause a delay in completion of the contract that would be detrimental to the District program or service benefiting from the contract.~~

~~(B) (b)~~ The Superintendent determines that the ~~amendment~~ Amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original ~~contract~~ Contract, and the School Board previously approved the entire scope and/or maximum renewal terms. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or a contract that specifically allows for alternates or additional work.)

~~(b)~~ Contracts subject to the reporting requirement under this Rule shall be reported to the School Board a second time if subsequent Amendments or Change Orders increase the total Contract Price to greater than one hundred and fifty percent (150%) of the original Contract Price.

~~(c)~~ The Amendment is presented to the School Board as part of the Board's business consent agenda and the Board approves the Amendment based upon the circumstances of the particular contract. The Superintendent shall set forth the justification for the Amendment in a supplementary staff report enclosed with the Board's consent agenda. Contracts subject to the reporting requirement under this Rule shall be reported to the Board at the next regular business meeting of the Board following approval of the amendment or change triggering the reporting requirement. The report shall include an explanation of the basis for the amendment or change order.

~~(5) — Amendments that would cause a Contract to exceed the Superintendent's authority. An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS-45-0200 must be approved by the School Board except as provided in PPS-45-0200(7)(b).~~

~~**PPS 49-0146 Class Exemptions; Public Improvement Contracts**~~

The Local Contract Review Board declares the following Contracts listed in this ~~Section~~[section](#) as classes of Public Improvement Contracts exempt from Competitive Bidding.

(1) Donated Public Improvements. The Superintendent may authorize a Person to construct a Public Improvement without Competitive Bidding or other Competitive process and regardless of dollar amount, if:

(a) The Person has agreed to donate all or a significant portion of the materials or Services necessary to construct the Public Improvement or perform the Service; and

(b) The Person enters into a license or agreement with the District whereby the Person agrees to comply with the Public Contract requirements applicable to the particular Project and any requirements that the District deems necessary or beneficial to protect the District.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(2) Benson House Program Contracts. The Superintendent may directly negotiate a Public Improvement Contract without complying with the Competitive Procurement requirements of these Rules where the Contract is for the purpose of supporting the Benson Polytechnic High School Building Construction Class, and all or a portion of the Contract Price is discounted or donated to the District.

(3) Purchases ~~under~~Under Contracts Solicited by Nonprofit Procurement Organizations of Which the District is a Member. The Superintendent may purchase Public Improvements under a Contract or Procurement solicited by a Nonprofit Procurement Organization of which it is a member. For the purposes of this Special Procurement, such a Nonprofit Procurement Organization will be considered a "Contracting Purchasing Group" under PPS- 46-0400 through ~~PPS-46-0480~~, and a Procurement must comply with the requirements for Joint Cooperative Procurements pursuant to PPS- 46-0420.

(4) FSCP. The Superintendent may establish an FSCP for a particular class of Public Improvements where the need for such Work is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (a) Solicitation to Create an FSCP.** An FSCP for Public Improvements shall be solicited based on the total cost of the Work estimated to be Awarded through the FSCP during its life. If the total amount of the Work is estimated to be over \$100,000, the Superintendent shall use a formal RFQ process pursuant to PPS- 49-0645 or an RFP process pursuant to PPS- 49-0650. If the total amount of the Work is \$100,000 or less, the FSCP may be solicited pursuant to the Intermediate Procurement process set forth in PPS- 49-0160.
 - (A)** The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the Procurement qualifies for use of an FSCP under these Rules.
 - (B)** The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside of the designated class of Contracts to the FSCP.
 - (C)** The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
 - (D)** The solicitation may request a binding Price Quote or time and materials rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
 - (E)** The solicitation may set or limit the value of the work performed by the FSCP.
- (b) Contracting for Work from an FSCP.** Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform specific Work within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Work will be Offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has Offered a Contract to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may offer a Contract to Contractors out of sequence in the following circumstances:

Portland Public Schools Public Contracting Rules

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
- (B) Contract negotiations with the next-listed Contractor are not successful.
- (C) The Project is for a Public Improvement that is a continuation of, an addition to, or connected with a Public Improvement previously constructed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work or provided the prior Goods.
- (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability or capacity is required. In order to make this determination, the Superintendent shall conduct an Intermediate Procurement pursuant to PPS-49-0160 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (c) An FSCP established under this ~~Section~~section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
 - (d) Appointment to an FSCP does not guarantee that a contractor will receive a particular amount of work or orders or any work or orders at all.
 - (e) The establishment of an FSCP does not preclude the Superintendent from procuring public improvements that would otherwise fall within the FSCP from other contractors through any other Procurement method authorized under these Rules.
 - (f) At any time during the term of an FSCP, the Superintendent may request confirmation from a contractor or contractors in the pool that the Contractor continues to maintain the skills, personnel, inventory or other capability needed to perform the class of work or provide the required goods.
 - (g) If an FSCP for public improvements is reasonably estimated to include Projects that will total over \$50,000 during the life of the FSCP, public improvement contracts Awarded to Contractors on an FSCP list shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.
- (5) **Price Agreements.**
- (a) Price Agreements may be established for the purposes of minimizing paperwork, achieving continuity of product, securing a source of supply, reducing inventory, combining District requirements for volume discounts, creating standardization among agencies, and reducing lead time for ordering. The Superintendent may enter into Price Agreements to purchase Public Improvements for an anticipated need at a predetermined price, but the Contract must be solicited by a Competitive Procurement process pursuant to the requirements of these Rules based on the total Contract Price.
 - (b) The Superintendent may purchase Public Improvements from a Contractor Awarded a Price Agreement without first undertaking additional competitive solicitation up to the amount set forth in the Price Agreement.
 - (c) The Superintendent may use the Price Agreement entered into by another Oregon Public Agency when the Original Contract was let pursuant to PPS-46-0420.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (d) The term of the Price Agreement, including renewals, may not exceed the term stated in the original solicitation.
 - (e) If a Price Agreement for Public Improvements will exceed \$50,000 over the term of the Agreement, the Contract shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.
- (6) Expedited Contracting Process in Order to Access State, Federal, or Grant Funding.** The Superintendent may waive any or all of the solicitation procedures under this Division 49 in the following circumstances:
- (a) The state or federal government or granting entity has adopted a funding program or made funding available to assist the District in constructing Public Improvements and has attached a time deadline to have a Contract in place, a Project underway, or a Project completed in order for the District to access or be eligible for those funds. Such programs include, without limitation, the American Recovery and Reinvestment Act of 2009 (~~"ARRA"~~) and similar programs.
 - (b) The Superintendent determines that compliance with the solicitation procedures in this Division 49 could jeopardize the District's ability to access or be eligible for such funding under the timeline established by the state or federal government or granting entity.
 - (c) The Superintendent provides for an alternative contracting process.
 - (d) The reasons for and extent of the waiver are documented in the Procurement File.
 - (e) Notwithstanding PPS- 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on Contracts subject to this exemption in any dollar amount, but will report the nature and amount of the Contract to the School Board if the Contract is over the Superintendent's delegated authority as set forth in PPS- 45-0200(4)(b)(A).

PPS- 49-0150 Emergency Contracts; Bidding and Bonding Exemptions

- (1) Emergency Declaration.** The Superintendent may declare that emergency circumstances exist that require prompt execution of a Public Contract for emergency construction or repair Work. The declaration shall be by a Written declaration that describes the circumstances creating the emergency and the anticipated harm from failure to enter into an Emergency Contract. The Emergency Declaration shall be kept on file as a public record.
- (2) Competition for Emergency Contracts.** Pursuant to ORS 279C.320(1), Emergency Contracts are regulated under ORS 279B.080, which provides that, for an Emergency Procurement of construction services, the District shall ensure competition that is reasonable and appropriate under the emergency circumstances, and may include Written Requests for Offers, oral Requests for Offers, or direct appointments without competition in cases of extreme necessity, in whatever solicitation time periods the Superintendent considers reasonable in responding to the Emergency.
- (3) Emergency Contract Scope.** Although no dollar limitation applies to Emergency Contracts, the scope of the Contract must be limited to Work that is necessary and appropriate to remedy the conditions creating the emergency as described in the declaration.
- (4) Emergency Contract Modification.** Emergency Contracts may be modified by Change Order or Amendment to address the conditions described in the original declaration or an Amended declaration that further describes additional Work necessary and appropriate for related emergency circumstances. Emergency contract modifications are not subject to the requirements or limitations of PPS- 47-0800 or PPS- 49-0910.

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

(5) Excusing Bonds. Pursuant to ORS 279C.380(4) and this Rule, the Emergency Declaration may also state that the District waives the requirement of furnishing a performance bond and payment bond for the Emergency Contract. After making such an Emergency Declaration, those bonding requirements are excused for the Procurement, but this Emergency Declaration does not affect the separate Public Works bond requirement for the benefit of BOLI in enforcing prevailing wage rate and overtime payment requirements. See PPS- 49-0815 and BOLI rules at OAR 839-025-0015.

PPS- 49-0160 Intermediate Procurements; Competitive Quotes and Amendments

(1) General. Public Improvement Contracts estimated by the District not to exceed \$100,000 may be Awarded in accordance with Intermediate-level Procurement procedures for Competitive Quotes established by this Rule.

(2) Selection Criteria. The selection criteria may be limited to price or some combination of price, experience, specific expertise, availability, Project understanding, Contractor capacity, responsibility, and similar factors.

(3) Request for Quotes. The District must utilize Written Requests for Quotes whenever reasonably practicable. Written Requests for Quotes must include the selection criteria to be utilized in selecting a Contractor and, if the criteria are not of equal value, their relative value or ranking. When requesting Quotes orally, prior to requesting the Price Quote the District shall state any additional selection criteria and, if the criteria are not of equal value, their relative value. For Public Works Contracts, oral quotes may only be utilized in the event that Written copies of or references to the prevailing wage rates are not required by BOLI (e.g., if the ~~Contract is for~~ total project cost is \$50,000 or less or is not otherwise subject to payment of prevailing wages).

(4) Number of Quotes; Record Required. The District must seek at least three Competitive Quotes and keep a Written record of the sources and amounts of the Quotes received. If three Quotes are not reasonably available, the District must make a Written record of the effort made to obtain those Quotes.

(5) Award. If Awarded, the District must Award the Contract to the prospective Contractor whose Quote will best serve the interests of the District, taking into account the announced selection criteria. If Award is not made to the Offeror offering the lowest price, the District must make a Written record of the basis for Award.

(6) Amendments. Amendments of Intermediate-level Public Improvement Contracts that exceed the thresholds stated in Section (1) of this Rule are specifically authorized by the Code when made in accordance with PPS- 49-0910. Accordingly, such Amendments are not considered new Procurements and do not require an exemption from Competitive Bidding.

- (S) Notice of claim (ORS 279C.605);
- (T) Contractor's certification of compliance with the Oregon tax laws in accordance with ORS 305.385; and
- (U) Contractor's certification that all subcontractors performing Work described in ORS 701.005(2) (i.e., construction Work) will be registered with the Construction Contractors Board or licensed by the State Landscape Contractors Board in accordance with ORS 701.035 through 701.055 before the subcontractors commence Work under the Contract.

(2) Assignment or Transfer Restricted. Unless otherwise provided in the Contract, the Contractor must not assign, sell, dispose of or transfer rights, nor delegate duties under the Contract, either in whole or in part, without the District's prior Written consent. Unless otherwise agreed by the District in Writing, such consent must not relieve the Contractor of any obligations under the Contract. Any assignee or transferee must be considered the agent of the Contractor and be bound to abide by all provisions of the Contract. If the District consents in Writing to an assignment, sale, disposal, or transfer of the Contractor's rights or delegation of Contractor's duties, the Contractor and its surety, if any, must remain liable to the District for complete performance of the Contract as if no such assignment, sale, disposal, transfer, or delegation had occurred unless the District otherwise agrees in Writing.

Review Board has exempted the solicitation from the advertisement requirement as part of a Competitive Bidding exemption under ORS 279C.335.

- (a) Unless the District publishes by Electronic Advertisement as permitted under Section (2)(b) of this Rule, the District shall publish the advertisement for Offers at least once in at least one newspaper of general circulation in the area where the Contract is to be performed and in as many additional issues and publications as the District may determine to be necessary or desirable to foster and promote competition.
- (b) The District may publish by Electronic Advertisement if the Contract Review Board determines that Electronic Advertisement is likely to be cost-effective and, by Rule or order, authorizes Electronic Advertisement.
- (c) In addition to the District's publication required under Sections (2)(a) or (2)(b), the District shall also publish an advertisement for Offers in at least one trade newspaper of general statewide circulation if the Contract is for a Public Improvement with an estimated cost in excess of \$125,000.
- (d) All advertisements for Offers shall set forth:
 - (A) The Public Improvement Project;
 - (B) The office where Contract terms, conditions, and Specifications may be reviewed;
 - (C) The date that Persons must file applications for prequalification under ORS 279C.340, if prequalification is a requirement, and the class or classes of Work for which Persons must be prequalified;

PPS- 49-0220 Prequalification of Offerors

(1) **Prequalification.** Pursuant to ORS 279C.430 and this Rule, two types of prequalification are authorized:

- (a) **Mandatory Prequalification.** The District may require mandatory prequalification of Offerors. The District must indicate in the Solicitation Document if it will require mandatory prequalification. Mandatory prequalification is when the District conditions a Person's submission of an Offer on the Person's prequalification. The District must not consider an Offer from a Person that is not prequalified if the District required prequalification.
- (b) **Permissive Prequalification.** The District may prequalify a Person for the District's solicitation list, but in permissive prequalification the District must not limit distribution of a solicitation to that list.
- (c) **Prequalification Procedure.** When prequalification is required or allowed, a Person shall submit a prequalification application to the District on the form prescribed by the District. The District shall determine if the applicant is qualified within 30 Days of the date of application, or sooner if practicable and so requested by the applicant to enable the applicant to participate in Bidding on

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

an advertised Contract. If the District finds that the applicant is qualified, the District will provide Notice to the applicant of the nature and type of Contracts the applicant is qualified to Bid on and the period of time for which the qualification is valid.

(2) Prequalification Presumed. If an Offeror is currently prequalified by either the Oregon Department of Transportation or the Oregon Department of Administrative Services to perform Contracts, the Offeror must be rebuttably presumed qualified to perform similar Work for the District. When qualifying for the same kind of Work for the District, the Person may submit proof of the prequalification in lieu of a prequalification application under Section (1) of this Rule.

(3) Standards for Prequalification. A Person may prequalify by demonstrating to the District's satisfaction that:

- (a) The Person's financial, material, equipment, facility, and personnel resources and expertise, or ability to obtain such resources and expertise, indicate that the Person is capable of meeting all contractual responsibilities;
- (b) The Person's record of performance;
- (c) The Person's record of integrity;
- (d) The Person is qualified to contract with the District. (See PPS- 49-0390(2) regarding standards of responsibility.)

(4) Notice ~~Of~~ Denial. If a Person fails to prequalify for a mandatory prequalification, the District must notify the Person and specify the reasons under Section (3) of this Rule and inform the Person of the Person's right to a hearing under ORS 279C.445 and 279C.450 as provided in Section (6) of this Rule.

(5) Revocation of Prequalification. If the District has reasonable cause to believe that there has been a substantial change in the conditions of a prequalified Person and that the Person is no longer qualified or is less qualified, the District may revoke or revise and reissue the prequalification after reasonable Notice to the prequalified Person. The Notice shall specify the reasons under Section (3) of this Rule and inform the Person of the Person's right to a hearing under ORS 279C.445 and 279C.450 as provided in Section (6) of this Rule.

(6) Appeal of Denial or Revocation of, or Revision to Prequalification.

- (a) Any Person who wishes to appeal the District decision under Sections (4) or (5) of this Rule shall, within three business Days after receipt of the Notice of disqualification, file Written Notice with the District that Person appeals the decision. The District shall notify the Contract Review Board and schedule the appeal hearing before the Contract Review Board.
- (b) Immediately upon receipt of the prospective Bidder's or Proposer's Notice of appeal, the District shall notify the local Contract Review Board.
- (c) Upon the receipt of Notice from the District under Section (2) of this Rule, the Contract Review Board shall promptly notify the Person appealing and the District of the time and place of the hearing. The Contract Review Board shall conduct the hearing and decide the appeal within 30 Days after receiving the Notice from the District. The Contract Review Board shall set forth in Writing the reasons for the hearing decision.
- (d) At the hearing the Contract Review Board shall consider de novo the Notice of denial, revocation or revision of a prequalification, the standards listed in Section (3) of this Rule on which the District based the decision, and any evidence provided by the parties. Hearings before a Contract Review Board shall be conducted under rules of procedure adopted by the Contract Review Board.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

- (e) The Contract Review Board may allocate the Contract Review Board's costs for the hearing between the Person appealing and the District. The allocation shall be based on facts found by the Contract Review Board and stated in the final order that, in the Contract Review Board's opinion, warrant such allocation of costs. If the final order does not allocate the costs for the hearing, the costs shall be paid as follows:
 - (A) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder is upheld, the cost shall be paid by the Person appealing the decision.
 - (B) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder is reversed, the costs shall be paid by the District.
- (f) Judicial review of any decision by the Contract Review Board shall be as set forth in ORS 279C.450.

PPS- 49-0230 Eligibility to Bid or Propose; Registration or License

- (1) **Construction Contracts.** The District must not consider a Person's Offer to do Work as a Contractor, as defined in ORS 701.005(2), unless the Person has a current, valid certificate of registration issued by the Construction Contractors Board at the time the Offer is made.
- (2) **Landscape Contracts.** The District must not consider a Person's Offer to do Work as a landscape Contractor as defined in ORS 671.520(2), unless the Person has a current, valid landscape Contractors license issued pursuant to ORS 671.560 by the State Landscape Contractors Board at the time the Offer is made.
- (3) **Non-complying Complying Entities.** The District must deem an Offer received from a Person that fails to comply with this Rule Non-Responsive and must reject the Offer as stated in ORS 279C.365(1)(k), unless contrary to federal law or subject to different timing requirements set by federal funding or the District.

PPS- 49-0240 Pre-Offer Conferences

- (1) **Purpose.** The District may hold pre-Offer conferences with prospective Offerors prior to Closing to explain the Procurement requirements, obtain information, or conduct site inspections.
- (2) **Required Attendance.** The District may require attendance at the pre-Offer conference as a condition for making an Offer. Unless otherwise specified in the Solicitation Document, a mandatory attendance requirement is considered to have been met if, at any time during the mandatory meeting, a representative of the Offering firm is present.
- (3) **Scheduled Time.** If the District holds a pre-Offer conference, it must be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- (4) **Statements Not Binding.** Statements made by the District's representative at the pre-Offer conference do not change the Solicitation Document unless the District confirms such statements with a Written Addendum to the Solicitation Document.
- (5) **District Announcement.** The District must set forth Notice of any pre-Offer conference in the Solicitation Document in accordance with PPS- 49-0200(1)(a)(B).

PPS- 49-0250 Addenda to Solicitation Documents

- (1) Issuance; Receipt.** The District may change a Solicitation Document only by Written Addenda. An Offeror must provide Written acknowledgement of receipt of all issued Addenda with its Offer, unless the District otherwise specifies in the Addenda or in the Solicitation Document.
- (2) Notice and Distribution.** The District must notify prospective Offerors of Addenda consistent with the standards of Notice set forth in PPS- 49-0210(1). The Solicitation Document must specify how the District will provide Notice of Addenda and how the District will make the Addenda available (see PPS- 49-0200(1)(a)(N)). For example, "The District will not mail Notice of Addenda, but will publish Notice of any Addenda on the District's Web site. Addenda may be downloaded off the District's Web site. Offerors should frequently check the District's Web site until Closing, i.e., at least once weekly until the week of Closing, and at least once daily during the week of the Closing."
- (3) Timelines; Extensions.** The District must issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The District may extend the Closing if the District determines that prospective Offerors need additional time to review and respond to Addenda. Except to the extent required by public interest, the District must not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.
- (4) Request for Change or Protest.** Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in PPS- 49-0260, by the close of the District's next business Day after issuance of the Addendum, or up to the last Day allowed to submit a request for change or protest under PPS- 49-0260, whichever date is later. The District must consider only an Offeror's request for change or protest to the Addendum; the District must not consider a request for change or protest to matters not added or modified by the Addendum, unless the Offeror submits the request for change or protest before the deadline for the District's receipt of request for change or protests as set forth in PPS- 49-0260(2) and (3).

PPS- 49-0260 Request for Clarification or Change; Solicitation Protests

- (1) Clarification.** Prior to the deadline for submitting a Written request for change or protest, an Offeror may request that the District clarify any provision of the Solicitation Document. The District's clarification to an Offeror, whether orally or in Writing, does not change the Solicitation Document and is not binding on the District unless the District amends the Solicitation Document by Addendum.
- (2) Request for Change.**
 - (a) Delivery.** An Offeror may request in Writing a change to the Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver the Written request for change to the District not less than five Days prior to Closing;
 - (b) Content of Request for Change.**
 - (A)** An Offeror's Written request for change must include a statement of the requested change(s) to the Contract terms and conditions, including any Specifications, together with the reason for the requested change.
 - (B)** An Offeror must mark its request for change as follows:
 - (i)** "Contract Provision Request for change"; and
 - (ii)** Solicitation Document number (or other identification as specified in the Solicitation Document).

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(3) Protest.

(a) Delivery. An Offeror may protest Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver a Written protest on those matters to the District not less than five Days prior to Closing.

(b) Content of Protest.

(A) An Offeror's Written protest must include:

- (i)** A detailed statement of the legal and factual grounds for the protest;
- (ii)** A description of the resulting prejudice to the Offeror; and
- (iii)** A statement of the desired changes to the Contract terms and conditions, including any Specifications.

(B) An Offeror must mark its protest as follows:

- (i)** "Contract Provision Protest"; and
- (ii)** Solicitation Document number (or other identification as specified in the Solicitation Document).

(4) The Response. The District is not required to consider an Offeror's request for change or protest after the deadline established for submitting such request or protest. The District must provide Notice to the applicable Person if it entirely rejects a protest. If the District agrees with the Person's request or protest, in whole or in part, the District must either issue an Addendum reflecting its determination under PPS- 49-0260 or cancel the solicitation under PPS- 49-0270.

(5) Extension of Closing. If the District receives a Written request for change or protest from an Offeror in accordance with this Rule, the District may extend Closing if the District determines that an extension is necessary to consider the request or protest and issue an Addendum, if any, to the Solicitation Document.

(6) Failure to Protest or Request a Change Precludes Protest of Award on Such Issue. An Offeror cannot protest an Award based on any issue that could have, but was not, raised as a Request for Change or Protest of solicitation.

PPS- 49-0270 Cancellation of Solicitation Document

(1) Cancellation in the Public Interest. The District may cancel a solicitation for good cause if the District finds that cancellation is in the public interest. The District's reasons for cancellation must be made part of the Procurement File.

(2) Notice of Cancellation. If the District cancels a solicitation prior to Opening, the District must provide Notice of cancellation in accordance with PPS- 49-0210(1). Such Notice of cancellation must:

- (a)** Identify the solicitation;
- (b)** Briefly explain the reason for cancellation; and
- (c)** If appropriate, explain that an opportunity will be given to compete on any re-solicitation.

(3) Disposition of Offers.

(a) Prior to Offer Opening. If the District cancels a solicitation prior to Offer Opening, the District will return all Offers it received to Offerors unopened, provided the Offeror submitted its Offer in a hard copy format with a clearly visible return address. If there is no return address on the

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

envelope, the District will open the Offer to determine the source and then return it to the Offeror.

- (b) After Offer Opening. If the District rejects all Offers, the District will retain all such Offers as part of the District's Procurement File.

PPS- 49-0280 Offer Submissions

(1) **Offer and Acceptance**. The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract.

- (a) In Competitive Bidding and Competitive Proposals, the Offer is always a "Firm Offer," i.e., the Offer must be held open by the Offeror for the District's acceptance for the period specified in PPS- 49-0410. The District may elect to accept the Offer at any time during the specified period, and the District's Award of the Contract to a Bidder constitutes acceptance of the Offer and binds the Offeror to the Contract.
- (b) Notwithstanding the fact that a Competitive Proposal is a "Firm Offer" for the period specified in PPS- 49-0410, the District may elect to discuss or negotiate certain Contractual provisions, as identified in these Rules or in the Solicitation Document, with the Proposer. See PPS- 49-0650 on Requests for Proposals and PPS- 49-0290 on Bid or Proposal Security. Where negotiation is permitted by the Rules or the Solicitation Document, Proposers are bound to an obligation to negotiate in good faith and only on those terms that the Rules or the Solicitation Document has reserved for negotiation. In Competitive Proposals, the Solicitation Document must describe whether Offers are to be made and considered as "Firm Offers" that may be accepted without negotiation, as in the case of Competitive Bidding, or whether Offers are subject to discussion, negotiation, or otherwise are not to be considered as final Offers. See PPS- 49-0650 on Requests for Proposals and PPS- 49-0290 on Bid or Proposal Security.

(2) **Responsive Offer**. The District may Award a Contract only to a Responsible Offeror with a Responsive Offer.

(3) **Contingent Offers**. Except to the extent that an Offeror is authorized to Propose certain terms and conditions pursuant to PPS- 49-0650, an Offeror must not make an Offer contingent upon the District's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.

(4) **Offeror's Acknowledgement**. By signing and returning the Offer, the Offeror acknowledges that they have read and understand the terms and conditions contained in the Solicitation Document and that they accept and agree to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits Proposal of alternative terms under PPS- 49-0650, the Offeror's Offer includes the nonnegotiable terms and conditions and any Proposed terms and conditions offered for negotiation upon and to the extent accepted by the District in Writing.

(5) **Instructions**. An Offeror must submit and Sign the Offer in accordance with the Solicitation Document. An Offeror must initial and submit any corrections or erasures to their Offer prior to the Opening in accordance with the requirements for submitting an Offer under the Solicitation Document.

(6) **Forms**. An Offeror must submit the Offers on the form(s) provided in the Solicitation Document, unless Offerors are otherwise instructed in the Solicitation Document.

(7) **Documents**. An Offeror must provide the District with all documents and Descriptive Literature required under the Solicitation Document.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(8) Facsimile or Electronic Submissions. If the District permits Facsimile or Electronic Offers in the Solicitation Document, the Offeror may submit Facsimile or Electronic Offers in accordance with the Solicitation Document. The District will not consider Facsimile or Electronic Offers unless authorized by the Solicitation Document.

(9) Product Samples and Descriptive Literature. The District may require Product Samples or Descriptive Literature if it is necessary or desirable to evaluate the quality, features, or characteristics of the offered items. The District will dispose of Product Samples or return or make available for return Product Samples to the Offeror in accordance with the Solicitation Document.

(10) Identification of Offers.

- (a)** To ensure proper identification and handling, Offers must be submitted in a sealed envelope appropriately marked or in the envelope provided by the District, whichever is applicable.
- (b)** The District is not responsible for Offers submitted in any manner or format, or to any delivery point, other than as required in the Solicitation Document.

(11) Receipt of Offers. The Offeror is responsible for ensuring that the District receives the Offers at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

PPS- 49-0290 Bid or Proposal Security

(1) Security Amount. If the District requires Bid or Proposal security, it must be not more than ~~10%~~ percent or less than ~~5%~~ percent of the Offeror's Bid or Proposal, consisting of the base Bid or Proposal together with all additive alternates. The District must not use Bid or Proposal security to discourage competition. The District must clearly state any Bid or Proposal security requirements in its Solicitation Document. The Offeror must forfeit Bid or Proposal security after Award if the Offeror fails to execute the Contract and promptly return it with any required Performance Bond and Payment Bond and, in the case of Proposal security, with any required proof of insurance. See ORS 279C.365(5) and ~~ORS~~ 279C.385.

(2) Requirement for Bid Security (Optional for Proposals). Unless the District has otherwise exempted a solicitation or class of solicitations from Bid security pursuant to ORS 279C.390, the District must require Bid security for its solicitation of Bids for Public Improvements. The District may require Bid security even if it has exempted a class of solicitations from Bid security. The District may require Proposal security in RFPs. See ORS 279C.400(5).

(3) Form of Bid or Proposal Security. The District may accept only the following forms of Bid or Proposal security:

- (a)** A surety bond from a surety company authorized to do business in the State of Oregon;
- (b)** An irrevocable letter of credit issued by an insured institution as defined in ORS 706.008; or
- (c)** A cashier's check or Offeror's certified check.

(4) Return of Security. The District must return or release the Bid or Proposal security of all unsuccessful Offerors after a Contract has been fully executed and all required bonds have been provided, or after all Offers have been rejected. The District may return the Bid or Proposal security of unsuccessful Offerors prior to Award if the return does not prejudice Contract Award and the security of at least the Bidders with the three lowest Bids, or the Proposers with the three highest-scoring Proposals, is retained pending execution of a Contract.

PPS- 49-0300 Facsimile Bids and Proposals

(1) District Authorization. The District may authorize Offerors to submit Facsimile Offers. If the District determines that Bid or Proposal security is or will be required, the District must not authorize

Portland Public Schools Public Contracting Rules
Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

Facsimile Offers unless the District has established a method for receipt of such security. Prior to authorizing the submission of Facsimile Offers, the District must determine that the District's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the District must establish administrative procedures and controls:

- (a) To receive, identify, record, and safeguard Facsimile Offers;
- (b) To ensure timely delivery of Offers to the location of Opening; and
- (c) To preserve the Offers as Sealed.

(2) Provisions ~~To~~ Be Included in Solicitation Document. In addition to all other requirements, if the District authorizes a Facsimile Offer for Bids or Proposals, the District must include in the Solicitation Document (other than in an RFQ) the following:

- (a) A provision substantially in the form of the following: "A 'Facsimile Offer' as used in this Solicitation Document means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the District via a facsimile machine";
- (b) A provision substantially in the form of the following: "Offerors may submit Facsimile Offers in response to this Solicitation Document. The entire response must arrive at the place and by the time specified in this Solicitation Document-";
- (c) A provision that requires Offerors to Sign their Facsimile Offers;
- (d) A provision substantially in the form of the following: "The District reserves the right to Award the Contract solely on the basis of the Facsimile Offer." However, upon the District's request, the apparent successful Offeror must promptly submit its complete original Signed Offer; and
- (e) The data and compatibility characteristics of the District's receiving facsimile machine as follows:
 - (A) Telephone number; and
 - (B) Compatibility characteristics, e.g., make and model number, receiving speed, communications protocol; and
- (f) A provision that the District is not responsible for any failure attributable to the transmission or receipt of the Facsimile Offer including, but not limited to, the following:
 - (A) Receipt of garbled or incomplete documents;
 - (B) Availability or condition of the receiving facsimile machine;
 - (C) Incompatibility between the sending and receiving facsimile machine;
 - (D) Delay in transmission or receipt of documents;
 - (E) Failure of the Offeror to properly identify the Offer documents;
 - (F) Illegibility of Offer documents; and
 - (G) Security and confidentiality of data.

PPS-49-0310 Electronic Procurement

(1) General. The District may utilize Electronic Advertisement of Public Improvement Contracts in accordance with ORS 279C.360(1), provided that advertisement of such Contracts with an estimated Contract Price in excess of \$125,000 must also be published in a trade newspaper of general statewide circulation, and may post Notices of intent to Award electronically as provided by ORS 279C.410(7).

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(2) Alternative Procedures. In the event that the District desires to allow Electronic Offers for a Public Improvement Contract, the District will comply with PPS- 47-0330 (Electronic Procurement under ORS 279B), taking into account ORS 279C requirements for Written Bids, opening Bids publicly, Bid security, first-tier subcontractor disclosure, and inclusion of prevailing wage rates.

(3) Interpretation. Nothing in this Rule must be construed as prohibiting the District from making Procurement documents for Public Improvement Contracts available in electronic format as well as in hard copy when Bids are to be submitted only in hard copy. See ORS 279C.365(2).

PPS- 49-0320 Pre-Closing Modification or Withdrawal of Offers

(1) Modifications. An Offeror may modify its Offer in Writing prior to the Closing. An Offeror must prepare and submit any modification to its Offer to the District in accordance with PPS- 49-0280, unless otherwise specified in the Solicitation Document. Any modification must include the Offeror's statement that the modification amends and supersedes the prior Offer. The Offeror must mark the submitted modification as follows:

- (a) Bid (or Proposal) modification; and
- (b) Solicitation number (or other identification as specified in the Solicitation Document).

(2) Withdrawals.

- (a) An Offeror may withdraw its Offer by Written Notice submitted on the Offeror's letterhead, Signed by an authorized representative of the Offeror, delivered to the location specified in the Solicitation Document (or the place of Closing if no location is specified), and received by the District prior to the Closing. The Offeror or authorized representative of the Offeror may also withdraw its Offer in person prior to the Closing, upon presentation of appropriate identification and satisfactory evidence of authority;
- (b) The District may release an unopened Offer withdrawn under Section (2)(a) of this Rule to the Offeror or its authorized representative after voiding any date and time-stamp mark;
- (c) The Offeror must mark the Written request to withdraw an Offer as follows:
 - (A) Bid (or Proposal) withdrawal; and
 - (B) Solicitation number (or other identification as specified in the Solicitation Document).

(3) Documentation. The District must include all documents relating to the modification or withdrawal of Offers in the appropriate Procurement File.

PPS- 49-0330 Receipt, Opening, and Recording of Offers; Confidentiality of Offers

(1) Receipt. The District must electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The District must not open the Offer or modification upon receipt, but must maintain it as confidential and secure until Opening. If the District inadvertently opens an Offer or a modification prior to the Opening, the District must return the Offer or modification to its secure and confidential state until Opening. The District must document the resealing for the Procurement File (e.g., "The District inadvertently opened the Offer due to improper identification of the Offer").

(2) Opening and Recording. The District must publicly open Offers, including any modifications made to the Offer, pursuant to PPS- 49-0320. In the case of Invitations to Bid, to the extent practicable, the District must read aloud the name of each Bidder, the Bid price(s), and such other information as the District considers appropriate. In the case of Requests for Proposals or voluminous Bids, if the Solicitation Document so provides, the District will not read Offers aloud.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(3) Availability. After Opening, the District must make Bids available for public inspection, but pursuant to ORS 279C.410, Proposals are not required to be available for public inspection until after the Notice of Intent to Award is issued. In any event, the District may withhold from disclosure those portions of an Offer that the Offeror designates as trade secrets or as confidential proprietary data in accordance with applicable law. See ORS 192.501(2); ORS 646.461 through 646.475. To the extent that the District determines such designation is not in accordance with applicable law, the District must make those portions available for public inspection. The Offeror must separate information designated as confidential from other non-confidential information at the time of submitting its Offer. Prices, makes, models, or catalog numbers of items offered, scheduled delivery dates, and terms of payment are not confidential, and must be publicly available regardless of an Offeror's designation to the contrary.

PPS- 49-0340 Late Bids, Late Withdrawals, and Late Modifications

Any Offer received after Closing is late. An Offeror's request for withdrawal or modification of an Offer received after Closing is late. The District will not consider late Offers, withdrawals, or modifications except as permitted in PPS- 49-0350 or ~~PPS-49-0390~~.

PPS- 49-0350 Mistakes

(1) Generally. To protect the integrity of the Competitive Procurement process and to ensure fair treatment of Offerors, the District should carefully consider whether to permit waiver, correction, or withdrawal of Offers for certain mistakes.

(2) District Treatment of Mistakes. The District must not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the District discovers certain mistakes in an Offer after Opening but before Award of the Contract, the District may take the following action:

- (a)** The District may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:
 - (A)** Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - (B)** Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer, evidencing an intent to be bound; and
 - (C)** Acknowledge receipt of an Addendum to the Solicitation Document, provided that it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms, or the Addendum involved did not affect price, quality, or delivery.
- (b)** The District may correct a clerical error if the error is evident on the face of the Offer or other documents submitted with the Offer, and the Offeror confirms the District's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Unit prices shall prevail over extended prices in the event of a discrepancy between extended prices and unit prices.
- (c)** The District may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:
 - (A)** The nature of the error;
 - (B)** That the error is not a minor informality under this ~~Section~~[section](#) or an error in judgment;
 - (C)** That the error cannot be corrected or waived under Section (2)(b) of this Rule;

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (D) That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;
 - (E) That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;
 - (F) That the Offeror will suffer substantial detriment if the District does not grant the Offeror permission to withdraw the Offer;
 - (G) That the District's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the District or the public it represents; and
 - (H) That the Offeror promptly gave Notice of the claimed error to the District.
- (d) The criteria in Section (2)(c) of this Rule must determine whether the District will permit an Offeror to withdraw its Offer after Closing. These criteria also must apply to the question of whether the District will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or other Bid or Proposal security), or without liability to the District based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually Awarded by the District, whether by Award to the next lowest Responsive and Responsible Bidder or the best Responsive and Responsible Proposer, or by resort to a new solicitation.
- (3) **Rejection for Mistakes.** The District will reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents submitted with the Offer.
- (4) **Identification of Mistakes ~~after~~After Award.** The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may withdraw its Offer or rescind a Contract entered into pursuant to this Division 49 only to the extent permitted by applicable law.

PPS- 49-0360 First-Tier Subcontractors; Disclosure and Substitution; ITB

- (1) **Required Disclosure.** Within two working hours after the Bid Closing on an ITB for a Public Improvement having a Contract Price anticipated by the District to exceed \$100,000, all Bidders must submit to the District a disclosure form as described by ORS 279C.370(2), identifying any first-tier subcontractors (those entities that would be contracting directly with the prime Contractor) that will be furnishing labor or labor and materials on the Contract, if Awarded, whose subcontract value would be equal to or greater than:
- (a) ~~5%~~ percent of the total Contract Price, but at least \$15,000; or
 - (b) \$350,000, regardless of the percentage of the total Contract Price.
- (2) **Bid Closing, Disclosure Deadline, and Bid Opening.** For each ITB to which this Rule applies, the District must:
- (a) Set the Bid Closing on a Tuesday, Wednesday, or Thursday, and at a time between 2:00 p.m. and 5:00 p.m., except that these Bid Closing restrictions do not apply to an ITB for maintenance or construction of highways, bridges, or other transportation facilities, and provided that the two-hour disclosure deadline described by this Rule would not then fall on a legal holiday;
 - (b) Open Bids publicly immediately after the Bid Closing; and
 - (c) Consider for Contract Award only those Bids for which the required disclosure has been submitted by the announced deadline on forms prescribed by the District.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

(3) Bidder Instructions and Disclosure Form. For the purposes of this Rule, the District in its solicitation must:

- (a) Prescribe the disclosure form that must be utilized, substantially in the form set forth in ORS 279C.370(2); and
- (b) Provide instructions in a Notice substantially similar to the following:

"Instructions for First-Tier Subcontractor Disclosure:

Bidders are required to disclose information about certain first-tier subcontractors (see ORS 279C.370). Specifically, when the Contract amount of a first-tier subcontractor furnishing labor or labor and materials would be greater than or equal to: (i) ~~5%~~ percent of the Project Bid, but at least \$15,000, or (ii) \$350,000 regardless of the percentage, the Bidder must disclose the following information about that subcontract either in its Bid submission, or within two hours after Bid Closing:

- (A) The subcontractor's name,
- (B) The category of Work that the subcontractor would be performing, and
- (C) The dollar value of the subcontract.

If the Bidder will not be using any subcontractors that are subject to the above disclosure requirements, the Bidder is required to indicate "NONE" on the accompanying form.

THE DISTRICT MUST REJECT A BID IF THE BIDDER FAILS TO SUBMIT THE DISCLOSURE FORM WITH THIS INFORMATION BY THE STATED DEADLINE (see PPS- 49-0360)."

(4) Submission. A Bidder must submit the disclosure form required by this Rule either in its Bid submission or within two working hours after Bid Closing in the manner specified by the ITB.

(5) Responsiveness. Compliance with the disclosure and submittal requirements of ORS 279C.370 and this Rule is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the disclosure submittal has not been made by the specified deadline, are not Responsive and will not be considered for Contract Award.

(6) District Role. The District must obtain, and make available for public inspection, the disclosure forms required by ORS 279C.370 and this Rule. The District must also provide copies of disclosure forms to BOLI as required by ORS 279C.835. The District is not required to determine the accuracy or completeness of the information provided on disclosure forms.

(7) Substitution. Pursuant to ORS ~~278~~279C.585, a Contractor whose Bid is accepted may substitute a first-tier subcontractor that was not disclosed under ORS 279C.370 and this Rule by submitting the name of the new subcontractor and the reason for the substitution in Writing to the District. A Contractor may substitute a first-tier subcontractor under this ~~Section~~section in the following circumstances:

- (a) When the subcontractor disclosed under ORS 279C.370 fails or refuses to execute a Written Contract after having had a reasonable opportunity to do so after the Written Contract, which must be reasonably based on the general terms, conditions, plans, and Specifications for the Public Improvement Project or the terms of the subcontractor's Written Bid, is presented to the subcontractor by the Contractor.
- (b) When the disclosed subcontractor becomes bankrupt or insolvent.

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) When the disclosed subcontractor fails or refuses to perform the subcontract.
- (d) When the disclosed subcontractor fails or refuses to meet the bond requirements of the Contractor that had been identified prior to the Bid submittal.
- (e) When the Contractor demonstrates to the District that the subcontractor was disclosed as the result of an inadvertent clerical error.
- (f) When the disclosed subcontractor does not hold a license from, or has a license that is not properly endorsed by, the Construction Contractors Board and is required to be licensed by the Construction Contractors Board.
- (g) When the Contractor determines that the Work performed by the disclosed subcontractor is substantially unsatisfactory and not in substantial accordance with the plans and Specifications or that the subcontractor is substantially delaying or disrupting the progress of the Work.
- (h) When the disclosed subcontractor is ineligible to work on a Public Improvement Contract under applicable statutory provisions.
- (i) When the substitution is for good cause. The Construction Contractors Board shall define "good cause" by rule. "~~good~~Good cause" includes, but is not limited to, the financial instability of a subcontractor. The definition of "good cause" must reflect the least-cost policy for Public Improvement Contracts established in ORS 279C.305.
- (j) When the substitution is reasonably based on the Contract alternates chosen by the District.

The District must accept Written submissions filed under this Section (7) as public records. Aside from issues involving inadvertent clerical error under ORS 279C.585, the District does not have a statutory role or duty to review, approve, or resolve disputes concerning such substitutions. See ORS 279C.590 regarding complaints to the Construction Contractors Board on improper substitution.

PPS- 49-0370 Disqualification of Persons

PPS- 49-0380 Bid or Proposal Evaluation Criteria

(1) **General.** A Public Improvement Contract, if Awarded, must be Awarded to the Responsible Bidder submitting the lowest Responsive Bid, or to the Responsible Proposer submitting the best Responsive Proposal. See PPS- 49-0390 and Rules for Alternative Contracting Methods at PPS- 49-0600 to ~~PPS-49-0690~~.

(2) **Bid Evaluation Criteria.** Invitations to Bid may solicit lump-sum Offers, unit-price Offers, or a combination of the two.

- (a) **Lump Sum.** If the ITB requires a lump-sum Bid without additive or deductive alternates, or if the District elects not to Award additive or deductive alternates, Bids must be compared on the basis of lump-sum prices, or lump-sum base-Bid prices, as applicable. If the ITB calls for a lump-sum base Bid, plus additive or deductive alternates, the total Bid price must be calculated by adding to or deducting from the base Bid those alternates selected by the District for the purpose of comparing Bids.
- (b) **Unit Price.** If the Bid includes unit pricing for estimated quantities, the total Bid price must be calculated by multiplying the estimated quantities by the unit prices submitted by the Bidder, and adjusting for any additive or deductive alternates selected by the District for the purpose of comparing Bids. The District must specify within the Solicitation Document the estimated quantity of the Procurement to be used for determination of the low Bidder. In the event of mathematical discrepancies between unit price and any extended price calculations submitted by the Bidder, the unit price governs. See PPS- 49-0350(2)(b).

(3) **Proposal Evaluation Criteria.** If the District has exempted the Procurement of a Public Improvement from the Competitive Bidding requirements of ORS 279C.335(1) and has directed the District to use an Alternative Contracting Method under ORS 279C.335(4), the District shall set forth the evaluation criteria in the Solicitation Documents. See PPS- 49-0640, ~~PPS-49-0650~~, ~~PPS-49-0670~~, ~~PPS-049-0690~~, ORS 279C.~~335,335~~ and ~~ORS~~ 279C.405.

PPS- 49-0390 Offer Evaluation and Award; Determination of Responsibility

(1) **General.** If Awarded, the District must Award the Contract to the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer or Proposers submitting the best Responsive Proposal or Proposals, provided that such Person is not listed by the Construction Contractors Board as disqualified to hold a Public Improvement Contract (See ORS 279C.375(3)(a)) or is ineligible for Award as a nonresident education service district (ORS 279C.325). The District may Award by item, groups of items, or the entire Offer provided such Award is consistent with the Solicitation Document and in the public interest. Where Award is based on Competitive Bids, ORS 279C.375(5) permits multiple Contract Awards when specified in the ITB.

(2) **Determination of Responsibility.** Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the District must have information that

Portland Public Schools Public Contracting Rules
Division 49 ~~—~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

indicates that the Offeror meets the standards of responsibility set forth in ORS 279C.375(3)(b). To be a Responsible Offeror, the District must determine that the Offeror:

- (a) Has available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or has the ability to obtain the resources and expertise, necessary to meet all Contractual responsibilities~~;~~
- (b) Holds current licenses that businesses or service professionals operating in this state must hold in order to undertake or perform the Work specified in the Contract~~;~~
- (c) Is covered by liability insurance and other insurance in amounts the District requires in the Solicitation Documents~~;~~
- (d) Qualifies as a carrier-insured employer or a self-insured employer under ORS 656.407, or has elected coverage under ORS 656.128~~;~~
- (e) Has made the disclosure required under ORS 279C.370.
- (f) ~~Completed~~ Has completed previous contracts of a similar nature with a satisfactory record of performance. For purposes of this subparagraph, a satisfactory record of performance means that to the extent that the costs associated with and time available to perform a previous contract remained within the Bidder's control, the Bidder stayed within the time and budget allotted for the procurement, and otherwise performed the contract in a satisfactory manner. The District ~~shall document the Bidder's~~ should carefully scrutinize an Offeror's record of contract performance ~~in the Procurement File if the District finds under this subparagraph that the Bidder is not responsible.~~ if the Offeror is or recently has been materially deficient in contract performance. In reviewing the Offeror's performance, the Contracting Agency should determine whether the Offeror's deficient performance was expressly excused under the terms of the contract, or whether the Offeror took appropriate corrective action. The District may review the Offeror's performance on both private and public contracts in determining the Offeror's record of contract performance. The District shall make its basis for determining an Offeror not Responsible under this paragraph part of the Solicitation file;
- (g) Has a satisfactory record of integrity. In evaluating the Bidder's record of integrity, the District may consider, among other things, whether the Bidder has previous criminal convictions for offenses related to obtaining or attempting to obtain a contract or subcontract or in connection with the Bidder's performance of a contract or subcontract. The District shall document the Bidder's record of integrity in the Procurement File if the District finds under this subparagraph that the Bidder is not responsible~~;~~
- (h) Is legally qualified to contract with the District~~;~~ and
- (a) ~~(i)~~ (i) Supplied all necessary information in connection with the inquiry concerning responsibility. If a Bidder fails to promptly supply information concerning responsibility that the District requests, the District shall determine the Bidder's responsibility based on any available information, or may find that the Bidder is not responsible.

(3) Documenting Agency Determinations. The District must document its compliance with ORS 279C.375(3) and the above ~~Sections~~ sections of this Rule on a Responsibility Determination Form substantially as set forth in ORS 279.375(3)(c), and file that form with the Construction Contractors Board within 30 Days after Contract Award.

(4) District Evaluation. The District must evaluate an Offer only as set forth in the Solicitation Document and in accordance with applicable law. The District must not evaluate an Offer using any other requirement or criterion.

(5) Offeror Submissions.

- (a)** The District may require an Offeror to submit Product Samples, Descriptive Literature, technical data, or other material, and may also require any of the following prior to Award:
 - (A)** Demonstration, inspection, or testing of a product for characteristics such as compatibility, quality, or workmanship;
 - (B)** Examination of such elements as appearance or finish; or

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services

- (C) Other examinations to determine whether the product conforms to Specifications.
- (b) The District must evaluate product acceptability only in accordance with the criteria disclosed in the Solicitation Document to determine that a product is acceptable. The District must reject an Offer providing any product that does not meet the Solicitation Document requirements. The District's rejection of an Offer because it offers nonconforming Work or materials is not disqualification and is not appealable under ORS 279C.445.
- (6) **Evaluation of Bids.** The District must use only objective criteria to evaluate Bids as set forth in the ITB. The District must evaluate Bids to determine which Responsible Offeror Offers the lowest Responsive Bid.
- (a) Nonresident Bidders. In determining the lowest Responsive Bid, the District must add a percentage increase to the Bid of a nonresident Bidder equal to the percentage, if any, of the preference given to that Bidder in the state in which the Bidder resides.
- (b) Clarifications. In evaluating Bids, the District may seek information from a Bidder only to clarify the Bidder's Bid. Such clarification must not vary, contradict, or supplement the Bid. A Bidder must submit Written and Signed clarifications and such clarifications must become part of the Bidder's Bid.
- (c) Negotiation Prohibited. The District must not negotiate scope of Work or other terms or conditions under an Invitation to Bid process prior to Award.
- (7) **Evaluation of Proposals.** See PPS-49-0650 regarding Rules applicable to Requests for Proposals.

PPS-49-0395 Notice of Intent to Award

- (1) **Notice.** At least seven Days before the Award of a Public Improvement Contract, the District shall issue to each Bidder (pursuant to ORS 279C.375(2)) and each Proposer (pursuant to [ORS 279C.410\(7\)](#)), or post electronically or otherwise, a Notice of the District's Intent to Award the Contract. This requirement does not apply to Award of a Small (under \$5,000) or Intermediate (informal Competitive Quotes) Public Improvement Contract Awarded under ORS 279C.335(1)(c) or (d).
- (2) **Form and Manner of Posting.** The form and manner of posting Notice shall conform to customary practices within the District's Procurement system, and may be made electronically.
- (3) **Finalizing Award.** The District's Award shall not be final until the later of the following:
- (a) Seven Days after the date of the Notice, unless the Solicitation Document provided a different period for protest; or
- (b) The District provides a Written response to all timely filed protests that denies each protest and affirms the Award.
- (4) **Prior Notice Impractical.** Posting of Notice of Intent to Award shall not be required when the District determines that it is impractical due to unusual time constraints in making prompt Award for its immediate Procurement needs, documents the Procurement File as to the reasons for that determination, and posts Notice of that action as soon as reasonably practical.

PPS-49-0400 Documentation of Award; Availability of Award Decisions

- (1) **Basis of Award.** After Award, the District must make a record showing the basis for determining the successful Offeror part of the District's Procurement File.

PPS- 49-0410 Time for District Acceptance; Extension

- (1) **Time for Offer Acceptance.** An Offeror's Bid, or Proposal submitted as a Firm Offer (see PPS- 49-0280), is irrevocable, valid, and binding on the Offeror for not less than 60 Days from Closing unless otherwise specified in the Solicitation Document.
- (2) **Extension of Acceptance Time.** The District may request, orally or in Writing, that Offerors extend, in Writing, the time during which the District may consider and accept their Offer(s). If an Offeror agrees to such extension, the Offer must continue as a Firm Offer, irrevocable, valid, and binding on the Offeror for the agreed-upon extension period.

PPS- 49-0420 Negotiation With Bidders Prohibited

- (1) **Bids.** Except as permitted by ORS 279C.340 and PPS- 49-0430 when all Bids exceed the Cost Estimate, the District must not negotiate with any Bidder prior to Contract Award. After Award of the Contract, the District and the Contractor may only modify the Contract by Change Order or Amendment to the Contract in accordance with PPS- 49-0860.
- (2) **Requests for Proposals.** The District may only conduct discussions or negotiations with Proposers in accordance with the requirements of PPS- 49-0650.

PPS- 49-0430 Negotiation When Bids Exceed Cost Estimate

- (1) **Generally.** In accordance with ORS 279C.340, if all Responsive Bids from Responsible Bidders on a competitively Bid Project exceed the District's Cost Estimate, prior to Contract Award the District may negotiate Value Engineering and Other Options with the Responsible Bidder submitting the lowest Responsive Bid in an attempt to bring the Project within the District's Cost Estimate. The subcontractor disclosure and substitution requirements of PPS- 49-0360 do not apply to negotiations under this Rule.
- (2) **Definitions.** The following definitions apply to this Rule:
- (a) **"Cost Estimate"** means the District's most recent pre-Bid, good-faith assessment of anticipated Contract costs, consisting either of an estimate of an Architect, Engineer, or other qualified professional, or confidential cost calculation worksheets, where available, and otherwise consisting of formal planning or budgetary documents.
 - (b) **"Other Options"** means those items generally considered appropriate for negotiation in the RFP process, relating to the details of Contract performance as specified in PPS- 49-0650, but excluding any material requirements previously announced in the solicitation process that would likely affect the field of competition.
 - (c) **"Project"** means a Public Improvement.
 - (d) **"Value Engineering"** means the identification of alternative methods, materials, or systems which provide for comparable function at reduced initial or life-time cost. It includes proposed changes to the plans, Specifications, or other Contract requirements that may be made, consistent with industry practice, under the Original Contract by mutual agreement in order to take advantage of potential cost savings without impairing the essential functions or characteristics of the Public Improvement. Cost savings include those resulting from Life-Cycle Costing, which may either increase or decrease absolute costs over varying time periods.
- (3) **Rejection of Bids.** In determining whether all Responsive Bids from Responsible Bidders exceed the Cost Estimate, only those Bids that have been formally rejected, or Bids from Bidders who have been formally disqualified by the District, must be excluded from consideration.
- (4) **Scope of Negotiations.** The District must not proceed with Contract Award if the scope of the Project is significantly changed from the original Bid. The scope is considered to have been significantly changed if the pool of competition would likely have been affected by the change; that is, if other Bidders would have been expected by the District to participate in the Bidding process had the change been made during the solicitation process rather than during negotiation. This Rule must not be construed to prohibit solicitation of trade subcontracts.
- (5) **Discontinuing Negotiations.** The District may discontinue negotiations at any time, and must do so if it appears to the District that the apparent low Bidder is not negotiating in good faith or fails to share cost and pricing information upon request. Failure to re-Bid any portion of the Project, or to obtain subcontractor pricing information upon request, must be considered a lack of good faith.
- (6) **Limitation.** Negotiations may be undertaken only with the lowest Responsive, Responsible Bidder pursuant to ORS 279C.340. That statute does not provide any additional authority to further negotiate with Bidders next in line for Contract Award.
- (7) **Public Records.** To the extent that a Bidder's records used in Contract negotiations under ORS 279C.340 are public records, they are exempt from disclosure until after the negotiated Contract has been Awarded or the negotiation process has been terminated, at which time they are subject to disclosure pursuant to the provisions of the Oregon Public Records Law, ORS 192.410 through 192.505.

PPS-49-0440 Rejection of Offers

(1) Rejection of an Offer.

- (a) The District may reject any Offer upon finding that to accept the Offer may impair the integrity of the Procurement process or that rejecting the Offer is in the public interest.
- (b) The District will reject an Offer upon the District's finding that the Offer:
 - (A) Is contingent ~~upon~~on the District's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document, or
 - (B) Takes exception to terms and conditions (including Specifications), or
 - (C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of the Solicitation Document or in contravention of applicable law; or

 - (E) Is late; or
 - (F) Is not in substantial compliance with the Solicitation Document; or
 - (G) Is not in substantial compliance with all prescribed public solicitation procedures.
- (c) The District will reject an Offer upon the District's finding that the Offeror:
 - (A) Has not been prequalified under ORS 279C.430 and the District required mandatory prequalification; or
 - (B) Has been disqualified; or
 - (C) Has been declared ineligible under ORS 279C.860 by the Commissioner of BOLI and the Contract is for a Public Work; or
 - (D) Is listed as not qualified by the Construction Contractors Board, if the Contract is for a Public Improvement; or
 - (E) Has not met the requirements of ORS 279A.105 if required by the Solicitation Document; or
 - (F) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document; or
 - (G) Has failed to provide the certification required under Section (3) of this Rule; or
 - (H) Is not Responsible. See PPS-49-0390(2) regarding District determination that the Offeror has met statutory standards of responsibility.

(2) Form of Business. For purposes of this Rule, the District may investigate any Person submitting an Offer. The investigation may include that Person's officers, directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this Rule or to apply the disqualification provisions of ORS 279C.440 through 279C.450 and PPS-49-0370.

(3) Certification of Non-Discrimination. The Offeror must certify and deliver to the District Written certification, as part of the Offer, that the Offeror has not discriminated against any disadvantaged business, minority-owned business, women-~~or~~-owned business, emerging small business enterprises, or business that a service-disabled veteran owns, in obtaining any required subcontracts. Failure to do so ~~must~~shall be grounds for disqualification.

(4) Contract and Subcontract Conditions. If the District awards a Contract to an Offeror that has been determined to be responsible under ORS 200.005(8)5 and 200.045(3),6 or awards a Contract under ORS 279A.100:7

(a) The District must provide, as a material condition of the Contract:

(A) That the Contractor must maintain its certification under ORS 200.055 throughout the term of the Contract and any extensions (if the Contracting Agency used the certification as a factor in or as a basis for the award of the Contract);

(B) That the Contractor must promptly pay each subcontractor that is certified under ORS 200.055 in accordance with ORS 279B.220, or 279C.570 and ORS 279C.580, whichever apply to the Contract;

(C) That the Contractor must include, in any subcontract the Contractor establishes in connection with the Contract, a provision that requires the subcontractor to maintain the subcontractor's certification under ORS 200.055 throughout the term of the subcontract and any extensions (if the Contractor used the certification as a factor in or as a basis for the award of the subcontract);

(D) That the District may require the Contractor to terminate a subcontract with a subcontractor that fails to maintain its certification under ORS 200.055 throughout the term of the subcontract and any extensions.

(b) In the administration of Contracts that are subject to Section (4) of this rule, the District must verify the Contractor's and any subcontractor's compliance with Subsection (4)(a) of this rule.

(c) Subparagraph (4)(a)(A) of this section does not apply to an emerging small business that ceases to qualify as a tier one firm or a tier two firm (as ORS 200.005 defines those terms) due to the growth in the business's number of full-time equivalent employees or in average annual gross receipts during the term of the Contract. This Section (4) does not apply to an emerging small business for which a certification under ORS 200.055 expires during the term of the Contract or any extensions.

(5) ~~(4)~~ Rejection of all Offers. The District may reject all Offers for good cause upon the District's Written Finding that it is in the public interest to do so. The District must notify all Offerors of the rejection of all Offers, along with the good-cause justification and Finding.

(6) ~~(5)~~ Criteria for Rejection of All Offers. The District may reject all Offers upon a Written Finding that:

(a) The content of or an error in the Solicitation Document or the solicitation process unnecessarily restricted competition for the Contract;

(b) The price, quality, or performance presented by the Offerors is too costly or of insufficient quality to justify acceptance of the Offer;

5 A bidder or proposer that the Governor's Policy Advisor for Economic and Business Equity determines has undertaken both a policy and a practice of actively pursuing participation by minority-owned businesses, women-owned businesses, businesses that service-disabled veterans own or emerging small businesses in all of the bidder's or proposer's bids or proposals, both public and private.

6 A bidder or proposer has made good faith efforts to encourage required participants to participate by taking all of the actions list in ORS 200.045(3).

7 An affirmative action program adopted under ORS 279A.100 for goods and services contracts or any other contract under \$50,000.

- (c) Misconduct, error, or ambiguous or misleading provisions in the Solicitation Document threaten the fairness and integrity of the Competitive process;
- (d) Causes other than legitimate market forces threaten the integrity of the Competitive Procurement process. These causes include, but are not limited to, those that tend to limit competition such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct, and inadvertent or intentional errors in the Solicitation Document;
- (e) The District cancels the solicitation in accordance with PPS- 49-0270; or
- (f) Any other circumstance indicating that Awarding the Contract would not be in the public interest.

PPS- 49-0450 Protest of Contractor Selection, Contract Award

(1) Purpose. An adversely affected or aggrieved Offeror must exhaust all avenues of administrative review and relief before seeking judicial review of the District's Contractor selection or Contract Award decision.

(2) Notice of Competitive Range. Unless otherwise provided in the RFP, when the Competitive Proposal process is authorized under PPS- 49-0650, the District must provide Written Notice to all Proposers of the District's determination of the Proposers included in the Competitive Range. The District's Notice of the Proposers included in the Competitive Range must not be final until the later of the following:

- (a) Ten Days after the date of the Notice, unless otherwise provided therein; or
- (b) Until the District provides a Written response to all timely filed protests that denies the protest and affirms the Notice of the Proposers included in the Competitive Range.

(3) Notice of Intent to Award. Unless otherwise provided in the Solicitation Document, the District must provide Written Notice to all Offerors of the District's Intent to Award the Contract as provided in PPS- 49-0395.

(4) Right to Protest Award.

- (a) An adversely affected or aggrieved Offeror may submit to the District a Written protest of the District's Intent to Award within seven Days after issuance of the Notice of Intent to Award the Contract, unless a different protest period is provided under the Solicitation Document.
- (b) The Offeror's protest must be in Writing and must specify the grounds on which the protest is based.
- (c) An Offeror is adversely affected or aggrieved only if the Offeror is eligible for Award of the Contract as the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer submitting the best Responsive Proposal and is next in line for Award, i.e., the protesting Offeror must claim that all lower Bidders or higher-scored Proposers are ineligible for Award:
 - (A) Because their Offers were Non-Responsive; or
 - (B) The District committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been the Responsible Bidder offering the lowest Bid or the Responsible Proposer offering the highest-ranked Proposal.

- (d) The District will not consider a protest submitted after the time period established in this Rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest the District's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.
- (5) Right to Protest Competitive Range.**
- (a) An adversely affected or aggrieved Proposer may submit to the District a Written protest of the District's decision to exclude the Proposer from the Competitive Range within seven Days after issuance of the Notice of the Competitive Range, unless a different protest period is provided under the Solicitation Document. (See procedural requirements for the use of RFPs at PPS-49-0650.)
- (b) The Proposer's protest must be in Writing and must specify the grounds on which the protest is based.
- (c) A Proposer is adversely affected only if the Proposer is responsible and submitted a Responsive Proposal and is eligible for inclusion in the Competitive Range, i.e., the protesting Proposer must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring Proposers are removed from consideration, and that those ineligible Proposers are ineligible for inclusion in the Competitive Range because:
- (A) Their Proposals were not Responsive; or
- (B) The District committed a substantial violation of a provision in the RFP or of an applicable Procurement statute or administrative rule, and the protesting Proposer was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.
- (d) The District must not consider a protest submitted after the time period established in this Rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest the District's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.
- (6) Authority to Resolve Protests.** The Superintendent may settle or resolve a Written protest submitted in accordance with the requirements of this Rule.
- (7) Decision.** If a protest is not settled, the Superintendent, or such Person's designee, must promptly issue a Written decision on the protest. Judicial review of this decision will be available if provided by statute.
- (8) Award.** The successful Offeror must promptly execute the Contract after the Award is final. The District must execute the Contract only after it has obtained all applicable required documents and approvals.

PPS-49-0460 Performance and Payment Security; Waiver

- (1) Public Improvement Contracts.** Unless the required performance bond is waived under ORS 279C.380(1)(a) or this Rule, excused in cases of emergency under ORS 279C.380(4), or unless the District exempts a Contract or classes of Contracts from the required performance bond and payment bond pursuant to ORS 279C.390, the Contractor must execute and deliver to the District a performance bond and a payment bond each in a sum equal to the Contract Price for all Public Improvement Contracts.
- (2) Other Construction Contracts.** The District may require performance security for other construction Contracts that are not Public Improvement Contracts. Such requirements must be expressly set forth in the Solicitation Document.

Portland Public Schools Public Contracting Rules
Division 49 — Public Contracting Rules for Contracts for Goods and/or Services

- (3) Requirement for Surety Bond.** The District must accept only a performance bond furnished by a surety company authorized to do business in Oregon unless otherwise specified in the Solicitation Document (i.e., the District may accept a cashier's check or certified check in lieu of all or a portion of the required performance bond if specified in the Solicitation Document). The payment bond must be furnished by a surety company authorized to do business in Oregon, and in an amount equal to the full Contract Price.
- (4) Time for Submission.** The apparent successful Offeror must promptly furnish the required performance security at the District's request. If the Offeror fails to furnish the security as requested, the District may reject the Offer and Award the Contract to the Responsible Bidder with the next lowest Responsive Bid or the Responsible Proposer with the next highest-scoring Responsive Proposal, and, at the District's discretion, the Offeror must forfeit its Bid or Proposal security.
- (5) Public Improvement Contracts Under \$100,000.** The Superintendent may, in his or her discretion, waive the Bid security requirements and performance and payment bond requirements of ORS 279C.380 if the amount of the Contract for the Public Improvement is \$100,000 or less.

PPS- 49-0470 Substitute Contractor

If the Contractor provided a performance bond, the District may afford the Contractor's surety the opportunity to provide a substitute Contractor to complete performance of the Contract. A substitute Contractor must perform all remaining Contract Work and comply with all terms and conditions of the Contract, including the provisions of the performance bond and the payment bond. Such substitute performance does not involve the Award of a new Contract and must not be subject to the Competitive Procurement provisions of ORS 279C.

PPS- 49-0490 Foreign Contractor

If the Contract Price exceeds \$10,000 and the Contractor is a Foreign Contractor, the Contractor must promptly report to the Oregon Department of Revenue on forms provided by the Department of Revenue, the Contract Price, terms of payment, Contract duration, and such other information as the Department of Revenue may require before final payment can be made on the Contract. A copy of the report must be forwarded to the District. The District Awarding the Contract must satisfy itself that the above requirements have been complied with before it issues final payment on the Contract.

ALTERNATIVE CONTRACTING METHODS

PPS- 49-0600 Alternative Contracting Methods; Purpose

These PPS- 49-0600 to PPS- 49-0690 Rules are intended to provide guidance to the District regarding the use of Alternative Contracting Methods for Public Improvement Contracts. These Alternative Contracting Methods include, but are not limited to, the following forms of contracting: Design-Build, Energy Savings Performance, and the Construction Manager/General Contractor Method. To the extent any such Alternative Contracting Methods are utilized within the competitive bidding process set forth in ORS 279C.335(1), these OAR 137-049-0600 to 137-049-0690 rules are advisory only and may be used or referred to by the District in whole, in part or not at all, within the discretion of the District. As to ESPC contracting, these PPS- 49-0600 through PPS- 49-0690 Rules implement the requirements of ORS 279C.335 pertaining to the adoption of Model Rules appropriate for use by the entire District to govern the procedures for entering into ESPCs. As to contracting for Construction Manager General Contractor Services, PPS 49-0600 to 49-0690 include mandatory and optional provisions pertaining to the procurement of Construction Manager/General Contractor Services, pursuant to the requirements of ORS 279C.337.

PPS- 49-0610 Definitions for Alternative Contracting Methods

The following definitions must apply to Rules PPS- 49-0600 to ~~PPS-49-0690~~, unless the context requires otherwise:

- (1) **"Affiliate"** has the meaning set forth in ORS 279C.332(1).
- (2) **"Alternative Contracting Methods"** mean innovative techniques for procuring or performing Public Improvement Contracts, utilizing processes other than the traditional methods involved in the design-bid-build construction contracting method (with Award of a Public Improvement Contract based solely on price, in which a final design is issued with formal Bid Documents, construction services are obtained by sealed Bid awarded to the Responsible Bidder submitting the lowest Responsive Bid, and the project is built in accordance with those Documents). In industry practice, such methods commonly include variations of Design-Build contracting, CM/GC forms of contracting, and ESPCs, which are specifically addressed in these PPS- 49-0600 to ~~PPS-49-0690~~ Rules. These methods also include other developing techniques which include but are not limited to general "performance contracting," "cost-plus-time " contracting, (as more particularly described in ORS 279C.332(3)(b)(D)(iii)(I) and ~~"qualifications plus project approach"~~ contracting (as more particularly described in ORS 279C.332(3)(b)(D)(iii)(II)). Procedural requirements for these methods are identified in these PPS- 49-0600 to ~~PPS-49-0690~~ rules when the District uses an Alternative Contracting Method in a procurement that requires an exemption from competitive bidding under ORS 279C.335(2) or in an ESPC procurement that is excepted from competitive bidding under ORS 279.335(1).
- (3) **"Construction Manager/General Contractor"** (or **"CM/GC"**) has the meaning set forth in ORS 279C.332(2).
- (4) **"Construction Manager/General Contractor Method"** (or **"CM/GC Method"**) means the Alternative Contracting Method which involves a District's selection of a CM/GC to perform CM/GC Services for a project or projects.
- (5) **"Construction Manager/General Contractor Services"** (or **"CM/GC Services"**) has the meaning set forth in ORS 279C.332(3).
- (6) **"Design-Build"** means a form of Procurement that results in a Public Improvement Contract in which the construction Contractor also provides or obtains specified design services, participates on the Project team with the District, and manages both design and construction. In this form of Contract, a single Person provides the District with all of the Personal Services and construction Work necessary to both design and construct the Project.
- (7) **"Early Work"** means construction services, construction materials and other Work authorized by the parties to be performed under the CM/GC Contract in advance of the establishment of the GMP, fixed price or other maximum, not-to-exceed price for the project. Permissible Early Work shall be limited to early procurement of materials and supplies, early release of bid or proposal packages for site development and related activities, and any other advance Work related to important components of the project for which performance prior to establishment of the GMP will materially and positively affect the development or completion of the project.
- (8) **"Energy Conservation Measures" ("ECMs")** (also known as **"Energy Efficiency Measures"**) means, as used in ESPC Procurement, any equipment, fixture, or furnishing to be added to or used in an existing building or structure, and any repair, alteration, or improvement to an existing building or structure that is designed to reduce energy consumption and related costs, including those costs related to electrical energy, thermal energy, water consumption, waste disposal, and future Contract-labor costs and materials costs associated with maintenance of the building or structure. For purposes of these PPS- 49-0600 to

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

~~PPS-49-0690~~ Rules, use of either or both of the terms "building" or "structure" must be deemed to include existing energy, water, and waste disposal systems connected or related to or otherwise used for the building or structure when such system(s) are included in the Project, either as part of the Project together with the building or structure, or when such system(s) are the focus of the Project. Maintenance services are not Energy Conservation Measures for purposes of these ~~PPS-49-0600~~ to ~~PPS-49-0690~~ Rules.

(9) "Energy Savings Guarantee" means the energy savings and performance guarantee provided by the ESCO under an ESPC Procurement, which guarantees to the District that certain energy savings and performance will be achieved for the Project covered by the RFP through the installation and implementation of the agreed-upon ECMs for the Project. The Energy Savings Guarantee must include, but must not be limited to, the specific energy savings and performance levels and amounts that will be guaranteed, provisions related to the financial remedies available to the District in the event the guaranteed savings and performance are not achieved, the specific conditions under which the ESCO will guarantee energy savings and performance (including the specific responsibilities of the District after final completion of the design and construction phase), and the term of the energy savings and performance guarantee.

(10) "Energy Savings Performance Contract" ("ESPC") means a Public Improvement Contract between the District and a Qualified Energy Service Company for the identification, evaluation, recommendation, design, and construction of Energy Conservation Measures, including a Design-Build Contract, that guarantee energy savings or performance.

(11) "General Conditions Work" ("GC Work") means a general grouping of project Work required to support construction operations on the project that is not separately invoiced or subcontracted by the Contractor or included within the Contractor's overhead or fee.

(12) "Guaranteed Maximum Price" ("GMP") has the meaning set forth in ORS 279C.332(4), pertaining to procurements for CM/GC Services. For Alternative Contracting Methods other than the CM/GC Method, "Guaranteed Maximum Price" or "GMP" means the total maximum price provided to the District by the Contractor, and accepted by the District, that includes all reimbursable costs of and fees for completion of the Contract Work, and any particularly identified contingency amounts as defined by the Public Improvement Contract.

(13) "Measurement and Verification" ("M & V") means, as used in ESPC Procurement, the examination of installed ECMs using the International Performance Measurement and Verification Protocol ("IPMVP"), or any other comparable protocol or process, to monitor and verify the operation of energy-using systems pre-installation and post-installation.

(14) "Project Development Plan" means a secondary phase of Services performed by an ESCO in an ESPC Procurement when the ESCO performs more extensive design of the agreed-upon ECMs for the Project, provides the detailed provisions of the ESCO's Energy Savings Guarantee that the fully installed and commissioned ECMs will achieve a particular energy savings level for the building or structure, and prepares an overall report or plan summarizing the ESCO's services during this secondary phase of the Work and otherwise explaining how the agreed-upon ECMs will be implemented during the design and construction phase of the Work. The term "Project Development Plan" can also refer to the report or plan provided by the ESCO at the conclusion of this phase of the Work.

(15) "Qualified Energy Service Company" ("ESCO") means, as used in ESPC Procurement, a company, firm, or other legal Person with the following characteristics: demonstrated technical, operational, financial, and managerial capabilities to design, install, construct, commission, manage, measure and verify, and otherwise implement Energy Conservation Measures and other Work on building systems or building components that are directly related to the ECMs in existing buildings and structures; a prior record of successfully performing ESPCs on projects involving existing buildings and structures that are comparable

Other Than Personal Services

to the Project under consideration by the District; and the financial strength to effectively guarantee energy savings and performance under the ESPC for the Project in question, or the ability to secure necessary financial measures to effectively guarantee energy savings under an ESPC for that Project.

(16) "Savings" has the meaning set forth in ORS 279C.337(4), pertaining to CM/GC Services procurements. For other Alternative Contracting Methods, **"Savings"** means a positive difference between a Guaranteed Maximum Price or other maximum not-to-exceed price set forth in a Public Improvement Contract and the actual cost of the Contractor's performance of the Contract Work payable by the District under the terms of the Contract, including costs for which the District reimburses a Contractor and fees, profits or other payments the Contractor earns.

(17) "Technical Energy Audit," as used in ESPC Procurement means the initial phase of Services to be performed by an ESCO that includes a detailed evaluation of an existing building or structure, an evaluation of the potential ECMs that could be effectively utilized at the facility, and preparation of a report to the District of the ESCO's Findings during this initial phase of the Work. The term "Technical Energy Audit" can also refer to the report provided by the ESCO at the conclusion of this phase of the Work.

PPS- 49-0620 Use of Alternative Contracting Methods

(1) Competitive Bidding Exemptions. ORS 279C requires a Competitive Bidding process for Public Improvement Contracts unless a statutory exception applies, a class of Contracts has been exempted from the competitive bidding process, or an individual Contract has been exempted from the competitive bidding process in accordance with ORS 279C.335 and any applicable District Rules. Use of Alternative Contracting Methods may be directed by the District if that use is within the competitive bidding process if feasible, or through an available statutory exception to the competitive bidding process. Use of Alternative Contracting Methods must be directed through the District's Local Contract Review Board, however, when use of the Alternative Contracting Method requires an exemption to the prescribed competitive bidding requirement of ORS 279C.335. In any of these circumstances, use of Alternative Contracting Methods must be justified in accordance with any applicable Code and District requirements and, if require, these PPS 049-0600 to ~~PPS-049-0690~~ Rules. See PPS- 49-0630 regarding required Findings and restrictions on exemptions from the competitive bidding requirements under ORS 279C.335.

(2) Energy Savings Performance Contracts. ESPCs are excepted from the Competitive Bidding requirements for Public Improvement Contracts pursuant to ORS 279C.335(1)(f) if the District complies with the procedures set forth in these PPS- 49-0600 through ~~PPS-49-0690~~ or parallel administrative rules meeting the requirements of ORS 279A.065 related to the solicitation, Rules related to the solicitation, negotiation and contracting for ESPC Work. If those procedures are not followed, an ESPC procurement may still be exempted from competitive bidding requirements by following the general exemption procedures within ORS 279C.335.

(3) Post-Project Evaluation. ORS 279C.355 requires that the District prepare a formal post-Project evaluation of Public Improvement Projects in excess of \$100,000 when the District does not use the competitive bidding process required by ORS 279C.335. The purpose of this evaluation is to determine whether it was actually in the District's best interest to use an Alternative Contracting Method outside the competitive bidding process. The evaluation must be delivered to the Contract Review Board of the District as applicable within 30 Days of the date the District "accepts" the Public Improvement Project, which event is typically defined in the Contract. In the absence of such definition, acceptance of the Project occurs on the later of the date of final payment or the date of final completion of the Contract Work. ORS 279C.355 describes the timing and content of this evaluation, with three required elements:

- (a) Financial information, consisting of Cost Estimates, any GMP changes, and actual costs;

Portland Public Schools Public Contracting Rules
Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

- (b) A narrative description of successes and failures during design, engineering, and construction; and
- (c) An objective assessment of the use of the Alternative Contracting Method as compared to the exemption Findings.

PPS-49-0630 Findings, Notice, and Hearing

(1) Cost Savings and Other Substantial Benefits Factors. When Findings are required under ORS 279C.335 to exempt a Contract or class of Contracts from the Competitive Bidding requirements, the "substantial cost savings" criterion and "other substantial benefits" criteria at ORS 279C.335(2)(b) require consideration of the type, cost, and, to the extent applicable, the other factors set forth in the statute. If a particular factor has no application whatsoever to the particular Public Improvement Contract or class of Public Improvement Contracts, the District Local Contract Review Board does not need to consider that factor, and the District is not required to address the factor, other than to explain why the factor has no application whatsoever to the particular Public Improvement Contract or class of Public Improvement Contracts.

(2) Required Information. The statutory definition of "Findings" at ORS 279C.330 which applies to exemptions from competitive bidding means the justification for the District's conclusion regarding the factors listed in both ORS 279C.335(2)(a) and 279C.335(2)(b) or, in the alternative, both [ORS 279C.335\(2\)\(a\)](#) and [279C.335\(2\)\(c\)](#).

(3) Addressing Cost Savings. Accordingly, when the Contract or class of Contracts under consideration for an exemption contemplates the use of Alternative Contracting Methods, the "substantial cost savings and other substantial benefits" requirement may be addressed by a combination of:

- (a) Specified Findings that address the factors and other information specifically identified by statute, including, but not limited to, an analysis or reasonable forecast of present and future cost savings and other substantial benefits; and
- (b) Additional Findings that address industry practices, surveys, trends, past experiences, evaluations of completed projects required by ORS 279C.355, and related information regarding the expected benefits and drawbacks of particular Alternative Contracting Methods. To the extent practicable, such Findings must relate back to the specific characteristics of the Project or Projects at issue in the exemption request; and
- (c) As an alternative to the "substantial cost savings and other substantial benefits" requirement in ORS 279C.335(2)(b), if an Alternative Contracting Method has not been previously used, the District may make a Finding that identifies the Project as a "pilot Project" under ORS 279C.335(2)(c). Nevertheless, the District must still make the findings required in ORS 279C.335(2)(a).

(4) Favoritism and Competition. The criteria at ORS 279C.335(2)(a) that the exemption "is likely to encourage favoritism" or "substantially diminish competition" may be addressed in contemplating the use of Alternative Contracting Methods by specifying the manner in which an RFP process will be utilized, that the Procurement will be formally advertised with public Notice and disclosure of the planned Alternative Contracting Method, competition will be encouraged, Award will be made based on identified selection criteria, and an opportunity will be given to protest that Award.

(5) Descriptions. Findings supporting a competitive bidding exemption must describe with specificity any Alternative Contracting Method to be used in lieu of competitive bidding, including, but not limited to, whether a one-step (Request for Proposals), two-step (beginning with a Request for Qualification, followed by a Request for Proposals) or other solicitation process will be utilized. The Findings may also describe

anticipated characteristics or features of the resulting Public Improvement Contract. However, the purpose of an exemption from competitive bidding is limited to a determination of the Procurement method. Any unnecessary or incidental descriptions of the specific details of the anticipated Contract within the supporting Findings are not binding upon the District. The parameters of the Public Improvement Contract are those characteristics or specifics that are announced in the Solicitation Document.

(6) Class Exemptions. In making the Findings supporting a class exemption, the District must clearly identify the "class" with respect to its defining characteristics, pursuant to the requirements of ORS 279C.335(3). The class must meet the following requirements:

- (a)** The class cannot be based on a single characteristic or factor, so that an Agency directly or indirectly creates a class whereby the Agency uses, for example, the CM/GC Method for all Agency construction projects or all Agency construction projects over a particular dollar amount, unidentified future Agency construction projects of a particular work category, or all Agency construction projects from a particular funding source such as the sale of bonds; and
- (b)** The class must include a combination of factors, be defined by the Agency through characteristics that reasonably relate to the exemption criteria set forth in ORS 279C.335(2) and must reflect a detailed evaluation of those characteristics so that the class is defined in a limited way that effectively meets the Agency's objectives while allowing for impartial and open competition, and protecting the integrity of the exemption process. An example of a class that might be permitted under the statute is a series of projects, such as a specific group of building renovation projects, that:
 - (iA)** involve renovations for a common purpose;
 - (iiB)** require completion on a related schedule in order to avoid unnecessary disruption of District operations;
 - (iiiC)** share common characteristics, such as historic building considerations, the presence of asbestos or other hazardous substances, or the presence of agency staff during construction;
 - (ivD)** otherwise possess characteristics that meet the requirements of ORS 279C.335(2); and
 - (vE)** otherwise meet the requirements of the Director of the District Local Contract Review Board.

(7) Public Hearing. Before final adoption of Findings exempting a Public Improvement Contract from the requirement of Competitive Bidding, the District shall give Notice and hold a public hearing as required by ORS 279C.335(5). The hearing will be for the purpose of receiving public comment on the District's draft Findings.

PPS- 49-0640 Competitive Proposals; Procedure

The District may utilize the following RFP process for Public Improvement Contracts, allowing flexibility in both Proposal evaluation and Contract negotiation, only in accordance with ORS 279C.330 to 279C.337, ORS 279C.400 through 279C.410 and PPS- 49-0600 through ~~PPS-49-0690~~, unless other applicable statutes control the District's use of Competitive Proposals for Public Improvement Contracts. Also see the Section of Rules in this Division entitled Formal Procurement Rules, PPS- 49-0200 through ~~PPS-49-0450~~, and RFP-related Rules under the Alternative Contracting Methods Section at PPS- 49-0640 through ~~PPS-49-0660~~. For ESPCs, the following RFP process as further specified in PPS- 049-0645, ~~PPS-049-0650~~, ~~PPS-049-0660~~ and ~~PPS-049-0680~~ shall be utilized if the District desires the Procurement process to be exempt from the Competitive Bidding requirements of ORS 279C.335. The RFP process for the Alternative Contracting Methods identified in PPS- 49-0600 through ~~PPS-49-0690~~ includes the following steps:

Portland Public Schools Public Contracting Rules
Division 49  Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(1) Proposal Evaluation. Factors in addition to price may be considered in the selection process, but only as set forth in the RFP. Proposal evaluation must be as objective as possible. Evaluation factors need not be precise predictors of future costs and performance, but to the extent possible such evaluation factors must:

- (a) Be reasonable estimates based on information available to the District;
- (b) Treat all Proposals equitably; and
- (c) Recognize that public policy requires that Public Improvements be constructed at the least overall cost to the District. See ORS 279C.305.

For ESPC Proposal evaluations, the District may provide in the RFP that qualifications-based evaluation factors will outweigh the District's consideration of price-related factors, due to the fact that prices for the major components of the Work to be performed during the ESPC process contemplated by the RFP will likely not be determinable at the time of Proposal evaluation. For CM/GC Services Proposal evaluations, the District must comply with ORS 279C.337.

(2) Evaluation Factors.

- (a) In basic negotiated construction contracting where the only reason for an RFP is to consider factors other than price, those factors may consist of firm and personnel experience on similar projects, adequacy of equipment and physical plant, sources of supply, availability of key personnel, financial capacity, past performance, safety records, project understanding, proposed methods of construction, proposed milestone dates, references, service, and related matters that could affect the cost or quality of the Work.
- (b) In CM/GC contracting, in addition to Section (2)(a) above, those factors may also include the ability to respond to the technical complexity or unique character of the Project, analyze and propose solutions or approaches to complex Project problems, analyze and propose value engineering options, analyze and propose energy efficiency measures or alternative energy options, coordinate multiple disciplines on the project, effectively utilize the time available to commence and complete the improvement, and related matters that could affect the cost or quality of the Work.
- (c) In Design-Build contracting, in addition to Sections (2)(a) and (2)(b) above, those factors may also include design professional qualifications, specialized experience, preliminary design submittals, technical merit, design-builder team experience, and related matters that affect cost or quality.
- (d) In ESPC contracting, in addition to the factors set forth in Sections (2)(a)-(c) above, those factors may also include sample Technical Energy Audits from similar projects, sample M & V reports, financial statements and related information of the ESCO for a time period established in the RFP, financial statements and related information of joint ventures comprising the ESCO, the ESCO's capabilities and experience in performing energy baseline studies for facilities (independently or in cooperation with an independent third-party energy baseline consultant), past performance of the ESCO in meeting energy guarantee contract levels, the specific Person that will provide the Energy Savings Guarantee to be offered by the ESCO, the ESCO's management plan for the Project, information on the specific methods, techniques, and equipment that the ESCO will use in the performance of the Work under the ESPC, the ESCO's team members and consultants to be assigned to the Project, the ESCO's experience in the energy savings performance contracting field, the ESCO's experience acting as the prime contractor on previous ESPC projects (as opposed to a subcontractor or consultant to a prime ESCO), the ESCO's vendor and product neutrality related to the development of ECMs, the ESCO's project

Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

history related to removal from an ESPC project or the inability or unwillingness of the ESCO to complete an ESPC project, the ESCO's M & V capabilities and experience (independently or in cooperation with an independent third-party M & V consultant), the ESCO's ability to explain the unique risks associated with ESPC projects and the assignment of risk in the particular Project between the District and the ESCO, the ESCO's equipment performance guarantee policies and procedures, the ESCO's energy savings and cost savings guarantee policies and procedures, the ESCO's Project cost guarantee policies and procedures, the ESCO's pricing methodologies, the price that the ESCO will charge for the Technical Energy Audit phase of the Work, and the ESCO's fee structure for all phases of the ESPC Project.

(3) Contract Negotiations. Contract terms may be negotiated to the extent allowed by the RFP and PPS-49-0600 through PPS-49-0690, provided that the general Work scope remains the same and that the field of competition does not change as a result of material changes to the requirements stated in the Solicitation Document. See PPS-49-0650. Terms that may be negotiated consist of details of Contract performance; methods of construction, timing, and assignment of risk in specified areas; fee; and other matters that could affect the cost or quality of the Work. For the CM/GC Method, terms that may be negotiated also include the specific scope of pre-construction services, the GC Work, any Early Work and other construction Work to be performed by the CM/GC, and any other terms that the District has identified as being subject to negotiation, consistent with the requirements of OAR 137-049-0690. In ESPC contracting, terms that may be negotiated also include the scope of preliminary design of ECMs to be evaluated by the parties during the Technical Energy Audit phase of the Work, the scope of Services to be performed by the ESCO during the Project Development Plan phase of the Work, the detailed provisions of the Energy Savings Guarantee to be provided by the ESCO, and scope of Work, methodologies, and compensation terms and conditions during the design and construction phase and M & V phase of the Work, consistent with the requirements of PPS-49-0680.

PPS-49-0645 Requests for Qualifications ("RFQ")

As provided by ORS 279C.405(1), the District may utilize RFQs to obtain information useful in the preparation or distribution of an RFP. When using RFQs as the first step in a two-step solicitation process in which distribution of the RFPs will be limited to the firms identified as most qualified through their submitted statements of qualification, the District must first advertise and provide Notice of the RFQ in the same manner in which RFPs are advertised, specifically stating that RFPs will be distributed only to the firms selected in the RFQ process. In such cases, the District must also provide within the RFQ a protest provision substantially in the form of PPS-49-0450(5) regarding protests of the Competitive Range. Thereafter, the District may distribute RFPs to the selected firms without further advertisement of the solicitation.

PPS-49-0650 Requests for Proposals ("RFP")

(1) Generally. The use of Competitive Proposals must be specially authorized for a Public Improvement Contract under the Competitive Bidding exception and exemption requirements of ORS 279C.335, PPS-49-0130, and PPS-49-0600 through PPS-49-0690. Also see ORS 279C.337 and ORS 279C.400 to 279C.410 for statutory requirements regarding Competitive Proposals, and PPS-49-0640 regarding Competitive Proposal procedures.

(2) Solicitation Documents. In addition to the Solicitation Document requirements of PPS-49-0200, this Rule applies to the requirements for RFPs. RFP Solicitation Documents must conform to the following standards:

- (a)** The District must set forth selection criteria in the Solicitation Document. Examples of evaluation criteria include price or cost, quality of a product or service, past performance,

Portland Public Schools Public Contracting Rules
Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

management, capability, personnel qualification, prior experience, compatibility, reliability, operating efficiency, expansion potential, experience of key personnel, adequacy of equipment or physical plant, financial wherewithal, sources of supply, references, and warranty provisions. See PPS- 49-0640 regarding proposal evaluation and evaluation factors. Evaluation factors need not be precise predictors of actual future costs and performance, but to the extent possible, such factors must be reasonable estimates based on information available to the District. Subject to ORS 279(C).410(4), the Solicitation Document may provide for discussions with Proposers to be conducted for the purpose of Proposal evaluation prior to Award or prior to establishing any Competitive Range;

- (b) When the District is willing to negotiate terms and conditions of the Contract or allow submission of revised Proposals following discussions, the District must identify the specific terms and conditions in or provisions of the Solicitation Document that are subject to negotiation or discussion and authorize Offerors to propose certain alternative terms and conditions in lieu of the terms and conditions the District has identified as authorized for negotiation. The District shall describe the evaluation, discussion, and negotiation process, including how the District will establish the Competitive Range, if any;
- (c) The anticipated size of any Competitive Range must be stated in the Solicitation Document but may be decreased if the number of Proposers that submit Responsive Proposals is less than the specified number, or may be decreased as provided in PPS- 49-0650(4)(a).
- (d) When the District intends to Award Contracts to more than one Proposer, the District shall identify in the Solicitation Document the manner in which it will determine the number of Contracts it will Award. The District must also include the criteria it will use to determine how the District will endeavor to achieve optimal value, utility, and substantial fairness when selecting a particular Contractor to provide Goods and Services from those Contractors Awarded Contracts.

(3) Evaluation of Proposals.

- (a) Evaluation. The District must evaluate Proposals only in accordance with criteria set forth in the RFP and applicable law. The District must evaluate Proposals to determine the Responsible Proposer or Proposers submitting the best Responsive Proposal or Proposals.
 - (A) Clarifications. In evaluating Proposals, the District may seek information from a Proposer to clarify the Proposer's Proposal. A Proposer must submit Written and Signed clarifications and such clarifications must become part of the Proposer's Proposal.
 - (B) Limited Negotiation. If the District did not permit negotiation in its Request for Proposals, the District may, nonetheless, negotiate with the highest-ranked Proposer, but may then only negotiate the:
 - (i) Statement of Work; and
 - (ii) Contract Price as it is affected by negotiating the statement of Work.The process for discussions or negotiations that is outlined and explained in Sections (5)(b) and (6) of this Rule does not apply to this limited negotiation.
- (b) Discussions; Negotiations. If the District permitted discussions or negotiations in the Request for Proposals, the District must evaluate Proposals and establish the Competitive Range, and may then conduct discussions and negotiations in accordance with this Rule.

Portland Public Schools Public Contracting Rules
Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

- (A) If the Solicitation Document provided that discussions or negotiations may occur at the District's discretion, the District may forego discussions and negotiations and evaluate all Proposals in accordance with this Rule.
 - (B) If the District proceeds with discussions or negotiations, the District must establish a negotiation team tailored for the acquisition. The District's team may include legal, technical, auditing, and negotiating personnel.
 - (c) Cancellation. Nothing in this Rule must restrict or prohibit the District from canceling the solicitation at any time.
- (4) Competitive Range; Protest; Award.**
- (a) Determining Competitive Range.
 - (A) If the District does not cancel the solicitation, after the Opening the District will evaluate all Proposals in accordance with the evaluation criteria set forth in the RFP. After evaluation of all Proposals in accordance with the criteria set forth in the RFP, the District will rank the Proposers based on the District's scoring and determine the Competitive Range.
 - (B) The District may increase the number of Proposers in the Competitive Range if the District's evaluation of Proposals establishes a natural break in the scores of Proposers indicating a number of Proposers greater than the initial Competitive Range are closely competitive or have a reasonable chance of being determined the best Proposer after the District's evaluation of revised Proposals submitted in accordance with the process described in this Rule.
 - (b) Protesting Competitive Range. The District must provide Written Notice to all Proposers identifying Proposers in the Competitive Range. A Proposer that is not within the Competitive Range may protest the District's evaluation and determination of the Competitive Range in accordance with PPS- 49-0450.
 - (c) Intent to Award; Discuss or Negotiate. After the protest period provided in accordance with these Rules expires, or after the District has provided a final response to any protest, whichever date is later, the District may either:
 - (A) Provide Written Notice to all Proposers in the Competitive Range of its Intent to Award the Contract to the highest-ranked Proposer in the Competitive Range.
 - (i) An unsuccessful Proposer may protest the District's Intent to Award in accordance with PPS- 49-0450.
 - (ii) After the protest period provided in accordance with PPS- 49-0450 expires, or after the District has provided a final response to any protest, whichever date is later, the District must commence final Contract negotiations with the highest-ranked Proposer in the Competitive Range; or
 - (B) Engage in discussions with Proposers in the Competitive Range and accept revised Proposals from them, and, following such discussions and receipt and evaluation of revised Proposals, conduct negotiations with the Proposers in the Competitive Range.
- (5) Discussions; Revised Proposals.** If the District chooses to enter into discussions with and receive revised Proposals from the Proposers in the Competitive Range, the District must proceed as follows:
- (a) Initiating Discussions. The District must initiate oral or Written discussions with all of the Proposers in the Competitive Range regarding their Proposals with respect to the provisions of

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the RFP that the District identified in the RFP as the subject of discussions. The District may conduct discussions for the following purposes:

- (A) Informing Proposers of deficiencies in their initial Proposals;
 - (B) Notifying Proposers of parts of their Proposals for which the District would like additional information; and
 - (C) Otherwise allowing Proposers to develop revised Proposals that will allow the District to obtain the best Proposal based on the requirements and evaluation criteria set forth in the RFP.
- (b) Conducting Discussions. The District may conduct discussions with each Proposer in the Competitive Range necessary to fulfill the purposes of this ~~Section~~[section](#), but need not conduct the same amount of discussions with each Proposer. The District may terminate discussions with any Proposer in the Competitive Range at any time. The District must, however, offer all Proposers in the Competitive Range the opportunity to discuss their Proposals with the District before the District notifies Proposers of the date and time pursuant to this ~~Section~~[section](#) that revised Proposals will be due.
- (A) In conducting discussions, the District:
 - (i) Must treat all Proposers fairly and must not favor any Proposer over another;
 - (ii) Must not discuss other Proposers' Proposals;
 - (iii) Must not suggest specific revisions that a Proposer should make to its Proposal, and must not otherwise direct the Proposer to make any specific revisions to its Proposal.
 - (B) At any time during the time allowed for discussions, the District may:
 - (i) Continue discussions with a particular Proposer;
 - (ii) Terminate discussions with a particular Proposer and continue discussions with other Proposers in the Competitive Range; or
 - (iii) Conclude discussions with all remaining Proposers in the Competitive Range and provide Notice to the Proposers in the Competitive Range to submit revised Proposals.
 - (c) Revised Proposals. If the District does not cancel the solicitation at the conclusion of the District's discussions with all remaining Proposers in the Competitive Range, the District must give all remaining Proposers in the Competitive Range Notice of the date and time by which they must submit revised Proposals. This Notice constitutes the District's termination of discussions, and Proposers must submit revised Proposals by the date and time set forth in the District's Notice.
 - (A) Upon receipt of the revised Proposals, the District shall evaluate the revised Proposals based on the evaluation criteria set forth in the RFP and rank the revised Proposals based on the District's scoring.
 - (B) The District may conduct discussions with and accept only one revised Proposal from each Proposer in the Competitive Range unless otherwise set forth in the RFP.
 - (d) Intent to Award; Protest. The District must provide Written Notice to all Proposers in the Competitive Range of the District's Intent to Award the Contract. An unsuccessful Proposer may protest the District's Intent to Award in accordance with PPS-49-0450. After the protest period

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

provided in accordance with that Rule expires, or after the District has provided a final response to any protest, whichever date is later, the District must commence final Contract negotiations.

(6) Negotiation.

- (a) Initiating Negotiations. The District may determine to commence negotiations with the highest-ranked Proposer in the Competitive Range following the:
- (A) Initial determination of the Competitive Range; or
 - (B) Conclusion of discussions with all Proposers in the Competitive Range and evaluation of revised Proposals.
- (b) Conducting Negotiations
- (A) Scope: The District may negotiate:
 - (i) The statement of Work;
 - (ii) The Contract Price as it is affected by negotiating the statement of Work; and
 - (iii) Any other terms and conditions reasonably related to those expressly authorized for negotiation in the RFP. Accordingly, Proposers must not submit, and the District must not accept, for negotiation any alternative terms and conditions that are not reasonably related to those expressly authorized for negotiation in the RFP.
 - (c) Continuing Negotiations. If the District terminates negotiations with a Proposer, the District may then commence negotiations with the next highest-scoring Proposer in the Competitive Range, and continue the process described in this Rule until the District has:
 - (A) Determined to Award the Contract to the Proposer with whom it is currently negotiating; or
 - (B) Completed one round of negotiations with all Proposers in the Competitive Range, unless the District provided for more than one round of discussions or negotiations in the Request for Proposals, in which case the District may proceed with any authorized further rounds of negotiations.
- (7) **Terminating Discussions or Negotiations.** At any time during discussions or negotiations conducted in accordance with this Rule, the District may terminate discussions or negotiations with the Proposer with whom it is currently conducting discussions or negotiations if the District reasonably believes that:
- (a) The Proposer is not discussing or negotiating in good faith; or
 - (b) Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.

PPS-49-0660 RFP Pricing Mechanisms

- (1) An RFP may result in a Contract with a lump-sum Contract Price or a fixed Contract Price, as in the case of Competitive Bidding. Alternatively, a Request for Proposals may result in a cost reimbursement Contract with a GMP or some other maximum price specified in the Contract.
- (2) Economic incentives or disincentives may be included to reflect stated District purposes related to time of completion, safety, or other Public Contracting objectives, including but not limited to total least-cost mechanisms such as Life-Cycle Costing.
- (3) A Guaranteed Maximum Price may be used as the pricing mechanism for CM/GC Services Contracts where a total Contract Price is provided in the design phase in order to assist the District in determining

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

whether the Project scope is within the District's budget and allowing for design changes during preliminary design rather than after final design services have been completed.

- (a) If the collaborative process described above in this ~~section~~Section (3) is successful, the Contractor shall propose a final GMP, which may be accepted by the District and included within the Contract.
 - (b) If the collaborative process described above in this ~~section~~Section (3) is not successful and no mutually agreeable resolution on the GMP for the project construction Work can be achieved with the Contractor, then the District must terminate the Contract. The District may then proceed to negotiate a new Contract (and GMP) with the Proposer that was next-ranked in the original selection process, or employ other means for continuing the Project under ORS 279C.
- (4) When Cost Reimbursement Contracts are utilized, regardless of whether a GMP is included, the District must provide for audit controls that will effectively verify rates and ensure that costs are reasonable, allowable, and properly allocated.

PPS- 49-0670 _ Design-Build Contracts

(1) **General.** The Design-Build form of contracting, as defined at PPS- 49-0610(3), has technical complexities that are not readily apparent. The District must use this contracting method only with the assistance of knowledgeable staff or Consultants who are experienced in its use. In order to use the Design-Build process, the District must be able to reasonably anticipate the following types of benefits:

- (a) Obtaining, through a Design-Build team, engineering design, plan preparation, value engineering, construction engineering, construction, quality control, and required documentation as a fully integrated function with a single point of responsibility;
 - (b) Integrating value engineering suggestions into the design phase, as the construction Contractor joins the Project team early with design responsibilities under a team approach, with the potential of reducing Contract changes;
 - (c) Reducing the risk of design flaws, misunderstandings, and conflicts inherent in construction Contractors building from designs in which they have had no opportunity for input, with the potential of reducing Contract claims;
 - (d) Shortening Project time as construction activity (early submittals, mobilization, subcontracting, and advance Work) commences prior to completion of a "Biddable" design, or where a design solution is still required (as in complex or phased Projects); or
 - (e) Obtaining innovative design solutions through the collaboration of the Contractor and design team, which would not otherwise be possible if the Contractor had not yet been selected.
- (2) **Authority.** The District must utilize the Design-Build form of contracting only in accordance with the requirements of these PPS- 49-0600 through PPS- 49-0690 Rules. See particularly PPS- 49-0620 pertaining to Alternative Contracting Methods and PPS- 49-0680 pertaining to ESPCs.
- (3) **Selection.** Design-Build selection criteria may include those factors set forth above in PPS- 49-0640(2)(a), (b), and (c).
- (4) **QBS Inapplicable.** Because the value of construction services predominates the Design-Build form of Contracting, the qualifications-based selection ("QBS") process mandated by ORS 279C.110 for the District in certain circumstances in obtaining certain Consultant services is not applicable.
- (5) **Licensing.** If a Design-Build Contractor is not an Oregon-licensed design professional, the District must require that the Design-Build Contractor disclose in its Written Offer that it is not an Oregon-licensed

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

design professional, and identify the Oregon-licensed design professional(s) who will provide design Services. See ORS 671.030(5) regarding the offer of Architectural Services, and ORS 672.060(11) regarding the offer of Engineering Services that are appurtenant to construction services.

(6) Performance Security. ORS 279C.380(1)(a) provides that for Design-Build Contracts, the surety's obligation on performance bonds, or the Bidder's obligation on cashier's or certified checks accepted in lieu thereof, includes the preparation and completion of design and related professional Services specified in the Contract. This additional obligation, beyond performance of construction services, extends only to the provision of professional Services and related design revisions, corrective Work, and associated costs prior to final completion of the Contract (or for such longer time as may be defined in the Contract). The obligation is not intended to be a substitute for professional liability insurance, and does not include errors and omissions or latent defects coverage.

(7) Contract Requirements. The District must conform their Design-Build contracting practices to the following requirements:

- (a) Design Services.** The level or type of design Services required must be clearly defined within the Procurement documents and Contract, along with a description of the level or type of design Services previously performed for the Project. The Services to be performed must be clearly delineated as either design Specifications or performance standards, and performance measurements must be identified.
- (b) Professional Liability.** The Contract must clearly identify the liability of design professionals with respect to the Design-Build Contractor and the District, as well as requirements for professional liability insurance.
- (c) Risk Allocation.** The Contract must clearly identify the extent to which the District requires an express indemnification from the Design-Build Contractor for any failure to perform, including professional errors and omissions, design warranties, construction operations, and faulty Work claims.
- (d) Warranties.** The Contract must clearly identify any express warranties made to the District regarding characteristics or capabilities of the completed Project (regardless of whether errors occur as the result of improper design, construction, or both), including any warranty that a design will be produced that meets the stated Project performance and budget guidelines.
- (e) Incentives.** The Contract must clearly identify any economic incentives and disincentives, the specific criteria that apply, and their relationship to other financial elements of the Contract.
- (f) Honoraria.** If allowed by the RFP, honoraria or stipends may be provided for early design submittals from qualified finalists during the solicitation process on the basis that the District is benefited from such deliverables.

PPS- 49-0680 Energy Savings Performance Contracts

(1) Generally. These PPS- 49-0600 through PPS- 49-0690 Rules include a limited, efficient method for the District to enter into ESPCs outside the Competitive Bidding requirements of ORS 279C.335 for existing buildings or structures, but not for new construction. If the District chooses not to utilize the ESPC Procurement method provided for by these PPS- 49-0600 through PPS- 49-0690 Rules, the District may still enter into an ESPC by complying with the Competitive Bidding exemption process set forth in ORS 279C.335, or by otherwise complying with the Procurement requirements applicable to any district not subject to all the requirements of ORS 279C.335.

(2) ESPC Contracting Method. The ESPC form of contracting, as defined at PPS- 49-0610(6), has unique technical complexities associated with the determination of what ECMs are feasible for the District,

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

as well as the additional technical complexities associated with a Design-Build Contract. The District must only utilize the ESPC contracting method with the assistance of knowledgeable staff or Consultants who are experienced in its use. In order to utilize the ESPC contracting process, the District must be able to reasonably anticipate one or more of the following types of benefits:

- (a) Obtaining, through an ESCO, the following types of integrated Services: facility profiling, energy baseline studies, ECMs, Technical Energy Audits, project development planning, engineering design, plan preparation, cost estimating, Life-Cycle Costing, construction administration, project management, construction, quality control, operations and maintenance staff training, commissioning Services, M & V Services, and required documentation as a fully integrated function with a single point of responsibility;
- (b) Obtaining, through an ESCO, an Energy Savings Guarantee;
- (c) Integrating the Technical Energy Audit phase and the Project Development Plan phase into the design and construction phase of Work on the Project;
- (d) Reducing the risk of design flaws, misunderstandings, and conflicts inherent in the construction process, through the integration of ESPC Services;
- (e) Obtaining innovative design solutions through the collaboration of the members of the ESCO-integrated ESPC Services team;
- (f) Integrating cost-effective ECMs into an existing building or structure so that the ECMs pay for themselves through savings realized over the useful life of the ECMs;
- (g) Preliminary design, development, implementation, and an Energy Savings Guarantee of ECMs into an existing building or structure through an ESPC as a distinct part of a major remodel of that building or structure that is being performed under a separate remodeling Contract; and
- (h) Satisfying local energy efficiency design criteria or requirements.

(3) **Authority.** The District desiring to pursue an exemption from the Competitive Bidding requirements of ORS 279C.335 (and, if applicable, ORS 351.086) must utilize the ESPC form of contracting only in accordance with the requirements of these PPS- 49-0600 to ~~PPS-49-0690~~ Rules.

(4) **No Findings Required.** The District is only required to comply with the ESPC contracting procedures set forth in PPS- 49-0600 through ~~PPS-49-0690~~ of these Rules in order for the ESPC to be exempt from the Competitive Bidding processes of ORS 279C.335. No Findings are required for an ESPC to be exempt from the Competitive Bidding process for Public Improvement Contracts pursuant to ORS 279C.335, unless the District is subject to the requirements of ORS 279C.335 and chooses not to comply with the ESPC contracting procedures set forth in these PPS- 49-0600 through ~~PPS-49-0690~~ Rules.

(5) **Selection.** ESPC selection criteria may include those factors set forth above in PPS- 49-0640(2)(a), (b), (c), and (d). Since the Energy Savings Guarantee is such a fundamental component in the ESPC contracting process, Proposers must disclose in their Proposals the identity of any Person providing (directly or indirectly) any Energy Savings Guarantee that may be offered by the successful ESCO during the course of the performance of the ESPC, along with any financial statements and related information pertaining to any such Person.

(6) **Qualifications Based Selection (QBS).** Because the value of construction services predominates in the ESPC method of contracting, the QBS process mandated by ORS 279C.110 for the District in obtaining certain Consultant Services is not applicable.

(7) **Licensing.** If the ESCO is not an Oregon-licensed design professional, the District must require that the ESCO disclose in the ESPC that it is not an Oregon-licensed design professional, and identify the

Portland Public Schools Public Contracting Rules
Division 49 ~~Public Contracting Rules for Contracts for Goods and/or Services~~
Other Than Personal Services

Oregon-licensed design professional(s) who will provide design Services. See ORS 671.030(5) regarding the offer of Architectural Services, and ORS 672.060(11) regarding the offer of Engineering Services that are appurtenant to construction services.

(8) Performance Security. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the ESCO must provide a performance bond and a payment bond, each for 100% ~~percent~~ of the full Contract Price, including the construction and design and related professional Services specified in the ESPC Design-Build Contract, pursuant to ORS 279C.380(1)(a). For ESPC Design-Build Contracts, these "design and related professional Services" include conventional design Services, commissioning Services, training Services for the District's operations and maintenance staff, and any similar professional Services provided by the ESCO under the ESPC Design-Build Contract prior to final completion of construction. M & V Services, and any Services associated with the ESCO's Energy Savings Guarantee, are not included in these ORS 279C.380(1)(a) "design and related professional Services." Nevertheless, the District may require that the ESCO provide performance security for M & V Services and any Services associated with the ESCO's Energy Savings Guarantee, if the District so provides in the RFP.

(9) Contracting Requirements. The District must conform their ESPC contracting practices to the following requirements:

- (a) General ESPC Contracting Practices.** An ESPC involves a multi-phase Project, which includes the following contractual elements:
 - (A)** A contractual structure which includes general Contract terms describing the relationship of the parties, the various phases of the Work, the contractual terms governing the Technical Energy Audit for the Project, the contractual terms governing the Project Development Plan for the Project, the contractual terms governing the final design and construction of the Project, the contractual terms governing the performance of the M & V Services for the Project, and the detailed provisions of the ESCO's Energy Savings Guarantee for the Project.
 - (B)** The various phases of the ESCO's Work will include the following:
 - (i)** The Technical Energy Audit phase of the Work;
 - (ii)** The Project Development Plan phase of the Work;
 - (iii)** A third phase of the Work that constitutes a Design-Build Contract, during which the ESCO completes any plans and Specifications required to implement the ECMs that have been agreed to by the parties to the ESPC, and the ESCO performs all construction, commissioning, construction administration, and related Services to actually construct the Project; and
 - (iv)** A final phase of the Work whereby the ESCO, independently or in cooperation with an independent Consultant hired by the District, performs M & V Services to ensure that the Energy Savings Guarantee identified by the ESCO in the earlier phases of the Work and agreed to by the parties has actually been achieved.
- (b) Design-Build Contracting Requirements in ESPCs.** At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the District must conform its Design-Build contracting practices to the Design-Build contracting requirements set forth in PPS-49-0670(7).
- (c) Pricing Alternatives.** The District may utilize one of the following pricing alternatives in an ESPC:

Portland Public Schools Public Contracting Rules

Division 49 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (A) A fixed price for each phase of the Services to be provided by the ESCO;
 - (B) A cost-reimbursement pricing mechanism, with a maximum not-to-exceed price or a GMP; or
 - (C) A combination of a fixed fee for certain components of the Services to be performed, a cost-reimbursement pricing mechanism for the construction services to be performed with a GMP, a single or annual fixed fee for M & V Services to be performed for an identified time period after final completion of the construction Work, and a single or annual Energy Savings Guarantee fixed fee payable for an identified time period after final completion of the construction Work that is conditioned on certain energy savings being achieved at the facility by the ECMs that have been implemented by the ESCO during the Project (in the event an annual M & V Services fee and annual Energy Savings Guarantee fee is utilized by the parties, the parties may provide in the Design-Build Contract that, at the sole option of the District, the ESCO's M & V Services may be terminated prior to the completion of the M & V/Energy Savings Guarantee period and the District's future obligation to pay the M & V Services fee and Energy Savings Guarantee fee will likewise be terminated, under terms agreed to by the parties).
- (d) Permitted ESPC Scope of Work. The scope of Work under the ESPC is restricted to implementation and installation of ECMs, as well as other Work on building systems or building components that are directly related to the ECMs, and that, as an integrated unit, will pay for themselves over the useful life of the ECMs installed. The permitted scope of Work for ESPCs resulting from a solicitation under these PPS- 49-0600 through PPS- 49-0690 Rules does not include maintenance services for the Project facility.

PPS- 49-0690 Construction Manager/General Contractor Services ("CM/GC Services")

- (1) **General.** The CM/GC Method is a technically complex project delivery system. The District must use this contracting method only with the assistance of legal counsel with substantial experience and necessary expertise in using the CM/GC Method, as well as knowledgeable staff, consultants, or both staff and consultants who have a demonstrated capability of managing the CM/GC process in the necessary disciplines of engineering, construction scheduling and cost control, accounting, legal, public contracting, and project management. Unlike the Design-Build form of contracting, the CM/GC Method does not contemplate a "single point of responsibility" under which the CM/GC is responsible for successful completion of all Work related to a performance Specification. The CM/GC has defined Contract obligations, including responsibilities as part of the Project team along with the District and design professional, although with the CM/GC Method there is a separate contract between the District and design professional. In order to utilize the CM/GC Method, the District must be able to reasonably anticipate the following types of benefits:
- (a) Time Savings. With the CM/GC Method, the Public Improvement has significant schedule ramifications, such that concurrent design and construction are necessary in order to meet critical deadlines and shorten the overall duration of construction. The District may consider operational and financial data that show significant savings or increased opportunities for generating revenue as a result of early completion, as well as less disruption to public facilities as a result of shortened construction periods;
 - (b) Cost Savings. With the CM/GC Method, early CM/GC input during the design process is expected to contribute to significant cost savings. The District may consider value engineering, building systems analysis, Life-Cycle Costing analysis, and construction planning that lead to cost savings. The District must specify any special factors influencing this analysis, including

Portland Public Schools Public Contracting Rules

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

high rates of inflation, market uncertainty due to material and labor fluctuations or scarcities, and the need for specialized construction expertise due to technical challenges; or

- (c) **Technical Complexity.** With the CM/GC Method, the Public Improvement presents significant technical complexities that are best addressed by a collaborative or team effort between the District, design professionals, any District project management or technical consultants and the CM/GC, in which the CM/GC will assist in addressing specific Project challenges through preconstruction services. The District may consider the need for CM/GC input on issues such as operation of the facility during construction, tenant occupancy, public safety, delivery of an early budget or GMP, financing, historic preservation, difficult remodeling Projects, and Projects requiring complex phasing or highly coordinated scheduling.
- (2) **Authority.** The District must use the CM/GC form of contracting only in accordance with the requirements of these ~~division~~ Division 49 Rules and ORS 279C.337, when a competitive bidding exemption is approved. See particularly PPS- 49-0600 on "Purpose" and PPS- 49-0620 on "Use of Alternative Contracting Methods."
- (3) **Selection.** CM/GC selection criteria may include those factors set forth in PPS- 49-0640(2)(b).
- (4) **Basis for Payment.** The CM/GC process adds specified construction manager Personal Services to traditional design-bid-build general contractor Work, requiring full Contract performance within a negotiated GMP, fixed Contract Price or other maximum Contract Price. For a GMP pricing method, the basis for payment is reimbursable direct costs as defined under the Contract, plus a fee constituting full payment for construction Work and Personal Services rendered, which together must not exceed the GMP. See GMP definition at PPS- 49-0610(7) and pricing mechanisms at PPS- 49-0660.
- (5) **Contract Requirements.** The District shall conform their CM/GC contracting practices to the following requirements:
- (a) **Nature of the Initial CM/GC Services Contract Document.** A solicitation for CM/GC Services is a Procurement for a Public Improvement, since the scope of the Procurement includes not only pre-construction Personal Services to be performed by the CM/GC, but also construction Work that is expected to result in a completed Public Improvement. In the traditional CM/GC Services contracting approach, the text of the resulting CM/GC Services Contract will include comprehensive contract provisions that will not only fully govern the relationship between the District and the CM/GC for the pre-construction Personal Services, but will also include the general contract provisions that will control the CM/GC's providing of the construction Work necessary to complete the project (with any remaining necessary construction-related contract provisions being added through Early Work amendments to the Contract, the GMP amendment to the Contract or, if necessary, a conventional amendment to the Contract). The traditional CM/GC Services contracting approach, however, also contemplates that the District will only authorize the CM/GC to perform the preconstruction Personal Services when the Contract is first executed unless construction Work is specifically included in the initial CM/GC Contract. Under this approach, the construction phase or phases of the CM/GC Services project are not yet authorized and the Contract only becomes a Public Improvement Contract once the parties amend the Contract, through an Early Work or a GMP amendment, to authorize the construction of a portion of the project or the entire project. See also OAR 839-025-0020, regarding the Bureau of Labor and Industries' determination of when a Contract for CM/GC Services becomes a "public works" Contract for purposes of paying prevailing wage rates for construction Work under the CM/GC Contract.

Portland Public Schools Public Contracting Rules
Division 49  Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Setting the GMP, Fixed Contract Price or Other Maximum Contract Price. The GMP fixed Contract price or other maximum Contract Price shall be set at an identified time consistent with industry practice and project conditions and after supporting information reasonably considered necessary to its use has been developed, which will normally take place at the end of the design development phase of the project. The supporting information for the GMP must define both what Personal Services and construction Work are included and excluded from the GMP, fixed Contract price or other maximum Contract Price. A set of project drawings and Specifications must be produced establishing the scope of construction Work contemplated by the GMP fixed Contract price or other maximum Contract Price.
- (c) Adjustments to the GMP Fixed Contract Price or Other Maximum Contract Price. The Contract must clearly identify the standards or factors under which changes or additional construction Work will be considered outside of the scope of Work that warrants an increase in the GMP, fixed Contract price or other maximum Contract Price, as well as criteria for decreasing the GMP, fixed Contract price or other maximum Contract Price shall not be increased without a concomitant increase to the scope of the Work defined at the establishment of the GMP, fixed Contract price or other maximum Contract price or most recent Amendment to the GMP, fixed Contract price or other maximum Contract Price. An increase to the scope of the Work may take the form of conventional additions to the project scope, as well as corrections to the Contract terms and conditions, additions to insurance coverage required by the District and other changes to the Work.
- (d) Cost Savings. The Contract must clearly identify the disposition of any Cost Savings resulting from completion of the Work below the GMP; fixed Contract price or other maximum Contract price, that is, under what circumstances, if any, the CM/GC might share in those Cost Savings, or whether the Cost Savings accrue only to the District's benefit. Unless there is a clearly articulated reason for sharing the Cost Savings set forth in the Contract, the Cost Savings must accrue to the District.
- (e) Cost Reimbursement. The Contract must clearly identify what items or categories of items are eligible for cost reimbursement within the GMP or other maximum Contract Price, including any category of GC Work costs (a general grouping of direct costs that are not separately invoiced, subcontracted, or included within either overhead or fee), and may also incorporate a mutually agreeable cost-reimbursement standard.
- (f) Audit. Cost reimbursements must be made subject to final audit adjustment, and the Contract must establish an audit process to ensure that Contract costs are allowable, properly allocated, and reasonable.
- (g) Fee. Compensation for the CM/GC's Personal Services and construction Work, where the Contract uses a GMP, shall include a fee that is inclusive of profit, overhead, and all other indirect or non-reimbursable costs. Costs determined to be included within the fee shall be expressly defined in the Contract terms and conditions at the time the District selects the GM/GC. The fee, which may be expressed as either a fixed dollar amount or as a proposed percentage of all reimbursable costs, must be identified during and become an element of the selection process. It must subsequently be expressed as a fixed amount for particular construction Work authorized to be performed, when Early Work is added to the Contract through an amendment and when the GMP is established. The CM/GC fee does not include any fee paid to the CM/GC for performing preconstruction services during a separate preconstruction phase.

Portland Public Schools Public Contracting Rules

Division 49 — Public Contracting Rules for Contracts for Goods and/or Services Other Than Personal Services

- (h) Incentives. The Contract must clearly identify any economic incentives, the specific criteria that apply, and their relationship to other financial elements of the Contract (including the GMP, fixed Contract price or other maximum Contract price).
- (i) Controlled Insurance Programs. For Projects where an owner-controlled or contractor-controlled insurance program is permitted under ORS 737.602, the Contract must clearly identify whether an owner-controlled or contractor-controlled insurance program is anticipated or allowable. If so, the Contract must clearly identify (1) anticipated cost savings from reduced premiums, claims reductions, and other factors, (2) the allocation of cost savings, and (3) safety responsibilities, incentives or both safety responsibilities and incentives.
- (j) Early Work. The RFP must clearly identify, whenever feasible, the circumstances under which any Early Work may be authorized and undertaken for compensation prior to establishing the GMP, fixed Contract price, or other maximum Contract Price.
- (k) Subcontractor Selection. Subcontracts under the Contract are not Public Contracts within the meaning of the Code. However, the Contract must include provisions that clearly meet the requirements of ORS 279C.337(3) and other District requirements. Within the scope of ORS 279C.337(3), the CM/GC's subcontractor selection process must meet the following parameters:
 - (A) Absent a written justification prepared by the CM/GC and approved by the District as more particularly provided for in this section, the CM/GC's Subcontractor selection process must be "competitive," meaning that the process should include publicly-advertised subcontractor solicitations and be based on a low-bid competitive method, a low-quote competitive method for contracts in a specified dollar range agreeable to the District, or a method whereby both price and qualifications of the subcontractors are evaluated in a competitive environment, consistent with the RFP and Contract requirements;
 - (B) When the Subcontractor selection process for a particular Work package will not be "competitive" as provided for in this section, the process must meet the following requirements:
 - (i) The CM/GC must prepare and submit a written justification to the District, explaining the project circumstances that support a non-competitive Subcontractor selection process for a particular Work package, including, but not limited to, Emergency circumstances, the CM/GC's need to utilize a key Subcontractor member of the CM/GC's project team consistent with the CM/GC's project proposal, the need to meet other specified Contract requirements, the continuation or expansion of an existing Subcontractor agreement that was awarded through a "competitive process" along with facts supporting the continuation or expansion of the Subcontractor agreement, or a "sole source" justification;
 - (ii) For a "sole source" selection of a subcontractor to proceed, the District must evaluate the written justification provided by the CM/GC and must find that critical project efficiencies require utilization of labor, services or materials from one subcontractor; that technical compatibility issues on the project require labor, services or materials from one subcontractor; that particular labor, services or materials are needed as part of an experimental or pilot project or as part of an experimental or pilot aspect of the project; or that other project circumstances exist to support the conclusion that the labor, services or materials are available from only one subcontractor;

Portland Public Schools Public Contracting Rules

Division 49 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (iii) The CM/GC must provide an independent cost estimate for the Work package that will be subject to the non-competitive process, if required by the District;
 - (iv) The CM/GC must fully respond to any questions or comments submitted to the CM/GC by the District; and
 - (v) The District must approve the CM/GC's use of the non-competitive Subcontractor selection process prior to the CM/GC's pursuit of the non-competitive process.
- (C) A competitive selection process may be preceded by a publicly advertised sub-contractor pre-qualification process, with only those subcontractors meeting the pre-qualification requirements being invited to participate in the later competitive process through which the CM/GC will select the subcontractor to perform the construction Work described in the selection process;
- (D) If the CM/GC or an Affiliate or subsidiary of the CM/GC will be included in the subcontractor selection process to perform particular construction Work on the project, the CM/GC must disclose that fact in the selection process documents and announcements. The Contract must also identify the conditions, processes and procedures the CM/GC will utilize in that competitive process in order to make the process impartial, competitive and fair, including but not limited to objective, independent review and opening of bids or proposals for the elements of Work involved, by a representative of the District or another independent third party.
- (I) Subcontractor Approvals and Protests. The Contract must clearly establish whether the District must approve subcontract Awards, and to what extent, if any, the District will resolve or be involved in the resolution of protests of the CM/GC's selection of subcontractors and suppliers. The procedures and reporting mechanisms related to the resolution of subcontractor and supplier protests shall be established in the Contract with certainty, including the CM/GC's roles and responsibilities in this process and whether the CM/GC's subcontracting records are considered to be public records. In any event, the District must retain the right to monitor the subcontracting process in order to protect the District's interests and to confirm the CM/GC's compliance with the Contract and with applicable statutes, administrative rules and other legal requirements.
- (m) CM/GC Self-Performance or Performance by CM/GC Affiliates or Subsidiaries Without Competition. Consistent with the requirements of ORS 279C.337(3)(c), the Contract must establish the conditions under which the CM/GC or an Affiliate or subsidiary of the CM/GC may perform elements of the construction Work without competition from subcontractors, including, for example, job-site GC Work. Other than for GC Work, in order for the CM/GC or an Affiliate or subsidiary of the CM/GC to perform elements of the construction Work without competition from subcontractors, the CM/GC must provide, or must have included in the CM/GC's RFP proposal to perform CM/GC Services for the project, a detailed proposal for performance of the Work by the CM/GC or an Affiliate or subsidiary of the CM/GC. If required by the District, the CM/GC's proposal to perform the construction Work must be supported by at least one independent cost estimate prior to the Work being included in the Contract.
- (n) Unsuccessful Subcontractor Briefing. ORS 279C.337(3)(e) is designed to allow a subcontractor who was not selected by the CM/GC to perform a particular element of the construction Work to obtain specific information from the CM/GC, and meet with the CM/GC to discuss the subcontractor qualification and selection process involved and the CM/GC's subcontractor selection decisions, in order to better understand why the subcontractor was not successful in being selected to perform the particular element of the Work and to improve the subcontractor's substantive qualifications or the subcontractor's methods in competing for elements of the Work

Portland Public Schools Public Contracting Rules

Division 49 — Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

for the particular project involved, or for future projects. The briefing meetings may be held with individual subcontractors or, if the subcontractors agree, in groups of subcontractors, with those groups established by bid package or other designation agreed to by the contracting agency and the CM/GC. Nevertheless, the CM/GC is not obligated to provide this briefing opportunity unless the CM/GC receives a written request from a subcontractor to discuss the subcontractor qualification and selection process involved. Unless the District and the CM/GC agree on a different schedule, the CM/GC Contract should include provisions:

- (A) Allowing a subcontractor 60 days from the CM/GC's notice of award of a subcontract for a particular Work package to request, in writing, a post-selection meeting with the CM/GC under this section; and
 - (B) Requiring the CM/GC to set a meeting with the subcontractor under this section within 45 days of the subcontractor's written request.
- (o) **Performance and Payment Bonds.** Provided no construction Work is included with the preconstruction services to be performed under the initial form of the CM/GC Contract, no performance bond or payment bond is required to be provided by the CM/GC at the time of Contract signing, consistent with ORS 279C.380. Once construction Work is included in the Contract and authorized by the District to be performed by the CM/GC, however, the CM/GC must provide a performance bond and payment bond in the full amount of any Early Work to be performed by the CM/GC, or the full amount of the GMP, fixed price or other maximum contract price, as applicable. Furthermore, in the event additional Early Work is added to the CM/GC Contract after the initial Early Work or in the event an amendment to the CM/GC Contract is made so that the GMP, fixed price or other maximum contract price must be increased, the performance bond and the payment bond must be increased in an amount equal to the additional Early Work or the increased GMP, fixed price or other maximum contract price.
- (p) **Independent Review of CM/GC Performance; Conflicts of Interest.** If the District requires independent review, monitoring, inspection or other oversight of a CM/GC's performance of pre-construction Personal Services, construction Work or both pre-construction Personal Services and construction Work, the District must obtain those independent review services from a Contractor independent of the CM/GC, the CM/GC's Affiliates and the CM/GC's Subcontractors, pursuant to the requirements of ORS 279C.307. However, ORS 279C.307 does not prohibit the following:
- (A) The CM/GC's performance of both pre-construction Personal Services and construction Work that are included within the definition of CM/GC Services, consistent with ORS 279C.307(2); or
 - (B) The CM/GC's performance of internal quality control services, quality assurance services or other internal peer review of CM/GC work product that is intended to confirm the CM/GC's performance of the CM/GC Contract according to its terms.
- (q) **Socio-Economic Programs.** The Contract must clearly identify conditions relating to any required socio-economic programs (such as Affirmative Action or Prison Inmate Labor Programs), including the manner in which such programs affect the CM/GC's subcontracting requirements, the enforcement mechanisms available, and the respective responsibilities of the CM/GC and the District.

CONTRACT PROVISIONS

PPS- 49-0800 Required Contract Clauses

Except as provided by PPS- 49-0150 and ~~PPS~~-49-0160, the District must include in all Solicitation Documents for Public Improvement Contracts all of the ORS 279C-required Contract clauses, as set forth in the checklist contained in PPS- 49-0200(1)(c) regarding Solicitation Documents. The following series of Rules provides further guidance regarding particular Public Contract provisions.

PPS- 49-0810 Waiver of Delay Damages ~~against~~Against Public Policy

The District must not place any provision in a Public Improvement Contract purporting to waive, release, or extinguish the rights of a Contractor to damages resulting from the District's unreasonable delay in performing the Contract. However, Contract provisions requiring Notice of delay, providing for alternative dispute resolution such as arbitration (where allowable) or mediation, providing other procedures for settling Contract disputes, or providing for reasonable liquidated damages are permissible.

PPS- 49-0815 BOLI Public Works Bond

Pursuant to ORS 279C.830(2), the Specifications for every Public Works Contract shall contain a provision stating that the Contractor and every subcontractor must have a Public Works bond filed with the Construction Contractors Board before starting Work on the Project, unless otherwise exempt. This bond is in addition to performance bond and payment bond requirements. See BOLI rule at OAR 839-025-0015.

PPS- 49-0820 Retainage

(1) Withholding of Retainage. The District will not retain an amount in excess of ~~5%~~ percent of the Contract Price for Work completed. If the Contractor has performed at least ~~50%~~ percent of the Contract Work and is progressing satisfactorily, upon the Contractor's submission of Written application containing the surety's Written approval, the District may, in its discretion, reduce or eliminate Retainage on any remaining progress payments. The District must respond in Writing to all such applications within a reasonable time. When the Contract Work is ~~97½%~~ percent completed, the District may, at its discretion and without application by the Contractor, reduce the retained amount to ~~100%~~ percent of the value of the remaining unperformed Contract Work. The District may at any time reinstate Retainage. Retainage must be included in the final payment of the Contract Price.

(2) Form of Retainage. Unless the District finds in Writing that accepting a bond or instrument described in Section (2)(a) or (2)(b) of this Rule poses an extraordinary risk that is not typically associated with the bond or instrument, the District, in lieu of withholding moneys from payment, shall accept from a Contractor:

- (a)** Bonds, securities, or other instruments that are deposited and accepted as provided in Section (4)(a) of this Rule; or
- (b)** A surety bond deposited as provided in Section (4)(b) of this Rule.

(3) Deposit in Interest-Bearing Accounts. Upon request of the Contractor, the District must deposit cash Retainage in an interest-bearing account in a bank, savings bank, trust company, or savings association, for the benefit of the District. Earnings on such account must accrue to the Contractor. The District must establish the account through the State Treasurer.

(4) Alternatives to Cash Retainage. In lieu of cash Retainage to be held by the District, the Contractor may substitute one of the following:

- (a)** Deposit of bonds, securities, or other instruments.

Portland Public Schools Public Contracting Rules

Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (A) The Contractor may deposit bonds, securities, or other instruments with the District or in any bank or trust company to be held for the benefit of the District. If the District accepts the deposit, the District must reduce the cash Retainage by an amount equal to the value of the bonds and securities, and reimburse the excess to the Contractor.
- (B) Bonds, securities, or other instruments deposited or acquired in lieu of cash Retainage must be of a character approved by the District, including, but not limited to:
- (i) Bills, certificates, notes, or bonds of the United States.
 - (ii) Other obligations of the United States or agencies of the United States.
 - (iii) Obligations of a corporation wholly owned by the federal government.
 - (iv) Indebtedness of the Federal National Mortgage Association.
 - (v) General obligation bonds of the State of Oregon or a political subdivision of the State of Oregon.
 - (vi) Irrevocable letters of credit issued by an insured institution, as defined in ORS 706.008.
- (C) Upon the District's determination that all requirements for the protection of the District's interests have been fulfilled, it must release to the Contractor all bonds and securities deposited in lieu of Retainage.
- (b) Deposit of Surety Bond. The District, at its discretion, may allow the Contractor to deposit a surety bond in a form acceptable to the District in lieu of all or a portion of funds retained or to be retained. A Contractor depositing such a bond must accept surety bonds from its subcontractors and suppliers in lieu of Retainage. In such cases, Retainage must be reduced by an amount equal to the value of the bond, and the excess must be reimbursed.
- (5) **Recovery of Costs.** The District may recover from the Contractor all costs incurred in the proper handling of Retainage by reduction of the final payment.
- (6) **Additional Retainage When Certified Payroll Statements Not Filed.** Pursuant to ORS 279C.845(7), if a Contractor is required to file certified payroll statements and fails to do so, the District shall retain 25% percent of any amount earned by the Contractor on a Public Works Contract until the Contractor has filed such statements with the District. The District shall pay the Contractor the amount retained under this provision within 14 Days after the Contractor files the certified statements, regardless of whether a subcontractor has filed such statements (but see ORS 279C.845(1) regarding the requirement for both Contractors and subcontractors to file certified statements with the District). See BOLI rule at OAR 839-025-0010.

PPS-49-0830 Contractor Progress Payments

- (1) **Request for Progress Payments.** Each month the Contractor must submit to the District their Written request for a progress payment based on an estimated percentage of Contract completion. At the District's discretion, this request may also include the value of material to be incorporated in the completed Work, which has been delivered to the premises and appropriately stored. The sum of these estimates is referred to as the "value of completed Work." With these estimates as a base, the District will make a progress payment to the Contractor, which must be equal to:
- (a) The value of completed Work;
 - (b) Less those amounts that have been previously paid;

Portland Public Schools Public Contracting Rules
Division 49 ~~=~~ Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) Less other amounts that may be deductible or owing and due to the District for any cause; and
- (d) Less the appropriate amount of Retainage.

(2) Progress Payments Do Not Mean Acceptance of Work. Progress payments must not be construed as an acceptance or approval of any part of the Work, and must not relieve the Contractor of responsibility for defective workmanship or material.

PPS-49-0840 Interest

(1) Prompt Payment Policy. The District must pay promptly all payments due and owing to the Contractor on Contracts for Public Improvements.

(2) Interest on Progress Payments. Late payment interest must begin to accrue on payments due and owing on the earlier of 30 Days after receipt of invoice or 15 Days after District approval of payment (the "Progress Payment Due Date"). The interest rate must equal three times the discount rate on 90-day commercial paper in effect on the Progress Payment Due Date at the Federal Reserve Bank in the Federal Reserve District that includes Oregon, up to a maximum rate of ~~30%~~ percent.

(3) Interest on Final Payment. Final payment on the Contract Price, including Retainage, must be due and owing no later than 30 Days after Contract completion and acceptance of the Work. Late-payment interest on such final payment must thereafter accrue at the rate of ~~1½%~~ percent per month until paid.

(4) Settlement or Judgment Interest. In the event of a dispute as to compensation due a Contractor for Work performed, upon settlement or judgment in favor of the Contractor, interest on the amount of the settlement or judgment must be added to, and not made part of, the settlement or judgment. Such interest, at the discount rate on 90-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District that includes Oregon, must accrue from the later of the Progress Payment Due Date, or 30 Days after the Contractor submitted a claim for payment to the District in Writing or otherwise in accordance with the Contract requirements.

PPS-49-0850 Final Inspection

(1) Notification of Completion; Inspection. The Contractor must notify the District in Writing when the Contractor considers the Contract Work completed. Within 15 Days of receiving the Contractor's Notice, the District will inspect the Project and Project records, and will either accept the Work or notify the Contractor of remaining Work to be performed.

(2) Acknowledgment of Acceptance. When the District finds that all Work required under the Contract has been completed satisfactorily, the District must acknowledge acceptance of the Work in Writing.

PPS-49-0860 Public Works Contracts

(1) Generally. ORS 279C.800 through 279C.870 regulates Public Works Contracts, as defined in ORS 279C.800(6), and requirements for payment of prevailing wage rates. Also see BOLI rules at OAR Chapter 839.

(2) Required Contract Conditions. As detailed in the above statutes and Rules, every Public Works Contract must contain the following provisions:

- (a) District authority to pay certain unpaid claims and charge such amounts to Contractors, as set forth in ORS 279C.515(1).
- (b) Maximum hours of labor and overtime, as set forth in ORS 279C.520(1).
- (c) Employer Notice to employees of hours and Days that employees may be required to Work, as set forth in ORS 279C.520(2).

PPS-49-0870 Specifications; Brand Name Products

- (1) **Generally.** The District's Solicitation Document must not expressly or implicitly require any product by Brand Name or mark, nor must it require the product of any particular manufacturer or seller, except pursuant to an exemption granted under ORS 279C.345(2).
- (2) **Equivalent.** The District may identify products by Brand Names as long as the following language: "approved equal," "or equal," "approved equivalent," or "equivalent," or similar language is included in the Solicitation Document. The District must determine, in its sole discretion, whether an Offeror's alternate product is "equal" or "equivalent."
- (3) **Product Exemption.** The Superintendent is delegated the authority to exempt products from the prohibition in Section (1) of this Rule, pursuant to ORS 279C.345(2), upon any of the following Written Findings:
 - (a) It is unlikely that the exemption will encourage favoritism in the Awarding of Public Improvement Contracts or substantially diminish competition for Public Improvement Contracts;
 - (b) The Specification of a product by Brand Name or mark, or the product of a particular manufacturer or seller, would result in substantial cost savings to the District;
 - (c) There is only one manufacturer or seller of the product of the quality required; or

- (d) Efficient utilization of existing equipment or supplies requires the acquisition of compatible equipment or supplies.

PPS- 49-0880_ Records Maintenance; Right to Audit Records

- (1) **Records Maintenance; Access.** Contractors and subcontractors must maintain all fiscal records relating to Contracts in accordance with generally accepted accounting principles ("GAAP"). In addition, Contractors and subcontractors must maintain all other records necessary to clearly document (i) their performance, and (ii) any claims arising from or relating to their performance under a Public Contract. Contractors and subcontractors must make all records pertaining to their performance and any claims under a Contract (the books, fiscal records, and all other records, hereafter referred to as "Records") accessible to the District at reasonable times and places, whether or not litigation has been filed as to such claims.
- (2) **Inspection and Audit.** The District may, at reasonable times and places, have access to and an opportunity to inspect, examine, copy, and audit the Records of any Person that has submitted cost or pricing data according to the terms of a Contract to the extent that the Records relate to such cost or pricing data. If the Person must provide cost or pricing data under a Contract, the Person must maintain such Records that relate to the cost or pricing data for three years from the date of final payment under the Contract, unless a shorter period is otherwise authorized in Writing.
- (3) **Records Inspection; Contract Audit.** The District and its authorized representatives must be entitled to inspect, examine, copy, and audit any Contractor's or subcontractor's Records, as provided in Section (1) of this Rule. The Contractor and subcontractor must maintain the Records and keep the Records accessible and available at reasonable times and places for a minimum period of three years from the date of final payment under the Contract or subcontract, as applicable, or until the conclusion of any audit, controversy, or litigation arising out of or related to the Contract, whichever date is later, unless a shorter period is otherwise authorized in Writing.

PPS- 49-0890_ District Payment for Unpaid Labor or Supplies

- (1) **Contract Incomplete.** If the Contract is still in force, the District may, in accordance with ORS 279C.515(1), pay a valid claim to the Person furnishing the labor or Services, and charge the amount against payments due or to become due to the Contractor under the Contract. If the District chooses to make such a payment as provided in ORS 279C.515(1), the Contractor and the Contractor's surety must not be relieved from liability for unpaid claims.
- (2) **Contract Completed.** If the Contract has been completed and all funds disbursed to the prime Contractor, all claims must be referred to the Contractor's surety for resolution. The District must not make payments to subcontractors or suppliers for Work already paid for by the District.

- (2) **Termination of Contract by Mutual Agreement for Reasons Other Than Default.**
- (a) **Reasons for termination.** The parties may agree to terminate the Contract or a divisible portion thereof if:

- (B) Circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of the Work.
- (b) Payment. When a Contract, or any divisible portion thereof, is terminated pursuant to this Section (2), the District must pay the Contractor a reasonable amount of compensation for preparatory Work completed, and for costs and expenses arising out of termination. The District must also pay for all Work completed based on the Contract Price. Unless the Work completed is subject to unit or itemized pricing under the Contract, payment must be calculated based on percent of Contract completed. No claim for loss of anticipated profits will be allowed.
- (3) **Public Interest Termination by the District**. The District may include in its Contracts terms detailing the circumstances under which the Contractor must be entitled to compensation as a matter of right in the event the District unilaterally terminates the Contract for any reason considered by the District to be in the public interest.
- (4) **Responsibility for Completed Work**. Termination of the Contract or a divisible portion thereof pursuant to this Rule must not relieve either the Contractor or its surety of liability for claims arising out of the Work performed.
- (5) **Remedies Cumulative**. The District may, at its discretion, avail itself of any or all rights or remedies set forth in these Rules, in the Contract, or available at law or in equity.

PPS- 49-0910 Public Improvement Contract Amendments and Changes to the Work

- (1) **Definitions for Rule**. As used in this Rule with regard to Public Improvement Contracts:
- (a) **"Amendment"** means a Written modification to the terms and conditions of a Public Improvement Contract, other than by Changes to the Work, within the general scope of the original Procurement that requires mutual agreement between the District and the Contractor.
- (b) **"Changes to the Work"** means a mutually agreed-upon Change Order, or a Construction Change Directive or other Written order issued by the District or its authorized representatives to the Contractor requiring a Change in the Work within the general scope of a Public Improvement Contract and issued under its Changes provisions in administering the Contract and, if applicable, adjusting the Contract Price or Contract time for the Changed Work.
- (2) **Change Orders**. Changes to the Work are anticipated in construction and, accordingly, the District shall include Change provisions in all Public Improvement Contracts that detail the scope of the Changes clause, provide pricing mechanisms, authorize the District or its authorized representative(s) to issue Changes to the Work, and provide a procedure for addressing Contractor claims for additional time or compensation. When Changes to the Work are agreed to or issued consistent with the Contract's Changes provisions, they are not considered to be new Procurements, and an exemption from Competitive Bidding is not required for their issuance by the District. Change orders that are approved pursuant to the terms of a construction contract are not subject to the contract Amendment procedures of these rules except as provided in ~~subsection~~Subsection 5 of this ~~Section~~section.
- (3) **Change Order Authority**. The District may establish internal limitations and delegations for authorizing Changes to the Work, including dollar limitations. Dollar limitations on Changes to the Work are not set by these Rules, but such Changes are limited by the above definition of that term.
- (4) **Contract Amendments**. Public Improvement Contract Amendments within the general scope of the original Procurement are not considered to be new Procurements, and an exemption from Competitive

and Personal Services Contracts

(4) The District shall not use PSCs to obtain and pay for the Services of an employee. A PSC may be used only to obtain and pay for the Services of an independent Contractor.

PPS 46-0505 Personal Service Contract Formal Selection Procedures

The District will use a formal selection procedure if the estimate contract amount of personal services contract is greater than \$150,000. All formal RFP and RFQ solicitations must comply with the requirements for Competitive Sealed Proposals contained in ORS 279B.060 and may be solicited, processed, and reviewed through any of the Sealed Proposal Procurement methods set forth in PPS 47-0260 to 47-0263.

PPS 46-0510 PSC Informal Selection Procedures

The District may use an informal selection process to obtain Personal Services when a formal selection process is not required.

(1) The informal selection process must solicit responses/Proposals from at least three qualified Contractors offering the required Services. If three Proposals are not reasonably available, fewer will suffice, but the District shall make a Written record of the effort made to obtain at least three Proposals.

(2) The informal selection process is intended to be competitive. The selection and ranking may be based on criteria including, but not limited to, each Proposer's:

- (a) Particular capability to perform the Services required;
- (b) Experienced staff available to perform the Services required, including each Proposer's recent, current, and projected workloads;
- (c) Performance history;

But distribution must not violate the policy of selecting the most highly qualified Contractor to perform the Services at a fair and reasonable price.

Written confirmation of solicitation attempts and responses with Contractor names and addresses shall be maintained in the District's Procurement File.

PPS 46-0515 Other Approved Solicitation Methods

(1) **Request for Qualifications.** An RFQ may be used to determine that competition does not exist for a particular Service, to establish a list of qualified Contractors for RFPs or for informal solicitations under these Rules, or to establish an FSCP as provided in PPS 46-0520.

- (a) The RFQ must at least describe the particular specialty desired, the qualifications the Contractor must have in order to be considered, and the evaluation factors and their relative importance. The RFQ may require information including, but not limited to, the Contractor's particular capability to perform the required Services; the number of experienced staff available to perform the required Services, including specific qualifications and experience of personnel; a list of similar Services the Contractor has completed with references concerning past performance; and any other information necessary to evaluate Contractor qualifications.

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (b) A qualifications pre-submission meeting (voluntary or mandatory) may be held for all interested Contractors to discuss the proposed Services. The RFQ must include the date, time, and place of the meeting.
 - (c) Unless the RFQ establishes that competition does not exist or that Contracts will be individually negotiated with Contractors in an FSCP, each Contractor qualified under an RFQ will receive a notice (or other materials as appropriate) of any required Services and have an opportunity to submit a Proposal or Price Quote in response to the District's subsequent RFP.
- (2) **Price Agreements.** The District may enter into Price Agreements for Personal Services. Such Price Agreements shall be solicited as otherwise required by these Rules based on the maximum Contract amount.
- (3) **Cooperative Procurement.** The District may contract for Personal Services pursuant to a Cooperative Procurement in compliance with PPS 46-0400 to 46-0480.

PPS 46-0520 Flexible Services Contractor Pool

The Superintendent may establish an FSCP for a particular class of Services where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (1) **Solicitation to Create an FSCP.** An FSCP can be established pursuant to an RFQ, an RFP, Competitive Quotes, or such other method of competitive Procurement as the Superintendent deems to be appropriate given the Services to be procured.
- (a) The Superintendent shall document in the Procurement File the reasons for establishing an FSCP consistent with this Rule. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the Procurement qualifies for use of an FSCP under these Rules.
 - (b) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside the designated class of Contracts to the FSCP.
 - (c) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
 - (d) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
 - (e) The solicitation may set or limit the value of the Work performed by the FSCP.
- (2) **Contracting for Work From an FSCP.**
- (a) Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform individual Projects within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Projects will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the superintendent has offered Work to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer Work out of sequence in the following circumstances:
 - (A) The Contractor that is next on the list declines or is unavailable during the time period needed.

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (B) Contract negotiations with the next-listed Contractor are not successful.
- (C) The Project is for Work that is a continuation of, addition to, or connected with Work previously performed by a Contractor on the list and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work.
- (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability is required. In order to make this determination, the Superintendent shall conduct an informal Procurement pursuant to PPS 46-0510 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (b) An FSCP established under this section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
- (c) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or any Work at all.
- (d) The establishment of an FSCP does not preclude the Superintendent from procuring Work that would otherwise fall within the FSCP class of Work from other Contractors through any other Procurement method authorized under these Rules.
- (e) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, or other capability needed to perform the class of Work.

PPS 46-0525 PSC Selection by Negotiation

The Superintendent may procure Personal Services with Contractors through direct negotiation in any of the following circumstances:

- (1) The Contract Price is not more than \$50,000.
- (2) The Superintendent has established an FSCP pursuant to PPS 46-0520(2) for a particular class of Projects, and the Contractor is on the FSCP list.
- (3) The nature of the Work is not Project-driven but requires an ongoing, long-term relationship of knowledge and trust. Examples of such Work include insurance brokerage/agent of record services, medical services, and audit services.
- (4) The Contractor possesses unique knowledge and/or expertise in a specialized service area, making competition impractical. Such Services can include, but are not limited to, education Services, academic and staff coaching, school sports officiation, and community relations.
- (5) The Contract is for the purpose of supporting the Benson Polytechnic High School Building Construction Class, and all or a portion of the Contract Price is discounted or donated to the District.
- (6) A Contract for which a non-District funding source, e.g., a Grant or a federal, state, or city contract, identifies the Contractor in the funding award or makes a funding award conditioned upon the Service being performed by a specific Contractor. The following must be documented to the Procurement File:
 - (a) The name of the external funding source;
 - (b) The background on how the funding source selected the Contractor(s); and
 - (c) A copy of the funder's document naming the Contractor.

- (7) A Contract where the student, parent, or other third-party participant selects the service provider and the process for selecting qualified Contractors has been approved in advance by the Director of Procurement.
- (8) The Contract is entered into pursuant to an emergency declared by the Superintendent.
- (9) The Contract is for the provision of child care services to District students where the Contractor is paid directly by a non-District funding source (generally parents).
- (10) The Contract is for the provision of tutoring to eligible District students attending private schools as per Title I.
- (11) The Contract is for interim staff or temporary staffing services.
- (12) The Contract is for the provision of therapeutic placement with outside agencies or programs to meet needs identified in a student's Individualized Education Program ("IEP").
- (13) The Contract is for legal services. For the purposes of this section, "legal services" means attorney and paralegal services for transactional work, litigation, investigations, advice, reports, and other services requiring legal advice or work by an attorney, and includes all related costs or fees.

PPS 46-0530 PSC Contract Requirements

District PSCs must contain the mandatory Contract provisions set forth in ORS 279B.020(5), 279B.220, 279B.230, 279B.235(3), and, if the Contract involves lawn or landscape maintenance, ORS 279B.225.

PPS 46-0535 PSC Contract Amendments

- (1) The District may amend any Personal Services Contract if the District, in its sole discretion, determines that the Amendment is within the scope of the Solicitation and that the Amendment would not materially impact the field of competition for the Personal Services described in the final form of the original Procurement document. In making this determination, the District shall consider potential alternative methods of procuring the Services contemplated under the proposed Amendment. An Amendment would not materially impact the field of competition for the Services described in the Solicitation Document if the District reasonably believes that the number of Proposers would not significantly increase if the Procurement document were re-issued to include the additional Services.
- (2) The District may Amend any Contract if the additional Services are required by reason of existing or new laws, rules, regulations, or ordinances of federal, state, or local agencies which affect performance of the Original Contract.
- (3) All Amendments to Contracts must be in Writing, must be Signed by an authorized representative of the Consultant and the District, and must receive all required approvals before the Amendments will be binding on the District.
- (4) A single contract amendment or cumulative amendments may not increase the total Contract Price to greater than 125 percent of the original Contract Price, except in any of the following circumstances:
 - (a) The Superintendent determines that the need for the amendment is caused by unforeseen conditions or circumstances and conducting a new procurement would result in unreasonable additional cost or delay. For the purposes of this section:
 - (A) An "unforeseen condition or circumstance" is one that is discovered after the original contract was solicited and awarded that could not have been reasonably anticipated as part of the original solicitation or contract.
 - (B) "Unreasonable additional cost or delay" means that the cost of conducting a new procurement and/or awarding a new contract is likely to exceed the cost of a contract amendment and/or that the delay caused by conducting a new procurement would cause a

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

break in service, require repetition of earlier work, or cause a delay in completion of the contract that would be detrimental to the District program or service benefiting from the contract.

- (b) The Superintendent determines that the amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original contract. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or that specifically allows for alternates or additional work.)
- (c) The Amendment is presented to the School Board as part of the Board's business consent agenda and the Board approves the Amendment based upon the circumstances of the particular contract. The Superintendent shall set forth the justification for the Amendment in a supplementary staff report enclosed with the Board's consent agenda.

(5) Amendments That Would Cause a Contract to Exceed the Superintendent's Authority. An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS 45-0200 must be approved by the School Board except as provided in PPS 45-0200(7)(b).

PROCUREMENT OF CONTRACTS FUNDED IN WHOLE OR IN PART BY FEDERAL AWARD

PPS 46-0600 General Rule: Federal Law Prevails in Case of Conflict

When a District contract involves federal funds that require compliance with federal statutes or regulations, the federal statutes and regulations govern over any conflicting provisions in these rules or the State of Oregon Public Contracting Code. See ORS 279A.030. Notwithstanding the foregoing, when both state and federal prevailing rates of wage apply to a particular, the District shall require payment not less than the higher of the applicable state or federal prevailing rate of wage. See ORS 279C.830.

PPS 46-0605 Procurements Subject to the Uniform Guidance

Procurement of contracts supported in whole or in part by Federal Award are generally subject to the procurement standards set forth in the Uniform Guidance at 2 CFR 200.317 to 200.326. - (1) The District shall apply the procedures in these rules to avoid acquisition of unnecessary or duplicative items. The District will consolidate or break out procurements when necessary to make a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.
- (2) To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal government, the District is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.
- (3) The District is encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.
- (4) The District will include value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (5) The District will award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.
- (6) The District will maintain records sufficient to detail the history of the particular procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.
- (7) **Time and Material Contracts.**
- (a) The District may use a time and materials type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. For the purposes of this section "time and materials type contract" means a contract whose cost to the District is the sum of:
 - (A) The actual cost of materials; and
 - (B) Direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.
 - (b) All time and materials contract shall include a ceiling price that the contractor exceeds at its own risk.
 - (c) The District will conduct sufficient oversight of a time a time and materials type contract to obtain reasonable assurance that the contractor is using efficient methods and cost controls.

PPS 46-0615 Required Competition

All procurement transactions for contracts supported in whole or in part by federal award must be conducted in a manner providing full and open competition consistent with the standards of this section.

- (1) Contractors that develop or draft specifications, requirements, statements of work, and invitations to bid or requests for proposals must be prohibited from competing for such procurement.
- (2) The District will not unreasonable restrict competition by:
- (a) Imposing unreasonable prequalification requirements;
 - (b) Requirement unnecessary experience and excessive bonding;
 - (c) Allowing or requiring non-competitive pricing practices between firms or affiliated companies;
 - (d) Awarding non-competitive contracts to consultants that are on retaining contracts;
 - (e) Allowing organizational conflicts of interest;
 - (f) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance or other relevant requirements of the procurement; or
 - (g) Taking any arbitrary action in the procurement process.
- (3) The District may not apply any statutory or administratively imposed state or local geographical preferences except where allowed or mandated by applicable federal statutes. Nothing in this section preempts state licensing requirements. In addition, contracts for architectural and engineering services may include geographical location as a selection criterion provided its applications leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (4) A District procurement must:
- (a) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured, but should not be so detailed or restrict that it unduly restricts competition; and
 - (b) Identify all requirements that bidders or proposers must fulfill and all other factors to be used in evaluating bids or proposals.
- (5) The District must ensure that all prequalified lists of persons, firms, or products that are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the District must allow potential bidders to qualify during the solicitation period.

PPS 46-0620 Procurement by Micro-Purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. The current micro-purchase threshold is set at \$10,000, but is periodically adjusted. The most current threshold is set forth at 48 CFR Subpart 2.101 (Definitions). To the extent practicable, the District must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the District considers the price to be reasonable.

PPS 46-0625 Procurement by Small Purchase Procedures

Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold. The Simplified Acquisition threshold is set at \$250,000, but is periodically adjusted. The most current threshold is set forth at 48 CFR Subpart 2.1. If small purchase procedures are used, the District must obtain price or rate quotation from an adequate number of qualified sources.

PPS 46-0630 Procurement by Sealed Bids (Formal Advertising)

Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) supported by a Federal Award must be awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (1) of this section apply.

- (1) In order for sealed bidding to be feasible, the following conditions should be present:
- (a) A complete, adequate, and realistic specification or purchase description is available;
 - (b) Two or more responsible bidders are willing and able to compete effectively for the business; and
 - (c) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.
- (2) If sealed bids are used, the following requirements apply:
- (a) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local, and tribal governments, the invitation for bids must be publicly advertised;
 - (b) The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
 - (c) All bids will be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (d) A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
- (e) Any or all bids may be rejected if there is a sound documented reason.

PPS 46-0635 Procurement by Competitive Proposals

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used for contracts supported by a Federal Award, the following requirements apply:

- (1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (2) Proposals must be solicited from an adequate number of qualified sources;
- (3) The District will establish a written method for conducting technical evaluations of the proposals received and for selecting recipients;
- (4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- (5) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. Notwithstanding ORS 279C.100 to 279C.124 and OAR Division 48, qualifications-based selection can only be used in procurement of A/E professional services.

PPS 46-0640 Procurement by Noncompetitive Proposals

Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only for contracts supported by a Federal Award when one or more of the following circumstances apply:

- (1) The item is available only from a single source;
- (2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
- (3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District; or
- (4) After solicitation of a number of sources, competition is determined inadequate.

PPS 46-0645 Contracting With Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms

- (1) The District must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- (2) Affirmative steps must include:
 - (a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

- (b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- (e) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (f) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (a) through (f) of this section.

PPS 46-0650 Procurement of Recovered Materials

The District and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

PPS 46-0655 Contract Cost and Price

- (1) The District must perform a cost or price analysis in connection with every procurement action supported by a Federal Award in excess of the Simplified Acquisition Threshold including contract modifications. The District must make independent estimates before receiving bids or proposals.
- (2) The District must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.
- (3) Costs or prices based on estimated costs for contracts under the Federal Award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the non-Federal entity under 2 CFR Subpart E—Cost Principles. The District may reference its own cost principles that comply with the Federal cost principles.
- (4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

PPS 46-0660 Federal Awarding Agency or Pass-Through Entity Review

At the request the Federal awarding agency or the pass through entity, the District will make available all relevant procurement documents for review as required by 2 CFR Section 200.324.

PPS 46-0665 Bonding Requirements

For construction or facility improvement contracts or subcontracts supported by a Federal Award exceeding the Simplified Acquisition Threshold, the Federal awarding agency or pass-through entity may accept the

Portland Public Schools Public Contracting Rules
Division 46 – Public Contracting Rules Applicable to All Public Contracts
and Personal Services Contracts

bonding policy and requirements of the District provided that the Federal awarding agency or pass-through entity has made a determination that the Federal interest is adequately protected. If such a determination has not been made, the minimum requirements must be as follows:

- (1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.
- (2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
- (3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

PPS 46-0670 Mandatory Contract Provisions

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the District under a Federal Award must contain provisions covering the following, as applicable.

- (1) Contracts for more than the Simplified Acquisition Threshold (see Subsection 5) must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (2) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (3) **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- (4) **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the

and Personal Services Contracts

compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(5) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(6) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(7) Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as Amended. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(8) Debarment and Suspension (Executive Orders 12549 and 12689). A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(9) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(10) Additional Requirements of the Specific Federal Award. In addition to the requirements of this section, a specific Federal Award may contain other procurement requirements or mandatory contract clauses. The District officer, employee, or agent that is responsible for procurement of a contract subject to a Federal Award shall review the requirements of the specific Federal Award and shall incorporate such requirements into the procurement process or proposed contract.

**PUBLIC CONTRACTING RULES FOR CONTRACTS FOR GOODS AND/OR
SERVICES OTHER THAN PERSONAL SERVICES**

PPS 47-0000 Generally

These Division 47 Rules implement ORS 279B applicable to public Procurements for Goods or Services, or both.

PPS 47-0250 Methods of Source Selection

- (1) Except as permitted in these Rules, the District must Award a Public Contract for Goods or Services, or both, by one of the following sourcing methods:
- (a) Competitive Sealed Bidding (also known as Invitation to Bid or ITB) pursuant to ORS 279B.055 and PPS 47-0255 and 47-0257;
 - (b) Competitive Sealed Proposals (also known as Request for Proposals or RFP) pursuant to ORS 279B.060 and PPS 47-0260 through 47-0263;
 - (c) Small Procurements (\$10,000 or less) pursuant to ORS 279B.065 and PPS 47-0265;
 - (d) Intermediate Procurements (more than \$10,000 to \$150,000) pursuant to ORS 279B.070 and PPS 47-0270;
 - (e) Sole-source Procurement pursuant to ORS 279B.075 and PPS 47-0275;
 - (f) Emergency Procurement pursuant to ORS 279B.080 and PPS 47-0280;
 - (g) Special Procurement pursuant to ORS 279B.085 and PPS 47-0285, including the Class Special Procurements set forth in PPS 47-0288; or
 - (h) Cooperative Procurement pursuant to ORS 279A.200 and PPS 46-0400 through 46-0480.

PPS 47-0252 Procurement of Service Contracts Over \$250,000 in Compliance With ORS 279B.030 Through 279B.036

(1) Unless the District determines that it is not feasible to perform the Services with the District's own personnel and resources pursuant to Section (4) of this Rule, before conducting a Procurement of a Contract for Services with an estimated Contract Price that exceeds \$250,000 the District shall conduct a Written cost analysis in accordance with Section (2) of this Rule. The cost analysis must compare an estimate of the District's cost in performing the Services with an estimate of the cost that a potential Contractor would incur in performing the Services. The District may proceed with the Procurement only if it determines that the District would incur more cost in performing the Services with its own personnel and resources than in procuring the Services from a Contractor. For the purposes of this section, "Contract for Services" does not include:

- (a) Contracts for Personal Services as defined in PPS 46-0500.
- (b) Contracts for Services exempted from compliance with the Public Contracting Code by ORS 197.025 or other state statute.
- (c) Procurements for Client Services as defined in OAR 125-246-0110. "Client Services" means any Services that directly or primarily support a Client, whether or not the Client is the recipient through the provision of voluntary or mandatory Services. Client Services also means any Goods that are incidental or specialized in relation to any Services defined in this section. Client

Services may include, but are not limited to (where these terms are used in another statute, they must have that meaning):

- (A) Housing, including utilities, rent, or mortgage, or assistance to pay utilities, rent, or mortgage;
- (B) Sustenance, including clothing;
- (C) Employment training or skills training to improve employability;
- (D) Services for people with disabilities;
- (E) Foster care or foster care facilities;
- (F) Residential care or residential care facilities;
- (G) Community housing;
- (H) In-home care, including home-delivered meals;
- (I) Medical care, services, and treatment, including, but not limited to:
 - (i) Medical, dental, hospital, psychological, psychiatric, therapy, vision;
 - (ii) Alcohol and drug treatment;
 - (iii) Smoking cessation;
 - (iv) Drugs, prescriptions, and non-prescriptions; or
 - (v) Nursing services and facilities.
- (J) Transportation or relocation;
- (K) Quality of life, living skills training;
- (L) Personal care;
- (M) Legal services and expert witness services;
- (N) Religious practices, traditions, and services, separately or in any combination thereof; and
- (O) Educational services. The term "Client Services" does not include benefits or services provided as a condition of employment with an agency.

(2) In the cost analysis required under Section (1) of this Rule, the District shall consider cost factors that include the following:

- (a) Cost of Using the District's Own Personnel and Resources. When estimating the District's costs of performing the Services, the District will consider cost factors that include:
 - (A) Salary or wage and benefit costs for District employees who are directly involved in performing the Services, including employees who inspect, supervise, or monitor the performance of the Services to the extent those costs reflect the proportion of the activity of those employees in the direct inspection, supervision, or monitoring of the performance of the subject Services.
 - (B) The material costs necessary for the performance of the Services, including costs for the space, energy, transportation, storage, raw and finished materials, equipment, and supplies used or consumed in the provision of the Services.
 - (C) Costs incurred in planning for, training for, starting up, implementing, transporting, and delivering the Services.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (D) Any costs related to stopping and dismantling a Project or operation because the District intends to procure a limited quantity of Services or procure the Services within a defined or limited period of time.
 - (E) The miscellaneous costs related to performing the Services. These costs exclude the District's indirect overhead costs for existing salaries or wages and benefits for administrators, and costs for rent, equipment, utilities, and materials except to the extent that the costs are attributable solely to performing the Services and would not exist unless the District performs the Services.
 - (F) Oregon Laws 2009, Chapter 880, Section 3(1)(a) provides that an estimate of the District's costs of performing the Services includes the costs described in Sections (A) through (E) of this Rule. Therefore, those costs do not constitute an exclusive list of cost information. The District may consider other reliable information that bears on the cost to the District of performing the Services. For example, if the District has accounted for its actual costs for performing the Services under consideration, or reasonably comparable Services in a relatively recent Services Project, the District may consider those actual costs in making its estimate.
- (b) Costs of a Potential Contractor. When estimating a Contractor's costs of performing the Services, the District will consider cost factors that include:
- (A) The average or actual salary or wage and benefit costs for Contractors and employees:
 - (i) Who work in the industry or business most closely involved in performing the Services; and
 - (ii) Who would be necessary and directly involved in performing the Services or who would inspect, supervise, or monitor the performance of the Services;
 - (B) The material costs necessary to the performance of the Services, including costs for space, energy, transportation, storage, raw and finished materials, equipment, and supplies used or consumed in the provision of the Services; and
 - (C) The miscellaneous costs related to performing the Services, including, but not limited to, reasonably foreseeable fluctuations in the costs for the items in Sections (A) through (C) of this Rule.
 - (D) Oregon Laws 2009, Chapter 880, Section 3(1)(a) provides that an estimate of the District's costs of performing the Services includes the costs described in Sections (A) through (E) of this Rule. Therefore, those costs do not constitute an exclusive list of cost information. The District may consider other reliable information that bears on the cost to the District of performing the Services. For example, if the District, in the reasonably near past, received Bids or Proposals for the performance of Services under consideration, or reasonably comparable Services, the District may consider the pricing offered in those Bids or Proposals in making its estimate. Similarly, the District may consider what it actually paid out under a Contract for the same or similar Services.
- (3) **Exceptions.**
- (a) Exception Based on Salaries or Wages and Benefits. If the sole reason that the costs estimated in Section (2)(b) of this Rule are lower than the costs estimated in Section (2)(a) of this Rule is because the average or actual salary or wage and benefit costs for Contractors and employees estimated in Section (2)(b)(A) of this Rule are lower than the salary or wage and benefit costs for

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

employees of the District estimated in Section (2)(a)(A) of this Rule, the District may not proceed with the Procurement.

- (b) Exception Based on Lack of District Personnel and Resources; Reporting. In cases where the District determines that it would incur less cost in providing the Services with the District's own personnel and resources, the District may nevertheless proceed with the Procurement if, at the time the District intends to conduct a Procurement, the District determines that it lacks personnel and resources that are necessary to perform the Services within the time in which the Services are required. If the District conducts a Procurement under this section, the District will:
- (A) Make and keep a Written determination that it lacks personnel and resources to perform the Services within the time the District requires them and the basis for the District's decision to proceed with the Procurement.
 - (B) Provide to the Contract Review Board, each calendar quarter, copies of each Written cost analysis and Written determination.

(4) **Provision of Services by District Not Feasible.** The District may proceed with a Procurement of a Contract for Services without conducting a cost analysis required under Sections (1) and (2) of this Rule if the District makes Written Findings that use of the District's own personnel or resources to perform the Services is not feasible. Reasons include, but are not limited to, the following.

- (a) The District lacks the specialized capabilities, experience, or technical or other expertise necessary to perform the Services. In making the Finding, the District shall compare the District's capability, experience, or expertise in the field most closely involved in performing the Services with a potential Contractor's capability, experience, or expertise in the same or a similar field.
- (b) Special circumstances require the District to procure the Services by Contract. Special circumstances may include, but are not limited to, the following:
 - (A) The terms under which the District receives a Grant or other funds for use in a Procurement require the District to obtain Services through an independent contractor;
 - (B) Other state or federal law requires the District to procure Services through an independent contractor;
 - (C) The Procurement is for Services that are incidental to a Contract for purchasing or leasing real or personal property, including service and maintenance agreements for equipment that is leased or rented;
 - (D) The District cannot accomplish policy, administrative, or legal goals, including, but not limited to, avoiding conflicts of interest or ensuring independent or unbiased Findings in cases when using the District's existing personnel or Persons that the District could hire through a regular or ordinary process would not be suitable;
 - (E) The Procurement is for Emergency Services pursuant to PPS 47-0280;
 - (F) The Procurement is for Services, the need for which is so urgent, temporary, or occasional that attempting to perform the Services with the District's own personnel or resources would cause a delay that would frustrate the purpose for obtaining the Services;
 - (G) The Services that the District intends to procure will be completed within six months after the date on which the Contract for the Services is executed; or
 - (H) Any other circumstances, conditions, or occurrences that would make the Services, if performed by the District's own employees and resources, incapable of being managed,

- (b) District Need to Purchase. The character of the Goods or Services that the District is purchasing including, if applicable, a description of the acquisition, Specifications, delivery or performance schedule, inspection, and acceptance requirements. As required by Oregon Laws 2009, Chapter 880, Section 5, the District's description of its need to purchase must:

 - (B) Outline the anticipated duties of the Contractor under any resulting Contract;
 - (C) Establish the expectations for the Contractor's performance of any resulting Contract; and

- (c) Bidding and Evaluation Process.
 - (A) The anticipated solicitation schedule, deadlines, and protest process;
 - (B) The District must set forth objective evaluation criteria in the Solicitation Document in accordance with the requirements of ORS 279B.055(6)(a). Evaluation criteria need not be precise predictors of actual future costs, but to the extent possible, the evaluation factors shall be reasonable estimates of actual future costs based on information that the District has available concerning future use; and
 - (C) If the District intends to Award Contracts to more than one Bidder pursuant to PPS 47-0600(4)(c), the District must identify in the Solicitation Document the manner in which it will determine the number of Contracts it will Award. This may be left to the District's discretion at the time of the Award, provided it is so described in the Solicitation Document.
- (d) Applicable Preferences Pursuant to ORS 279B.055(6)(b).

Those consequences may include, but are not limited to:

Portland Public Schools Public Contracting Rules

Other Than Personal Services

circumstances that support a Finding that the requirement would unreasonably limit competition or is not in the best interest of the District. The District shall document in the Procurement File the basis for the determination of good cause for specification otherwise. The District will have good cause to specify otherwise under the following circumstances:

- (A) The use or purpose to which the Goods or Services will be put does not justify a requirement that the Contractor meet the highest-prevalent standards in performing the Contract;
- (B) Imposing express technical, standard, dimensional, or mathematical specifications will better ensure that the Goods or Services will be compatible with or will operate efficiently or effectively with components, equipment, parts, Services, or information technology including hardware, Services, or software with which the Goods or Services will be used, integrated, or coordinated;
- (C) The circumstances of the industry or business that provides the Goods or Services are sufficiently volatile in terms of innovation or evolution of products, performance techniques, or scientific developments that a reliable highest-prevalent standard does not exist or has not been developed;
- (D) Any other circumstances in which the District's interest in achieving economy, efficiency, compatibility, or availability in the Procurement of the Goods or Services reasonably outweighs the District's practical need for the highest-prevalent standard in the applicable or closest industry or business that supplies the Goods or Services to be delivered under the resulting Contract.

PPS 47-0257 Competitive Sealed Bidding; Multi-Step Solicitations

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services

 - (D) The criteria to be used in the evaluation of unpriced submittals.
- (b) **Evaluation.** The District shall evaluate unpriced submittals in accordance with the criteria set forth in the Invitation to Bid.
- (6) **Procedure for Phase Two of Multi-Step Sealed Bidding.**
- (a) After the completion of phase one, if the District does not cancel the solicitation, the District shall invite each eligible Bidder to submit a price Bid.

 - (A) As specifically set forth in this Rule or the Invitation to Bid;
 - (B) No public notice need be given of the invitation to submit price Bids because such notice was previously given.

 - (ii) A statement that requires the Contractor or subcontractor to possess an asbestos abatement license if required under ORS 468A.710.
- (b) District Need to Purchase. The character of the Goods or Services the District is purchasing including, if applicable, a description of the acquisition, Specifications, delivery or performance schedule, inspection, and acceptance requirements. As required by ORS 279B.060(2)(c), the District's description of its need to purchase must:

- (c) Proposal and Evaluation Process.
 - (A) The anticipated solicitation schedule, deadlines, protest process, and evaluation process.
 - (B) The District must set forth selection criteria in the Solicitation Document in accordance with the requirements of ORS 279B.060(3)(e), including the relative importance of price and any other evaluation factors used to rate the Proposals in the first tier of competition, and if more than one tier of competitive evaluation may be used, a description of the process under which the Proposals will be evaluated in the subsequent tiers. Evaluation criteria need not be precise predictors of actual future costs and performance, but to the extent possible the criteria shall:
 - (i) Afford the District the ability to compare the Proposals and Proposers, applying the same standards of comparison to all Proposers;
 - (ii) Rationally reflect Proposers' abilities to perform the resulting Contract in compliance with the Contract's requirements; and

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (iii) Permit the District to determine the relative pricing offered by the Proposers, and to reasonably estimate the costs to the District of entering into a Contract based on each Proposal, considering information available to the District and subject to the understanding that the actual Contract costs may vary as a result of the Statement of Work ultimately negotiated or the quantity of Goods or Services for which the District contracts.
 - (C) If the District's solicitation process calls for the District to establish a Competitive Range, the District shall generally describe, in the Solicitation Document, the criteria or parameters that the District will apply to determine the Competitive Range. The District, however, may subsequently determine or adjust the number of Proposers in the Competitive Range in accordance with PPS 47-0261(6).
 - (d) Applicable Preferences, including those described in ORS 279A.120, 279A.125(2), and 282.210.
 - (A) Preference for Oregon Goods and Services, pursuant to ORS 279A.120 and PPS 46-0300 and PPS 46-0310;
 - (B) Preference for Recycled Materials, pursuant to ORS 279A.125 and PPS 46-0320; and
 - (C) Performance within the state of public printing, binding, and stationery Work, pursuant to ORS 282.210.
 - (e) Contractual Terms and Conditions. All contractual terms and conditions the District determines are applicable to the Procurement. The District's determination of contractual terms and conditions that are applicable to the Procurement may take into consideration, as authorized by ORS 279B.060(3), those contractual terms and conditions that the District will not include in the Request for Proposals because the District either will reserve them for negotiation or will request Proposers to offer or suggest those terms or conditions. (See PPS 47-0260(3).)
 - (f) Consequences of Failure to Perform. As required by ORS 279B.060(2)(h), the Contract terms and conditions must specify the consequences of the Contractor's failure to perform the scope of Work or to meet the performance standards established by the resulting Contract. Those consequences may include, but are not limited to:
 - (A) The District's reduction or withholding of payment under the Contract;
 - (B) The District's right to require the Contractor to perform, at the Contractor's expense, any additional Work necessary to perform the scope of Work or to meet the performance standards established by the resulting Contract; and
 - (C) The District's rights, which the District may assert individually or in combination, to declare a default of the resulting Contract, to terminate the resulting Contract, and to seek damages and other relief available under the resulting Contract or applicable law.
 - (g) Whether Proposal security is required.
- (3) The District may include the applicable contractual terms and conditions in the form of Contract provisions or legal concepts to be included in the resulting Contract. Further, the District may specify that it will include or use Proposers' terms and conditions that have been pre-negotiated under PPS 47-550(8), but the District may only include or use a Proposer's pre-negotiated terms and conditions in the resulting Contract to the extent that those terms and conditions do not materially conflict with the applicable Contract terms and conditions. The District shall not agree to any Proposer's terms and conditions that were expressly rejected in a solicitation protest under PPS 47-0730.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(4) For multiple Award Contracts, the District may enter into Contracts with different terms and conditions with each Contractor to the extent those terms and conditions do not materially conflict with the applicable contractual terms and conditions. The District shall not agree to any Proposer's terms and conditions that were expressly rejected in a solicitation protest under PPS 47-0730.

(5) **Good Cause.** For the purposes of this Rule, "good cause" means a reasonable explanation for not requiring the Contractor to meet the highest standards prevalent in the industry or business most closely involved in providing the Goods or Services Under the Contract, and may include an explanation of circumstances that support a Finding that the requirement would unreasonably limit competition or is not in the best interest of the District. The District shall document in the Procurement File the basis for the determination of good cause or for specifying otherwise. The District will have good cause to specify otherwise when the District determines that:

- (a) The use or purpose to which the Goods or Services will be put does not justify a requirement that the Contractor meet the highest-prevalent standards in performing the Contract;
- (b) Imposing express technical, standard, dimensional, or mathematical specifications will better ensure that the Goods or Services will be compatible with, or will operate efficiently or effectively with, associated information technology, hardware, software, components, equipment, parts, or ongoing Services with which the Goods or Services will be used, integrated, or coordinated;
- (c) The circumstances of the industry or business that provides the Goods or Services are sufficiently volatile in terms of innovation or evolution of products, performance techniques, or scientific developments, that a reliable highest-prevalent standard does not exist or has not been developed;
- (d) That other circumstances in which the District's interest in achieving economy, efficiency, compatibility, or availability in the Procurement of the Goods or Services reasonably outweighs the District's practical need for the highest-prevalent standard in the applicable or closest industry or business that supplies the Goods or Services to be delivered under the resulting Contract.

(6) **Optional Proposal Requirements.**

- (a) As provided in the Request for Proposals or in Written Addenda issued thereunder, the District may conduct site tours, demonstrations, individual or group discussions, and other informational activities with Proposers before or after the opening of Proposals for the purpose of clarification to ensure full understanding of, and responsiveness to, the solicitation requirements or to consider and respond to requests for modifications of the Proposal requirements. The District shall use procedures designed to accord Proposers fair and equal treatment with respect to any opportunity for discussion and revision of Proposals.
- (b) For purposes of evaluation, when provided for in the Request for Proposals, the District may employ methods of Contractor selection that include, but are not limited to:
 - (A) An Award or Awards based solely on the ranking of Proposals;
 - (B) Discussions leading to best and final Offers, in which the District may not disclose private discussions leading to best and final Offers;
 - (C) Discussions leading to best and final Offers, in which the District may not disclose information derived from Proposals submitted by competing Proposers;
 - (D) Serial negotiations, beginning with the highest-ranked Proposer;
 - (E) Competitive simultaneous negotiations;

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (F) Multi-Tiered competition designed to identify, at each level, a class of Proposers that fall within a Competitive Range or to otherwise eliminate from consideration a class of lower-ranked Proposers;
 - (G) A Multi-Step Request for Proposals requesting the submission of unpriced technical submittals, and then later issuing a Request for Proposals limited to the Proposers whose technical submittals the District had determined to be qualified under the criteria set forth in the initial Request for Proposals; or
 - (H) Any combination of methods described in this paragraph as authorized or prescribed by these Rules.
- (c) Revisions of Proposals may be permitted after the submission of Proposals and before Award for the purpose of obtaining best Offers or best and final Offers.
 - (d) After the opening of Proposals, the District may issue or electronically post an Addendum to the Request for Proposals that modifies the criteria, rating process, and procedure for any tier of competition before the start of the tier to which the Addendum applies. The District shall send an Addendum that is issued by a method other than electronic posting to all Proposers who are eligible to compete under the Addendum. The District shall issue or post the Addendum at least five Days before the start of the subject tier of competition or as otherwise determined by the District to be adequate to allow eligible Proposers to prepare for the competition in accordance with rules adopted under ORS 279A.065.
- (7) The cancellation of Requests for Proposals and the rejection of Proposals must be in accordance with ORS 279B.100.
- (8) In the Request for Proposals, the District shall describe the methods by which the District will make the results of each tier of competitive evaluation available to the Proposers who competed in the tier. The District shall include a description of the manner in which the Proposers who are eliminated from further competition may protest or otherwise object to the District's decision.
- (9) The District shall issue or electronically post the notice of intent to Award described in ORS 279B.135 to each Proposer who was evaluated in the final competitive tier.
- (10) If a Contract is Awarded, the District shall Award the Contract to the responsible Proposer whose Proposal the District determines in Writing to be the most advantageous to the District based on the evaluation process and evaluation factors described in the Request for Proposals, any applicable preferences described in ORS 279A.120 and 279A.125, and, when applicable, the outcome of any negotiations authorized by the Request for Proposals. Other factors may not be used in the evaluation. When the Request for Proposals specifies or authorizes the Award of multiple Public Contracts, the District shall Award Public Contracts to the responsible Proposers who qualify for the Award of a Contract under the terms of the Request for Proposals.
- (11) The District may issue a request for information, a request for interest, a Request for Qualifications, or other preliminary documents to obtain information useful in the preparation of a Request for Proposals.

PPS 47-0261 Procedures for Competitive Range; Multi-Tiered and Multi-Step Solicitations

- (1) **Generally.** The District may procure Goods and Services employing any combination of the methods of Contractor selection as set forth in PPS 47-0260(3)(b). In addition to the procedures set forth in PPS 47-0300 through 47-0490 for methods of Contractor selection, the District may provide for a Multi-Tiered or Multi-Step selection process that permits Award to the highest-ranked Proposer at any tier or step, calls for the establishment of a Competitive Range, or permits either serial or competitive simultaneous discussions or negotiations with one or more Proposers.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (2) **Methods.** When conducting a Multi-Tiered or Multi-Step selection process, the District may use any combination or series of Proposals, discussions, negotiations, demonstrations, offers, or other means of soliciting information from Proposers that bears on the selection of a Contractor or Contractors. In Multi-Tiered and Multi-Step competitions, the District may use these means of soliciting information from prospective Proposers and Proposers in any sequence or order, and at any stage of the selection process, as determined in the discretion of the District.
- (3) **District May Elect to Award Contract Prior to Completion of Stages.** When the District's Request for Proposals prescribes a Multi-Tiered or Multi-Step Contractor selection process, the District nevertheless may, at the completion of any stage in the competition and on determining the most advantageous Proposer (or, in multiple Award situations, on determining the Awardees of the Public Contracts), Award a Contract (or Contracts) and conclude the Procurement without proceeding to subsequent stages. The District also may, at any time, cancel the Procurement under ORS 279B.100.
- (4) **Exclusion Protest.** The District may provide, before the notice of an intent to Award, an opportunity for a Proposer to protest exclusion from the Competitive Range or from subsequent phases of Multi-Tiered or Multi-Step sealed Proposals as set forth in PPS 47-0720.
- (5) **Award Protest.** The District shall provide an opportunity to protest its Intent to Award a Contract pursuant to ORS 279B.410 and PPS 47-0740. An Affected Offeror may protest, for any of the bases set forth in PPS 47-0720(2), its exclusion from the Competitive Range or from any phase of a Multi-Tiered or Multi-Step Sealed Proposal process, or may protest an Addendum issued following initial Closing, if the District did not previously provide Proposers the opportunity to protest the exclusion or Addendum. The failure to protest shall be considered the Proposer's failure to pursue an administrative remedy made available to the Proposer by the District.
- (6) **Competitive Range.** When the District's solicitation process conducted under ORS 279B.060(8) calls for the District to establish a Competitive Range at any stage in the Procurement process, the District may do so as follows:
- (a) Determining Competitive Range.
 - (A) The District may establish a Competitive Range after evaluating all Responsive Proposals in accordance with the evaluation criteria in the Request for Proposals. After evaluation of all Proposals in accordance with the criteria in the Request for Proposals, the District may determine and rank the Proposers in the Competitive Range. Notwithstanding the foregoing, however, in instances in which the District determines that a single Proposer has a reasonable chance of being determined the most advantageous Proposer, the District need not determine or rank Proposers in the Competitive Range. In addition, notwithstanding the foregoing, the District may establish a Competitive Range of all Proposers to enter into discussions to correct deficiencies in Proposals.
 - (B) The District may establish the number of Proposers in the Competitive Range in light of whether the District's evaluation of Proposals identifies a number of Proposers who have a reasonable chance of being determined the most advantageous Proposer, or whether the evaluation establishes a natural break in the scores of Proposers that indicates that a particular number of Proposers are closely competitive or have a reasonable chance of being determined the most advantageous Proposer.
 - (b) Protesting Competitive Range. The District must provide Written notice to all Proposers identifying Proposers in the Competitive Range. The District may provide an opportunity for Proposers excluded from the Competitive Range to protest the District's evaluation and determination of the Competitive Range in accordance with PPS 47-0720.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (7) **Discussions.** The District may initiate oral or Written discussions with all "eligible Proposers" on subject matter within the general scope of the Request for Proposals. In conducting discussions, the District:
- (a) Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;
 - (b) May disclose other eligible Proposers' Proposals or discussions only in accordance with ORS 279B.060(8)(b) or (c);
 - (c) May adjust the evaluation of a Proposal as a result of discussions. The conditions, terms, or price of the Proposal may be changed during the course of the discussions provided the changes are within the scope of the Request for Proposals.
 - (d) At any time during the time allowed for discussions, the District may:
 - (A) Continue discussions with a particular eligible Proposer;
 - (B) Terminate discussions with a particular eligible Proposer and continue discussions with other eligible Proposers; or
 - (C) Conclude discussions with all remaining eligible Proposers and provide, to the then-eligible Proposers, notice requesting best and final Offers.
- (8) **Negotiations.**
- (a) Serial Negotiations Allowed. The District may commence serial negotiations with the highest-ranked eligible Proposer or commence simultaneous negotiations with all eligible Proposers. The District may negotiate:
 - (A) The statement of Work;
 - (B) The Contract Price as it is affected by negotiating the statement of work and other terms and conditions authorized for negotiation in the Request for Proposals or Addenda thereto; and
 - (C) Any other terms and conditions reasonably related to those authorized for negotiation in the Request for Proposals or Addenda thereto. Proposers shall not submit for negotiation, and a District shall not accept, alternative terms and conditions that are not reasonably related to those authorized for negotiation in the Request for Proposals or any Addendum.
 - (b) Terminating Negotiations. At any time during discussions or negotiations the District conducts under this Rule, the District may terminate discussions or negotiations with the highest-ranked Proposer, or the eligible Proposer with whom it is currently discussing or negotiating, if the District reasonably believes that:
 - (A) The eligible Proposer is not discussing or negotiating in good faith; or
 - (B) Further discussions or negotiations with the eligible Proposer will not result in the parties agreeing to the terms and conditions of a Contract in a timely manner.
 - (c) Continuing Serial Negotiations. If the District is conducting serial negotiations and the District terminates negotiations with an eligible Proposer, the District may then commence negotiations with the next highest-scoring eligible Proposer, and continue the sequential process until the District has either:
 - (A) Determined to Award the Contract to the eligible Proposer with whom it is currently discussing or negotiating; or
 - (B) Decided to cancel the Procurement under ORS 279B.100.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (d) Competitive Simultaneous Negotiations. If the District chooses to conduct competitive negotiations, the District may negotiate simultaneously with competing eligible Proposers. The District:
- (A) Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;
 - (B) May disclose other eligible Proposers' Proposals or the substance of negotiations with other eligible Proposers only if the District notifies all of the eligible Proposers with whom the District will engage in negotiations of the District's intent to disclose before engaging in negotiations with any eligible Proposer.
- (e) Any oral modification of a Proposal resulting from negotiations must be reduced to Writing.
- (9) **Best and Final Offers**. If the District requires best and final Offers, the District must establish a common date and time by which eligible Proposers must submit best and final Offers. If the District is dissatisfied with the best and final Offers, the District may make a Written determination that it is in the District's best interest to conduct additional discussions, negotiations or change the District's requirements and require another submission of best and final Offers. The District must inform all eligible Proposers that if they do not submit notice of withdrawal or another best and final Offer, their immediately previous Offers will be considered their best and final Offers. The District shall evaluate Offers as modified by the best and final Offers. The District shall conduct the evaluations as described in OAR PPS 47-0600. The District may not modify evaluation factors or their relative importance after the date and time that best and final Offers are due.
- (10) **Multi-Step Sealed Proposals**. The District may procure Goods or Services by using Multi-Step Competitive Sealed Proposals under ORS 279B.060(8)(b)(g). Multi-Step Sealed Proposals is a phased Procurement process that seeks necessary information or unpriced technical Proposals in the first phase and, in the second phase, invites Proposers who submitted technically qualified Proposals to submit Competitive Sealed Price Proposals on the technical Proposals. The District must Award the Contract to the Responsible Proposer submitting the most advantageous Proposal in accordance with the terms of the Solicitation Document applicable to the second phase.
- (a) Public Notice. When the District uses Multi-Step Sealed Proposals, the District shall give public notice for the first phase in accordance with PPS 47-0300. Public notice is not required for the second phase. However, the District shall give notice of the subsequent phases to all Proposers and inform any Proposers excluded from the second phase of the right, if any, to protest exclusion under PPS 47-0720.
 - (b) Procedure for Phase One of Multi-Step Sealed Proposals. The District may initiate a Multi-Step Sealed Proposals Procurement by issuing a Request for Proposals in the form and manner required for Competitive Sealed Proposals except as provided in this Rule. In addition to the requirements required for Competitive Sealed Proposals, the Multi-Step Request for Proposals must state:
 - (A) That unpriced technical Proposals are requested;
 - (B) That the solicitation is a Multi-Step Sealed Proposal Procurement and that, in the second phase, priced Proposals will be accepted only from those Proposers whose unpriced technical Proposals are found qualified in the first phase;
 - (C) The criteria for the evaluation of unpriced technical Proposals; and
 - (D) That the Goods or Services being procured shall be furnished generally in accordance with the Proposer's technical Proposal as found to be finally qualified and shall meet the requirements of the Request for Proposals.

- (c) Addenda to the Request for Proposals. After receipt of unpriced technical Proposals, Addenda to the Request for Proposals shall be distributed only to Proposers who submitted unpriced technical Proposals.
- (d) Receipt and Handling of Unpriced Technical Proposals. Unpriced technical Proposals need not be opened publicly.
- (e) Evaluation of Unpriced Technical Proposals. Unpriced technical Proposals shall be evaluated solely in accordance with the criteria set forth in the Request for Proposals.
- (f) Discussion of Unpriced Technical Proposals. The District may seek clarification of a technical Proposal of any Proposer who submits a qualified, or potentially qualified, technical Proposal. During the course of such discussions, the District shall not disclose any information derived from one unpriced technical Proposal to any other Proposer.
- (g) Methods of Contractor Selection for Phase One. In conducting phase one, the District may employ any combination of the methods of Contractor selection that call for the establishment of a Competitive Range or include discussions, negotiations, or best and final Offers as set forth in this Rule.
- (h) Procedure for Phase Two. On the completion of phase one, the District shall invite each qualified Proposer to submit price Proposals. The District shall conduct phase two as any other Competitive Sealed Proposal Procurement except as set forth in this Rule.
- (i) No public notice need be given of the request to submit Price Proposals because such notice was previously given.

PPS 47-0265 Small Procurements

- (1) **Generally**. For Procurements of Goods and Services less than or equal to the dollar amount stated in ORS 279B.065, the District may Award a Contract as a Small Procurement in any manner deemed practical or convenient by the District, including by direct selection or Award.
- (2) **Amendments**. The District may amend a Contract Awarded as a Small Procurement in accordance with PPS 47-0800.
- (3) **No Fragmentation**. A Procurement may not be artificially divided or fragmented so as to constitute a Small Procurement. See ORS 279B.065(2).

PPS 47-0270 Intermediate Procurements

- (1) **Generally**. For Procurements of Goods and Services greater than the dollar amount stated in ORS 279B.065 and less than or equal to the higher dollar amount stated in ORS 279B.070, the District may Award a Contract as an Intermediate Procurement pursuant to ORS 279B.070.
- (2) **Intermediate Solicitation Process**. When conducting an Intermediate Procurement, the District shall seek at least three informally solicited Competitive Price Quotes or Competitive Proposals from prospective Contractors. The District shall keep a Written record of the sources of the Quotes or Proposals received. If three Quotes or Proposals are not reasonably available, fewer will suffice, but the District shall make a Written record of the effort made to obtain the Quotes or Proposals.
- (3) **Negotiations**. The District may negotiate with a prospective Contractor who offers to provide Goods or Services in response to an Intermediate Procurement to clarify its Quote or Offer or to effect modifications that will make the Quote or Offer more advantageous to the District.
- (4) **Award**. If a Contract is Awarded, the District shall Award the Contract to the Offeror whose Quote or Proposal will best serve the interests of the District, taking into account price as well as considerations

including, but not limited to, experience, expertise, product functionality, suitability for a particular purpose, and Contractor responsibility under ORS 279B.110.

(5) Amendments. The District may amend a Contract Awarded as an Intermediate Procurement in accordance with PPS 47-0800.

(6) No Fragmentation. A Procurement may not be artificially divided or fragmented so as to constitute an Intermediate Procurement. See ORS 279B.070(2).

PPS 47-0275 Sole-Source Procurements

(1) Generally. The Superintendent is delegated the authority to determine whether Goods and Service or a class of Goods and Services are available from only one source pursuant to ORS 279B.075. The Superintendent's determination must be based on Written Findings that may include information that:

- (a)** The efficient utilization of existing Goods or Services requires the acquisition of compatible Goods or Services;
- (b)** The Goods or Services required for the exchange of software or data with other public or private agencies are available from only one source;
- (c)** The Goods or Services are for use in a pilot or an experimental Project; or
- (d)** Other Findings that support the conclusion that the Goods or Services are available from only one source.

(2) Public Notice. If the Contract amount is greater than \$150,000, the District shall give public notice of the Superintendent's determination that the Goods or Services or class of Goods or Services are available from only one source. The District shall publish such notice in a manner similar to public notice of Competitive Sealed Bids under ORS 279B.055(4) and PPS 47-0300. The public notice shall describe the Goods or Services to be acquired by a sole-source Procurement, identify the prospective Contractor, and include the date, time, and place that protests are due. The District shall give affected Persons at least seven Days from the date of the notice of the determination that the Goods or Services are available from only one source to protest the sole-source determination.

(3) Protest. An affected Person may protest the Superintendent's determination that the Goods or Services or class of Goods or Services are available from only one source in accordance with PPS 47-0710.

PPS 47-0280 Emergency Procurements

(1) Generally. The Superintendent may Award a Public Contract as an Emergency Procurement. The Superintendent will document the nature of the emergency and describe the method used for selection of the particular Contractor. See ORS 279B.080.

(2) Construction Services. For an Emergency Procurement of construction services that are not Public Improvements, the District shall ensure competition for a Contract for the Emergency Work that is reasonable and appropriate under the emergency circumstances. In conducting the Procurement, the District shall set a solicitation time period that the District determines to be reasonable under the Emergency circumstances, and may issue Written or oral requests for Offers or make direct appointments without competition in cases of extreme necessity. See PPS 49-0150.

SPECIAL PROCUREMENTS (CONTRACTING EXEMPTIONS)

PPS 47-0285 Special Procurements; Purpose and Application

The District may Award a Public Contract as a Special Procurement pursuant to the requirements of ORS 279B.085 without using Competitive Sealed Bidding or Competitive Sealed Proposals or other competitive procedures as otherwise required by these Rules. The Contract Review Board must approve

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Special Procurements. The Contract Review Board may approve the following two types of Special Procurements:

- (1) A "Class Special Procurement" is a Procurement procedure for entering into a series of Contracts over time or for multiple Projects based on the classification of the Contract.
- (2) A "Contract-Specific Special Procurement" is a Procurement procedure for the purpose of entering into a single Contract or a number of related Contracts on a one-time basis or for a single Project.

PPS 47-0287 Special Procurements; Request Procedures

- (1) To seek approval of an additional Special Procurement, the Superintendent shall submit a Written request to the Contract Review Board. The request must describe the contracting procedure, the Goods and Services or class of Goods and Services that are the subject of the Special Procurement, and the circumstances that justify the use of a Special Procurement under the standards set forth in Section (2) of this Rule.
- (2) The Contract Review Board shall review and may approve a request for a Special Procurement if the Contract Review Board finds that the use of the Special Procurement:
 - (a) Is unlikely to encourage favoritism in the Awarding of Public Contracts or to substantially diminish competition for Public Contracts; and
 - (b) (A) Is reasonably expected to result in substantial cost savings to the District or to the public; or
(B) Otherwise substantially promotes the public interest in a manner that could not practicably be realized by complying with Procurement requirements that would otherwise be applicable to the Procurement under Division 47 of these Rules.
- (3) The District shall give public notice of approval of a Special Procurement in the manner provided in PPS 47-0300. The notice will describe the Goods or Services or class of Goods or Services subject to the Special Procurement, and shall give affected Persons at least seven Days from the date of notice of the approval of the Special Procurement to protest the Special Procurement.
- (4) An affected Person may protest the approval of a Special Procurement in accordance with ORS 279B.400 and PPS 47-0700.
- (5) An approved Class Special Procurement shall be added to enumerated Class Special Procurements in PPS 47-0288.

PPS 47-0288 Approved Class Special Procurements

The Contract Review Board declares the following classes of Contracts for Goods or Services listed in this section as Class Special Procurements for which Contracts may be Awarded without compliance with the competitive Procurement requirements that would otherwise be applicable to the Procurement under Division 47 of these Rules. Unless an alternative Procurement process is particularly specified in these Rules, the selection procedures for such Class Special Procurements shall be as the Superintendent determines will result in a Contract that will best serve the interests of the District. Prior to utilizing a Class Special Procurement, the Superintendent will document in Writing in the Procurement File the reasons why the Contract qualifies as a Class Special Procurement under these Rules, including any required Findings. Except as otherwise provided in this Rule, the School Board must approve any Contracts Awarded pursuant to Special Procurement if the Contract Price exceeds the Superintendent's delegated authority under PPS 45-0200. The Contract Review Board hereby designates the following classes of Contracts for Special Procurement:

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (1) **Advertising Contracts.** The District may purchase advertising in any medium, regardless of the dollar value of the Contract. The District may sell advertising for District publications or activities, regardless of the dollar value of the Contract.
- (2) **Equipment Repair/Overhaul.** The District may enter into a Public Contract for equipment repair or overhaul without competitive Procurement, subject to the following conditions:
- (a) Where the extent of the repair or overhaul is unknown or not easily identified; or
 - (b) Where service or parts requirements are unpredictable; or
 - (c) Service or parts required are for equipment for which specially trained personnel are required, and such personnel are available from only one source; and
 - (d) Conducting a competitive process is impractical. The District must document in the Procurement File the reasons why a competitive process was deemed to be impractical
- (3) **Specifications.**
- (a) "Or Equal" Specification.
 - (A) A Brand Name or Equal Specification may be used when the use of a Brand Name or Equal Specification is advantageous to the District, because the Brand Name describes the standard of quality, performance, functionality, and other characteristics of the product needed by the District.
 - (B) The Superintendent is entitled to determine what constitutes a product that is equal or superior to the product specified, and any such determination is final.
 - (C) Nothing in this section may be construed as prohibiting the Superintendent from specifying one or more comparable products as examples of the quality, performance, functionality, or other characteristics of the product needed by the District.
 - (b) Specifying a Particular Make or Product. A Brand Name Specification may be prepared and used only if the Superintendent determines for a solicitation or a class of solicitations that only the identified Brand Name Specification will meet the needs of the District based on one or more of the following Findings:
 - (A) That use of a Brand Name Specification is unlikely to encourage favoritism in the Awarding of Public Contracts or substantially diminish competition for Public Contracts;
 - (B) That use of a Brand Name Specification would result in substantial cost savings to the District;
 - (C) That there is only one manufacturer or seller of the product of the quality, performance, or functionality required;
 - (D) That the equipment or supplies being procured are used in athletic programs or physical education programs; or
 - (E) That efficient utilization of existing Goods requires the acquisition of compatible Goods or Services. For the purposes of this Finding, "compatibility" includes, without limitation, technical compatibility, technological equity, and equivalent ease of training, durability, and use. "Compatibility" also includes, without limitation, compatibility among equipment in a standardized technology bundle developed to deliver curriculum in a classroom.
- (4) **Copyrighted Materials and Creative Works.** The District may directly purchase copyrighted materials or creative works regardless of dollar value if available from only one source. Examples of copyrighted materials covered by this exemption may include, but are not necessarily limited to, new adopted

textbooks, workbooks, curriculum kits, on-line curriculum, instructional software applications and related digital resources, assessments, assessment materials and reports, reference materials, books, periodicals, audio and visual media, and non-mass-marketed software. Examples of creative works covered by this Class Special Procurement include, but are not limited to, artwork, music, uncopyrighted writings, and similar works.

(5) Insurance and Employee Benefits. The District may purchase liability, property damage, workers' compensation, and other insurance and insurance services Contracts, and employee benefits, without Competitive Procurement and regardless of dollar amount, by selecting either a vendor directly or by appointing an agent of record. For the purpose of this Special Procurement, "employee benefits" includes, but is not limited to, "employee benefit plans" as defined in ORS 243.105(1), plans provided through the Oregon Educators Benefits Board pursuant to ORS 243.860 through 243.886, plans provided through the School District No. 1J Health and Welfare Trust, flexible benefit plans as defined in ORS 243.221, insurance or other benefit based on life, supplemental medical, supplemental dental, optical, accidental death or disability insurance plans, long-term care insurance, health care coverage to retired officers, employees, spouses, and children, employee assistance plans, and expense reimbursement plans.

(6) Spot Buys. This Special Procurement provides a process for the District to procure products that are available for a limited period of time at "lower-than-normal" prices (also referred to as "spot buys").

- (a) Regardless of dollar value and without Competitive Procurement, the District may purchase "spot buys."
- (b) Conditions. The District may procure an unlimited dollar value of products when any of the following conditions are present:
 - (A) A non-exclusive mandatory-use Contract or regularly scheduled Bid process already exists for the item being purchased;
 - (B) The proposed unit price of the item(s) to be purchased is significantly less than a comparable item's price on an existing mandatory-use Contract, recent Bid, or based on obtaining at least three Quotes, and the amount saved exceeds any additional administrative costs incurred to purchase the item using this Special Procurement;
 - (C) The product being purchased has limited availability (i.e., the product may no longer be available or available at the special price upon completion of normal Bid processes); or
 - (D) Any mandatory-use Contract currently in place for the item being purchased contain clauses allowing for the use of this Special Procurement.
- (c) Notwithstanding Subsection 6(b) of this section, the District may not purchase a spot buy if doing so would jeopardize fulfillment of a guaranteed minimum volume under an existing mandatory-use Contract;
- (d) Documentation. Purchases may only be made under this Special Procurement if the Superintendent documents to the Procurement File that the conditions set forth in Section (6)(b) apply to the proposed purchase.
- (e) Notwithstanding PPS 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on "spot-buy" Contracts in any dollar amount, but will report the nature and amount of the Contract to the School Board as provided in PPS 45-0200(6).

(7) Price Agreements.

- (a) Price Agreements may be established for the purposes of minimizing paperwork, achieving continuity of product, securing a source of supply, reducing inventory, combining District

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

requirements for volume discounts, creating standardization among agencies, and reducing lead time for ordering. The Superintendent may enter into Price Agreements to purchase Goods or Services for an anticipated need at a predetermined price, but the Contract must be let by a Competitive Procurement process pursuant to the requirements of these Rules.

- (b) The Superintendent may purchase the Goods and Services from a Contractor Awarded a Price Agreement without first undertaking additional Competitive solicitation up to the amount set forth in the Price Agreement.
- (c) The Superintendent may use the Price Agreement entered into by another Public Agency when the Original Contract was let pursuant to PPS 46-0400 through 46-0480;
- (d) The term of the Price Agreement, including renewals, may not exceed the term stated in the original solicitation.

(8) Purchase of Used Personal Property. The District may purchase used property or equipment. "Used personal property or equipment" is property or equipment that has been placed in its intended use by a previous owner or user for a time recognized in the relevant trade or industry as qualifying the personal property or equipment as "used" at the time of the District purchase. "Used personal property or equipment" generally does not include property or equipment if the District was the previous user, whether under a lease, as part of a demonstration, trial, or pilot project, or under a similar arrangement. Notwithstanding PPS 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on a Contract for the purchase of used personal property in any dollar amount.

(9) Sale of Used Personal Property.

- (a) The Superintendent may sell used personal property without obtaining Competitive Bids or Quotes if a liquidation sale would bring in greater revenue to the District than would be gained through Bids. As used in this section, "surplus personal property" is property or equipment that has been determined to no longer be useful to the District. It may be property or equipment that the District has used for some time and that is fully used up or obsolete. It may be property or equipment that is the natural excess or leftover from a Project, such as cable, wire, carpet, etc., that has been cut or partially used in some manner so that it cannot be returned to the supplier for a refund.
- (b) For sales of surplus property valued at more than \$25,000 per item or lot, the Superintendent must attempt to obtain at least three Competitive Quotes. The Superintendent will keep a Written record of the source and number of Quotes received. If three Quotes are not available, a Written record must be made of the attempt to obtain three Quotes.
- (c) The Superintendent may sell used personal property regardless of price via an electronic auction or sales service including, without limitation, eBay, Craigslist, or other similar Internet-based auctions or marketplaces. If the service does not otherwise provide for a competitive sales process, the Superintendent will establish a minimum Bid, a time period for acceptance of Bids, and will not sell the property unless the Superintendent receives a minimum of three Bids. The sale will be Awarded to the highest Responsible Bidder submitting a Responsive Bid, except that the Superintendent may accept a lower Bid if transportation or other costs associated with collection or delivery of the property would offset the higher Bid amount.
- (d) The Superintendent may sell, sell at a discount, or donate used personal property to another school district, to another Public Body, or to a nonprofit corporation that provides educational, social, or other important services to the District, District students, or families of District students.
- (e) If the Superintendent determines that the used personal property has no market value, or that the market value is so low that the staff time or cost involved in selling the property is likely to

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

exceed the value of the used personal property, the Superintendent may dispose of the property as the Superintendent determines is in the best interest of the District.

(10) Reverse Auctions.

- (a) A reverse auction means a process for the purchase of Goods and Services from the lowest Bidder. The District must conduct reverse auctions by first publishing a solicitation that describes its requirements and Contract terms and conditions. Then the District must solicit online Bids from all interested Bidders through an Internet-based program. The solicitation must set forth a start and end time for Bids and specify the following type of information to be disclosed to Bidders during the reverse auction:
 - (A) The prices of the other Bidders or the price of the most Competitive Bidder;
 - (B) The rank of each Bidder (e.g., (i) "winning" or "not winning" or (ii) "1st, 2nd, or higher");
 - (C) The scores of the Bidders if the District chooses to use a scoring model that weighs non-price factors in addition to price; or
 - (D) Any combination of (A), (B), and (C) above. Before the reverse auction commences, Bidders must be required by the District to assent to the Contract terms and conditions, either in Writing or by an Internet "click" agreement. The Bidders then compete for the Award of a Contract by offering successively lower prices, informed by the price(s), ranks, and scores, separately or in any combination thereof, disclosed by the District. The identity of the Bidders must not be revealed during this process. Only the successively lower price(s), ranks, scores, and related details, separately or in any combination thereof, will be revealed to the participants. The District may cancel this solicitation if the District determines that it is in the District's best interest. At the end of this Bidding process, the District must Award any potential Contract to the lowest Responsible Bidder, or in the case of multiple Awards, lowest Responsible Bidders pursuant to ORS 279A.055(10)(b). This process allows the District to test and determine the suitability of the Goods and Services before making the Award.

(11) Software and Hardware Maintenance, Licenses, Subscriptions, and Upgrades. The Superintendent may directly enter into a Contract or renew existing Contracts for information technology and telecommunications hardware or software maintenance, licenses, subscriptions, and upgrades without competitive solicitation where the maintenance, upgrades, subscriptions, and licenses are either available from only one source or, if available from more than one provider, are obtained from the District's current provider in order to utilize the pre-existing knowledge of the vendor regarding the specifics of the District's hardware or software system. The Superintendent shall document in the Procurement File the facts that justify either that maintenance, licenses, subscriptions, and upgrades were available from only one source or, if from more than one source, from the current vendor.

(12) Hazardous Material Abatement.

- (a) The Superintendent may enter into Public Contracts without Competitive Procurement, regardless of dollar amount, when ordered to clean up oil or hazardous waste pursuant to the authority granted by the Oregon Department of Environmental Quality ("DEQ") under ORS Chapter 466, especially ORS 466.605 through 466.680. In exercising its authority under this exemption.
- (b) The Superintendent must, to the extent reasonable under the circumstances, encourage competition by attempting to obtain informal Quotes from potential suppliers of Goods and Services.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) The department responsible for managing or coordinating the clean-up must submit a Written description of the circumstances that require the clean-up and a copy of the DEQ order for the clean-up to the District Purchasing Department.
- (d) The District Purchasing and Contracting Department must record the measures taken under Section (12)(b) of this Rule to encourage competition, the amount of the Quotes or Proposals obtained, if any, and the reason for selecting the Contractor to whom Award is made.
- (e) The District may not contract pursuant to this exemption in the absence of an order from the DEQ to clean up a site that includes a time limit that would not allow the District to hire a Contractor under normal Competitive Procurement procedures. Goods and Services to perform other hazardous material removal or clean-up will be purchased in accordance with normal Competitive Procurement procedures as described in these Rules and policies.
- (f) Notwithstanding PPS 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on a Contract for hazardous material abatement in any dollar amount.

(13) Purchase of Products for Resale to Students and Staff. The District may purchase personal property for resale to students and staff without Competitive Procurement and regardless of dollar amount.

(14) Radio and Television Contracts for Student Activities.

- (a) Generally. The Superintendent must use a Competitive Procurement method (e.g., an Invitation to Bid or Request for Proposals) to obtain Written Bids or Proposals to provide commercial radio and television Services for any student activity or District program, including athletics, if the value of the Services totals more than \$150,000, regardless of whether the District is paying or receiving revenue under the Contract.
- (b) Specific and Ancillary Services. The Solicitation Document used to invite Bids or Proposals to furnish radio or television Services to District programs must include the minimum Bidder or qualifications and Service specifications and will conform to the other requirements of the "Request for Proposal" Rule herein. The Solicitation Document may invite interested Bidders or Proposers to offer other ancillary Services. Each ancillary Service, if offered, must be accompanied by a dollar value that reflects the current purchase price for the Service and a description of the Service and its use and application.
- (c) Term of Contract. A Contract for radio or television Services may be Awarded for up to five years.

(15) Donated Materials or Services. The District may directly negotiate a Contract with a Person to perform Services or provide Goods or Services regardless of dollar amount, if:

- (a) The Person has agreed to donate all or a significant portion of the materials or Services necessary to perform the Work; and
- (b) The Person enters into a license or agreement with the District whereby the Person agrees to comply with the Public Contract requirements applicable to the particular Project and any requirements that the District deems necessary or beneficial to protect the District.

(16) Manufacturer Direct Supplies. The District may purchase Goods directly from a manufacturer if a large-volume purchase is required and the cost from the manufacturer is the same or less than the cost the manufacturer charges to its distributor(s). Procurements of this type are made on a Contract-by-Contract basis and are not Price Agreements.

(17) Benson House Program Contracts. The District may directly negotiate a Contract for Goods and/or Services without complying with the Competitive Procurement requirements of these Rules where the

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Contract is for the purpose of supporting the Benson Polytechnic High School Building Construction Class, and all or a portion of the Contract Price is discounted or donated to the District.

(18) Purchases Under Contracts Solicited by Nonprofit Procurement Organizations of Which the District Is a Member. The District may purchase Goods and/or Services under a Contract or Procurement solicited by a Nonprofit Procurement Organization of which it is a member. For the purposes of this Special Procurement, such a Procurement Organization will be considered to be an "Administering Contracting Agency" and a "Contracting Purchasing Group" under PPS 46-0400 through 46-0480. Such Procurement must otherwise comply with the requirements for permissive, joint, or Interstate Cooperative Procurements, as applicable, pursuant to PPS 46-0400 through 46-0480.

(19) Secure, Specialized Transportation for Special Needs Students. The Superintendent may contract directly for transportation services for special needs students where such transportation need requires a transportation service with skills or equipment tailored to the needs of the particular special needs student or class of special needs students. For the purposes of this Special Procurement, a "special needs student" is a student with special physical, mental, developmental, or security needs such that District transportation, public transportation, or other private general transportation providers (taxicabs, town car services, charter services, etc.) cannot provide safe, beneficial, or timely service. Notwithstanding PPS 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on a Contract for secure, specialized transportation, in any dollar amount.

(20) FSCP. The Superintendent may establish an FSCP for Goods, Services, or construction services that are not Public Improvements for a particular class of Services, where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (a) Solicitation to Create an FSCP. An FSCP for Goods or Services shall be solicited based on the total cost of the Work estimated to be Awarded through the FSCP during its life. If the total amount of the Work is estimated to be over \$150,000, the Superintendent shall use a Competitive Sealed Proposals process as provided in PPS 47-0260. If the total amount of the Work is \$150,000 or less, the FSCP may be solicited pursuant to the Intermediate Procurement process set forth in PPS 47-0270.
- (A) The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the procurement qualifies for use of an FSCP under these Rules.
- (B) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside the designated class of Contracts to the FSCP.
- (C) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
- (D) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
- (E) The solicitation may set or limit the value of the Work to be performed by the FSCP.
- (b) Contracting for Work from an FSCP. Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform certain Services or provide certain Goods within the established scope of the Work. Upon creation of the FSCP, the

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Services or Goods will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has offered a Contract to all of the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer a Contract to Contractors out of sequence in the following circumstances:

- (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
- (B) Contract negotiations with the next-listed Contractor are not successful.
- (C) The Project is for Goods or Services that is a continuation of, addition to, or connected with Goods or Services previously performed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work or provided the prior Goods.
- (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability or capacity is required. In order to make this determination, the Superintendent shall conduct an Intermediate Procurement pursuant to PPS 47-0270 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (c) An FSCP established under this Rule will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
 - (d) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or orders, or any Work or orders at all.
 - (e) The establishment of an FSCP does not preclude the Superintendent from procuring Goods or Services that would otherwise fall within the FSCP from other Contractors through any other Procurement method authorized under these Rules.
 - (f) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, inventory, or other capability needed to perform the class of Work or provide the required Goods or Services.
 - (g) If an FSCP for construction services is reasonably estimated to include Public Works Projects that will total over \$50,000 during the life of the FSCP, Public Works Contracts Awarded to Contractors on an FSCP list shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.
- (21) **Contracts for Price-Regulated Items.** The Superintendent may contract for the direct purchase of Goods or Services where the rate or price for the Goods or Services being purchased is established by federal, state, or local regulatory authority without competitive solicitation.
- (22) **Service Monopoly.** The Superintendent may enter into Contracts for Work by a utility or other entity that has been granted a monopoly for Services for a specific geographic area or provision of a type of Service and by agreement the utility or entity is either entitled to or is required to perform the required Work.
- (23) **Investment Contracts.** The Superintendent may contract for the investment of District funds or the borrowing of funds by the District when such investment or borrowing is contracted pursuant to statute, rule,

- (a) The Superintendent may rent a room or meeting facility in a hotel, event space, or other venue for District purposes without competitive procurement.
- (b) The Superintendent may hire a caterer without competitive procurement where use of a particular caterer or catering service is a condition of rental of a facility.

(27) Specialized Assistive Equipment for Students. The superintendent may directly procure specialized assistive equipment for students, including without limitation positioning equipment for orthopedically impaired students and assistive technology for blind/vision impaired, deaf/hard of hearing, and deaf/blind students, and augmentative and alternative communication equipment for students who require such assistance.

(28) Service, Repair, or Maintenance Services for Products under Warranty. The superintendent may directly procure service, repair, or maintenance services from a manufacturer, dealer, or authorized service provider for a product or a system subject to a warranty when the terms of the warranty require use of a particular maintenance service provider or providers, or when the manufacturer or approved provider must diagnose a problem because the system or part is proprietary.

PROCUREMENT PROCESS

PPS 47-0300 Public Notice of Solicitation Documents

(1) Notice of Solicitation Documents; Fee. The District shall provide public notice of every Solicitation Document in accordance with Section (2) of this Rule. The District may give additional notice using any method it determines appropriate to foster and promote competition, including:

- (a) Mailing notice of the availability of the Solicitation Document to Persons that have expressed an interest in the District's Procurements;
- (b) Placing notice on the District's Electronic Procurement System; or
- (c) Placing notice on the District's Internet World Wide Web site.

(2) Advertising. The District shall advertise every notice of a Solicitation Document as follows:

- (a) The District shall publish the advertisement for Offers in accordance with the requirements of ORS 279B.055(4) and 279B.060(5) in at least one newspaper of general circulation in the District and in as many other publications as the District may determine; or
- (b) The District may publish the advertisement for Offers on the District's Electronic Procurement System instead of publishing notice in a newspaper of general circulation as authorized by ORS 279B.055(4)(c) when the District determines that doing so is more cost effective.
- (c) Notice shall be given at least seven Days prior to the solicitation Closing day.

(3) Content of Advertisement. All advertisements for Offers shall set forth:

- (a) Where, when, how, and for how long the Solicitation Document may be obtained;

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) A general description of the Goods or Services to be acquired;
 - (c) The interval between the first date of notice of the Solicitation Document given in accordance with Sections (2)(a) or (b) above and Closing, which shall not be less than seven Days for an Invitation to Bid and 14 Days for a Request for Proposals, unless the District determines that a shorter interval is in the public's interest, and that a shorter interval will not substantially affect competition. However, in no event shall the interval between the first date of notice of the Solicitation Document given in accordance with Section (2)(a) or (b) above and Closing be less than seven Days as set forth in ORS 279B.055(4)(f). The District shall document the specific reasons for the shorter public notice period in the Procurement File;

- (6) **Notice of Addenda.** The District shall provide potential Offerors notice of any Addenda to a Solicitation Document in accordance with PPS 47-0430.

PPS 47-0310 Bids or Proposals Are Offers

- (1) **Offer and Acceptance.** The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract.
- (a) In Competitive Bidding and Competitive Proposals, the Offer is always a "Firm Offer," i.e., the Offer shall be held open by the Offeror for the District's acceptance for the period specified in PPS 47-0480. The District may elect to accept the Offer at any time during the specified period, and the District's Award of the Contract constitutes acceptance of the Offer and binds the Offeror to the Contract.
 - (b) Notwithstanding the fact that a Competitive Proposal is a "Firm Offer" for the period specified in PPS 47-0480, the District may elect to discuss or negotiate certain contractual provisions, as identified in these Rules or in the Solicitation Document, with the Proposer. Where negotiation is permitted by the Rules or the Solicitation Document, Proposers are obligated to negotiate in good faith and only on those terms or conditions that the Rules or the Solicitation Document have reserved for negotiation.
- (2) **Contingent Offers.** Except to the extent that the Proposer is authorized to propose certain terms and conditions pursuant to PPS 47-0262, a Proposer must not make its Offer contingent upon the District's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.
- (3) **Offeror's Acknowledgment.** By Signing and returning the Offer, the Offeror acknowledges that it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits Proposers to propose alternative terms or conditions under PPS 47-0261, the Offeror's

Offer shall include any nonnegotiable terms and conditions, any proposed terms and conditions offered for negotiation upon and to the extent accepted by the District in Writing, and Offeror's agreement to perform the scope of Work and meet the performance standards set forth in the final negotiated scope of Work.

PPS 47-0320 Facsimile Bids and Proposals

(1) District Authorization. The District may authorize Offerors to submit Facsimile Offers. If the District determines that Bid or Proposal security is or will be required, the District should not authorize Facsimile Offers unless the District has another method for receipt of such security. Prior to authorizing the submission of Facsimile Offers, the District must determine that the District's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the District must establish administrative procedures and controls:

- (a) To receive, identify, record, and safeguard Facsimile Offers;
- (b) To ensure timely delivery of Offers to the location of Opening; and
- (c) To preserve the Offers as sealed.

(2) Provisions to Be Included in Solicitation Document. In addition to all other requirements, if the District authorizes a Facsimile Offer, the District will include in the Solicitation Document the following:

- (a) A provision substantially in the form of the following: "A 'Facsimile Offer,' as used in this Solicitation Document, means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the District via a facsimile machine";
- (b) A provision substantially in the form of the following: "Offerors may submit Facsimile Offers in response to this Solicitation Document. The entire response must arrive at the place and by the time specified in this Solicitation Document";
- (c) A provision that requires Offerors to Sign their Facsimile Offers;
- (d) A provision substantially in the form of the following: "The District reserves the right to Award the Contract solely on the basis of a Facsimile Offer." However, upon the District's request the apparent successful Offeror must promptly submit its complete original Signed Offer;
- (e) The data and compatibility characteristics of the District's receiving facsimile machine as follows:
 - (A) Telephone number; and
 - (B) Compatibility characteristics, e.g., make and model number, receiving speed, and communications protocol.
- (f) A provision that provides that the District is not responsible for any failure attributable to the transmission or receipt of the Facsimile Offer including, but not limited to, the following:
 - (A) Receipt of garbled or incomplete documents;
 - (B) Availability or condition of the receiving facsimile machine;
 - (C) Incompatibility between the sending and receiving facsimile machine;
 - (D) Delay in transmission or receipt of documents;
 - (E) Failure of the Offeror to properly identify the Offer documents;
 - (F) Illegibility of Offer documents; and
 - (G) Security and confidentiality of data.

PPS 47-0330 E-Procurement

(1) Electronic Procurement Authorized.

- (a) The District may conduct all phases of a Procurement, including, without limitation, the posting of Electronic Advertisements and the receipt of electronic Offers, by electronic methods if and to the extent the District specifies in a Solicitation Document, a Request for Quotes, or any other Writing that instructs Persons how to participate in the Procurement.
- (b) The District must open an Electronic Offer in accordance with electronic security measures in effect at the District at the time of its receipt of the Electronic Offer. Unless the District provides procedures for the secure receipt of Electronic Offers, the Person submitting the Electronic Offer assumes the risk of premature disclosure due to submission in unsealed form.
- (c) The District's use of electronic Signatures must be consistent with applicable statutes and Rules. The District must authorize, and may limit the use of, electronic methods of conducting a Procurement based on the best interests of the District, as determined by the District.
- (d) If the District determines that Bid or Proposal security is or will be required, the District should not authorize Electronic Offers unless the District has another method for receipt of such security.

(2) Rules Governing Electronic Procurements. The District must conduct all portions of an Electronic Procurement in accordance with these Division 47 Rules, unless otherwise set forth in this Rule.

(3) Preliminary Matters. As a condition of participation in an Electronic Procurement, the District may require potential Contractors to register with the District before the date and time on which the District will first accept Offers, to agree to the terms, conditions, or other requirements of a Solicitation Document, or to agree to terms and conditions governing the Procurement, such as procedures that the District may use to attribute, authenticate, or verify the accuracy of an Electronic Offer, or the actions that constitute an electronic Signature.

(4) Offer Process. The District may specify that Persons must submit an Electronic Offer by a particular date and time, or that Persons may submit multiple Electronic Offers during a period of time established in the Electronic Advertisement. When the District specifies that Persons may submit multiple Electronic Offers during a specified period of time, the District must designate a time and date on which Persons may begin to submit Electronic Offers, and a time and date after which Persons may no longer submit Electronic Offers. The date and time after which Persons may no longer submit Electronic Offers need not be specified by a particular date and time, but may be specified by a description of the conditions that, when they occur, will establish the date and time after which Persons may no longer submit Electronic Offers. When the District will accept Electronic Offers for a period of time other than at the designated date and time that the District will first receive Electronic Offers, the District must begin to accept real time Electronic Offers on an Electronic Procurement System, and must continue to accept Electronic Offers in accordance with Section (5)(b) of this Rule until the date and time specified by the District, after which the District will no longer accept Electronic Offers.

(5) Receipt of Electronic Offers.

- (a) When the District conducts an Electronic Procurement that provides that all Electronic Offers must be submitted by a particular date and time, the District must receive the Electronic Offers in accordance with these Division 47 Rules.
- (b) When the District specifies that Persons may submit multiple Electronic Offers during a period of time, the District must accept Electronic Offers, and Persons may submit Electronic Offers, in accordance with the following:

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (A) Following receipt of the first Electronic Offer after the date and time that the District first receives Electronic Offers, the District must post and update on a real-time basis:
 - (i) The prices of the other Bidders or the price of the most Competitive Bidder;
 - (ii) The rank of each Bidder (e.g., (1) "winning" or "not winning" or (2) "1st, 2nd, or higher";
 - (iii) The scores of the Bidders if the District chooses to use a scoring model that weighs non-price factors in addition to price; or
 - (iv) Any combination of (i), (ii), and (iii) above. At any time before the date and time after which the District will no longer receive Electronic Offers, a Person may revise its Electronic Offer, except that a Person may not lower its price unless that price is below the then lowest Electronic Offer.
- (B) A Person may not increase the price set forth in an Electronic Offer after the date and time that the District first accepts Electronic Offers.
- (C) A Person may withdraw an Electronic Offer only in compliance with these Division 47 Rules. If a Person withdraws an Electronic Offer, it may not later submit an Electronic Offer at a price higher than that set forth in the withdrawn Electronic Offer.

(6) **Failure of the E-Procurement System.** In the event of a failure that interferes with the ability of Persons to submit Electronic Offers, protest, or to otherwise participate in the Procurement, the District may cancel the Procurement in accordance with PPS 47-0660, or may extend the date and time for receipt of Electronic Offers by providing notice of the extension immediately after the system becomes available.

BID AND PROPOSAL PREPARATION

PPS 47-0400 Offer Preparation

- (1) **Instructions.** Offerors must submit and Sign their Offers in accordance with the instructions set forth in the Solicitation Document. Offerors must initial any corrections or erasures to their Offers.
- (2) **Forms.** Offerors must submit their Offer on the form(s) provided in the Solicitation Document, unless Offerors are otherwise instructed in the Solicitation Document.
- (3) **Documents.** Offerors must provide the District with all documents and Descriptive Literature required by the Solicitation Document.

PPS 47-0410 Offer Submission

- (1) **Product Samples and Descriptive Literature.** The District may require Product Samples or Descriptive Literature if the District determines either is necessary or desirable to evaluate the quality, features, or characteristics of an Offer. The District will dispose of Product Samples, or make them available for the Offeror to retrieve, in accordance with the Solicitation Document.
- (2) **Identification of Offers.**
 - (a) To ensure proper identification and handling, Offers must be submitted in a sealed envelope appropriately marked. If the District permits Electronic Offers or Facsimile Offers in the Solicitation Document, the Offeror may submit and identify Electronic Offers or Facsimile Offers in accordance with these Division 47 Rules and the instructions set forth in the Solicitation Document. The District will not consider Facsimile or Electronic Offers unless authorized by the Solicitation Document.
 - (b) The District is not responsible for Offers submitted in any manner, format, or to any delivery point other than as required in the Solicitation Document.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(3) **Receipt of Offers.** Offerors are responsible for ensuring that the District receives their Offers at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

PPS 47-0420 Pre-Offer Conferences

- (1) **Purpose.** The District may hold pre-Offer conferences with prospective Offerors prior to Closing to explain the Procurement requirements, obtain information, or conduct site inspections.
- (2) **Required Attendance.** The District may require attendance at the pre-Offer conference as a condition for making an Offer.
- (3) **Scheduled Time.** If the District holds a pre-Offer conference, it must be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- (4) **Statements Not Binding.** Statements made by the District's representative at the pre-Offer conference do not change the Solicitation Document unless the District confirms such statements with a Written Addendum to the Solicitation Document.
- (5) **District Announcement.** The District must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with PPS 47-0255(2) or 47-0260(2).

PPS 47-0430 Addenda to Solicitation Document

- (1) **Issuance; Receipt.** The District may change a Solicitation Document only by Written Addenda. An Offeror must provide Written acknowledgment of receipt of all issued Addenda with its Offer, unless the District otherwise specifies in the Addenda.
- (2) **Notice and Distribution.** The District must notify prospective Offerors of Addenda in a manner intended to foster competition and to make prospective Offerors aware of the Addenda. The Solicitation Document must specify how the District will provide notice of Addenda and how the District will make the Addenda available before Closing, and at each subsequent step or phase of evaluation if the District will engage in a Multi-Step Competitive Sealed Bidding process in accordance with PPS 47-0257, or a Multi-Tiered or Multi-Step Competitive Sealed Proposals process in accordance with PPS 47-0261. The following is an example: "The District will not mail notice of Addenda, but will post public notice of any Addenda on the District's Web site. Offerors should frequently check the District's Web site until Closing, i.e., at least once weekly until the week of Closing and at least once daily the week of Closing."
- (3) **Timelines; Extensions.**
 - (a) The District must issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The District may extend the Closing if the District determines that prospective Offerors need additional time to review and respond to Addenda. Except to the extent justified by a countervailing public interest, the District must not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.
 - (b) Notwithstanding Section (3)(a) of this Rule, an Addendum that modifies the evaluation criteria, selection process, or procedure for any step or phase of competition under a Multi-Step Sealed Bidding or Multi-Step Sealed Proposals process issued in accordance with PPS 47-0257 or 47-0261 must be issued no fewer than five Days before the beginning of that step or phase of competition, unless the District determines that a shorter period is sufficient to allow the Offerors to prepare for that step or phase of competition. The District must document the factors it considered in making that determination, which may include, without limitation, the scope of the changes to the Solicitation Document, the location of the remaining eligible Proposers, or

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

whether shortening the period between issuing an Addendum and the beginning of the next step or phase of competition favors or disfavors any particular Proposer or Proposers.

(4) Request for Change or Protest. Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in PPS 47-0730, by the close of the District's next business Day after issuance of the Addendum, or up to the last Day allowed to submit a request for change or protest of the solicitation under PPS 47-0730, whichever date is later. If the date established in the previous sentence falls after the deadline for receiving protests to the Solicitation Document in accordance with PPS 47-0730, then the District may consider an Offeror's request for change or protest to the Addendum only, and the District shall not consider a request for change or protest to matters not added or modified by the Addendum. Notwithstanding any provision of this Section (4) of this Rule, the District is not required to provide a protest period for Addenda issued after the initial Closing during a Multi-Tiered or Multi-Step Procurement process conducted pursuant to ORS 279B.055 or 279B.060.

PPS 47-0440 Pre-Closing Modification or Withdrawal of Offers

(1) Modifications. An Offeror may modify its Offer in Writing prior to the Closing. An Offeror must prepare and submit any modification to its Offer to the District in accordance with PPS 47-0400 and PPS 47-0410, unless otherwise specified in the Solicitation Document. Any modification must include the Offeror's statement that the modification amends and supersedes the prior Offer. The Offeror must mark the submitted modification as follows:

- (a) Bid (or Proposal) Modification; and
- (b) Solicitation Document Number (or other identification as specified in the Solicitation Document).

(2) Withdrawals.

- (a) An Offeror may withdraw its Offer by Written notice submitted on the Offeror's letterhead, Signed by an authorized representative of the Offeror, delivered to the individual and location specified in the Solicitation Document (or the place of Closing if no location is specified), and received by the District prior to the Closing. The Offeror or authorized representative of the Offeror may also withdraw its Offer in person prior to the Closing upon presentation of appropriate identification and evidence of authority satisfactory to the District.
- (b) The District may release an unopened Offer withdrawn under Section (2)(a) of this Rule to the Offeror or its authorized representative, after voiding any date and time-stamp mark.
- (c) The Offeror must mark the Written request to withdraw an Offer as follows:
 - (A) Bid (or Proposal) Withdrawal; and
 - (B) Solicitation Document Number (or other identification as specified in the Solicitation Document).

(3) Documentation. The District must include all documents relating to the modification or withdrawal of Offers in the appropriate Procurement File.

PPS 47-0450 Receipt, Opening, and Recording of Offers; Confidentiality of Offers

(1) Receipt. The District must electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The District must not open the Offer or modification, but must maintain it as confidential and secure until Opening. If the District inadvertently opens an Offer or a modification prior to the Opening, the District must return the Offer or modification to its secure and confidential state until Opening. The District must document the resealing for the Procurement File (e.g., "District inadvertently opened the Offer due to improper identification of the Offer").

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(2) **Opening and Recording.** The District must publicly open Offers including any modifications made to the Offer pursuant to PPS 47-0440(1). In the case of Invitations to Bid, to the extent practicable, the District must read aloud the name of each Bidder and such other information as the District considers appropriate. However, the District may withhold from disclosure information marked by the Offeror as "confidential" or a "trade secret" in accordance with ORS 279B.055(5)(c) and 279B.060(6). In the case of Requests for Proposals or voluminous Bids, if the Solicitation Document so provides, the District will not read Offers aloud.

PPS 47-0460 Late Offers, Late Withdrawals, and Late Modifications

Any Offer received after Closing is late. An Offeror's request for withdrawal or modification of an Offer received after Closing is late. The District must not consider late Offers, withdrawals, or modifications except as permitted in PPS 47-0470 or 47-0261.

PPS 47-0470 Mistakes

(1) **General.** To protect the integrity of the Competitive Procurement process and to ensure fair treatment of Offerors, the District should carefully consider whether to permit waiver, correction, or withdrawal of Offers for certain mistakes.

(2) **District Treatment of Mistakes.** The District must not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the District discovers certain mistakes in an Offer after Opening but before the Award of the Contract, the District may take the following action:

- (a) The District may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:
 - (A) Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - (B) Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer evidencing an intent to be bound; and
 - (C) Acknowledge receipt of an Addendum to the Solicitation Document, provided: it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms; or the Addendum involved did not affect price, quality, or delivery.
- (b) The District may correct a clerical error if the error is evident on the face of the Offer, or other documents submitted with the Offer, and the Offeror confirms the District's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Unit prices will prevail over extended prices in the event of a discrepancy between extended prices and unit prices.
- (c) The District may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:
 - (A) The nature of the error;
 - (B) That the error is not a minor informality under this section or an error in judgment;
 - (C) That the error cannot be corrected or waived under Section (b) of this Rule;
 - (D) That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;
 - (E) That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (F) That the Offeror will suffer substantial detriment if the District does not grant the Offeror permission to withdraw the Offer;
 - (G) That the District's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the District or the public it represents; and
 - (H) That the Offeror promptly gave notice of the claimed error to the District.
- (d) The criteria in Section (2)(c) of this Rule must determine whether the District will permit an Offeror to withdraw its Offer after Closing. These criteria also must apply to the question whether the District will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or Proposal security), or without liability to the District based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually Awarded by the District, whether by Award to the next lowest Responsive and Responsible Bidder, the most advantageous Responsive and Responsible Proposer, or by resort to a new solicitation.

(3) **Rejection for Mistakes.** The District must reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents accompanying the Offer.

(4) **Identification of Mistakes After Award.** The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may only withdraw its Offer or rescind a Contract entered into pursuant to this Division 47 to the extent permitted by applicable law.

PPS 47-0480 Time for District Acceptance

An Offeror's Offer is a Firm Offer, irrevocable, valid, and binding on the Offeror for not less than 60 Days following Closing unless otherwise specified in the Solicitation Document.

PPS 47-0490 Extension of Time for Acceptance of Offer

The District may request, orally or in Writing, that Offerors extend, in Writing, the time during which the District may consider their Offer(s). If an Offeror agrees to such extension, the Offer must continue as a Firm Offer, irrevocable, valid, and binding on the Offeror for the agreed-upon extension period.

QUALIFICATIONS AND DUTIES

PPS 47-0500 Responsibility of Offerors

(1) **Determination.** Before Awarding a Contract, the District must determine that the Offeror submitting the lowest Bid or Proposal or most advantageous Offer is Responsible. The District must use the standards set forth in ORS 279B.110 and PPS 47-0640(1)(c)(F) to determine if an Offeror is Responsible. In the event the District determines an Offeror is not Responsible, it must prepare a Written determination of non-Responsibility as required by ORS 279B.110 and must reject the Offer.

PPS 47-0525 Qualified Products Lists

(1) **Authority.** The District may develop and maintain a qualified products list pursuant to ORS 279B.115 in instances in which the testing or examination of Goods before initiating a Procurement is necessary or desirable in order to best satisfy the requirements of the District. For purposes of this section, "Goods" includes products that have associated or incidental service components, such as supplier warranty obligations or maintenance service programs.

(2) **Notice.** In the initial development of any qualified products list, the District shall give public notice, in accordance with PPS 47-0300, of the opportunity for potential Contractors, sellers, or suppliers to submit Goods for testing and examination to determine their acceptability for inclusion on the list, and may solicit in Writing representative groups of potential Contractors, sellers, or suppliers to submit Goods for the testing

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

and examination. Any potential Contractor, seller, or supplier, even though not solicited, may offer its Goods for consideration.

(3) Inclusion to Be Based on Tests or Examinations. The District's inclusion of Goods on a qualified products list shall be based on the results of tests or examinations. Notwithstanding any provision of ORS 192.410 through 192.505, the District may make the test or examination results public in a manner that protects the identity of the potential Contractor, seller, or supplier that offered the Goods for testing or examination, including by using only numerical designations. Notwithstanding any provision of ORS 192.410 through 192.505, the District may keep confidential trade secrets, test data, and similar information provided by a potential Contractor, seller, or supplier if so requested in Writing by the potential Contractor, seller, or supplier.

(4) List Does Not Constitute Prequalification. The inclusion of Goods on a qualified products list does not constitute and may not be construed as a prequalification under ORS 279B.120 and 279B.125 of any prospective Contractor, seller, or supplier of Goods on the qualified products list.

PPS 47-0550 Prequalification of Prospective Offerors; Pre-Negotiation of Contract Terms and Conditions

(1) Prequalification of Prospective Offerors. Pursuant to ORS 279B.120 and 279B.125, the District may prequalify prospective Bidders or Proposers to submit Bids or Proposals for Public Contracts to provide particular types of Goods or Services.

(2) Notice of Prequalification. The District shall, in response to the receipt of a prequalification application submitted under Section (1) of this Rule, notify the prospective Bidder or Proposer whether the prospective Bidder or Proposer is qualified based on the standards of responsibility listed in Section (7), the type and nature of Contracts that the prospective Bidder or Proposer is qualified to compete for and the time period for which the prequalification is valid. If the District does not prequalify a prospective Bidder or Proposer as to any Contracts covered by the prequalification process, the notice must specify which of the standards of responsibility listed in Section (7) the prospective Bidder or Proposer failed to meet. Unless the reasons are specified, the prospective Bidder or Proposer shall be deemed to have been prequalified in accordance with the application.

(3) Revocation of Prequalification. If the District subsequently discovers that a prospective Bidder or Proposer that prequalified under Sections (1) and (2) of this Rule is no longer qualified, the District may revoke the prequalification upon reasonable notice to the prospective Bidder or Proposer, except that a revocation is invalid as to any Contract for which an advertisement for Bids or Proposals has already been issued. Notwithstanding this prohibition against revocation of prequalification, the District may determine that a prequalified Offeror is not Responsible prior to Contract Award.

(4) Application. When the District permits or requires prequalification of Bidders or Proposers, a prospective Bidder or Proposer who wishes to prequalify shall submit a prequalification application to the District on a form prescribed by the District. Upon receipt of a prequalification application, the District shall investigate the prospective Bidder or Proposer as necessary to determine whether the prospective Bidder or Proposer is qualified. The determination shall be made in less than 30 Days, if practicable, if the prospective Bidder or Proposer requests an early decision to allow the prospective Bidder or Proposer as much time as possible to prepare a Bid or Proposal for a Contract that has been advertised. In making its determination, the District shall consider only the applicable standards of responsibility listed in Section (7). The District shall promptly notify the prospective Bidder or Proposer whether the prospective Bidder or Proposer is qualified.

(5) Contents of Notice. If the District finds that a prospective Bidder or Proposer is qualified, the notice must state the type and nature of Contracts that the prospective Bidder or Proposer is qualified to compete for and the period of time for which the prequalification is valid. If the District finds that the prospective Bidder

Other Than Personal Services

or Proposer is not qualified as to any Contracts covered by the Rule, resolution, ordinance, or other regulation, the notice must specify the reasons given under Section (7) below. To be entitled to a hearing under PPS 47-0760, a prospective Bidder or Proposer shall, within three business Days after receipt of the notice, notify the District that the prospective Bidder or Proposer demands a hearing under PPS 47-0760.

(6) Revocation or Reissuance Process. If the District has reasonable cause to believe that there has been a substantial change in the conditions of a prequalified prospective Bidder or Proposer and that the prospective Bidder or Proposer is no longer qualified or is less qualified, the District may revoke or may revise and reissue the prequalification after reasonable notice to the prequalified prospective Bidder or Proposer. The notice must specify the reasons given under Section (2) for revocation or revision of the prequalification of the prospective Bidder or Proposer and inform the prospective Bidder or Proposer of the right to a hearing under PPS 47-0760. To be entitled to a hearing under PPS 47-0760, a prospective Bidder or Proposer shall, within three business Days after receipt of the notice, notify the District that the prospective Bidder or Proposer demands a hearing under PPS 47-0760. A revocation or revision does not apply to any Contract for which an advertisement for Bids or Proposals was issued before the date the notice of revocation or revision was received by the prequalified prospective Bidder or Proposer.

(7) Standards of Responsibility. In determining whether a Bidder or Proposer has met the standards of responsibility pursuant to ORS 279B.110(2), the District shall consider whether a Bidder or Proposer has:

- (a) Available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to indicate the capability of the Bidder or Proposer to meet all contractual responsibilities;
- (b) A satisfactory record of performance. The District shall document the record of performance of a Bidder or Proposer if the District finds the Bidder or Proposer non-responsible under this section;
- (c) A satisfactory record of integrity. The District shall document the record of integrity of a Bidder or Proposer if the District finds the Bidder or Proposer non-responsible under this section;
- (d) Qualified legally to contract with the District;
- (e) Supplied all necessary information in connection with the inquiry concerning responsibility. If a Bidder or Proposer fails to promptly supply information requested by the District concerning responsibility, the District shall base the determination of responsibility on any available information or may find the Bidder or Proposer non-responsible; and
- (f) Not been debarred by the District under PPS 47-0575.

(8) Pre-Negotiation. The District may pre-negotiate some or all Contract terms and conditions including prospective Proposer Contract forms such as license agreements, maintenance and support agreements, or similar documents for use in future Procurements. Such pre-negotiation of Contract terms and conditions (including prospective Proposer forms) may be part of the prequalification process of a Proposer in Section 1 or the pre-negotiation may be a separate process. Unless required as part of the prequalification process, the failure of the District and the prospective Proposer to reach agreement on pre-negotiated Contract terms and conditions does not prohibit the prospective Proposer from responding to Procurements. The District may agree to different pre-negotiated Contract terms and conditions with different prospective Proposers. When the District has pre-negotiated different terms and conditions with Proposers or, when permitted, Proposers offer different terms and conditions, the District may consider the terms and conditions in the Proposal evaluation process.

PPS 47-0560 Request for Qualifications ("RFQ")

For purposes of this section, an RFQ may be used without the RFQ constituting a prequalification pursuant to PPS 47-0550, if the District establishes the RFQ to determine whether competition exists to perform the

Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

needed Services or to establish a nonbinding, open list of qualified Contractors in addition to the general public and in order to expand the pool of qualified Contractors, prior to issuing an RFP. If the District establishes a closed, exclusive, or binding list of qualified Contractors, then the District must comply with Section (1) of this Rule. The District is not required to issue an RFQ and may elect to forego using an RFQ before issuing an RFP.

(1) Content of RFQ. At a minimum, the RFQ must describe the particular specialty desired, the qualifications the Contractor(s) must have in order to be considered, and the evaluation factors and their relative importance. The RFQ may require information including, but not limited to: the Contractor's particular capability to perform the required Services; the number of experienced staff available to perform the required Services, including specific qualifications and experience of personnel; a list of similar services the Contractor has completed, with references concerning past performance; and any other information deemed necessary by the District to evaluate Contractor qualifications. All RFQs must:

- (a) Be in Writing;
- (b) Provide that the District may, at any time during the solicitation process, reject any or all Proposals or cancel the solicitation without liability if it is in the public interest to do so; and
- (c) Provide that the District is not responsible for any costs of any Proposers incurred while submitting Proposals, and that all Proposers who respond to solicitations do so solely at their own expense, unless compensation is expressly provided for in the Solicitation Document.

(2) Pre-Submission Meeting. A qualifications pre-submission meeting, voluntary or mandatory, may be held for all interested Contractors to discuss the proposed Services. The RFQ must include the date, time, and place of the meeting(s).

(3) Notice and Opportunity to Submit RFQ. Unless the RFQ establishes that competition does not exist or unless the solicitation process is canceled or all qualification statements are rejected, all respondents who met the published qualifications must receive a notice, or other materials as appropriate, in addition to the general public, of any required Services and have an opportunity to submit a Proposal in response to the District's subsequent RFP.

PPS 47-0575 Debarment of Prospective Offerors

(1) Generally. The District may debar prospective Offerors for the reasons of discriminating against a subcontractor in the Awarding of a Contract because the subcontractor is a minority, women or emerging small business enterprise as set forth in ORS 279A.110, or after providing notice and the opportunity for hearing as set forth in Sections (5)-(8).

(2) Responsibility. Notwithstanding the limitation on the term for debarment in ORS 279B.130(1)(b), the District may determine that a previously debarred Offeror is not Responsible prior to Contract Award.

(3) Imputed Knowledge. The District may attribute improper conduct of a Person or their affiliate or affiliates having a Contract with a prospective Offeror to the prospective Offeror for purposes of debarment where the impropriety occurred in connection with the Person's duty for or on behalf of, or with the knowledge, approval, or acquiescence of, the prospective Offeror.

(4) Limited Participation. The District may allow a debarred Person to participate in solicitations and Contracts on a limited basis during the debarment period upon Written determination that participation is advantageous to the District. The determination must specify the factors on which it is based and define the extent of the limits imposed.

(5) Debarment Process. The District may debar a prospective Bidder or Proposer from consideration for Award of the District's Contracts for the reasons listed in Section (6) of this Rule after providing the prospective Bidder or Proposer with notice and a reasonable opportunity to be heard.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (a) The District may not debar a prospective Bidder or Proposer under this section for more than three years.
- (6) Reasons for Debarment.** A prospective Bidder or Proposer may be debarred from consideration for Award of the District's Contracts if:
- (a) The prospective Bidder or Proposer has been convicted of a criminal offense as an incident in obtaining or attempting to obtain a public or private contract or subcontract or in the performance of a public or private contract or subcontract.
 - (b) The prospective Bidder or Proposer has been convicted under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty that currently, seriously, and directly affects the prospective Bidder's or Proposer's responsibility as a Contractor.
 - (c) The prospective Bidder or Proposer has been convicted under state or federal antitrust statutes.
 - (d) The prospective Bidder or Proposer has committed a violation of a Contract provision that is regarded by the District or the Construction Contractors Board to be so serious as to justify disqualification. A violation may include, but is not limited to, a failure to perform the terms of a Contract or an unsatisfactory performance in accordance with the terms of the Contract. However, a failure to perform or an unsatisfactory performance caused by acts beyond the control of the Contractor may not be considered to be a basis for debarment.
 - (e) The prospective Bidder or Proposer does not carry workers' compensation or unemployment insurance as required by statute.
- (7) Written Debarment Decision Required.** The District shall issue a Written decision to debar a prospective Bidder or Proposer under this section. The decision must:
- (a) State the reasons for the action taken;
 - (b) Inform the debarred prospective Bidder or Proposer of the appeal rights of the prospective Bidder or Proposer under PPS 47-0760; and
 - (c) Be mailed or otherwise furnished immediately to the debarred prospective Bidder or Proposer.
- (8)** A prospective Bidder or Proposer that wishes to appeal debarment shall, within three business Days after receipt of notice of debarment, notify the District that the prospective Bidder or Proposer appeals the debarment as provided in PPS 47-0760.

OFFER EVALUATION AND AWARD

PPS 47-0600 Offer Evaluation and Award

- (1) District Evaluation.** The District must evaluate Offers only as set forth in the Solicitation Document pursuant to ORS 279B.055(6)(a) and 279B.060(6)(b) based on the requirements set forth in the ITB or RFP, and in accordance with applicable law. The District must not evaluate Offers using any other requirement or criterion.
- (a) Evaluation of Bids.
 - (A) Nonresident Bidders: In determining the lowest Responsive Bid, the District must apply the reciprocal preference set forth in ORS 279A.120(2)(b) and PPS 46-0310 for nonresident Bidders.
 - (B) Public Printing: The District must, for the purpose of evaluating Bids, apply the public printing preference set forth in ORS 282.210 (printing shall be performed within the state).

(C) **Award When Bids are Identical:** If the District determines that one or more Bids are identical under PPS 46-0300, the District must Award a Contract in accordance with the procedures set forth in PPS 46-0300.

(b) **Evaluation of Proposals.**

(A) **Award When Proposals are Identical:** If the District determines that one or more Proposals are identical under PPS 46-0300, the District must Award a Contract in accordance with the procedures set forth in PPS 46-0300.

(B) **Public Printing:** The District must, for the purpose of evaluating Proposals, apply the public printing preference set forth in ORS 282.210 (printing shall be performed within the state).

(c) **Recycled Materials.** When procuring Goods, the District shall give preference for Recycled Materials as set forth in ORS 279A.125 if:

(A) The Recycled Product is available;

(B) The Recycled Product meets applicable standards;

(C) The Recycled Product can be substituted for a comparable non-recycled product; and

(D) The Recycled Product's costs do not exceed the costs of non-recycled products by more than 5 percent, or a higher percentage if the District makes a Written determination.

(2) **Clarification of Bids or Proposals.** After the Opening, the District may conduct discussions with apparent Responsive Offerors for the purpose of clarification to assure full understanding of the Bids or Proposals. All Bids or Proposals, in the District's sole discretion, needing clarification must be afforded such an opportunity. The District must document clarification of any Offeror's Bid or Proposal in the Procurement File.

(3) **Negotiations.**

(a) **Bids.** The District shall not negotiate with any Bidder. After Award of the Contract, the District and Contractor may only modify the Contract in accordance with PPS 47-0800.

(b) **Requests for Proposals.** The District may only conduct discussions or negotiate with Proposers in accordance with ORS 279B.060(6)(b) and PPS 47-0261. After Award of the Contract, the District and Contractor may only modify the Contract in accordance with PPS 47-0800.

(4) **Award.**

(a) **General.** If Awarded, the District must Award the Contract to the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer submitting the most advantageous Responsive Proposal. The District may Award by item, groups of items, or the entire Offer, provided such Award is consistent with the Solicitation Document and in the public interest.

(b) **Multiple Items.** An Invitation to Bid or Request for Proposals may call for pricing of multiple items of similar or related type with the Award based on individual line item, group total of certain items, a "market basket" of items representative of the District's expected purchases, or grand total of all items.

(c) **Multiple Awards—Bids.**

(A) Notwithstanding Section (4)(a) of this Rule, the District may Award multiple Contracts under an Invitation to Bid in accordance with the criteria set forth in the Invitation to Bid. A multiple Award may be made if the Award to two or more Bidders is beneficial for adequate availability, delivery, service, competition, pricing, product capabilities, or other factors deemed significant by the District. Multiple Awards may not be allowed for user preference

unrelated to utility or economy. A notice to prospective Bidders that multiple Contracts may be Awarded for any Invitation to Bid shall not preclude the District from Awarding a single Contract for such Invitation to Bid.

- (B) If an Invitation to Bid permits the Award of multiple Contracts, the District must specify in the Invitation to Bid the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services.
- (d) Multiple Awards—Proposals.
 - (A) Notwithstanding Section (4)(a) of this Rule, the District may Award multiple Contracts under a Request for Proposals in accordance with the criteria set forth in the Request for Proposals. A multiple Award may be made if the Award to two or more Proposers is beneficial for adequate availability, delivery, service, competition, pricing, product capabilities, or other factors deemed significant by the District. Multiple Awards may not be allowed for user preference unrelated to utility or economy. A notice to prospective Proposers that multiple Contracts may be Awarded for any Request for Proposals must not preclude the District from Awarding a single Contract for such Request for Proposals.
 - (B) If a Request for Proposals permits the Award of multiple Contracts, the District must specify in the Request for Proposals the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services, which may include consideration and evaluation of the Contract terms and conditions agreed to by the Contractors.
- (e) Partial Awards. If after evaluation of Offers the District determines that an acceptable Offer has been received for only parts of the requirements of the Solicitation Document:
 - (A) The District may Award a Contract for the parts of the Solicitation Document for which acceptable Offers have been received; or
 - (B) The District may reject all Offers and may issue a new Solicitation Document on the same or revised terms, conditions, and Specifications.
- (f) All-or-None Offers. The District may Award all-or-none Offers if the evaluation shows an all-or-none Award to be the lowest cost for Bids or the most advantageous for Proposals of those submitted.

PPS 47-0610 Notice of Intent to Award

(1) **Notice of Intent to Award.** The District must provide Written notice to all Offerors of its Intent to Award pursuant to ORS 279B.135 at least seven Days before the Award of a Contract, unless the District determines that circumstances justify prompt execution of the Contract, in which case the District may provide a shorter notice period. The District must document the specific reasons for the shorter notice period in the Procurement File. This section does not apply to a Contract Awarded as a Small Procurement, an Intermediate Procurement, a sole-source Procurement, an Emergency Procurement, or a Special Procurement.

(2) **Finality.** The District's Award will not be final until the later of the following:

- (a) The expiration of the protest period provided pursuant to PPS 47-0740; or
- (b) The District provides Written responses to all timely filed protests denying the protests and affirming the Award.

PPS 47-0620 Documentation of Award

(1) **Basis of Award.** After Award, the District must make a record showing the basis for determining the successful Offeror as part of the District's Procurement File.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (2) **Contents of Award Record.** The District's record must include:
- (a) For Bids.
 - (A) Bids;
 - (B) Completed Bid tabulation sheet; and
 - (C) Written justification for any rejection of lower Bids.
 - (b) For Proposals.
 - (A) Proposals;
 - (B) The completed evaluation of the Proposals;
 - (C) Written justification for any rejection of higher-scoring Proposals; and
 - (D) If the District engaged in any of the methods of Contractor selection described in ORS 279B.060(6)(b) and PPS 47-0261, Written documentation of the content of any discussions, negotiations, best and final Offers, or any other procedures the District used to select a Proposer to which the District Awarded a Contract.

PPS 47-0630 Availability of Award Decisions

- (1) **Contract Documents.** To the extent required by the Solicitation Document, the District must deliver to the successful Offeror a Contract, a Signed Purchase Order, Price Agreement, or other Contract Documents as applicable.
- (2) **Availability of Award Decisions.** A Person may obtain tabulations of Awarded Bids or evaluation summaries of Proposals for a minimal charge in person or by submitting to the District a Written request accompanied by payment. The requesting Person must provide the Solicitation Document number and enclose a self-addressed, stamped envelope.
- (3) **Availability of Procurement Files.** After notice of Intent to Award, the District must make Procurement Files available in accordance with applicable law.

PPS 47-0640 Rejection of an Offer

- (1) **Rejection.**
- (a) Any solicitation or Procurement described in a solicitation may be canceled, or any or all Bids or Proposals may be rejected in whole or in part, when the cancellation or rejection is in the best interest of the District as determined by the District. The reasons for the cancellation or rejection must be made part of the Procurement File. The District is not liable to any Bidder or Proposer for any loss or expense caused by or resulting from the cancellation or rejection of a solicitation, Bid, Proposal, or Award. ORS 279B.100.
 - (b) The District must reject an Offer upon the District's Finding that the Offer:
 - (A) Is contingent on the District's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;
 - (B) Takes exception to terms and conditions (including Specifications) set forth in the Solicitation Document;
 - (C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of the Solicitation Document or in contravention of applicable law;
 - (D) Offers Goods and Services that fail to meet the Specifications of the Solicitation Document;

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (E) Is late;
 - (F) Is not in substantial compliance with the Solicitation Document; or
 - (G) Is not in substantial compliance with all prescribed public Procurement procedures.
- (c) The District must reject an Offer upon the District's Finding that the Offeror:
- (A) Has not been prequalified and the District required mandatory prequalification;
 - (B) Has been debarred or has been disqualified under PPS 46-0210(4) (Disqualification);
 - (C) Has not met the requirements of ORS 279A.105 (emerging small business), if required by the Solicitation Document;
 - (D) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;
 - (E) Has failed to provide the certification of non-discrimination required under ORS 279A.110(4); or
 - (F) Is Non-Responsible. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the District must have information that indicates that the Offeror meets the applicable standards of responsibility. To be a Responsible Offeror, the District must determine under ORS 279B.110 that the Offeror:
 - (i) Has available the appropriate financial, material, equipment, facility and personnel resources, and expertise, or ability to obtain the resources and expertise, necessary to meet all contractual responsibilities;
 - (ii) Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that to the extent the costs associated with and time available to perform a previous contract were within the Offeror's control, the Offeror stayed within the time and budget allotted for the Procurement, and otherwise performed the contract in a satisfactory manner. The District should carefully scrutinize an Offeror's record of contract performance if the Offeror is or has recently been materially deficient in contract performance. In reviewing the Offeror's performance, the District should determine whether the Offeror's deficient performance was expressly excused under the terms of the contract, or whether the Offeror took appropriate corrective action. The District may review the Offeror's performance on both private and Public Contracts in determining the Offeror's record of contract performance. The District must make its basis for determining an Offeror non-Responsible under this section part of the Procurement File as required by ORS 279B.110(2)(b).
 - (iii) Has a satisfactory record of integrity. An Offeror may lack integrity if the District determines that the Offeror demonstrates a lack of business ethics, such as violation of state environmental laws or false certifications made to the District. The District may find an Offeror non-Responsible based on the lack of integrity of any person having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the contract or a parent company, predecessor, or successor person). The standards for debarment under ORS 279B.130 may be used to determine an Offeror's integrity. The District may find an Offeror non-Responsible based on previous convictions of offenses related to obtaining or attempting to obtain a contract or subcontract, or in connection

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

with the Offeror's performance of a contract or subcontract. The District must make its basis for determining that an Offeror is non-Responsible under this section part of the Procurement File as required by ORS 279B.110(2)(c);

- (iv) Is legally qualified to contract with the District;
- (v) Has attested in Writing that the Offeror complied with the tax laws of this state and of political subdivisions of this state; and
- (vi) Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Offeror fails to promptly supply information requested by the District concerning responsibility, the District must base the determination of responsibility on any available information, or may find the Offeror non-Responsible.

(2) **Required Tax Certification.** For the purposes of subparagraph (1)(c)(F)(v) of this rule:

- (A) The period for which the Offeror must attest that it complied with the applicable tax laws must extend no fewer than six years into the past from the date of the Closing.
- (B) Tax laws include, but are not limited to, ORS 305.620, ORS Chapters 316, 317, and 318, any tax provisions imposed by a political subdivision that apply to the Offeror or to the performance of the Contract, and any rules and regulations that implement or enforce those tax laws.
- (C) Contracting Agency may exercise discretion in determining whether a particular form of attesting to compliance with the tax laws is "credible and convenient" under ORS 279B.110(2)(e), taking into consideration the circumstances in which the attestation is made and the consequences of making a false attestation. Therefore, a Contracting Agency may accept forms of attestation that range from a notarized statement to a less formal document that records the Offeror's attestation. However, State Contracting Agencies may not accept the certificate of compliance with tax laws required by ORS 305.385 unless that certificate embraces, in addition to the tax laws described in ORS 305.380, the tax laws of political subdivisions.

(3) **Form of Business Entity.** For purposes of this Rule, the District may investigate any Person submitting an Offer. The investigation may include that Person's officers, directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this Rule or to apply the debarment provisions of this Rule.

PPS 47-0650 Rejection of All Offers

(1) **Rejection.** The District may reject all Offers when the rejection is in the best interest of the District as determined by the District. The reasons for the rejection must be made part of the Procurement File. The District is not liable to any Bidder or Proposer for any loss or expense caused by or resulting from the cancellation or rejection of a solicitation, Bid, Proposal, or Award. ORS 279B.100. The District must notify all Offerors of the rejection of all Offers, along with the reasons for rejection of all Offers.

(2) **Criteria.** The District may reject all Offers based on the following criteria:

- (a) The content of or an error in the Solicitation Document or the Procurement process unnecessarily restricted competition for the Contract;
- (b) The price, quality, or performance presented by the Offerors are too costly or of insufficient quality to justify acceptance of any Offer;
- (c) Misconduct, error, or ambiguous or misleading provisions in the Solicitation Document threaten the fairness and integrity of the competitive process;

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (d) Causes other than legitimate market forces threaten the integrity of the competitive process. These causes may include, without limitation, those that tend to limit competition, such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct, and inadvertent or intentional errors in the Solicitation Document;
- (e) The District cancels the Procurement or solicitation in accordance with PPS 47-0660; or
- (f) Any other circumstance indicating that Awarding the Contract would not be in the public interest.

PPS 47-0660 Cancellation of Procurement or Solicitation

(1) **Cancellation in the District Interest.** The District may cancel a Procurement or solicitation when the cancellation is in the best interest of the District as determined by the District. The reasons for the cancellation must be made part of the Procurement File. The District is not liable to any Bidder or Proposer for any loss or expense caused by or resulting from the cancellation or rejection of a solicitation, Bid, Proposal, or Award.

(2) **Notice of Cancellation Before Opening.** If the District cancels a Procurement or solicitation prior to Opening, the District must provide Written notice of cancellation in the same manner that the District initially provided notice of the solicitation. Such notice of cancellation must:

- (a) Identify the Solicitation Document;
- (b) Briefly explain the reason for cancellation; and
- (c) If appropriate, explain that an opportunity will be given to compete on any re-solicitation.

(3) **Notice of Cancellation After Opening.** If the District cancels a Procurement or solicitation after Opening, the District must provide Written notice of cancellation to all Offerors who submitted Offers.

PPS 47-0670 Disposition of Offers if Solicitation Cancelled

(1) **Prior to Opening.** If the District cancels a Procurement or solicitation prior to Opening, the District must return all Offers it received to Offerors unopened, provided the Offerors submitted their Offers in a hard copy format with a clearly visible return address. If there is no return address on the envelope, the District must open the Offer to determine the source and then return it to the Offeror. For Electronic Offers, the District must delete the Offers from ORPIN or other approved Electronic Procurement System.

(2) **After Opening.** If the District cancels a Procurement or solicitation after Opening, the District:

- (a) May return Proposals in accordance with ORS 279B.060(6)(c); and
- (b) Must keep a list of all Offers received in the Procurement File.

(3) **Rejection of All Offers.** If the District rejects all Offers, the District must keep all Proposals and Bids in the Procurement File.

The Contract Review Board shall issue a Written disposition of the protest in a timely manner. If the Contract Review Board upholds the protest, in whole or in part, it may in its sole discretion implement the sustained protest in the approval of the Special Procurement, or revoke the approval of the Special Procurement.

(5) **Judicial Review.** An affected Person may seek judicial review of the Superintendent's decision relating to a protest of the approval of a Special Procurement in accordance with ORS 279B.400.

(1) **Purpose.** For sole-source Procurements requiring public notice under PPS 47-0275, an affected Person may protest the determination of the Superintendent or designee that the Goods or Services or class of Goods or Services are available from only one source. Pursuant to ORS 279B.420(3)(f), before seeking judicial review, an affected Person must file a Written protest with the Superintendent or designee and exhaust all administrative remedies.

(2) **Delivery.** Unless otherwise specified in the public notice of the sole-source Procurement, an affected Person must deliver a Written protest to the Superintendent or designee within seven Days after the first date of public notice of the sole-source Procurement, unless a different protest period is provided in the public notice of a sole-source Procurement.

(3) **Content of Protest.** The Written protest must include:

- (a) A detailed statement of the legal and factual grounds for the protest;
- (b) A description of the resulting harm to the affected Person; and
- (c) The relief requested.

(4) **Response.** The Superintendent or designee shall not consider an affected Person's sole-source Procurement protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the public notice of the sole-source Procurement. The Superintendent or designee shall issue a Written disposition of the protest in a timely manner. If the Superintendent or designee upholds the protest, in whole or in part, the Superintendent shall not enter into a sole-source Contract.

(5) **Judicial Review.** Judicial review of the Superintendent's or designee's disposition of a sole-source Procurement protest shall be in accordance with ORS 279B.420.

PPS 47-0720 Protests and Judicial Review of Multi-Tiered and Multi-Step Solicitations

(1) **Purpose.** An affected Offeror may protest exclusion from the Competitive Range or from subsequent tiers or steps of a solicitation in accordance with the applicable Solicitation Document. When such a protest is permitted by the Solicitation Document, then pursuant to ORS 279B.420(3)(f), before seeking judicial review, an affected Offeror must file a Written protest with the District and exhaust all administrative remedies.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (2) **Basis for Protest.** An affected Offeror may only protest its exclusion from a tier or step of competition if the Offeror is Responsible and submitted a Responsive Offer and, but for the District's mistake in evaluating the Offerors or other Offerors' Offers, the protesting Offeror would have been eligible to participate in the next tier, step, or phase of competition. For example, the protesting Offeror must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring Offerors are removed from consideration, and that those ineligible Offerors are ineligible for inclusion in the Competitive Range because their Proposals were not Responsive, or the District committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.
- (3) **Delivery.** Unless otherwise specified in the Solicitation Document, an affected Offeror must deliver a Written protest to the District within five Days after issuance of the notice of the Competitive Range or notice of subsequent tiers, steps, or phases.
- (4) **Content of Protest.** The affected Offeror's protest must be in Writing and must specify the grounds on which the protest is based.
- (5) **District Response.** The District must not consider an affected Offeror's Multi-Tiered or Multi-Step solicitation protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the Solicitation Document. The District must issue a Written disposition of the protest in a timely manner. If the District upholds the protest, in whole or in part, the District may in its sole discretion either issue an Addendum under PPS 47-0430 reflecting its disposition or cancel the Procurement or solicitation under PPS 47-0660.
- (6) **Judicial Review.** Judicial review of the District's decision relating to a Multi-Tiered or Multi-Step solicitation protest must be in accordance with ORS 279B.420.

PPS 47-0730 Protests and Judicial Review of Solicitations

- (1) **Protests.** A prospective Offeror may protest the Procurement process or the Solicitation Document for a Contract solicited under ORS 279B.055, 279B.060, and 279B.085 as set forth in ORS 279B.405(2). Pursuant to ORS 279B.405(3), before seeking judicial review, a prospective Offeror must file a Written protest with the District and exhaust all administrative remedies.
- (2) **Delivery.** Unless otherwise specified in the Solicitation Document, a prospective Offeror must deliver a Written protest to the District not less than five Days prior to Closing.
- (3) **Content of Protest.** The prospective Offeror's Written protest must include:
- (a) Sufficient information to identify the solicitation that is the subject of the protest;
 - (b) The grounds that demonstrate how the Procurement process is contrary to law or how the Solicitation Document is unnecessarily restrictive, is legally flawed, or improperly specifies a Brand Name;
 - (c) Evidence or supporting documentation that supports the grounds on which the protest is based; and
 - (d) A statement of the desired changes to the Procurement process or the Solicitation Document that the prospective Offeror believes will remedy the conditions upon which the prospective Offeror based its protest.
- (4) **District Response.** The District will not consider a Prospective Offeror's solicitation protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the Solicitation Document. The District must consider the protest if it is timely

filed and meets the conditions set forth in Section (3) of this Rule. The District will issue a Written disposition of the protest no fewer than three business Days before Offers are due. If the District upholds the protest, in whole or in part, the District may in its sole discretion either issue an Addendum reflecting its disposition under PPS 47-0430 or cancel the Procurement or solicitation under PPS 47-0660.

(5) Extension of Closing. If the District receives a protest from a prospective Offeror in accordance with this Rule, the District may extend Closing if the District determines an extension is necessary to consider and respond to the protest.

(6) Clarification. Prior to the deadline for submitting a protest, a prospective Offeror may request that the District clarify any provision of the Solicitation Document. The District's clarification to an Offeror, whether orally or in Writing, does not change the Solicitation Document and is not binding on the District unless the District amends the Solicitation Document by Addendum.

(7) Judicial Review. Judicial review of the District's decision relating to a solicitation protest must be in accordance with ORS 279B.405.

(8) Failure to Protest or Request a Clarification Precludes Protest of Award on Such Issue. An Offeror cannot protest an Award based on any issue that could have, but was not, raised as a Request for Clarification or Protest of solicitation pursuant to this section.

PPS 47-0740 Protests and Judicial Review of Contract Award

(1) Purpose. An Offeror may protest the Award of a Contract, or the Intent to Award a Contract, whichever occurs first, if:

- (a)** The Bidder or Proposer is adversely affected because the Bidder or Proposer would be eligible to be Awarded the Public Contract in the event that the protest were successful; and
- (b)** The reason for the protest is that:
 - (A)** All lower Bids or higher-ranked Proposals are non-Responsive;
 - (B)** The District has failed to conduct the evaluation of Proposals in accordance with the criteria or processes described in the solicitation materials;
 - (C)** The District has abused its discretion in rejecting the protestor's Bid or Proposal as non-Responsive; or
 - (D)** The District's evaluation of Bids or Proposals or the District's subsequent determination of Award is otherwise in violation of these Rules or the Public Contracting Code.

(2) Delivery. An Offeror must file a Written protest with the District and exhaust all administrative remedies before seeking judicial review of the District's Contract Award decision. Unless otherwise specified in the Solicitation Document, an Offeror must deliver a Written protest to the District within seven Days after the Award of a Contract, or issuance of the notice of intent to Award the Contract, whichever occurs first.

(3) Content of Protest. An Offeror's Written protest shall specify the grounds for the protest to be considered by the District pursuant to Section (1) of this Rule.

(4) District Response. The District shall not consider an Offeror's Contract Award protest submitted after the timeline established for submitting such protest under this Rule, or such different time period as may be provided in the Solicitation Document. The District shall issue a Written disposition of the protest in a timely manner. If the District upholds the protest, in whole or in part, the District may in its sole discretion either Award the Contract to the successful protestor or cancel the Procurement or solicitation.

(5) **Judicial Review.** Judicial review of the District's decision relating to a Contract Award protest shall be in accordance with ORS 279B.415.

PPS 47-0750 Judicial Review of Other Violations

Any violation of ORS 279A or 279B by the District, for which no judicial remedy is otherwise provided in the Public Contracting Code, is subject to judicial review as set forth in ORS 279B.420.

PPS 47-0760 Review of Prequalification and Debarment Decisions

(1) Upon receipt of a notice from the District of a prequalification decision under ORS 279B.125 or of a decision to debar under ORS 279B.130, a prospective Bidder or Proposer that wishes to appeal the decision shall, within three Days after receipt of the notice, notify the District that the prospective Bidder or Proposer appeals the decision as provided in this section.

(2) Immediately upon receipt of the prospective Bidder's or Proposer's notice of appeal, the District shall notify the appropriate Local Contract Review Board.

(3) Upon the receipt of notice from the District under Section (2) of this Rule, the Contract Review Board shall promptly notify the Person appealing and the District of the time and place of the hearing. The Contract Review Board shall conduct the hearing and decide the appeal within 30 Days after receiving the notice from the District. The Contract Review Board shall set forth in Writing the reasons for the hearing decision.

(4) At the hearing, the Contract Review Board shall consider de novo the notice of denial, revocation, or revision of a prequalification or the notice of debarment, the standards of responsibility listed in ORS 279B.110(2) on which the District based the denial, revocation or revision of the prequalification or the reasons listed in ORS 279B.130(2) on which the District based the debarment, and any evidence provided by the parties. Hearings before the Contract Review Board shall be conducted under rules of procedure adopted by the Contract Review Board.

(5) The Contract Review Board may allocate the Contract Review Board's costs for the hearing between the Person appealing and the District. The allocation shall be based on facts found by the Contract Review Board and stated in the final order that, in the Contract Review Board's opinion, warrant such allocation of costs. If the final order does not allocate the costs for the hearing, the costs shall be paid as follows:

- (a) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder or the decision to debar a Person is upheld, the costs shall be paid by the Person appealing the decision.
- (b) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder or the decision to debar a Person is reversed, the costs shall be paid by the District.

(6) Judicial review of the District's prequalification and debarment decisions must be as set forth in ORS 279B.425.

PPS 47-0800 Amendments to Goods or Services Contracts and Price Agreements

(1) **Generally.** The District may Amend a Contract for Goods or Services without additional competition in any of the following circumstances:

- (a) The amendment is within the scope of the Procurement as described in the Solicitation Documents, if any, or if no Solicitation Documents, as described in the sole-source notice or the approved Special Procurement, or the Contract, if any. An amendment is not within the scope of the Procurement if the District determines that if it had described in the Procurement the changes to be made by the amendment, it would likely have increased competition or affected Award of the Contract.

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) These Rules otherwise permit the District to Award a Contract without competition for the Goods or Services to be procured under the amendment.
 - (c) The amendment is necessary to comply with a change in law that affects performance of the Contract.
 - (d) The amendment results from renegotiation of the terms and conditions, including the Contract Price, of a Contract and the amendment is advantageous to the District, subject to all of the following conditions:
 - (A) The Goods or Services to be provided under the Amended Contract are the same as the Goods or Services to be provided under the unamended Contract.
 - (B) The District determines that, with all things considered, the Amended Contract is at least as favorable to the District as the unamended Contract.
 - (C) The amended Contract does not have a total term greater than allowed in the Solicitation Documents, if any, or if no Solicitation Documents, as described in the sole-source notice or the approved Special Procurement, if any, after combining the initial and extended terms. For example, a one-year Contract described as renewable each year for up to four additional years, may be renegotiated as a two- to five-year Contract, but not beyond a total of five years.
- (2) **Price Agreements.** The District may amend a Price Agreement as follows:
- (a) As permitted by the Price Agreement;
 - (b) If the circumstances set forth in ORS 279B.140(2) exist, as follows:
 - (A) The District fails to receive funding or appropriations to sustain purchases at the levels contemplated at the time of contracting; or
 - (B) The applicable program is terminated or the law changes so that purchases under the Price Agreement are no longer authorized or appropriate for the District's use; or
 - (c) As permitted by applicable law.
- (3) **Amendments That Would Cause a Contract to Exceed the Superintendent's Authority.** An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS 45-0200 must be approved by the School Board except as provided in PPS 45-0200.
- (4) **Reporting Requirement for Amendments/Change Orders That Exceed 125% of Original Contract Price.**
- (a) A Contract Amendment or Change Order or cumulative Contract Amendments or Change Orders that increase the total Contract Price to greater than one hundred twenty five percent (125%) of the original Contract Price shall be reported to the School Board, except in any of the following circumstances:
 - (A) The Original Contract Price does not exceed \$500,000.
 - (B) The Superintendent determines that the Amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original Contract, and the School Board previously approved the entire scope and/or maximum renewal terms. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or a contract that specifically allows for alternates or additional work.)

Portland Public Schools Public Contracting Rules
Division 47 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Contracts subject to the reporting requirement under this Rule shall be reported to the School Board a second time if subsequent Amendments or Change Orders increase the total Contract Price to greater than one hundred and fifty percent (150%) of the original Contract Price.
- (c) Contracts subject to the reporting requirement under this Rule shall be reported to the Board at the next regular business meeting of the Board following approval of the amendment or change triggering the reporting requirement. The report shall include an explanation of the basis for the amendment or change order.

The District shall use this information to create a list of prospective Consultants and shall update this list at least once every two years.
- (2) The District may compile and maintain a record of each Consultant's performance under Contracts with the particular Contracting Agency, including information obtained from Consultants during an exit interview. Upon request and in accordance with the Oregon Public Records Law (ORS 192.410 through 192.505), the District may make available copies of the records.

"Direct expenses" include all amounts that are directly attributable to Consultants' Services performed under each Contract, including personnel travel expenses, and that would not have been incurred but for the Services being performed. The record must include all personnel travel expenses as a separate and identifiable expense on the Contract; and
- (d) The total number of Contracts Awarded to each Consultant over the immediately preceding ten-year period from the date of the record.

PPS 48-0130 Applicable Selection Procedures; Pricing Information; Disclosure of Proposals; Conflicts of Interest

(1) **Selection of Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors.** When selecting the most qualified Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, the District shall follow the applicable selection procedure under either PPS 48-0200 (Direct Appointment Procedure), PPS 48-0210 (Informal Selection Procedure), or PPS 48-0220 (Formal Selection Procedure). The District may solicit or use pricing policies and pricing Proposals, or other pricing information, including the number of hours proposed for the Services required, expenses, hourly rates, and overhead, to determine a Consultant's compensation only after the District has selected the most qualified Consultant in accordance with the applicable selection procedure; provided, however, this restriction on a Contracting Agency's solicitation or use of pricing policies, pricing Proposals or other pricing information does not apply to selection procedures used by the Contracting Agency to select a Consultant when the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services for the Project do not exceed \$100,000 or in an Emergency, pursuant to ORS 279C.110(8) and (9). In following the Direct Appointment Procedure under PPS 48-0200, the District may base its initial selection of a Consultant on any information available to the District prior to beginning the Direct Appointment Procedure for the Project involved.

(2) **Selection of Consultants to Perform Related Services.** When selecting a Consultant to perform Related Services, the District shall follow one of the following selection procedures:

- (a) When selecting a Consultant on the basis of qualifications alone, the District shall follow the applicable selection procedure under either PPS 48-0200 (Direct Appointment Procedure), PPS 48-0210 (Informal Selection Procedure), or PPS 48-0220 (Formal Selection Procedure);
- (b) When selecting a Consultant on the basis of price competition alone, the District shall follow the applicable provisions under PPS 48-0200 (Direct Appointment Procedure), the applicable provisions of PPS 48-0210 (Informal Selection Procedure) pertaining to obtaining and evaluating price proposals and other pricing information, or the applicable provisions of PPS 48-0220 (Formal Selection Procedure) pertaining to obtaining and evaluating price proposals and other pricing information; and
- (c) When selecting a Consultant on the basis of price and qualifications, the District shall follow the applicable provisions under PPS 48-0200 (Direct Appointment Procedure), the applicable provisions of PPS 48-0210 (Informal Selection Procedure) pertaining to obtaining and evaluating price and qualifications proposals, or the applicable provisions of PPS 48-0220 (Formal Selection

Procedure) pertaining to obtaining and evaluating price and qualifications proposals. For selections under the Informal Selection procedure of PPS 48-0210, the District may use abbreviated Requests for Proposals that nevertheless meet the requirements of PPS 48-0210, when the District determines, in its sole discretion, that the characteristics of the Project and the Related Services required by the District would be adequately addressed by a more abbreviated Request for Proposals document generally comparable to the Intermediate Procurement procedures and related documentation under ORS 279B.070 and PPS 47-0270. The District may request and consider a Proposer's pricing policies and pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates, and overhead, submitted with a proposal.

(3) Sections (1) and (2) Do Not Apply to Price Agreements. The District is not required to follow the procedures in Section (1) or Section (2) of this Rule when the District has established Price Agreements pursuant to PPS 48-0270 with more than one Consultant and is selecting a single Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under an individual work order or task order.

(4) Electronic Selection. The District may use electronic methods to screen and select a Consultant in accordance with the procedures described in Sections (1) and (2) of this Rule. If The District uses electronic methods to screen and select a Consultant, the District shall first promulgate rules for conducting the screening and selection procedure by electronic means, substantially in conformance with PPS 47-0330 (Electronic Procurement).

(5) Contracts for "Mixed" Services. For purposes of these Division 48 Rules, a "mixed" Contract is one requiring the Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, and also provide Related Services, other Services or other related Goods under the Contract. The District's classification of a procurement that will involve a "mixed" Contract will be determined by the predominant purpose of the Contract. The District will determine the predominant purpose of the Contract by determining which of the Services involves the majority of the total Estimated Fee to be paid under the Contract. If the majority of the total Estimated Fee to be paid under the Contract is for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, the District shall comply with the requirements of Section (1) of this Rule. If the majority of the total Estimated Fee to be paid under the Contract is for Related Services, the District shall comply with the requirements of Section (2) of this Rule. If the majority of the total Estimated Fee to be paid under the Contract is for some other Services or Goods under the Public Contracting Code, the District shall comply with the applicable provisions of PPS Divisions 46, 47 and 49 of these Rules that match the predominant purpose of the Contract.

(6) Compliance With Board Policy. In applying these Rules, the District shall support Board Policies relating to District Contracts.

(7) Disclosure Requirements for Proposals Under Division 48. The following provisions apply to proposals received by the District for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services:

- (a) "Competitive Proposals" Means all Proposals Solicited under Division 48.** The term "Competitive Proposal" includes Proposals under PPS 48-0200 (Direct Appointment Procedure), PPS 48-0210 (Informal Selection Procedure), PPS 48-0220 (Formal Selection Procedure) or PPS 48-0130(2)(c) (Selection Based on Price and Qualifications), and any proposals submitted in response to a selection process for a work order or task order under PPS 48-0270 (Price Agreements) or PPS 48-0280 (FSCP).

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Direct Appointments. For purposes of Proposals received by the District under PPS 48-0200 (Direct Appointment Procedure), a formal notice of Intent to Award is not required. As a result, while the District may make Proposals under PPS 48-0200 (Direct Appointment Procedure) open for public inspection following the District's decision to begin Contract negotiations with the selected Consultant, Proposals are not required to be open for public inspection until after the District has executed a Contract with the selected Consultant.
- (c) Closely Competitive Proposals. Where the District is conducting discussions or negotiations with Proposers who submit Proposals that the District has determined to be closely competitive or to have a reasonable chance of being selected for Award, the District may open Proposals so as to avoid disclosure of Proposal contents to competing Proposers, consistent with the requirements of ORS 279C.107. Otherwise, the District may open Proposals in such a way as to avoid disclosure of the contents until after the District executes a Contract with the selected Consultant. If the District determines that it is in the best interest of the District to do so, the District may make Proposals available for public inspection following the District's issuance of a notice of Intent to Award a Contract to a Consultant.
- (d) ORS 297C.107 Requirements. Disclosure of Proposals and Proposal information is otherwise governed by ORS 279C.107 as follows:
 - (A) The District may open Proposals so as to avoid disclosing contents to competing Proposers during, where applicable, the process of negotiation.
 - (B) The District need not open Proposals for public inspection until after the District executes a Contract.
 - (C) Regardless of when Proposals are opened for public inspection, the District shall withhold from disclosure trade secrets as defined in ORS 192.501, and information submitted to the District in confidence as described in ORS 192.502.
 - (D) Opening a Proposal at a public meeting of the Board or other body subject to the Public Meetings Law does not make the contents of the Proposal subject to disclosure regardless of whether an executive session has been called.
 - (E) If a request for Proposals is cancelled after Proposals are received, the District shall, subject to ORS 192.501 and 192.502, return a Proposal and all copies of the Proposal to the Proposer. The District shall keep a list of returned Proposals in the Procurement File.
- (8) Independent and Objective Oversight Required.** Pursuant to ORS 279C.307, when procuring Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with, or otherwise overseeing a Contract subject to PPS Divisions 48 or 49 ("ORS 279C.307 Services"), the District may not:

Services, construction services, or Public Contracting. If the District procedure permits, the District may include on the evaluation committee private practitioners of architecture, engineering, photogrammetry, transportation or land surveying, or related professions. The District shall designate one member of the evaluation committee as the evaluation committee chairperson.

classifications, then each criterion is of equal value. Evaluation price criteria may include, but are not limited to, the total price for the Related Services described in the RFP, Consultant pricing policies, and other pricing information such as the Consultant's estimated number of staff hours needed to perform the Related Services described in the RFP, expenses, hourly rates and overhead;

 - (C) The evaluation committee shall provide to the District the results of the scoring and ranking for each Proposer.
- (d) If the District does not cancel the RFP after it receives the results of the scoring and ranking for each Proposer, the District will begin negotiating a Contract with the highest-ranked Proposer. The District shall direct negotiations toward obtaining Written agreement on:
- (A) The Consultant's performance obligations and performance schedule;
 - (B) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the District as determined solely by the District, taking into account the value, scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and
 - (C) Any other provisions the District believes to be in the District's best interest to negotiate.

Portland Public Schools Public Contracting Rules

- (e) The District shall, either orally or in Writing, formally terminate negotiations with the highest-ranked Proposer if the District and Proposer are unable for any reason to reach agreement on a Contract within a reasonable amount of time. The District may thereafter negotiate with the second-ranked Proposer, and if necessary, with the third-ranked Proposer, and so on, in accordance with Section (4)(c) of this Rule, until negotiations result in a Contract. If negotiations with any Proposer do not result in a Contract within a reasonable amount of time, the District may end the particular formal solicitation. Nothing in this Rule precludes the District from proceeding with a new formal solicitation for the same Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP that failed to result in a Contract.

PPS 48-0230 Ties Among Proposers

(1) If the District is selecting a Consultant on the basis of qualifications alone and determines after the ranking of Proposers that two or more Proposers are equally qualified, the District may select a candidate through any process that the District believes will result in the best value for the District, taking into account the scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services. Provided, however, that the tie-breaking process established by the District under this Section (1) cannot be based on pricing policies and pricing Proposals, or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates, and overhead. The process must be designed to instill public confidence through ethical and fair dealing, honesty, and good faith on the part of the District and Proposers and shall protect the integrity of the Public Contracting process. Once a tie is broken, the District and the selected Proposer shall proceed with negotiations under PPS 48-0210(3) or 48-0220(4)(c), as applicable.

(2) If the District is selecting a Consultant on the basis of price alone, or on the basis of price and qualifications, and determines after the ranking of Proposers that two or more Proposers are identical in terms of price or are identical in terms of price and qualifications, then the District shall follow the procedure set forth in PPS 46-0300 to select the Consultant.

PPS 48-0240 Protest Procedures

(1) **RFP Protest and Request for Change.** Consultants may submit a Written protest of anything contained in an RFP and may request a change to any provision, Specification, or Contract term contained in an RFP, no later than seven Days prior to the date Proposals are due, unless a different deadline is indicated in the RFP. Each protest and request for change must include the reasons for the protest or request, and any proposed changes to the RFP provisions, Specifications, or Contract terms. The District may not consider any protest or request for change that is submitted after the submission deadline.

(2) **Protest of Consultant Selection.**

(a) **Single Award.** In the event of an Award to a single Proposer, the District shall provide to all Proposers a copy of the selection notice that the District sent to the highest-ranked Proposer. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest-ranked Proposer may submit a Written protest of the selection to the District no later than seven Days after the date of the selection notice, unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is the highest-ranked Proposer because the Proposals of all higher-ranked Proposers failed to meet the requirements of the RFP, or because the higher-ranked Proposers otherwise are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.

(b) **Multiple Award.** In the event of an Award to more than one Proposer, the District shall provide to all Proposers copies of the selection notices that the District sent to the highest-ranked

Other Than Personal Services

Proposers. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest-ranked Proposers may submit a Written protest of the selection to the District no later than seven Days after the date of the selection notices, unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is one of the highest-ranked Proposers because the Proposals of all higher-ranked Proposers failed to meet the requirements of the RFP, or because a sufficient number of Proposals of higher-ranked Proposers failed to meet the requirements of the RFP. In the alternative, a Proposer submitting a protest must claim that the Proposals of all higher-ranked Proposers, or a sufficient number of higher-ranked Proposers to include the protesting Proposer in the group of highest-ranked Proposers, otherwise are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.

- (c) Effect of Protest Submission Deadline. The District may not consider any protest that is submitted after the submission deadline.

(3) **Resolution of Protests.** A duly authorized representative of the District shall resolve all timely submitted protests within a reasonable time following the District's receipt of the protest, and once resolved, shall promptly issue a Written decision on the protest to the Proposer who submitted the protest. If the protest results in a change to the RFP, the District shall revise the RFP accordingly and shall re-advertise the RFP in accordance with these Rules.

PPS 48-0250 Solicitation Cancellation, Delay, or Suspension; Rejection of All Proposals or Responses; Consultant Responsibility for Costs

The District may cancel, delay, or suspend a solicitation, RFQ, or other preliminary Procurement document, whether related to a Direct Appointment Procedure (PPS 48-0200), Informal Selection Procedure (PPS 48-0210), or a Formal Selection Procedure (PPS 48-0200), or reject all Proposals, responses to RFQs, responses to other preliminary Procurement documents, or any combination of the foregoing, if the District believes it is in the public interest to do so. In the event of any such cancellation, delay, suspension, or rejection, the District is not liable to any Proposer for any loss or expense caused by or resulting from any such cancellation, delay, suspension, or rejection. Consultants responding to solicitations, RFQs, or other preliminary Procurement documents are responsible for all costs they may incur in connection with submitting Proposals, responses to RFQs, or responses to other preliminary Procurement documents.

PPS 48-0260 Two-Tiered Selection Procedure for District Public Improvement Projects

(1) If the District requires an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for a public improvement that is owned and maintained by the District and a State Agency will serve as the lead, the District will enter into Contracts with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for that Public Improvement, and the State Contracting Agency shall utilize the two-tiered selection process described below to obtain these Contracts with Architects, Engineers, or Land Surveyors.

(2) **Tier One.** State that the District shall, when feasible, identify no fewer than the three most qualified Proposers responding to an RFP that was issued under the applicable selection procedures described in PPS 48-0210 and 48-0220, or from among Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors identified under PPS 48-0200, and shall notify the District of the Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors selected.

(3) **Tier Two.** In accordance with the qualifications-based selection requirements of ORS 279C.110, the District shall either:

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (a) Select an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor from the State Contracting Agency's list of Proposers to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the District's public improvement; or
 - (b) Select an Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the District's Public Improvement through an alternative process adopted by the District consistent with the provisions of the applicable RFP, if any, and these Division 48 Rules. The District's alternative process must be described in the applicable RFP, may be structured to take into account the unique circumstances of the particular procurement of the District, and may include provisions to allow the District to perform its tier-two responsibilities efficiently and economically, alone or in cooperation with other Local Contracting Agencies. The District's alternative process may include, but is not limited to, one or more of the following methods:
 - (A) A general Written direction from the District to the State Contracting Agency, prior to the advertisement of a Procurement or series of Procurements, or during the course of the Procurement or series of Procurements, that the District's tier two selection shall be the highest-ranked firm identified by the State Contracting Agency during the tier one process, and that no further coordination or consultation with the District is required. However, the District may provide Written notice to the State Contracting Agency that the District's general Written direction is not to be applied for a particular Procurement and describe the process that the District will utilize for the particular Procurement. In order for a Written direction from the District consistent with this section to be effective for a particular Procurement, it must be received by the Contracting Agency with adequate time for the State Contracting Agency to revise the RFP in order for Proposers to be notified of the tier two process to be utilized in the Procurement. In the event of a multiple Award under the terms of the applicable Procurement, the Written direction from the District may apply to the highest-ranked Proposers that are selected under the terms of the Procurement document.
 - (B) An intergovernmental agreement between the District and the Contracting Agency outlining the alternative process that the District has adopted for a Procurement or series of Procurements.
 - (C) Where multiple Local Government Contracting Agencies are involved in a two-tiered selection procedure, the Local Government Contracting Agencies may name one or more authorized representative(s) to act on behalf of all the Local Government Contracting Agencies, whether the Local Government Contracting Agencies are acting collectively or individually, to select the Architect, Engineer, Photogrammetrist, Transportation Planner, or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the tier two selection process. In the event of a multiple Award under the terms of the applicable Procurement, the authorized representative(s) of the Local Contracting Agencies may act on behalf of the District to select the highest-ranked firms that are required under the terms of the Procurement document, as part of the tier two selection process.
- (4) In the event the State Contracting Agency has made a multiple award of Price Agreements pursuant to OAR 137-048-0270, with that multiple award of Price Agreements meeting the tier-one requirements of ORS 279C.125 and this rule, the District shall make its tier-two selection of an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor for a project-specific work order or task order from the Consultants who have executed Price Agreements with the State Contracting Agency, in accordance

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services

with the work order or task order assignment procedures established by the State Contracting Agency in the Price Agreements. If the District elects to select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for District's public improvement through an alternative process adopted by the District, the requirements of that alternative process must be specified in the RFP, if any, in the executed Price Agreements, or in the project-specific work order or task order assignment procedures provided to the Consultants who have executed Price Agreements, at the time the selection of a Consultant is made for the project-specific work order or task order.

(5) The State Contracting Agency shall thereafter begin Contract negotiations with the selected Architect, Engineer, or Land Surveyor in accordance with the negotiation provisions in PPS 48-0200, 48-0210, or 48-0220 as applicable.

(6) Nothing in these Division 48 Rules should be construed to deny or limit the District's ability to contract directly with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors pursuant to ORS 279C.125(4) through a selection process established by the District.

PPS 48-0270 Price Agreements

(1) The District may establish Price Agreements for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services when the District cannot determine the precise quantities of those Services that the District will require over a specified time period.

(2) When establishing Price Agreements under this Rule, the District shall select no fewer than three Consultants, when feasible. The selection procedures for establishing Price Agreements shall be in accordance with PPS 48-0130(1) or 48-0130(2), as applicable. The District may select a single Consultant when a Price Agreement is Awarded to obtain Services for a specific Project or a closely-related group of Projects.

(3) In addition to any other applicable solicitation requirements set forth in these Division 48 Rules, solicitation materials and the terms and conditions for a Price Agreement for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services must:

- (a) Include a scope of Services, menu of Services, a specification for Services or a similar description of the nature, general scope, complexity, and purpose of the procurement that will reasonably enable a prospective Bidder or Proposer to decide whether to submit a Bid or Proposal;
- (b) Specify whether the District intends to Award a Price Agreement to one Consultant or to multiple Consultants. If the District will Award a Price Agreement to more than one Consultant, the Solicitation Document and Price Agreement shall describe the criteria and procedures the District will use to select a Consultant for each individual work order or task order. Subject to the requirements of ORS 279C.110, the criteria and procedures to assign work orders or task orders that only involve or predominantly involve Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying services are at the District's sole discretion; provided, however, in circumstances where a direct Contract is not permitted under PPS 48-0200, the selection criteria cannot be based on pricing policies, pricing Proposals, or other pricing information, including the number of hours proposed for the Services required, expenses, hourly rates, and overhead. In accordance with PPS 48-0130(2) applicable to Related Services procurements, the selection criteria and procedures may be based solely on the qualifications of the Consultants, solely on pricing information, or a combination of both qualifications and pricing information. Pricing information may include the number of hours proposed for the Related Services required, expenses, hourly rates, overhead, and other price factors. Work order or task order assignment procedures under Price Agreements may include direct appointments, subject to the requirements of PPS 48-0200; and

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) Specify the maximum term for assigning Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the Price Agreement.

(4) When the solicitation materials and terms and conditions for a Price Agreement involve a two-tiered selection process pursuant to ORS 279C.125 and OAR 137-048-0260(1), the solicitation materials and terms and conditions for a Price Agreement must meet the requirements of subsection (3) of this rule, except as provided in this subsection (4). In the event of a planned multiple award of Price Agreements under a Procurement, the solicitation materials and terms and conditions for the Price Agreements must include assignment procedures for project-specific work orders or task orders that will allow the District to select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor for a work order or task order from the Consultants who have executed Price Agreements with the State Contracting Agency. If the District decides to use an alternative process adopted by the District for its tier-two selection process, however, the District's alternative process must be described in the solicitation materials and terms and conditions supporting the initial award of Price Agreements, in the executed Price Agreements, or in the project-specific assignment procedures for a work order or task order that are provided to the firms who have executed Price Agreements, at the time of selection for the project-specific work order or task order. The District's alternative process may be structured to take into account the unique circumstances of the District and may include provisions to allow the District to perform its tier two responsibilities efficiently and economically, alone or in cooperation with other Local Contracting Agencies, including, but not limited to, the methods specified in PPS 48-0260(3)(b).

(5) All Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services assigned under a Price Agreement require a Written work order or task order issued by the District. Any work orders or task orders assigned under a Price Agreement must include, at a minimum, the following:

- (a) The Consultant's performance obligations and performance schedule;
- (b) The payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the work order or task order that is fair and reasonable to the District, as determined solely by the District, taking into account the value, scope, complexity, and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services;
- (c) Language that incorporates all applicable terms and conditions of the Price Agreement into the work order or task order; and
- (d) Any other provisions the District believes to be in the District's best interest.

PPS 48-0280 FSCP

The Superintendent may establish an FSCP for a particular class of Architectural, Engineering, Land Surveying or Related Services where the need for such Services is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

(1) **Solicitation to Create an FSCP.** An FSCP can be established pursuant to an RFQ, an RFP, Competitive Quotes, or such other method of competitive Procurement as the Superintendent deems to be appropriate given the Services to be procured.

- (a) The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Procurement as demonstrating that the procurement qualifies for use of an FSCP under these Rules.

- (b) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside of the designated class of Contracts to the FSCP.
- (c) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
- (d) The solicitation may request a binding Price Quote or rate that will become part of a subsequent Contract or may establish the pool based on qualifications alone.
- (e) The solicitation may set or limit the value of the Work to be performed by the FSCP.

(2) Contracting for Work From an FSCP.

- (a) Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform individual Projects within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Projects will be offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has Offered Work to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may Offer Work out of sequence in the following circumstances:
 - (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
 - (B) Contract negotiations with the next-listed Contractor are not successful.
 - (C) The Project is for Work that is a continuation of, addition to, or is connected with Work previously performed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work.
 - (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability is required. In order to make this determination, the Superintendent shall conduct an informal Procurement pursuant to PPS 46-0510 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (b) An FSCP established under this section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
- (c) Appointment to an FSCP does not guarantee that a Contractor will receive a particular amount of Work or any Work at all.
- (d) The establishment of an FSCP does not preclude the Superintendent from procuring Work that would otherwise fall within the FSCP class of Work from other Contractors through any other Procurement method authorized under these Rules.
- (e) At any time during the term of an FSCP, the Superintendent may request confirmation from a Contractor or Contractors in the pool that the Contractor continues to maintain the skills, personnel, or other capability needed to perform the class of Work.

POST-SELECTION CONSIDERATIONS

PPS 48-0300 Prohibited Payment Methodology; Purchase Restrictions

- (1) Except as otherwise allowed by law, the District shall not enter into any Contract in which:
 - (a) The compensation paid under the Contract is solely based on or limited to the Consultant's hourly rates for the Consultant's personnel working on the Project, and reimbursable expenses incurred during the performance of Work on the Project (sometimes referred to as a "time and materials" Contract); and
 - (b) The Contract does not include a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract.

- (2) Except in cases of Emergency or in the particular instances noted in the sections below, the District shall not purchase any building materials, supplies, or equipment for any building, structure, or facility constructed by or for the District from any Consultant under a Contract with the District to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for the building, structure, or facility. This prohibition does not apply if either of the following circumstances exists:
 - (a) Consultant is providing Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under a Contract with the District to perform Design-Build Services or ESPC Services (see PPS 49-0670 and 49-0680); or
 - (b) That portion of the Contract relating to the acquisition of building materials, supplies, or equipment was Awarded to Consultant pursuant to applicable law governing the Award of such a Contract.

PPS 48-0310 Expired or Terminated Contracts; Reinstatement

- (1) If the District enters into a Contract for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services and that Contract subsequently expires or is terminated, the District may proceed as follows, subject to the requirements of Section (2) of this Rule:
 - (a) Expired Contracts. If the Contract has expired as the result of Project delay caused by the District or caused by any other occurrence outside the reasonable control of the District or the Consultant, and if no more than one year has passed since the Contract expiration date, the District may Amend the Contract to extend the Contract expiration date, revise the description of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract to reflect any material alteration of the Project made as a result of the delay, and revise the applicable performance schedule. Beginning on the effective date of the Amendment, the District and the Consultant shall continue performance under the Contract as Amended; or
 - (b) Terminated Contracts. If the District or both parties to the Contract have terminated the Contract for any reason and if no more than one year has passed since the Contract termination date, then the District may enter into a new Contract with the same Consultant to perform the remaining Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services not completed under the Original Contract, or to perform any remaining Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services not completed under the Contract as adjusted to reflect a material alteration of the Project.

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (2) The District may proceed under either Sections (1)(a) or (1)(b) of this Rule only after making Written Findings that Amending the existing Contract or entering into a new Contract with the Consultant will:
- (a) Promote efficient use of public funds and resources and result in substantial cost savings to the District;
 - (b) Protect the integrity of the Public Contracting process and the competitive nature of the Procurement process by not encouraging favoritism or substantially diminishing competition in the Award of Contracts; and
 - (c) Result in a Contract that is still within the scope of the final form of the original Procurement document.

PPS 48-0320 Contract Amendments

- (1) The District may amend any Contract if the District, in its sole discretion, determines that the Amendment is within the scope of the Solicitation Document and that the Amendment would not materially impact the field of competition for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the final form of the original Procurement document. In making this determination, the District shall consider potential alternative methods of procuring the Services contemplated under the proposed Amendment. An Amendment would not materially impact the field of competition for the Services described in the Solicitation Document if the District reasonably believes that the number of Proposers would not significantly increase if the Procurement document were re-issued to include the additional Services.
- (2) The District may Amend any Contract if the additional Services are required by reason of existing or new laws, rules, regulations, or ordinances of federal, state, or local agencies which affect performance of the Original Contract.
- (3) All Amendments to Contracts must be in Writing, must be Signed by an authorized representative of the Consultant and the District, and must receive all required approvals before the Amendments will be binding on the District.
- (4) **Amendments That Would Cause a Contract to Exceed the Superintendent's Authority.** An amendment to a contract approved by the Superintendent that would cause the total Contract Price to exceed the Superintendent's delegated authority to approve contracts under PPS 45-0200 must be approved by the School Board except as provided in PPS 45-0200.
- (5) **Reporting Requirement for Amendments/Change Orders That Exceed 125% of Original Contract Price.**
- (a) A Contract Amendment or Change Order or cumulative Contract Amendments or Change Orders that increase the total Contract Price to greater than one hundred twenty five percent (125%) of the original Contract Price shall be reported to the School Board, except in any of the following circumstances:
 - (A) The Original Contract Price does not exceed \$500,000.
 - (B) The Superintendent determines that the Amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original Contract, and the School Board previously approved the entire scope and/or maximum renewal terms. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or a contract that specifically allows for alternates or additional work.)

Portland Public Schools Public Contracting Rules
Division 48 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Contracts subject to the reporting requirement under this Rule shall be reported to the School Board a second time if subsequent Amendments or Change Orders increase the total Contract Price to greater than one hundred and fifty percent (150%) of the original Contract Price.
- (c) Contracts subject to the reporting requirement under this Rule shall be reported to the Board at the next regular business meeting of the Board following approval of the amendment or change triggering the reporting requirement. The report shall include an explanation of the basis for the amendment or change order.

PPS 49-0146 Class Exemptions; Public Improvement Contracts

The Local Contract Review Board declares the following Contracts listed in this section as classes of Public Improvement Contracts exempt from Competitive Bidding.

(1) **Donated Public Improvements.** The Superintendent may authorize a Person to construct a Public Improvement without Competitive Bidding or other Competitive process and regardless of dollar amount, if:

- (a) The Person has agreed to donate all or a significant portion of the materials or Services necessary to construct the Public Improvement or perform the Service; and
- (b) The Person enters into a license or agreement with the District whereby the Person agrees to comply with the Public Contract requirements applicable to the particular Project and any requirements that the District deems necessary or beneficial to protect the District.

(2) **Benson House Program Contracts.** The Superintendent may directly negotiate a Public Improvement Contract without complying with the Competitive Procurement requirements of these Rules where the Contract is for the purpose of supporting the Benson Polytechnic High School Building Construction Class, and all or a portion of the Contract Price is discounted or donated to the District.

(3) **Purchases Under Contracts Solicited by Nonprofit Procurement Organizations of Which the District Is a Member.** The Superintendent may purchase Public Improvements under a Contract or Procurement solicited by a Nonprofit Procurement Organization of which it is a member. For the purposes of this Special Procurement, such a Nonprofit Procurement Organization will be considered a "Contracting Purchasing Group" under PPS 46-0400 through 46-0480, and a Procurement must comply with the requirements for Joint Cooperative Procurements pursuant to PPS 46-0420.

(4) **FSCP.** The Superintendent may establish an FSCP for a particular class of Public Improvements where the need for such Work is ongoing in nature, where it is difficult to anticipate the Service need, time, amount, or availability of Contractors, or where Service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations under these Rules. An FSCP shall comply with the following requirements:

- (a) Solicitation to Create an FSCP. An FSCP for Public Improvements shall be solicited based on the total cost of the Work estimated to be Awarded through the FSCP during its life. If the total amount of the Work is estimated to be over \$100,000, the Superintendent shall use a formal RFQ process pursuant to PPS 49-0645 or an RFP process pursuant to PPS 49-0650. If the total amount of the Work is \$100,000 or less, the FSCP may be solicited pursuant to the Intermediate Procurement process set forth in PPS 49-0160.
 - (A) The Superintendent shall document the reasons for establishing an FSCP consistent with this Rule in the Procurement File. This documentation must be reviewed and approved by the Director of Procurement as demonstrating that the Procurement qualifies for use of an FSCP under these Rules.
 - (B) The solicitation shall describe the class of Contracts that can be Awarded to Contractors in the FSCP. The District may not Award Contracts outside of the designated class of Contracts to the FSCP.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services

- (C) The solicitation shall set forth the number of Contractors that will be appointed to the FSCP, the selection criteria, and the methodology for ranking the requests and selecting the Contractors to be appointed to the pool.
- (D) The solicitation may request a binding Price Quote or time and materials rate that will become part of a subsequent Contract or may establish the pool based on qualification alone.
- (E) The solicitation may set or limit the value of the work performed by the FSCP.
- (b) Contracting for Work from an FSCP. Once an FSCP has been established, the Superintendent may negotiate Contracts directly with Contractors in the pool to perform specific Work within the established scope of the Work. Upon creation of the FSCP, the Superintendent will generate a random list of names of the Contractors appointed to the FSCP. Contracts for individual Work will be Offered, negotiated, and Awarded sequentially to Contractors on the FSCP list. Once the Superintendent has Offered a Contract to all the Contractors in the FSCP (whether or not some or all of the Contractors have accepted the Offer), a new random FSCP list will be generated. The Superintendent may offer a Contract to Contractors out of sequence in the following circumstances:
 - (A) The Contractor that is next on the list declines or is unavailable during the time period needed.
 - (B) Contract negotiations with the next-listed Contractor are not successful.
 - (C) The Project is for a Public Improvement that is a continuation of, an addition to, or connected with a Public Improvement previously constructed by a Contractor on the list, and such prior experience means that it is in the best interest of the District to Award the Contract to the Contractor that performed the prior Work or provided the prior Goods.
 - (D) The nature of the Project is such that the Superintendent determines that an additional analysis of Contractor capability or capacity is required. In order to make this determination, the Superintendent shall conduct an Intermediate Procurement pursuant to PPS 49-0160 limited to Contractors in the FSCP.

If a Contractor is selected outside of the sequence, the reason shall be documented in Writing in the Procurement File.

- (c) An FSCP established under this section will expire after three years from the date of Closing of the solicitation, unless reestablished as provided in this Rule.
- (d) Appointment to an FSCP does not guarantee that a contractor will receive a particular amount of work or orders or any work or orders at all.
- (e) The establishment of an FSCP does not preclude the Superintendent from procuring public improvements that would otherwise fall within the FSCP from other contractors through any other Procurement method authorized under these Rules.
- (f) At any time during the term of an FSCP, the Superintendent may request confirmation from a contractor or contractors in the pool that the Contractor continues to maintain the skills, personnel, inventory or other capability needed to perform the class of work or provide the required goods.
- (g) If an FSCP for public improvements is reasonably estimated to include Projects that will total over \$50,000 during the life of the FSCP, public improvement contracts Awarded to Contractors on an FSCP list shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.

(5) Price Agreements.

- (a) Price Agreements may be established for the purposes of minimizing paperwork, achieving continuity of product, securing a source of supply, reducing inventory, combining District requirements for volume discounts, creating standardization among agencies, and reducing lead time for ordering. The Superintendent may enter into Price Agreements to purchase Public Improvements for an anticipated need at a predetermined price, but the Contract must be solicited by a Competitive Procurement process pursuant to the requirements of these Rules based on the total Contract Price.
- (b) The Superintendent may purchase Public Improvements from a Contractor Awarded a Price Agreement without first undertaking additional competitive solicitation up to the amount set forth in the Price Agreement.
- (c) The Superintendent may use the Price Agreement entered into by another Oregon Public Agency when the Original Contract was let pursuant to PPS 46-0420.
- (d) The term of the Price Agreement, including renewals, may not exceed the term stated in the original solicitation.
- (e) If a Price Agreement for Public Improvements will exceed \$50,000 over the term of the Agreement, the Contract shall require the payment of prevailing wages pursuant to ORS 279C.800 through 279C.870.

(6) Expedited Contracting Process in Order to Access State, Federal, or Grant Funding. The Superintendent may waive any or all of the solicitation procedures under this Division 49 in the following circumstances:

- (a) The state or federal government or granting entity has adopted a funding program or made funding available to assist the District in constructing Public Improvements and has attached a time deadline to have a Contract in place, a Project underway, or a Project completed in order for the District to access or be eligible for those funds. Such programs include, without limitation, the American Recovery and Reinvestment Act of 2009 ("ARRA") and similar programs.
- (b) The Superintendent determines that compliance with the solicitation procedures in this Division 49 could jeopardize the District's ability to access or be eligible for such funding under the timeline established by the state or federal government or granting entity.
- (c) The Superintendent provides for an alternative contracting process.
- (d) The reasons for and extent of the waiver are documented in the Procurement File.
- (e) Notwithstanding PPS 45-0200, the School Board hereby authorizes the Superintendent to enter into and approve payment on Contracts subject to this exemption in any dollar amount, but will report the nature and amount of the Contract to the School Board if the Contract is over the Superintendent's delegated authority as set forth in PPS 45-0200(4)(b)(A).

PPS 49-0150 Emergency Contracts; Bidding and Bonding Exemptions

(1) Emergency Declaration. The Superintendent may declare that emergency circumstances exist that require prompt execution of a Public Contract for emergency construction or repair Work. The declaration shall be by a Written declaration that describes the circumstances creating the emergency and the anticipated harm from failure to enter into an Emergency Contract. The Emergency Declaration shall be kept on file as a public record.

(2) Competition for Emergency Contracts. Pursuant to ORS 279C.320(1), Emergency Contracts are regulated under ORS 279B.080, which provides that, for an Emergency Procurement of construction

Other Than Personal Services

services, the District shall ensure competition that is reasonable and appropriate under the emergency circumstances, and may include Written Requests for Offers, oral Requests for Offers, or direct appointments without competition in cases of extreme necessity, in whatever solicitation time periods the Superintendent considers reasonable in responding to the Emergency.

(3) Emergency Contract Scope. Although no dollar limitation applies to Emergency Contracts, the scope of the Contract must be limited to Work that is necessary and appropriate to remedy the conditions creating the emergency as described in the declaration.

(4) Emergency Contract Modification. Emergency Contracts may be modified by Change Order or Amendment to address the conditions described in the original declaration or an Amended declaration that further describes additional Work necessary and appropriate for related emergency circumstances. Emergency contract modifications are not subject to the requirements or limitations of PPS 47-0800 or PPS 49-0910.

(5) Excusing Bonds. Pursuant to ORS 279C.380(4) and this Rule, the Emergency Declaration may also state that the District waives the requirement of furnishing a performance bond and payment bond for the Emergency Contract. After making such an Emergency Declaration, those bonding requirements are excused for the Procurement, but this Emergency Declaration does not affect the separate Public Works bond requirement for the benefit of BOLI in enforcing prevailing wage rate and overtime payment requirements. See PPS 49-0815 and BOLI rules at OAR 839-025-0015.

PPS 49-0160 Intermediate Procurements; Competitive Quotes and Amendments

(1) General. Public Improvement Contracts estimated by the District not to exceed \$100,000 may be Awarded in accordance with Intermediate-level Procurement procedures for Competitive Quotes established by this Rule.

(2) Selection Criteria. The selection criteria may be limited to price or some combination of price, experience, specific expertise, availability, Project understanding, Contractor capacity, responsibility, and similar factors.

(3) Request for Quotes. The District must utilize Written Requests for Quotes whenever reasonably practicable. Written Requests for Quotes must include the selection criteria to be utilized in selecting a Contractor and, if the criteria are not of equal value, their relative value or ranking. When requesting Quotes orally, prior to requesting the Price Quote the District shall state any additional selection criteria and, if the criteria are not of equal value, their relative value. For Public Works Contracts, oral quotes may only be utilized in the event that Written copies of or references to the prevailing wage rates are not required by BOLI (e.g., if the total project cost is \$50,000 or less or is not otherwise subject to payment of prevailing wages).

(4) Number of Quotes; Record Required. The District must seek at least three Competitive Quotes and keep a Written record of the sources and amounts of the Quotes received. If three Quotes are not reasonably available, the District must make a Written record of the effort made to obtain those Quotes.

(5) Award. If Awarded, the District must Award the Contract to the prospective Contractor whose Quote will best serve the interests of the District, taking into account the announced selection criteria. If Award is not made to the Offeror offering the lowest price, the District must make a Written record of the basis for Award.

(6) Amendments. Amendments of Intermediate-level Public Improvement Contracts that exceed the thresholds stated in Section (1) of this Rule are specifically authorized by the Code when made in accordance with PPS 49-0910. Accordingly, such Amendments are not considered new Procurements and do not require an exemption from Competitive Bidding.

Price evaluation factors need not be precise predictors of actual future costs; but to the extent possible, such evaluation factors must be objective, reasonable estimates based on information the District has available concerning future use; and
 - (E) If the Solicitation Document is a Request for Proposals, the District must refer to the additional requirements of PPS 49-0650; and

(2) Assignment or Transfer Restricted. Unless otherwise provided in the Contract, the Contractor must not assign, sell, dispose of or transfer rights, nor delegate duties under the Contract, either in whole or in part, without the District's prior Written consent. Unless otherwise agreed by the District in Writing, such consent must not relieve the Contractor of any obligations under the Contract. Any assignee or transferee must be considered the agent of the Contractor and be bound to abide by all provisions of the Contract. If the District consents in Writing to an assignment, sale, disposal, or transfer of the Contractor's rights or delegation of Contractor's duties, the Contractor and its surety, if any, must remain liable to the District for complete performance of the Contract as if no such assignment, sale, disposal, transfer, or delegation had occurred unless the District otherwise agrees in Writing.

- (a) Mailing Notice of the availability of Solicitation Documents to Persons that have expressed an interest in the District's Procurements;
- (b) Placing Notice on the District's Electronic Procurement System; or
- (c) Placing Notice on the District's Internet Web site.

(2) **Advertising.** Pursuant to ORS 279C.360 and this Rule, the District shall advertise every solicitation for Competitive Bids or Competitive Proposals for a Public Improvement Contract, unless the Contract Review Board has exempted the solicitation from the advertisement requirement as part of a Competitive Bidding exemption under ORS 279C.335.

- (a) Unless the District publishes by Electronic Advertisement as permitted under Section (2)(b) of this Rule, the District shall publish the advertisement for Offers at least once in at least one newspaper of general circulation in the area where the Contract is to be performed and in as many additional issues and publications as the District may determine to be necessary or desirable to foster and promote competition.

PPS 49-0220 Prequalification of Offerors

(1) **Prequalification.** Pursuant to ORS 279C.430 and this Rule, two types of prequalification are authorized:

- (a) **Mandatory Prequalification.** The District may require mandatory prequalification of Offerors. The District must indicate in the Solicitation Document if it will require mandatory prequalification. Mandatory prequalification is when the District conditions a Person's

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

submission of an Offer on the Person's prequalification. The District must not consider an Offer from a Person that is not prequalified if the District required prequalification.

- (b) **Permissive Prequalification.** The District may prequalify a Person for the District's solicitation list, but in permissive prequalification the District must not limit distribution of a solicitation to that list.
- (c) **Prequalification Procedure.** When prequalification is required or allowed, a Person shall submit a prequalification application to the District on the form prescribed by the District. The District shall determine if the applicant is qualified within 30 Days of the date of application, or sooner if practicable and so requested by the applicant to enable the applicant to participate in Bidding on an advertised Contract. If the District finds that the applicant is qualified, the District will provide Notice to the applicant of the nature and type of Contracts the applicant is qualified to Bid on and the period of time for which the qualification is valid.

(2) **Prequalification Presumed.** If an Offeror is currently prequalified by either the Oregon Department of Transportation or the Oregon Department of Administrative Services to perform Contracts, the Offeror must be rebuttably presumed qualified to perform similar Work for the District. When qualifying for the same kind of Work for the District, the Person may submit proof of the prequalification in lieu of a prequalification application under Section (1) of this Rule.

(3) **Standards for Prequalification.** A Person may prequalify by demonstrating to the District's satisfaction that:

- (a) The Person's financial, material, equipment, facility, and personnel resources and expertise, or ability to obtain such resources and expertise, indicate that the Person is capable of meeting all contractual responsibilities;
- (b) The Person's record of performance;
- (c) The Person's record of integrity;
- (d) The Person is qualified to contract with the District. (See PPS 49-0390(2) regarding standards of responsibility.)

(4) **Notice of Denial.** If a Person fails to prequalify for a mandatory prequalification, the District must notify the Person and specify the reasons under Section (3) of this Rule and inform the Person of the Person's right to a hearing under ORS 279C.445 and 279C.450 as provided in Section (6) of this Rule.

(5) **Revocation of Prequalification.** If the District has reasonable cause to believe that there has been a substantial change in the conditions of a prequalified Person and that the Person is no longer qualified or is less qualified, the District may revoke or revise and reissue the prequalification after reasonable Notice to the prequalified Person. The Notice shall specify the reasons under Section (3) of this Rule and inform the Person of the Person's right to a hearing under ORS 279C.445 and 279C.450 as provided in Section (6) of this Rule.

(6) **Appeal of Denial or Revocation of, or Revision to Prequalification.**

- (a) Any Person who wishes to appeal the District decision under Sections (4) or (5) of this Rule shall, within three business Days after receipt of the Notice of disqualification, file Written Notice with the District that Person appeals the decision. The District shall notify the Contract Review Board and schedule the appeal hearing before the Contract Review Board.
- (b) Immediately upon receipt of the prospective Bidder's or Proposer's Notice of appeal, the District shall notify the local Contract Review Board.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (c) Upon the receipt of Notice from the District under Section (2) of this Rule, the Contract Review Board shall promptly notify the Person appealing and the District of the time and place of the hearing. The Contract Review Board shall conduct the hearing and decide the appeal within 30 Days after receiving the Notice from the District. The Contract Review Board shall set forth in Writing the reasons for the hearing decision.
- (d) At the hearing the Contract Review Board shall consider de novo the Notice of denial, revocation or revision of a prequalification, the standards listed in Section (3) of this Rule on which the District based the decision, and any evidence provided by the parties. Hearings before a Contract Review Board shall be conducted under rules of procedure adopted by the Contract Review Board.
- (e) The Contract Review Board may allocate the Contract Review Board's costs for the hearing between the Person appealing and the District. The allocation shall be based on facts found by the Contract Review Board and stated in the final order that, in the Contract Review Board's opinion, warrant such allocation of costs. If the final order does not allocate the costs for the hearing, the costs shall be paid as follows:
 - (A) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder is upheld, the cost shall be paid by the Person appealing the decision.
 - (B) If the decision to deny, revoke, or revise a prequalification of a Person as a Bidder is reversed, the costs shall be paid by the District.
- (f) Judicial review of any decision by the Contract Review Board shall be as set forth in ORS 279C.450.

PPS 49-0230 Eligibility to Bid or Propose; Registration or License

- (1) **Construction Contracts.** The District must not consider a Person's Offer to do Work as a Contractor, as defined in ORS 701.005(2), unless the Person has a current, valid certificate of registration issued by the Construction Contractors Board at the time the Offer is made.
- (2) **Landscape Contracts.** The District must not consider a Person's Offer to do Work as a landscape Contractor as defined in ORS 671.520(2), unless the Person has a current, valid landscape Contractors license issued pursuant to ORS 671.560 by the State Landscape Contractors Board at the time the Offer is made.
- (3) **Non-Complying Entities.** The District must deem an Offer received from a Person that fails to comply with this Rule Non-Responsive and must reject the Offer as stated in ORS 279C.365(1)(k), unless contrary to federal law or subject to different timing requirements set by federal funding or the District.

PPS 49-0240 Pre-Offer Conferences

- (1) **Purpose.** The District may hold pre-Offer conferences with prospective Offerors prior to Closing to explain the Procurement requirements, obtain information, or conduct site inspections.
- (2) **Required Attendance.** The District may require attendance at the pre-Offer conference as a condition for making an Offer. Unless otherwise specified in the Solicitation Document, a mandatory attendance requirement is considered to have been met if, at any time during the mandatory meeting, a representative of the Offering firm is present.
- (3) **Scheduled Time.** If the District holds a pre-Offer conference, it must be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(4) **Statements Not Binding.** Statements made by the District's representative at the pre-Offer conference do not change the Solicitation Document unless the District confirms such statements with a Written Addendum to the Solicitation Document.

(5) **District Announcement.** The District must set forth Notice of any pre-Offer conference in the Solicitation Document in accordance with PPS 49-0200(1)(a)(B).

PPS 49-0250 Addenda to Solicitation Documents

(1) **Issuance; Receipt.** The District may change a Solicitation Document only by Written Addenda. An Offeror must provide Written acknowledgement of receipt of all issued Addenda with its Offer, unless the District otherwise specifies in the Addenda or in the Solicitation Document.

(2) **Notice and Distribution.** The District must notify prospective Offerors of Addenda consistent with the standards of Notice set forth in PPS 49-0210(1). The Solicitation Document must specify how the District will provide Notice of Addenda and how the District will make the Addenda available (see PPS 49-0200(1)(a)(N)). For example, "The District will not mail Notice of Addenda, but will publish Notice of any Addenda on the District's Web site. Addenda may be downloaded off the District's Web site. Offerors should frequently check the District's Web site until Closing, i.e., at least once weekly until the week of Closing, and at least once daily during the week of the Closing."

(3) **Timelines; Extensions.** The District must issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The District may extend the Closing if the District determines that prospective Offerors need additional time to review and respond to Addenda. Except to the extent required by public interest, the District must not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.

(4) **Request for Change or Protest.** Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in PPS 49-0260, by the close of the District's next business Day after issuance of the Addendum, or up to the last Day allowed to submit a request for change or protest under PPS 49-0260, whichever date is later. The District must consider only an Offeror's request for change or protest to the Addendum; the District must not consider a request for change or protest to matters not added or modified by the Addendum, unless the Offeror submits the request for change or protest before the deadline for the District's receipt of request for change or protests as set forth in PPS 49-0260(2) and (3).

PPS 49-0260 Request for Clarification or Change; Solicitation Protests

(1) **Clarification.** Prior to the deadline for submitting a Written request for change or protest, an Offeror may request that the District clarify any provision of the Solicitation Document. The District's clarification to an Offeror, whether orally or in Writing, does not change the Solicitation Document and is not binding on the District unless the District amends the Solicitation Document by Addendum.

(2) **Request for Change.**

(a) **Delivery.** An Offeror may request in Writing a change to the Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver the Written request for change to the District not less than five Days prior to Closing;

(b) **Content of Request for Change.**

(A) An Offeror's Written request for change must include a statement of the requested change(s) to the Contract terms and conditions, including any Specifications, together with the reason for the requested change.

(B) An Offeror must mark its request for change as follows:

- (i) "Contract Provision Request for change"; and
- (ii) Solicitation Document number (or other identification as specified in the Solicitation Document).

(3) Protest.

(a) Delivery. An Offeror may protest Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver a Written protest on those matters to the District not less than five Days prior to Closing.

(b) Content of Protest.

(A) An Offeror's Written protest must include:

- (i) A detailed statement of the legal and factual grounds for the protest;

(B) An Offeror must mark its protest as follows:

- (i) "Contract Provision Protest"; and
- (ii) Solicitation Document number (or other identification as specified in the Solicitation Document).

(4) **The Response**. The District is not required to consider an Offeror's request for change or protest after the deadline established for submitting such request or protest. The District must provide Notice to the applicable Person if it entirely rejects a protest. If the District agrees with the Person's request or protest, in whole or in part, the District must either issue an Addendum reflecting its determination under PPS 49-0260 or cancel the solicitation under PPS 49-0270.

(5) **Extension of Closing**. If the District receives a Written request for change or protest from an Offeror in accordance with this Rule, the District may extend Closing if the District determines that an extension is necessary to consider the request or protest and issue an Addendum, if any, to the Solicitation Document.

(6) **Failure to Protest or Request a Change Precludes Protest of Award on Such Issue**. An Offeror cannot protest an Award based on any issue that could have, but was not, raised as a Request for Change or Protest of solicitation.

PPS 49-0270 Cancellation of Solicitation Document

(1) **Cancellation in the Public Interest**. The District may cancel a solicitation for good cause if the District finds that cancellation is in the public interest. The District's reasons for cancellation must be made part of the Procurement File.

(2) **Notice of Cancellation**. If the District cancels a solicitation prior to Opening, the District must provide Notice of cancellation in accordance with PPS 49-0210(1). Such Notice of cancellation must:

- (a) Identify the solicitation;
- (b) Briefly explain the reason for cancellation; and
- (c) If appropriate, explain that an opportunity will be given to compete on any re-solicitation.

(3) Disposition of Offers.

- (a) Prior to Offer Opening. If the District cancels a solicitation prior to Offer Opening, the District will return all Offers it received to Offerors unopened, provided the Offeror submitted its Offer in a hard copy format with a clearly visible return address. If there is no return address on the envelope, the District will open the Offer to determine the source and then return it to the Offeror.
- (b) After Offer Opening. If the District rejects all Offers, the District will retain all such Offers as part of the District's Procurement File.

PPS 49-0280 Offer Submissions

(1) Offer and Acceptance. The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract.

- (a) In Competitive Bidding and Competitive Proposals, the Offer is always a "Firm Offer," i.e., the Offer must be held open by the Offeror for the District's acceptance for the period specified in PPS 49-0410. The District may elect to accept the Offer at any time during the specified period, and the District's Award of the Contract to a Bidder constitutes acceptance of the Offer and binds the Offeror to the Contract.
- (b) Notwithstanding the fact that a Competitive Proposal is a "Firm Offer" for the period specified in PPS 49-0410, the District may elect to discuss or negotiate certain Contractual provisions, as identified in these Rules or in the Solicitation Document, with the Proposer. See PPS 49-0650 on Requests for Proposals and PPS 49-0290 on Bid or Proposal Security. Where negotiation is permitted by the Rules or the Solicitation Document, Proposers are bound to an obligation to negotiate in good faith and only on those terms that the Rules or the Solicitation Document has reserved for negotiation. In Competitive Proposals, the Solicitation Document must describe whether Offers are to be made and considered as "Firm Offers" that may be accepted without negotiation, as in the case of Competitive Bidding, or whether Offers are subject to discussion, negotiation, or otherwise are not to be considered as final Offers. See PPS 49-0650 on Requests for Proposals and PPS 49-0290 on Bid or Proposal Security.

(2) Responsive Offer. The District may Award a Contract only to a Responsible Offeror with a Responsive Offer.

(3) Contingent Offers. Except to the extent that an Offeror is authorized to Propose certain terms and conditions pursuant to PPS 49-0650, an Offeror must not make an Offer contingent upon the District's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.

(4) Offeror's Acknowledgement. By signing and returning the Offer, the Offeror acknowledges that they have read and understand the terms and conditions contained in the Solicitation Document and that they accept and agree to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits Proposal of alternative terms under PPS 49-0650, the Offeror's Offer includes the nonnegotiable terms and conditions and any Proposed terms and conditions offered for negotiation upon and to the extent accepted by the District in Writing.

(5) Instructions. An Offeror must submit and Sign the Offer in accordance with the Solicitation Document. An Offeror must initial and submit any corrections or erasures to their Offer prior to the Opening in accordance with the requirements for submitting an Offer under the Solicitation Document.

(6) Forms. An Offeror must submit the Offers on the form(s) provided in the Solicitation Document, unless Offerors are otherwise instructed in the Solicitation Document.

(7) **Documents.** An Offeror must provide the District with all documents and Descriptive Literature required under the Solicitation Document.

(8) **Facsimile or Electronic Submissions.** If the District permits Facsimile or Electronic Offers in the Solicitation Document, the Offeror may submit Facsimile or Electronic Offers in accordance with the Solicitation Document. The District will not consider Facsimile or Electronic Offers unless authorized by the Solicitation Document.

(9) **Product Samples and Descriptive Literature.** The District may require Product Samples or Descriptive Literature if it is necessary or desirable to evaluate the quality, features, or characteristics of the offered items. The District will dispose of Product Samples or return or make available for return Product Samples to the Offeror in accordance with the Solicitation Document.

(10) **Identification of Offers.**

(a) To ensure proper identification and handling, Offers must be submitted in a sealed envelope appropriately marked or in the envelope provided by the District, whichever is applicable.

(b) The District is not responsible for Offers submitted in any manner or format, or to any delivery point, other than as required in the Solicitation Document.

(11) **Receipt of Offers.** The Offeror is responsible for ensuring that the District receives the Offers at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

PPS 49-0290 Bid or Proposal Security

(1) **Security Amount.** If the District requires Bid or Proposal security, it must be not more than 10 percent or less than 5 percent of the Offeror's Bid or Proposal, consisting of the base Bid or Proposal together with all additive alternates. The District must not use Bid or Proposal security to discourage competition. The District must clearly state any Bid or Proposal security requirements in its Solicitation Document. The Offeror must forfeit Bid or Proposal security after Award if the Offeror fails to execute the Contract and promptly return it with any required Performance Bond and Payment Bond and, in the case of Proposal security, with any required proof of insurance. See ORS 279C.365(5) and 279C.385.

(2) **Requirement for Bid Security (Optional for Proposals).** Unless the District has otherwise exempted a solicitation or class of solicitations from Bid security pursuant to ORS 279C.390, the District must require Bid security for its solicitation of Bids for Public Improvements. The District may require Bid security even if it has exempted a class of solicitations from Bid security. The District may require Proposal security in RFPs. See ORS 279C.400(5).

(3) **Form of Bid or Proposal Security.** The District may accept only the following forms of Bid or Proposal security:

(a) A surety bond from a surety company authorized to do business in the State of Oregon;

(b) An irrevocable letter of credit issued by an insured institution as defined in ORS 706.008; or

(c) A cashier's check or Offeror's certified check.

(4) **Return of Security.** The District must return or release the Bid or Proposal security of all unsuccessful Offerors after a Contract has been fully executed and all required bonds have been provided, or after all Offers have been rejected. The District may return the Bid or Proposal security of unsuccessful Offerors prior to Award if the return does not prejudice Contract Award and the security of at least the Bidders with the three lowest Bids, or the Proposers with the three highest-scoring Proposals, is retained pending execution of a Contract.

PPS 49-0300 Facsimile Bids and Proposals

(1) **District Authorization.** The District may authorize Offerors to submit Facsimile Offers. If the District determines that Bid or Proposal security is or will be required, the District must not authorize Facsimile Offers unless the District has established a method for receipt of such security. Prior to authorizing the submission of Facsimile Offers, the District must determine that the District's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the District must establish administrative procedures and controls:

- (a) To receive, identify, record, and safeguard Facsimile Offers;
- (b) To ensure timely delivery of Offers to the location of Opening; and
- (c) To preserve the Offers as Sealed.

(2) **Provisions to Be Included in Solicitation Document.** In addition to all other requirements, if the District authorizes a Facsimile Offer for Bids or Proposals, the District must include in the Solicitation Document (other than in an RFQ) the following:

- (a) A provision substantially in the form of the following: "A 'Facsimile Offer' as used in this Solicitation Document means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the District via a facsimile machine";
- (b) A provision substantially in the form of the following: "Offerors may submit Facsimile Offers in response to this Solicitation Document. The entire response must arrive at the place and by the time specified in this Solicitation Document";
- (c) A provision that requires Offerors to Sign their Facsimile Offers;
- (d) A provision substantially in the form of the following: "The District reserves the right to Award the Contract solely on the basis of the Facsimile Offer." However, upon the District's request, the apparent successful Offeror must promptly submit its complete original Signed Offer; and
- (e) The data and compatibility characteristics of the District's receiving facsimile machine as follows:
 - (A) Telephone number; and
 - (B) Compatibility characteristics, e.g., make and model number, receiving speed, communications protocol; and
- (f) A provision that the District is not responsible for any failure attributable to the transmission or receipt of the Facsimile Offer including, but not limited to, the following:
 - (A) Receipt of garbled or incomplete documents;
 - (B) Availability or condition of the receiving facsimile machine;
 - (C) Incompatibility between the sending and receiving facsimile machine;
 - (D) Delay in transmission or receipt of documents;
 - (E) Failure of the Offeror to properly identify the Offer documents;
 - (F) Illegibility of Offer documents; and
 - (G) Security and confidentiality of data.

PPS 49-0310 Electronic Procurement

(1) **General.** The District may utilize Electronic Advertisement of Public Improvement Contracts in accordance with ORS 279C.360(1), provided that advertisement of such Contracts with an estimated

Contract Price in excess of \$125,000 must also be published in a trade newspaper of general statewide circulation, and may post Notices of intent to Award electronically as provided by ORS 279C.410(7).

(2) Alternative Procedures. In the event that the District desires to allow Electronic Offers for a Public Improvement Contract, the District will comply with PPS 47-0330 (Electronic Procurement under ORS 279B), taking into account ORS 279C requirements for Written Bids, opening Bids publicly, Bid security, first-tier subcontractor disclosure, and inclusion of prevailing wage rates.

(3) Interpretation. Nothing in this Rule must be construed as prohibiting the District from making Procurement documents for Public Improvement Contracts available in electronic format as well as in hard copy when Bids are to be submitted only in hard copy. See ORS 279C.365(2).

PPS 49-0320 Pre-Closing Modification or Withdrawal of Offers

(1) Modifications. An Offeror may modify its Offer in Writing prior to the Closing. An Offeror must prepare and submit any modification to its Offer to the District in accordance with PPS 49-0280, unless otherwise specified in the Solicitation Document. Any modification must include the Offeror's statement that the modification amends and supersedes the prior Offer. The Offeror must mark the submitted modification as follows:

- (a) Bid (or Proposal) modification; and
- (b) Solicitation number (or other identification as specified in the Solicitation Document).

(2) Withdrawals.

- (a) An Offeror may withdraw its Offer by Written Notice submitted on the Offeror's letterhead, Signed by an authorized representative of the Offeror, delivered to the location specified in the Solicitation Document (or the place of Closing if no location is specified), and received by the District prior to the Closing. The Offeror or authorized representative of the Offeror may also withdraw its Offer in person prior to the Closing, upon presentation of appropriate identification and satisfactory evidence of authority;
- (b) The District may release an unopened Offer withdrawn under Section (2)(a) of this Rule to the Offeror or its authorized representative after voiding any date and time-stamp mark;
- (c) The Offeror must mark the Written request to withdraw an Offer as follows:
 - (A) Bid (or Proposal) withdrawal; and
 - (B) Solicitation number (or other identification as specified in the Solicitation Document).

(3) Documentation. The District must include all documents relating to the modification or withdrawal of Offers in the appropriate Procurement File.

PPS 49-0330 Receipt, Opening, and Recording of Offers; Confidentiality of Offers

(1) Receipt. The District must electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The District must not open the Offer or modification upon receipt, but must maintain it as confidential and secure until Opening. If the District inadvertently opens an Offer or a modification prior to the Opening, the District must return the Offer or modification to its secure and confidential state until Opening. The District must document the resealing for the Procurement File (e.g., "The District inadvertently opened the Offer due to improper identification of the Offer").

(2) Opening and Recording. The District must publicly open Offers, including any modifications made to the Offer, pursuant to PPS 49-0320. In the case of Invitations to Bid, to the extent practicable, the District must read aloud the name of each Bidder, the Bid price(s), and such other information as the District

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

considers appropriate. In the case of Requests for Proposals or voluminous Bids, if the Solicitation Document so provides, the District will not read Offers aloud.

(3) Availability. After Opening, the District must make Bids available for public inspection, but pursuant to ORS 279C.410, Proposals are not required to be available for public inspection until after the Notice of Intent to Award is issued. In any event, the District may withhold from disclosure those portions of an Offer that the Offeror designates as trade secrets or as confidential proprietary data in accordance with applicable law. See ORS 192.501(2); ORS 646.461 through 646.475. To the extent that the District determines such designation is not in accordance with applicable law, the District must make those portions available for public inspection. The Offeror must separate information designated as confidential from other non-confidential information at the time of submitting its Offer. Prices, makes, models, or catalog numbers of items offered, scheduled delivery dates, and terms of payment are not confidential, and must be publicly available regardless of an Offeror's designation to the contrary.

PPS 49-0340 Late Bids, Late Withdrawals, and Late Modifications

Any Offer received after Closing is late. An Offeror's request for withdrawal or modification of an Offer received after Closing is late. The District will not consider late Offers, withdrawals, or modifications except as permitted in PPS 49-0350 or 49-0390.

PPS 49-0350 Mistakes

(1) Generally. To protect the integrity of the Competitive Procurement process and to ensure fair treatment of Offerors, the District should carefully consider whether to permit waiver, correction, or withdrawal of Offers for certain mistakes.

(2) District Treatment of Mistakes. The District must not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the District discovers certain mistakes in an Offer after Opening but before Award of the Contract, the District may take the following action:

- (a)** The District may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:
 - (A)** Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - (B)** Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer, evidencing an intent to be bound; and
 - (C)** Acknowledge receipt of an Addendum to the Solicitation Document, provided that it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms, or the Addendum involved did not affect price, quality, or delivery.
- (b)** The District may correct a clerical error if the error is evident on the face of the Offer or other documents submitted with the Offer, and the Offeror confirms the District's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Unit prices shall prevail over extended prices in the event of a discrepancy between extended prices and unit prices.
- (c)** The District may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:
 - (A)** The nature of the error;
 - (B)** That the error is not a minor informality under this section or an error in judgment;
 - (C)** That the error cannot be corrected or waived under Section (2)(b) of this Rule;

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (D) That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;
 - (E) That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;
 - (F) That the Offeror will suffer substantial detriment if the District does not grant the Offeror permission to withdraw the Offer;
 - (G) That the District's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the District or the public it represents; and
 - (H) That the Offeror promptly gave Notice of the claimed error to the District.
- (d) The criteria in Section (2)(c) of this Rule must determine whether the District will permit an Offeror to withdraw its Offer after Closing. These criteria also must apply to the question of whether the District will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or other Bid or Proposal security), or without liability to the District based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually Awarded by the District, whether by Award to the next lowest Responsive and Responsible Bidder or the best Responsive and Responsible Proposer, or by resort to a new solicitation.
- (3) **Rejection for Mistakes.** The District will reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents submitted with the Offer.
- (4) **Identification of Mistakes After Award.** The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may withdraw its Offer or rescind a Contract entered into pursuant to this Division 49 only to the extent permitted by applicable law.

PPS 49-0360 First-Tier Subcontractors; Disclosure and Substitution; ITB

- (1) **Required Disclosure.** Within two working hours after the Bid Closing on an ITB for a Public Improvement having a Contract Price anticipated by the District to exceed \$100,000, all Bidders must submit to the District a disclosure form as described by ORS 279C.370(2), identifying any first-tier subcontractors (those entities that would be contracting directly with the prime Contractor) that will be furnishing labor or labor and materials on the Contract, if Awarded, whose subcontract value would be equal to or greater than:
- (a) 5 percent of the total Contract Price, but at least \$15,000; or
 - (b) \$350,000, regardless of the percentage of the total Contract Price.
- (2) **Bid Closing, Disclosure Deadline, and Bid Opening.** For each ITB to which this Rule applies, the District must:
- (a) Set the Bid Closing on a Tuesday, Wednesday, or Thursday, and at a time between 2:00 p.m. and 5:00 p.m., except that these Bid Closing restrictions do not apply to an ITB for maintenance or construction of highways, bridges, or other transportation facilities, and provided that the two-hour disclosure deadline described by this Rule would not then fall on a legal holiday;
 - (b) Open Bids publicly immediately after the Bid Closing; and
 - (c) Consider for Contract Award only those Bids for which the required disclosure has been submitted by the announced deadline on forms prescribed by the District.

(3) Bidder Instructions and Disclosure Form. For the purposes of this Rule, the District in its solicitation must:

- (a) Prescribe the disclosure form that must be utilized, substantially in the form set forth in ORS 279C.370(2); and
- (b) Provide instructions in a Notice substantially similar to the following:

"Instructions for First-Tier Subcontractor Disclosure:

Bidders are required to disclose information about certain first-tier subcontractors (see ORS 279C.370). Specifically, when the Contract amount of a first-tier subcontractor furnishing labor or labor and materials would be greater than or equal to: (i) 5 percent of the Project Bid, but at least \$15,000, or (ii) \$350,000 regardless of the percentage, the Bidder must disclose the following information about that subcontract either in its Bid submission, or within two hours after Bid Closing:

- (A) The subcontractor's name,
- (B) The category of Work that the subcontractor would be performing, and
- (C) The dollar value of the subcontract.

If the Bidder will not be using any subcontractors that are subject to the above disclosure requirements, the Bidder is required to indicate "NONE" on the accompanying form.

THE DISTRICT MUST REJECT A BID IF THE BIDDER FAILS TO SUBMIT THE DISCLOSURE FORM WITH THIS INFORMATION BY THE STATED DEADLINE (see PPS 49-0360)."

- (4) **Submission.** A Bidder must submit the disclosure form required by this Rule either in its Bid submission or within two working hours after Bid Closing in the manner specified by the ITB.
- (5) **Responsiveness.** Compliance with the disclosure and submittal requirements of ORS 279C.370 and this Rule is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the disclosure submittal has not been made by the specified deadline, are not Responsive and will not be considered for Contract Award.
- (6) **District Role.** The District must obtain, and make available for public inspection, the disclosure forms required by ORS 279C.370 and this Rule. The District must also provide copies of disclosure forms to BOLI as required by ORS 279C.835. The District is not required to determine the accuracy or completeness of the information provided on disclosure forms.
- (7) **Substitution.** Pursuant to ORS 279C.585, a Contractor whose Bid is accepted may substitute a first-tier subcontractor that was not disclosed under ORS 279C.370 and this Rule by submitting the name of the new subcontractor and the reason for the substitution in Writing to the District. A Contractor may substitute a first-tier subcontractor under this section in the following circumstances:
 - (a) When the subcontractor disclosed under ORS 279C.370 fails or refuses to execute a Written Contract after having had a reasonable opportunity to do so after the Written Contract, which must be reasonably based on the general terms, conditions, plans, and Specifications for the Public Improvement Project or the terms of the subcontractor's Written Bid, is presented to the subcontractor by the Contractor.
 - (b) When the disclosed subcontractor becomes bankrupt or insolvent.
 - (c) When the disclosed subcontractor fails or refuses to perform the subcontract.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (d) When the disclosed subcontractor fails or refuses to meet the bond requirements of the Contractor that had been identified prior to the Bid submittal.
- (e) When the Contractor demonstrates to the District that the subcontractor was disclosed as the result of an inadvertent clerical error.
- (f) When the disclosed subcontractor does not hold a license from, or has a license that is not properly endorsed by, the Construction Contractors Board and is required to be licensed by the Construction Contractors Board.
- (g) When the Contractor determines that the Work performed by the disclosed subcontractor is substantially unsatisfactory and not in substantial accordance with the plans and Specifications or that the subcontractor is substantially delaying or disrupting the progress of the Work.
- (h) When the disclosed subcontractor is ineligible to work on a Public Improvement Contract under applicable statutory provisions.
- (i) When the substitution is for good cause. The Construction Contractors Board shall define "good cause" by rule. "Good cause" includes, but is not limited to, the financial instability of a subcontractor. The definition of "good cause" must reflect the least-cost policy for Public Improvement Contracts established in ORS 279C.305.
- (j) When the substitution is reasonably based on the Contract alternates chosen by the District.

The District must accept Written submissions filed under this Section (7) as public records. Aside from issues involving inadvertent clerical error under ORS 279C.585, the District does not have a statutory role or duty to review, approve, or resolve disputes concerning such substitutions. See ORS 279C.590 regarding complaints to the Construction Contractors Board on improper substitution.

PPS 49-0370 Disqualification of Persons

- (1) **Authority.** The District may disqualify a Person from consideration of Award of the District's Contracts after providing the Person with Notice and a reasonable opportunity to be heard in accordance with Sections (2) and (4) of this Rule.
 - (a) **Standards for Conduct Disqualification.** As provided in ORS 279C.440, the District may disqualify a Person for:
 - (A) Conviction for the commission of a criminal offense as an incident in obtaining or attempting to obtain a public or private Contract or subcontract or in the performance of such Contract or subcontract.
 - (B) Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty that currently, seriously, and directly affects the Person's responsibility as a Contractor.
 - (C) Conviction under state or federal antitrust statutes.
 - (D) Violation of a Contract provision that is regarded by the District to be so serious as to justify disqualification. A violation under this Section (1)(a)(D) may include, but is not limited to, material failure to perform the terms of a Contract or an unsatisfactory performance in accordance with the terms of the Contract. However, a Person's failure to perform or unsatisfactory performance caused by acts beyond the Person's control is not a basis for disqualification.
 - (E) Failure to carry workers' compensation or unemployment insurance as required by statute.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) Standards for Disqualification. As provided in ORS 200.065, 200.075, or 279A.110, the District may disqualify a Person's right to submit an Offer or to participate in a Contract (e.g., subcontractors) as follows:
- (A) For a Disqualification under ORS 200.065, the District may disqualify a Person upon finding that:
- (i) The Person fraudulently obtained or retained or attempted to obtain or retain or aided another Person to fraudulently obtain or retain or attempt to obtain or retain certification as a disadvantaged business enterprise, minority-owned business, women owned business, emerging small business enterprise, or a business that a service-disabled veteran owns; or

 - (iii) The Person has been disqualified by another district under ORS 200.065.
- (B) For a Disqualification under ORS 200.075, the District may disqualify a Person upon finding that:
- (i) The Person has entered into an agreement representing that a disadvantaged business enterprise, minority-owned business, women-owned business, emerging small business enterprise, or a business that a service-disabled veteran owns, certified under ORS 200.055 ("Certified Enterprise"), will perform or supply materials under a Public Improvement Contract without the knowledge and consent of the Certified Enterprise; or
 - (ii) The Person exercises management and decision-making control over the internal operations, as defined by ORS 200.075(1)(b), of any Certified Enterprise; or
 - (iii) The Person uses a Certified Enterprise to perform Services under a Contract or to provide supplies under a Public Improvement Contract to meet an established Certified Enterprise goal, and such enterprise does not perform a commercially useful function, as defined by ORS 200.075(3), in performing its obligations under the Contract.
 - (iv) If a Person is Disqualified for a Disqualification under ORS 200.075, the affected District must not permit that Person to participate in that District's Contracts.
- (C) For a Disqualification under ORS 279A.110, the District may disqualify a Person if the District finds that the Person discriminated against a disadvantaged business enterprise, minority-owned business, women-owned business, emerging small business enterprise, or a business that a service-disabled veteran owns, Contract with that District.
- (2) **Notice of Intent to Disqualify**. The District must notify the Person in Writing of a proposed disqualification personally or by registered or certified mail, return receipt requested. This Notice must:
- (a) State that the District intends to disqualify the Person;
 - (b) Set forth the reasons for the disqualification;
 - (c) Include a statement of the Person's right to a hearing if requested in Writing within a time period established by the District and that if the District does not receive the Person's Written request for a hearing within the time stated, the Person must have waived its right to a hearing;
 - (d) Include a statement of the authority under which the hearing will be held;

- (e) Include a reference to the particular sections of the statutes and Rules involved;
 - (f) State the proposed disqualification period; and
 - (g) State that the Person may be represented by legal counsel.
- (3) Hearing.** The Superintendent will schedule a hearing upon the District's receipt of a timely hearing request. Within a reasonable time prior to the hearing, the Superintendent will notify the Person of the time and place of the hearing and provide information on hearing procedures, right to representation and other matters relating to the conduct of the hearing. Following the hearing, the Superintendent will make a decision on whether to disqualify the Person.
- (4) Notice of Disqualification.** The District will notify the Person in Writing of its disqualification, personally or by registered or certified mail, return receipt requested. The Notice must contain:
- (a) The effective date and period of disqualification;
 - (b) The grounds for disqualification; and
 - (c) A statement of the Person's appeal rights and applicable appeal deadlines as provided in Section (5) of this Rule.
- (5) Appeal of Disqualification.**
- (a) Any Person who wishes to appeal a decision by the Superintendent to disqualify the Person under this section shall, within three business Days after receipt of the Notice of Intent to Disqualify under Section (4) of this Rule, file Written Notice with the District that the Person appeals the decision. The District shall notify the Contract Review Board and schedule the appeal hearing before the Contract Review Board.
 - (b) Immediately upon receipt of the prospective Bidder's or Proposer's Notice of appeal, the District shall notify the appropriate Local Contract Review Board.
 - (c) Upon the receipt of Notice from the District under Section (2) of this Rule, the Contract Review Board shall promptly notify the Person appealing and the District of the time and place of the hearing. The Contract Review Board shall conduct the hearing and decide the appeal within 30 Days after receiving the Notice from the District. The Contract Review Board shall set forth in Writing the reasons for the hearing decision.
 - (d) At the hearing the Contract Review Board shall consider de novo the Notice of disqualification, the reasons for disqualification set forth in Section (1) of this Rule on which the District based the disqualification, and any evidence provided by the parties. Hearings before a Contract Review Board shall be conducted under rules of procedure adopted by the Contract Review Board.
 - (e) The Contract Review Board may allocate the Contract Review Board's costs for the hearing between the Person appealing and the District. The allocation shall be based on facts found by the Contract Review Board and stated in the final order that, in the Contract Review Board's opinion, warrant such allocation of costs. If the final order does not allocate the costs for the hearing, the costs shall be paid as follows:
 - (A) If the decision to disqualify the Person is upheld, the costs shall be paid by the Person appealing the decision.
 - (B) If the decision to disqualify a Person is reversed, the costs shall be paid by the District.
 - (f) Judicial review of any decision by the Contract Review Board shall be as set forth in ORS 279C.450.

Portland Public Schools Public Contracting Rules

PPS 49-0380 Bid or Proposal Evaluation Criteria

- (1) **General.** A Public Improvement Contract, if Awarded, must be Awarded to the Responsible Bidder submitting the lowest Responsive Bid, or to the Responsible Proposer submitting the best Responsive Proposal. See PPS 49-0390 and Rules for Alternative Contracting Methods at PPS 49-0600 to 49-0690.
- (2) **Bid Evaluation Criteria.** Invitations to Bid may solicit lump-sum Offers, unit-price Offers, or a combination of the two.
- (a) **Lump Sum.** If the ITB requires a lump-sum Bid without additive or deductive alternates, or if the District elects not to Award additive or deductive alternates, Bids must be compared on the basis of lump-sum prices, or lump-sum base-Bid prices, as applicable. If the ITB calls for a lump-sum base Bid, plus additive or deductive alternates, the total Bid price must be calculated by adding to or deducting from the base Bid those alternates selected by the District for the purpose of comparing Bids.
- (b) **Unit Price.** If the Bid includes unit pricing for estimated quantities, the total Bid price must be calculated by multiplying the estimated quantities by the unit prices submitted by the Bidder, and adjusting for any additive or deductive alternates selected by the District for the purpose of comparing Bids. The District must specify within the Solicitation Document the estimated quantity of the Procurement to be used for determination of the low Bidder. In the event of mathematical discrepancies between unit price and any extended price calculations submitted by the Bidder, the unit price governs. See PPS 49-0350(2)(b).
- (3) **Proposal Evaluation Criteria.** If the District has exempted the Procurement of a Public Improvement from the Competitive Bidding requirements of ORS 279C.335(1) and has directed the District to use an Alternative Contracting Method under ORS 279C.335(4), the District shall set forth the evaluation criteria in the Solicitation Documents. See PPS 49-0640, 49-0650, 49-0670, 049-0690, ORS 279C.335 and 279C.405.

PPS 49-0390 Offer Evaluation and Award; Determination of Responsibility

- (1) **General.** If Awarded, the District must Award the Contract to the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer or Proposers submitting the best, Responsive Proposal or Proposals, provided that such Person is not listed by the Construction Contractors Board as disqualified to hold a Public Improvement Contract (See ORS 279C.375(3)(a)) or is ineligible for Award as a nonresident education service district (ORS 279C.325). The District may Award by item, groups of items, or the entire Offer provided such Award is consistent with the Solicitation Document and in the public interest. Where Award is based on Competitive Bids, ORS 279C.375(5) permits multiple Contract Awards when specified in the ITB.
- (2) **Determination of Responsibility.** Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the District must have information that indicates that the Offeror meets the standards of responsibility set forth in ORS 279C.375(3)(b). To be a Responsible Offeror, the District must determine that the Offeror:
- (a) Has available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or has the ability to obtain the resources and expertise, necessary to meet all Contractual responsibilities;
- (b) Holds current licenses that businesses or service professionals operating in this state must hold in order to undertake or perform the Work specified in the Contract;
- (c) Is covered by liability insurance and other insurance in amounts the District requires in the Solicitation Documents;

Other Than Personal Services

- (d) Qualifies as a carrier-insured employer or a self-insured employer under ORS 656.407, or has elected coverage under ORS 656.128;
- (e) Has made the disclosure required under ORS 279C.370.
- (f) Has completed previous contracts of a similar nature with a satisfactory record of performance. For purposes of this subparagraph, a satisfactory record of performance means that to the extent that the costs associated with and time available to perform a previous contract remained within the Bidder's control, the Bidder stayed within the time and budget allotted for the procurement, and otherwise performed the contract in a satisfactory manner. The District should carefully scrutinize an Offeror's record of contract performance if the Offeror is or recently has been materially deficient in contract performance. In reviewing the Offeror's performance, the Contracting Agency should determine whether the Offeror's deficient performance was expressly excused under the terms of the contract, or whether the Offeror took appropriate corrective action. The District may review the Offeror's performance on both private and public contracts in determining the Offeror's record of contract performance. The District shall make its basis for determining an Offeror not Responsible under this paragraph part of the Solicitation file;
- (g) Has a satisfactory record of integrity. In evaluating the Bidder's record of integrity, the District may consider, among other things, whether the Bidder has previous criminal convictions for offenses related to obtaining or attempting to obtain a contract or subcontract or in connection with the Bidder's performance of a contract or subcontract. The District shall document the Bidder's record of integrity in the Procurement File if the District finds under this subparagraph that the Bidder is not responsible;
- (h) Is legally qualified to contract with the District; and
- (a) Supplied all necessary information in connection with the inquiry concerning responsibility. If a Bidder fails to promptly supply information concerning responsibility that the District requests, the District shall determine the Bidder's responsibility based on any available information, or may find that the Bidder is not responsible.

(3) Documenting Agency Determinations. The District must document its compliance with ORS 279C.375(3) and the above sections of this Rule on a Responsibility Determination Form substantially as set forth in ORS 279.375(3)(c), and file that form with the Construction Contractors Board within 30 Days after Contract Award.

(4) District Evaluation. The District must evaluate an Offer only as set forth in the Solicitation Document and in accordance with applicable law. The District must not evaluate an Offer using any other requirement or criterion.

(5) Offeror Submissions.

- (a) The District may require an Offeror to submit Product Samples, Descriptive Literature, technical data, or other material, and may also require any of the following prior to Award:
 - (A) Demonstration, inspection, or testing of a product for characteristics such as compatibility, quality, or workmanship;
 - (B) Examination of such elements as appearance or finish; or
 - (C) Other examinations to determine whether the product conforms to Specifications.
- (b) The District must evaluate product acceptability only in accordance with the criteria disclosed in the Solicitation Document to determine that a product is acceptable. The District must reject an Offer providing any product that does not meet the Solicitation Document requirements. The

District's rejection of an Offer because it offers nonconforming Work or materials is not disqualification and is not appealable under ORS 279C.445.

- (6) Evaluation of Bids.** The District must use only objective criteria to evaluate Bids as set forth in the ITB. The District must evaluate Bids to determine which Responsible Offeror Offers the lowest Responsive Bid.
- (a) Nonresident Bidders.** In determining the lowest Responsive Bid, the District must add a percentage increase to the Bid of a nonresident Bidder equal to the percentage, if any, of the preference given to that Bidder in the state in which the Bidder resides.
 - (b) Clarifications.** In evaluating Bids, the District may seek information from a Bidder only to clarify the Bidder's Bid. Such clarification must not vary, contradict, or supplement the Bid. A Bidder must submit Written and Signed clarifications and such clarifications must become part of the Bidder's Bid.
 - (c) Negotiation Prohibited.** The District must not negotiate scope of Work or other terms or conditions under an Invitation to Bid process prior to Award.
- (7) Evaluation of Proposals.** See PPS 49-0650 regarding Rules applicable to Requests for Proposals.

PPS 49-0395 Notice of Intent to Award

- (1) Notice.** At least seven Days before the Award of a Public Improvement Contract, the District shall issue to each Bidder (pursuant to ORS 279C.375(2)) and each Proposer (pursuant to ORS 279C.410(7)), or post electronically or otherwise, a Notice of the District's Intent to Award the Contract. This requirement does not apply to Award of a Small (under \$5,000) or Intermediate (informal Competitive Quotes) Public Improvement Contract Awarded under ORS 279C.335(1)(c) or (d).
- (2) Form and Manner of Posting.** The form and manner of posting Notice shall conform to customary practices within the District's Procurement system, and may be made electronically.
- (3) Finalizing Award.** The District's Award shall not be final until the later of the following:
- (a)** Seven Days after the date of the Notice, unless the Solicitation Document provided a different period for protest; or
 - (b)** The District provides a Written response to all timely filed protests that denies each protest and affirms the Award.
- (4) Prior Notice Impractical.** Posting of Notice of Intent to Award shall not be required when the District determines that it is impractical due to unusual time constraints in making prompt Award for its immediate Procurement needs, documents the Procurement File as to the reasons for that determination, and posts Notice of that action as soon as reasonably practical.

PPS 49-0400 Documentation of Award; Availability of Award Decisions

- (1) Basis of Award.** After Award, the District must make a record showing the basis for determining the successful Offeror part of the District's Procurement File.
- (2) Contents of Award Record for Bids.** The District's record must include:
- (a)** Bids.
 - (b)** Completed Bid tabulation sheet; and
 - (c)** Written justification for any rejection of lower Bids.
- (3) Contents of Award Record for Proposals.** Where the use of Requests for Proposals is authorized as set forth in PPS 49-0650, the District's record must include:

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (a) Proposals.
 - (b) The completed evaluation of the Proposals;
 - (c) Written justification for any rejection of higher-scoring Proposals or for failing to meet mandatory requirements of the Request for Proposal; and
 - (d) If the District permitted negotiations in accordance with PPS 49-0650, the District's completed evaluation of the initial Proposals and the District's completed evaluation of final Proposals.
- (4) **Contract Document.** The District must deliver a fully executed copy of the final Contract to the successful Offeror.
- (5) **Bid Tabulations and Award Summaries.** Upon request of any Person, the District must provide tabulations of Awarded Bids or evaluation summaries of Proposals for a nominal charge which may be payable in advance. Requests must contain the Solicitation Document number and, if requested, be accompanied by a self-addressed, stamped envelope. The District may also provide tabulations of Bids and Proposals Awarded on designated Web sites.
- (6) **Availability of Procurement Files.** The District must make completed Procurement Files available for public review at the District.
- (7) **Copies from Procurement Files.** Any Person may obtain copies of material from Procurement Files upon payment of a reasonable copying charge.

PPS 49-0410 Time for District Acceptance; Extension

- (1) **Time for Offer Acceptance.** An Offeror's Bid, or Proposal submitted as a Firm Offer (see PPS 49-0280), is irrevocable, valid, and binding on the Offeror for not less than 60 Days from Closing unless otherwise specified in the Solicitation Document.
- (2) **Extension of Acceptance Time.** The District may request, orally or in Writing, that Offerors extend, in Writing, the time during which the District may consider and accept their Offer(s). If an Offeror agrees to such extension, the Offer must continue as a Firm Offer, irrevocable, valid, and binding on the Offeror for the agreed-upon extension period.

PPS 49-0420 Negotiation With Bidders Prohibited

- (1) **Bids.** Except as permitted by ORS 279C.340 and PPS 49-0430 when all Bids exceed the Cost Estimate, the District must not negotiate with any Bidder prior to Contract Award. After Award of the Contract, the District and the Contractor may only modify the Contract by Change Order or Amendment to the Contract in accordance with PPS 49-0860.
- (2) **Requests for Proposals.** The District may only conduct discussions or negotiations with Proposers in accordance with the requirements of PPS 49-0650.

PPS 49-0430 Negotiation When Bids Exceed Cost Estimate

- (1) **Generally.** In accordance with ORS 279C.340, if all Responsive Bids from Responsible Bidders on a competitively Bid Project exceed the District's Cost Estimate, prior to Contract Award the District may negotiate Value Engineering and Other Options with the Responsible Bidder submitting the lowest Responsive Bid in an attempt to bring the Project within the District's Cost Estimate. The subcontractor disclosure and substitution requirements of PPS 49-0360 do not apply to negotiations under this Rule.
- (2) **Definitions.** The following definitions apply to this Rule:
- (a) **"Cost Estimate"** means the District's most recent pre-Bid, good-faith assessment of anticipated Contract costs, consisting either of an estimate of an Architect, Engineer, or other qualified

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

professional, or confidential cost calculation worksheets, where available, and otherwise consisting of formal planning or budgetary documents.

- (b) **"Other Options"** means those items generally considered appropriate for negotiation in the RFP process, relating to the details of Contract performance as specified in PPS 49-0650, but excluding any material requirements previously announced in the solicitation process that would likely affect the field of competition.
- (c) **"Project"** means a Public Improvement.
- (d) **"Value Engineering"** means the identification of alternative methods, materials, or systems which provide for comparable function at reduced initial or life-time cost. It includes proposed changes to the plans, Specifications, or other Contract requirements that may be made, consistent with industry practice, under the Original Contract by mutual agreement in order to take advantage of potential cost savings without impairing the essential functions or characteristics of the Public Improvement. Cost savings include those resulting from Life-Cycle Costing, which may either increase or decrease absolute costs over varying time periods.

(3) **Rejection of Bids.** In determining whether all Responsive Bids from Responsible Bidders exceed the Cost Estimate, only those Bids that have been formally rejected, or Bids from Bidders who have been formally disqualified by the District, must be excluded from consideration.

(4) **Scope of Negotiations.** The District must not proceed with Contract Award if the scope of the Project is significantly changed from the original Bid. The scope is considered to have been significantly changed if the pool of competition would likely have been affected by the change; that is, if other Bidders would have been expected by the District to participate in the Bidding process had the change been made during the solicitation process rather than during negotiation. This Rule must not be construed to prohibit solicitation of trade subcontracts.

(5) **Discontinuing Negotiations.** The District may discontinue negotiations at any time, and must do so if it appears to the District that the apparent low Bidder is not negotiating in good faith or fails to share cost and pricing information upon request. Failure to re-Bid any portion of the Project, or to obtain subcontractor pricing information upon request, must be considered a lack of good faith.

(6) **Limitation.** Negotiations may be undertaken only with the lowest Responsive, Responsible Bidder pursuant to ORS 279C.340. That statute does not provide any additional authority to further negotiate with Bidders next in line for Contract Award.

(7) **Public Records.** To the extent that a Bidder's records used in Contract negotiations under ORS 279C.340 are public records, they are exempt from disclosure until after the negotiated Contract has been Awarded or the negotiation process has been terminated, at which time they are subject to disclosure pursuant to the provisions of the Oregon Public Records Law, ORS 192.410 through 192.505.

PPS 49-0440 Rejection of Offers

(1) **Rejection of an Offer.**

- (a) The District may reject any Offer upon finding that to accept the Offer may impair the integrity of the Procurement process or that rejecting the Offer is in the public interest.
- (b) The District will reject an Offer upon the District's finding that the Offer:
 - (A) Is contingent on the District's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document, or
 - (B) Takes exception to terms and conditions (including Specifications), or

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of the Solicitation Document or in contravention of applicable law; or
 - (D) Offers Work that fails to meet the Specifications of the Solicitation Document; or
 - (E) Is late; or
 - (F) Is not in substantial compliance with the Solicitation Document; or
 - (G) Is not in substantial compliance with all prescribed public solicitation procedures.
- (c) The District will reject an Offer upon the District's finding that the Offeror:
- (A) Has not been prequalified under ORS 279C.430 and the District required mandatory prequalification; or
 - (B) Has been disqualified; or
 - (C) Has been declared ineligible under ORS 279C.860 by the Commissioner of BOLI and the Contract is for a Public Work; or
 - (D) Is listed as not qualified by the Construction Contractors Board, if the Contract is for a Public Improvement; or
 - (E) Has not met the requirements of ORS 279A.105 if required by the Solicitation Document; or
 - (F) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document; or
 - (G) Has failed to provide the certification required under Section (3) of this Rule; or
 - (H) Is not Responsible. See PPS 49-0390(2) regarding District determination that the Offeror has met statutory standards of responsibility.

(2) Form of Business. For purposes of this Rule, the District may investigate any Person submitting an Offer. The investigation may include that Person's officers, directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this Rule or to apply the disqualification provisions of ORS 279C.440 through 279C.450 and PPS 49-0370.

(3) Certification of Non-Discrimination. The Offeror must certify and deliver to the District Written certification, as part of the Offer, that the Offeror has not discriminated against any disadvantaged business, minority-owned business, women-owned business, emerging small business enterprises, or business that a service-disabled veteran owns, in obtaining any required subcontracts. Failure to do so shall be grounds for disqualification.

(4) Contract and Subcontract Conditions. If the District awards a Contract to an Offeror that has been determined to be responsible under ORS 200.005(8)⁵ and 200.045(3),⁶ or awards a Contract under ORS 279A.100:7

- (a) The District must provide, as a material condition of the Contract:

⁵ A bidder or proposer that the Governor's Policy Advisor for Economic and Business Equity determines has undertaken both a policy and a practice of actively pursuing participation by minority-owned businesses, women-owned businesses, businesses that service-disabled veterans own or emerging small businesses in all of the bidder's or proposer's bids or proposals, both public and private.

⁶ A bidder or proposer has made good faith efforts to encourage required participants to participate by taking all of the actions list in ORS 200.045(3).

⁷ An affirmative action program adopted under ORS 279A.100 for goods and services contracts or any other contract under \$50,000.

- (A) That the Contractor must maintain its certification under ORS 200.055 throughout the term of the Contract and any extensions (if the Contracting Agency used the certification as a factor in or as a basis for the award of the Contract);
 - (B) That the Contractor must promptly pay each subcontractor that is certified under ORS 200.055 in accordance with ORS 279B.220, or 279C.570 and ORS 279C.580, whichever apply to the Contract;
 - (C) That the Contractor must include, in any subcontract the Contractor establishes in connection with the Contract, a provision that requires the subcontractor to maintain the subcontractor's certification under ORS 200.055 throughout the term of the subcontract and any extensions (if the Contractor used the certification as a factor in or as a basis for the award of the subcontract);
 - (D) That the District may require the Contractor to terminate a subcontract with a subcontractor that fails to maintain its certification under ORS 200.055 throughout the term of the subcontract and any extensions.
- (b) In the administration of Contracts that are subject to Section (4) of this rule, the District must verify the Contractor's and any subcontractor's compliance with Subsection (4)(a) of this rule.
 - (c) Subparagraph (4)(a)(A) of this section does not apply to an emerging small business that ceases to qualify as a tier one firm or a tier two firm (as ORS 200.005 defines those terms) due to the growth in the business's number of full-time equivalent employees or in average annual gross receipts during the term of the Contract. This Section (4) does not apply to an emerging small business for which a certification under ORS 200.055 expires during the term of the Contract or any extensions.
- (5) **Rejection of all Offers.** The District may reject all Offers for good cause upon the District's Written Finding that it is in the public interest to do so. The District must notify all Offerors of the rejection of all Offers, along with the good-cause justification and Finding.
- (6) **Criteria for Rejection of All Offers.** The District may reject all Offers upon a Written Finding that:
- (a) The content of or an error in the Solicitation Document or the solicitation process unnecessarily restricted competition for the Contract;
 - (b) The price, quality, or performance presented by the Offerors is too costly or of insufficient quality to justify acceptance of the Offer;
 - (c) Misconduct, error, or ambiguous or misleading provisions in the Solicitation Document threaten the fairness and integrity of the Competitive process;
 - (d) Causes other than legitimate market forces threaten the integrity of the Competitive Procurement process. These causes include, but are not limited to, those that tend to limit competition such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct, and inadvertent or intentional errors in the Solicitation Document;
 - (e) The District cancels the solicitation in accordance with PPS 49-0270; or
 - (f) Any other circumstance indicating that Awarding the Contract would not be in the public interest.

PPS 49-0450 Protest of Contractor Selection, Contract Award

(1) **Purpose.** An adversely affected or aggrieved Offeror must exhaust all avenues of administrative review and relief before seeking judicial review of the District's Contractor selection or Contract Award decision.

(2) Notice of Competitive Range. Unless otherwise provided in the RFP, when the Competitive Proposal process is authorized under PPS 49-0650, the District must provide Written Notice to all Proposers of the District's determination of the Proposers included in the Competitive Range. The District's Notice of the Proposers included in the Competitive Range must not be final until the later of the following:

- (a) Ten Days after the date of the Notice, unless otherwise provided therein; or
- (b) Until the District provides a Written response to all timely filed protests that denies the protest and affirms the Notice of the Proposers included in the Competitive Range.

(3) Notice of Intent to Award. Unless otherwise provided in the Solicitation Document, the District must provide Written Notice to all Offerors of the District's Intent to Award the Contract as provided in PPS 49-0395.

(4) Right to Protest Award.

- (a) An adversely affected or aggrieved Offeror may submit to the District a Written protest of the District's Intent to Award within seven Days after issuance of the Notice of Intent to Award the Contract, unless a different protest period is provided under the Solicitation Document.
- (b) The Offeror's protest must be in Writing and must specify the grounds on which the protest is based.
- (c) An Offeror is adversely affected or aggrieved only if the Offeror is eligible for Award of the Contract as the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer submitting the best Responsive Proposal and is next in line for Award, i.e., the protesting Offeror must claim that all lower Bidders or higher-scored Proposers are ineligible for Award:
 - (A) Because their Offers were Non-Responsive; or
 - (B) The District committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been the Responsible Bidder offering the lowest Bid or the Responsible Proposer offering the highest-ranked Proposal.
- (d) The District will not consider a protest submitted after the time period established in this Rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest the District's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.

(5) Right to Protest Competitive Range.

- (a) An adversely affected or aggrieved Proposer may submit to the District a Written protest of the District's decision to exclude the Proposer from the Competitive Range within seven Days after issuance of the Notice of the Competitive Range, unless a different protest period is provided under the Solicitation Document. (See procedural requirements for the use of RFPs at PPS 49-0650.)
- (b) The Proposer's protest must be in Writing and must specify the grounds on which the protest is based.
- (c) A Proposer is adversely affected only if the Proposer is responsible and submitted a Responsive Proposal and is eligible for inclusion in the Competitive Range, i.e., the protesting Proposer must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Proposers are removed from consideration, and that those ineligible Proposers are ineligible for inclusion in the Competitive Range because:

- (A) Their Proposals were not Responsive; or
 - (B) The District committed a substantial violation of a provision in the RFP or of an applicable Procurement statute or administrative rule, and the protesting Proposer was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.
 - (d) The District must not consider a protest submitted after the time period established in this Rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest the District's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.
- (6) **Authority to Resolve Protests.** The Superintendent may settle or resolve a Written protest submitted in accordance with the requirements of this Rule.
- (7) **Decision.** If a protest is not settled, the Superintendent, or such Person's designee, must promptly issue a Written decision on the protest. Judicial review of this decision will be available if provided by statute.
- (8) **Award.** The successful Offeror must promptly execute the Contract after the Award is final. The District must execute the Contract only after it has obtained all applicable required documents and approvals.

PPS 49-0460 Performance and Payment Security; Waiver

- (1) **Public Improvement Contracts.** Unless the required performance bond is waived under ORS 279C.380(1)(a) or this Rule, excused in cases of emergency under ORS 279C.380(4), or unless the District exempts a Contract or classes of Contracts from the required performance bond and payment bond pursuant to ORS 279C.390, the Contractor must execute and deliver to the District a performance bond and a payment bond each in a sum equal to the Contract Price for all Public Improvement Contracts.
- (2) **Other Construction Contracts.** The District may require performance security for other construction Contracts that are not Public Improvement Contracts. Such requirements must be expressly set forth in the Solicitation Document.
- (3) **Requirement for Surety Bond.** The District must accept only a performance bond furnished by a surety company authorized to do business in Oregon unless otherwise specified in the Solicitation Document (i.e., the District may accept a cashier's check or certified check in lieu of all or a portion of the required performance bond if specified in the Solicitation Document). The payment bond must be furnished by a surety company authorized to do business in Oregon, and in an amount equal to the full Contract Price.
- (4) **Time for Submission.** The apparent successful Offeror must promptly furnish the required performance security at the District's request. If the Offeror fails to furnish the security as requested, the District may reject the Offer and Award the Contract to the Responsible Bidder with the next lowest Responsive Bid or the Responsible Proposer with the next highest-scoring Responsive Proposal, and, at the District's discretion, the Offeror must forfeit its Bid or Proposal security.
- (5) **Public Improvement Contracts Under \$100,000.** The Superintendent may, in his or her discretion, waive the Bid security requirements and performance and payment bond requirements of ORS 279C.380 if the amount of the Contract for the Public Improvement is \$100,000 or less.

PPS 49-0470 Substitute Contractor

If the Contractor provided a performance bond, the District may afford the Contractor's surety the opportunity to provide a substitute Contractor to complete performance of the Contract. A substitute

Contractor must perform all remaining Contract Work and comply with all terms and conditions of the Contract, including the provisions of the performance bond and the payment bond. Such substitute performance does not involve the Award of a new Contract and must not be subject to the Competitive Procurement provisions of ORS 279C.

PPS 49-0490 Foreign Contractor

If the Contract Price exceeds \$10,000 and the Contractor is a Foreign Contractor, the Contractor must promptly report to the Oregon Department of Revenue on forms provided by the Department of Revenue, the Contract Price, terms of payment, Contract duration, and such other information as the Department of Revenue may require before final payment can be made on the Contract. A copy of the report must be forwarded to the District. The District Awarding the Contract must satisfy itself that the above requirements have been complied with before it issues final payment on the Contract.

ALTERNATIVE CONTRACTING METHODS

PPS 49-0600 Alternative Contracting Methods; Purpose

These PPS 49-0600 to PPS 49-0690 Rules are intended to provide guidance to the District regarding the use of Alternative Contracting Methods for Public Improvement Contracts. These Alternative Contracting Methods include, but are not limited to, the following forms of contracting: Design-Build, Energy Savings Performance, and the Construction Manager/General Contractor Method. To the extent any such Alternative Contracting Methods are utilized within the competitive bidding process set forth in ORS 279C.335(1), these OAR 137-049-0600 to 137-049-0690 rules are advisory only and may be used or referred to by the District in whole, in part or not at all, within the discretion of the District. As to ESPC contracting, these PPS 49-0600 through PPS 49-0690 Rules implement the requirements of ORS 279C.335 pertaining to the adoption of Model Rules appropriate for use by the entire District to govern the procedures for entering into ESPCs. As to contracting for Construction Manager General Contractor Services, PPS 49-0600 to 49-0690 include mandatory and optional provisions pertaining to the procurement of Construction Manager/General Contractor Services, pursuant to the requirements of ORS 279C.337.

PPS 49-0610 Definitions for Alternative Contracting Methods

The following definitions must apply to Rules PPS 49-0600 to 49-0690, unless the context requires otherwise:

- (1) **"Affiliate"** has the meaning set forth in ORS 279C.332(1).
- (2) **"Alternative Contracting Methods"** mean innovative techniques for procuring or performing Public Improvement Contracts, utilizing processes other than the traditional methods involved in the design-bid-build construction contracting method (with Award of a Public Improvement Contract based solely on price, in which a final design is issued with formal Bid Documents, construction services are obtained by sealed Bid awarded to the Responsible Bidder submitting the lowest Responsive Bid, and the project is built in accordance with those Documents). In industry practice, such methods commonly include variations of Design-Build contracting, CM/GC forms of contracting, and ESPCs, which are specifically addressed in these PPS 49-0600 to 49-0690 Rules. These methods also include other developing techniques which include but are not limited to general "performance contracting," "cost-plus-time" contracting, (as more particularly described in ORS 279C.332(3)(b)(D)(iii)(I)) and "qualifications plus project approach" contracting (as more particularly described in ORS 279C.332(3)(b)(D)(iii)(II)). Procedural requirements for these methods are identified in these PPS 49-0600 to 49-0690 rules when the District uses an Alternative Contracting Method in a procurement that requires an exemption from competitive bidding under ORS 279C.335(2) or in an ESPC procurement that is excepted from competitive bidding under ORS 279.335(1).

- (4) **"Construction Manager/General Contractor Method"** (or **"CM/GC Method"**) means the Alternative Contracting Method which involves a District's selection of a CM/GC to perform CM/GC Services for a project or projects.
- (5) **"Construction Manager/General Contractor Services"** (or **"CM/GC Services"**) has the meaning set forth in ORS 279C.332(3).
- (6) **"Design-Build"** means a form of Procurement that results in a Public Improvement Contract in which the construction Contractor also provides or obtains specified design services, participates on the Project team with the District, and manages both design and construction. In this form of Contract, a single Person provides the District with all of the Personal Services and construction Work necessary to both design and construct the Project.
- (7) **"Early Work"** means construction services, construction materials and other Work authorized by the parties to be performed under the CM/GC Contract in advance of the establishment of the GMP, fixed price or other maximum, not-to-exceed price for the project. Permissible Early Work shall be limited to early procurement of materials and supplies, early release of bid or proposal packages for site development and related activities, and any other advance Work related to important components of the project for which performance prior to establishment of the GMP will materially and positively affect the development or completion of the project.
- (8) **"Energy Conservation Measures"** ("**ECMs**") (also known as **"Energy Efficiency Measures"**) means, as used in ESPC Procurement, any equipment, fixture, or furnishing to be added to or used in an existing building or structure, and any repair, alteration, or improvement to an existing building or structure that is designed to reduce energy consumption and related costs, including those costs related to electrical energy, thermal energy, water consumption, waste disposal, and future Contract-labor costs and materials costs associated with maintenance of the building or structure. For purposes of these PPS 49-0600 to 49-0690 Rules, use of either or both of the terms "building" or "structure" must be deemed to include existing energy, water, and waste disposal systems connected or related to or otherwise used for the building or structure when such system(s) are included in the Project, either as part of the Project together with the building or structure, or when such system(s) are the focus of the Project. Maintenance services are not Energy Conservation Measures for purposes of these PPS 49-0600 to 49-0690 Rules.
- (9) **"Energy Savings Guarantee"** means the energy savings and performance guarantee provided by the ESCO under an ESPC Procurement, which guarantees to the District that certain energy savings and performance will be achieved for the Project covered by the RFP through the installation and implementation of the agreed-upon ECMs for the Project. The Energy Savings Guarantee must include, but must not be limited to, the specific energy savings and performance levels and amounts that will be guaranteed, provisions related to the financial remedies available to the District in the event the guaranteed savings and performance are not achieved, the specific conditions under which the ESCO will guarantee energy savings and performance (including the specific responsibilities of the District after final completion of the design and construction phase), and the term of the energy savings and performance guarantee.
- (10) **"Energy Savings Performance Contract"** ("**ESPC**") means a Public Improvement Contract between the District and a Qualified Energy Service Company for the identification, evaluation, recommendation, design, and construction of Energy Conservation Measures, including a Design-Build Contract, that guarantee energy savings or performance.
- (11) **"General Conditions Work"** ("**GC Work**") means a general grouping of project Work required to support construction operations on the project that is not separately invoiced or subcontracted by the Contractor or included within the Contractor's overhead or fee.

Other Than Personal Services

(12) "Guaranteed Maximum Price" ("GMP") has the meaning set forth in ORS 279C.332(4), pertaining to procurements for CM/GC Services. For Alternative Contracting Methods other than the CM/GC Method, "Guaranteed Maximum Price" or "GMP" means the total maximum price provided to the District by the Contractor, and accepted by the District, that includes all reimbursable costs of and fees for completion of the Contract Work, and any particularly identified contingency amounts as defined by the Public Improvement Contract.

(13) "Measurement and Verification" ("M & V") means, as used in ESPC Procurement, the examination of installed ECMs using the International Performance Measurement and Verification Protocol ("IPMVP"), or any other comparable protocol or process, to monitor and verify the operation of energy-using systems pre-installation and post-installation.

(14) "Project Development Plan" means a secondary phase of Services performed by an ESCO in an ESPC Procurement when the ESCO performs more extensive design of the agreed-upon ECMs for the Project, provides the detailed provisions of the ESCO's Energy Savings Guarantee that the fully installed and commissioned ECMs will achieve a particular energy savings level for the building or structure, and prepares an overall report or plan summarizing the ESCO's services during this secondary phase of the Work and otherwise explaining how the agreed-upon ECMs will be implemented during the design and construction phase of the Work. The term "Project Development Plan" can also refer to the report or plan provided by the ESCO at the conclusion of this phase of the Work.

(15) "Qualified Energy Service Company" ("ESCO") means, as used in ESPC Procurement, a company, firm, or other legal Person with the following characteristics: demonstrated technical, operational, financial, and managerial capabilities to design, install, construct, commission, manage, measure and verify, and otherwise implement Energy Conservation Measures and other Work on building systems or building components that are directly related to the ECMs in existing buildings and structures; a prior record of successfully performing ESPCs on projects involving existing buildings and structures that are comparable to the Project under consideration by the District; and the financial strength to effectively guarantee energy savings and performance under the ESPC for the Project in question, or the ability to secure necessary financial measures to effectively guarantee energy savings under an ESPC for that Project.

(16) "Savings" has the meaning set forth in ORS 279C.337(4), pertaining to CM/GC Services procurements. For other Alternative Contracting Methods, "Savings" means a positive difference between a Guaranteed Maximum Price or other maximum not-to-exceed price set forth in a Public Improvement Contract and the actual cost of the Contractor's performance of the Contract Work payable by the District under the terms of the Contract, including costs for which the District reimburses a Contractor and fees, profits or other payments the Contractor earns.

(17) "Technical Energy Audit," as used in ESPC Procurement means the initial phase of Services to be performed by an ESCO that includes a detailed evaluation of an existing building or structure, an evaluation of the potential ECMs that could be effectively utilized at the facility, and preparation of a report to the District of the ESCO's Findings during this initial phase of the Work. The term "Technical Energy Audit" can also refer to the report provided by the ESCO at the conclusion of this phase of the Work.

PPS 49-0620 Use of Alternative Contracting Methods

(1) Competitive Bidding Exemptions. ORS 279C requires a Competitive Bidding process for Public Improvement Contracts unless a statutory exception applies, a class of Contracts has been exempted from the competitive bidding process, or an individual Contract has been exempted from the competitive bidding process in accordance with ORS 279C.335 and any applicable District Rules. Use of Alternative Contracting Methods may be directed by the District if that use is within the competitive bidding process if feasible, or through an available statutory exception to the competitive bidding process. Use of Alternative Contracting Methods must be directed through the District's Local Contract Review Board, however, when use of the

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

Alternative Contracting Method requires an exemption to the prescribed competitive bidding requirement of ORS 279C.335. In any of these circumstances, use of Alternative Contracting Methods must be justified in accordance with any applicable Code and District requirements and, if require, these PPS 049-0600 to 049-0690 Rules. See PPS 49-0630 regarding required Findings and restrictions on exemptions from the competitive bidding requirements under ORS 279C.335.

(2) Energy Savings Performance Contracts. ESPCs are excepted from the Competitive Bidding requirements for Public Improvement Contracts pursuant to ORS 279C.335(1)(f) if the District complies with the procedures set forth in these PPS 49-0600 through 49-0690 or parallel administrative rules meeting the requirements of ORS 279A.065 related to the solicitation, Rules related to the solicitation, negotiation and contracting for ESPC Work. If those procedures are not followed, an ESPC procurement may still be exempted from competitive bidding requirements by following the general exemption procedures within ORS 279C.335.

(3) Post-Project Evaluation. ORS 279C.355 requires that the District prepare a formal post-Project evaluation of Public Improvement Projects in excess of \$100,000 when the District does not use the competitive bidding process required by ORS 279C.335. The purpose of this evaluation is to determine whether it was actually in the District's best interest to use an Alternative Contracting Method outside the competitive bidding process. The evaluation must be delivered to the Contract Review Board of the District as applicable within 30 Days of the date the District "accepts" the Public Improvement Project, which event is typically defined in the Contract. In the absence of such definition, acceptance of the Project occurs on the later of the date of final payment or the date of final completion of the Contract Work. ORS 279C.355 describes the timing and content of this evaluation, with three required elements:

- (a) Financial information, consisting of Cost Estimates, any GMP changes, and actual costs;
- (b) A narrative description of successes and failures during design, engineering, and construction; and
- (c) An objective assessment of the use of the Alternative Contracting Method as compared to the exemption Findings.

PPS 49-0630 Findings, Notice, and Hearing

(1) Cost Savings and Other Substantial Benefits Factors. When Findings are required under ORS 279C.335 to exempt a Contract or class of Contracts from the Competitive Bidding requirements, the "substantial cost savings" criterion and "other substantial benefits" criteria at ORS 279C.335(2)(b) require consideration of the type, cost, and, to the extent applicable, the other factors set forth in the statute. If a particular factor has no application whatsoever to the particular Public Improvement Contract or class of Public Improvement Contracts, the District Local Contract Review Board does not need to consider that factor, and the District is not required to address the factor, other than to explain why the factor has no application whatsoever to the particular Public Improvement Contract or class of Public Improvement Contracts.

(2) Required Information. The statutory definition of "Findings" at ORS 279C.330 which applies to exemptions from competitive bidding means the justification for the District's conclusion regarding the factors listed in both ORS 279C.335(2)(a) and 279C.335(2)(b) or, in the alternative, both ORS 279C.335(2)(a) and 279C.335(2)(c)..

(3) Addressing Cost Savings. Accordingly, when the Contract or class of Contracts under consideration for an exemption contemplates the use of Alternative Contracting Methods, the "substantial cost savings and other substantial benefits" requirement may be addressed by a combination of:

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (a) Specified Findings that address the factors and other information specifically identified by statute, including, but not limited to, an analysis or reasonable forecast of present and future cost savings and other substantial benefits; and
 - (b) Additional Findings that address industry practices, surveys, trends, past experiences, evaluations of completed projects required by ORS 279C.355, and related information regarding the expected benefits and drawbacks of particular Alternative Contracting Methods. To the extent practicable, such Findings must relate back to the specific characteristics of the Project or Projects at issue in the exemption request; and
 - (c) As an alternative to the "substantial cost savings and other substantial benefits" requirement in ORS 279C.335(2)(b), if an Alternative Contracting Method has not been previously used, the District may make a Finding that identifies the Project as a "pilot Project" under ORS 279C.335(2)(c). Nevertheless, the District must still make the findings required in ORS 279C.335(2)(a).
- (4) Favoritism and Competition.** The criteria at ORS 279C.335(2)(a) that the exemption "is likely to encourage favoritism" or "substantially diminish competition" may be addressed in contemplating the use of Alternative Contracting Methods by specifying the manner in which an RFP process will be utilized, that the Procurement will be formally advertised with public Notice and disclosure of the planned Alternative Contracting Method, competition will be encouraged, Award will be made based on identified selection criteria, and an opportunity will be given to protest that Award.
- (5) Descriptions.** Findings supporting a competitive bidding exemption must describe with specificity any Alternative Contracting Method to be used in lieu of competitive bidding, including, but not limited to, whether a one-step (Request for Proposals), two-step (beginning with a Request for Qualification, followed by a Request for Proposals) or other solicitation process will be utilized. The Findings may also describe anticipated characteristics or features of the resulting Public Improvement Contract. However, the purpose of an exemption from competitive bidding is limited to a determination of the Procurement method. Any unnecessary or incidental descriptions of the specific details of the anticipated Contract within the supporting Findings are not binding upon the District. The parameters of the Public Improvement Contract are those characteristics or specifics that are announced in the Solicitation Document.
- (6) Class Exemptions.** In making the Findings supporting a class exemption, the District must clearly identify the "class" with respect to its defining characteristics, pursuant to the requirements of ORS 279C.335(3). The class must meet the following requirements:
- (a) The class cannot be based on a single characteristic or factor, so that an Agency directly or indirectly creates a class whereby the Agency uses, for example, the CM/GC Method for all Agency construction projects or all Agency construction projects over a particular dollar amount, unidentified future Agency construction projects of a particular work category, or all Agency construction projects from a particular funding source such as the sale of bonds; and
 - (b) The class must include a combination of factors, be defined by the Agency through characteristics that reasonably relate to the exemption criteria set forth in ORS 279C.335(2) and must reflect a detailed evaluation of those characteristics so that the class is defined in a limited way that effectively meets the Agency's objectives while allowing for impartial and open competition, and protecting the integrity of the exemption process. An example of a class that might be permitted under the statute is a series of projects, such as a specific group of building renovation projects, that:
 - (A) involve renovations for a common purpose;

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (B) require completion on a related schedule in order to avoid unnecessary disruption of District operations;
- (C) share common characteristics, such as historic building considerations, the presence of asbestos or other hazardous substances, or the presence of agency staff during construction;
- (D) otherwise possess characteristics that meet the requirements of ORS 279C.335(2); and
- (E) otherwise meet the requirements of the Director of the District Local Contract Review Board.

(7) **Public Hearing.** Before final adoption of Findings exempting a Public Improvement Contract from the requirement of Competitive Bidding, the District shall give Notice and hold a public hearing as required by ORS 279C.335(5). The hearing will be for the purpose of receiving public comment on the District's draft Findings.

PPS 49-0640 Competitive Proposals; Procedure

The District may utilize the following RFP process for Public Improvement Contracts, allowing flexibility in both Proposal evaluation and Contract negotiation, only in accordance with ORS 279C.330 to 279C.337, ORS 279C.400 through 279C.410 and PPS 49-0600 through 49-0690, unless other applicable statutes control the District's use of Competitive Proposals for Public Improvement Contracts. Also see the Section of Rules in this Division entitled Formal Procurement Rules, PPS 49-0200 through 49-0450, and RFP-related Rules under the Alternative Contracting Methods Section at PPS 49-0640 through 49-0660. For ESPCs, the following RFP process as further specified in PPS 049-0645, 049-0650, 049-0660 and 049-0680 shall be utilized if the District desires the Procurement process to be exempt from the Competitive Bidding requirements of ORS 279C.335. The RFP process for the Alternative Contracting Methods identified in PPS 49-0600 through 49-0690 includes the following steps:

(1) **Proposal Evaluation.** Factors in addition to price may be considered in the selection process, but only as set forth in the RFP. Proposal evaluation must be as objective as possible. Evaluation factors need not be precise predictors of future costs and performance, but to the extent possible such evaluation factors must:

- (a) Be reasonable estimates based on information available to the District;
- (b) Treat all Proposals equitably; and
- (c) Recognize that public policy requires that Public Improvements be constructed at the least overall cost to the District. See ORS 279C.305.

For ESPC Proposal evaluations, the District may provide in the RFP that qualifications-based evaluation factors will outweigh the District's consideration of price-related factors, due to the fact that prices for the major components of the Work to be performed during the ESPC process contemplated by the RFP will likely not be determinable at the time of Proposal evaluation. For CM/GC Services Proposal evaluations, the District must comply with ORS 279C.337.

(2) **Evaluation Factors.**

- (a) In basic negotiated construction contracting where the only reason for an RFP is to consider factors other than price, those factors may consist of firm and personnel experience on similar projects, adequacy of equipment and physical plant, sources of supply, availability of key personnel, financial capacity, past performance, safety records, project understanding, proposed methods of construction, proposed milestone dates, references, service, and related matters that could affect the cost or quality of the Work.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) In CM/GC contracting, in addition to Section (2)(a) above, those factors may also include the ability to respond to the technical complexity or unique character of the Project, analyze and propose solutions or approaches to complex Project problems, analyze and propose value engineering options, analyze and propose energy efficiency measures or alternative energy options, coordinate multiple disciplines on the project, effectively utilize the time available to commence and complete the improvement, and related matters that could affect the cost or quality of the Work.
- (c) In Design-Build contracting, in addition to Sections (2)(a) and (2)(b) above, those factors may also include design professional qualifications, specialized experience, preliminary design submittals, technical merit, design-builder team experience, and related matters that affect cost or quality.
- (d) In ESPC contracting, in addition to the factors set forth in Sections (2)(a)-(c) above, those factors may also include sample Technical Energy Audits from similar projects, sample M & V reports, financial statements and related information of the ESCO for a time period established in the RFP, financial statements and related information of joint ventures comprising the ESCO, the ESCO's capabilities and experience in performing energy baseline studies for facilities (independently or in cooperation with an independent third-party energy baseline consultant), past performance of the ESCO in meeting energy guarantee contract levels, the specific Person that will provide the Energy Savings Guarantee to be offered by the ESCO, the ESCO's management plan for the Project, information on the specific methods, techniques, and equipment that the ESCO will use in the performance of the Work under the ESPC, the ESCO's team members and consultants to be assigned to the Project, the ESCO's experience in the energy savings performance contracting field, the ESCO's experience acting as the prime contractor on previous ESPC projects (as opposed to a subcontractor or consultant to a prime ESCO), the ESCO's vendor and product neutrality related to the development of ECMs, the ESCO's project history related to removal from an ESPC project or the inability or unwillingness of the ESCO to complete an ESPC project, the ESCO's M & V capabilities and experience (independently or in cooperation with an independent third-party M & V consultant), the ESCO's ability to explain the unique risks associated with ESPC projects and the assignment of risk in the particular Project between the District and the ESCO, the ESCO's equipment performance guarantee policies and procedures, the ESCO's energy savings and cost savings guarantee policies and procedures, the ESCO's Project cost guarantee policies and procedures, the ESCO's pricing methodologies, the price that the ESCO will charge for the Technical Energy Audit phase of the Work, and the ESCO's fee structure for all phases of the ESPC Project.

(3) Contract Negotiations. Contract terms may be negotiated to the extent allowed by the RFP and PPS 49-0600 through PPS 49-0690, provided that the general Work scope remains the same and that the field of competition does not change as a result of material changes to the requirements stated in the Solicitation Document. See PPS 49-0650. Terms that may be negotiated consist of details of Contract performance; methods of construction, timing, and assignment of risk in specified areas; fee; and other matters that could affect the cost or quality of the Work. For the CM/GC Method, terms that may be negotiated also include the specific scope of pre-construction services, the GC Work, any Early Work and other construction Work to be performed by the CM/GC, and any other terms that the District has identified as being subject to negotiation, consistent with the requirements of OAR 137-049-0690. In ESPC contracting, terms that may be negotiated also include the scope of preliminary design of ECMs to be evaluated by the parties during the Technical Energy Audit phase of the Work, the scope of Services to be performed by the ESCO during the Project Development Plan phase of the Work, the detailed provisions of the Energy Savings Guarantee to be provided by the ESCO, and scope of Work, methodologies, and compensation terms and conditions during

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the design and construction phase and M & V phase of the Work, consistent with the requirements of PPS 49-0680.

PPS 49-0645 Requests for Qualifications ("RFQ")

As provided by ORS 279C.405(1), the District may utilize RFQs to obtain information useful in the preparation or distribution of an RFP. When using RFQs as the first step in a two-step solicitation process in which distribution of the RFPs will be limited to the firms identified as most qualified through their submitted statements of qualification, the District must first advertise and provide Notice of the RFQ in the same manner in which RFPs are advertised, specifically stating that RFPs will be distributed only to the firms selected in the RFQ process. In such cases, the District must also provide within the RFQ a protest provision substantially in the form of PPS 49-0450(5) regarding protests of the Competitive Range. Thereafter, the District may distribute RFPs to the selected firms without further advertisement of the solicitation.

PPS 49-0650 Requests for Proposals ("RFP")

(1) Generally. The use of Competitive Proposals must be specially authorized for a Public Improvement Contract under the Competitive Bidding exception and exemption requirements of ORS 279C.335, PPS 49-0130, and PPS 49-0600 through 49-0690. Also see ORS 279C.337 and ORS 279C.400 to 279C.410 for statutory requirements regarding Competitive Proposals, and PPS 49-0640 regarding Competitive Proposal procedures.

(2) Solicitation Documents. In addition to the Solicitation Document requirements of PPS 49-0200, this Rule applies to the requirements for RFPs. RFP Solicitation Documents must conform to the following standards:

- (a)** The District must set forth selection criteria in the Solicitation Document. Examples of evaluation criteria include price or cost, quality of a product or service, past performance, management, capability, personnel qualification, prior experience, compatibility, reliability, operating efficiency, expansion potential, experience of key personnel, adequacy of equipment or physical plant, financial wherewithal, sources of supply, references, and warranty provisions. See PPS 49-0640 regarding proposal evaluation and evaluation factors. Evaluation factors need not be precise predictors of actual future costs and performance, but to the extent possible, such factors must be reasonable estimates based on information available to the District. Subject to ORS 279(C).410(4), the Solicitation Document may provide for discussions with Proposers to be conducted for the purpose of Proposal evaluation prior to Award or prior to establishing any Competitive Range;
- (b)** When the District is willing to negotiate terms and conditions of the Contract or allow submission of revised Proposals following discussions, the District must identify the specific terms and conditions in or provisions of the Solicitation Document that are subject to negotiation or discussion and authorize Offerors to propose certain alternative terms and conditions in lieu of the terms and conditions the District has identified as authorized for negotiation. The District shall describe the evaluation, discussion, and negotiation process, including how the District will establish the Competitive Range, if any;
- (c)** The anticipated size of any Competitive Range must be stated in the Solicitation Document but may be decreased if the number of Proposers that submit Responsive Proposals is less than the specified number, or may be decreased as provided in PPS 49-0650(4)(a).
- (d)** When the District intends to Award Contracts to more than one Proposer, the District shall identify in the Solicitation Document the manner in which it will determine the number of Contracts it will Award. The District must also include the criteria it will use to determine how

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the District will endeavor to achieve optimal value, utility, and substantial fairness when selecting a particular Contractor to provide Goods and Services from those Contractors Awarded Contracts.

(3) Evaluation of Proposals.

- (a) Evaluation. The District must evaluate Proposals only in accordance with criteria set forth in the RFP and applicable law. The District must evaluate Proposals to determine the Responsible Proposer or Proposers submitting the best Responsive Proposal or Proposals.
- (A) Clarifications. In evaluating Proposals, the District may seek information from a Proposer to clarify the Proposer's Proposal. A Proposer must submit Written and Signed clarifications and such clarifications must become part of the Proposer's Proposal.
- (B) Limited Negotiation. If the District did not permit negotiation in its Request for Proposals, the District may, nonetheless, negotiate with the highest-ranked Proposer, but may then only negotiate the:
- (i) Statement of Work; and
 - (ii) Contract Price as it is affected by negotiating the statement of Work.
- The process for discussions or negotiations that is outlined and explained in Sections (5)(b) and (6) of this Rule does not apply to this limited negotiation.
- (b) Discussions; Negotiations. If the District permitted discussions or negotiations in the Request for Proposals, the District must evaluate Proposals and establish the Competitive Range, and may then conduct discussions and negotiations in accordance with this Rule.
- (A) If the Solicitation Document provided that discussions or negotiations may occur at the District's discretion, the District may forego discussions and negotiations and evaluate all Proposals in accordance with this Rule.
- (B) If the District proceeds with discussions or negotiations, the District must establish a negotiation team tailored for the acquisition. The District's team may include legal, technical, auditing, and negotiating personnel.
- (c) Cancellation. Nothing in this Rule must restrict or prohibit the District from canceling the solicitation at any time.

(4) Competitive Range; Protest; Award.

- (a) Determining Competitive Range.
- (A) If the District does not cancel the solicitation, after the Opening the District will evaluate all Proposals in accordance with the evaluation criteria set forth in the RFP. After evaluation of all Proposals in accordance with the criteria set forth in the RFP, the District will rank the Proposers based on the District's scoring and determine the Competitive Range.
- (B) The District may increase the number of Proposers in the Competitive Range if the District's evaluation of Proposals establishes a natural break in the scores of Proposers indicating a number of Proposers greater than the initial Competitive Range are closely competitive or have a reasonable chance of being determined the best Proposer after the District's evaluation of revised Proposals submitted in accordance with the process described in this Rule.
- (b) Protesting Competitive Range. The District must provide Written Notice to all Proposers identifying Proposers in the Competitive Range. A Proposer that is not within the Competitive

Other Than Personal Services

Range may protest the District's evaluation and determination of the Competitive Range in accordance with PPS 49-0450.

(c) Intent to Award; Discuss or Negotiate. After the protest period provided in accordance with these Rules expires, or after the District has provided a final response to any protest, whichever date is later, the District may either:

(A) Provide Written Notice to all Proposers in the Competitive Range of its Intent to Award the Contract to the highest-ranked Proposer in the Competitive Range.

(i) An unsuccessful Proposer may protest the District's Intent to Award in accordance with PPS 49-0450.

(ii) After the protest period provided in accordance with PPS 49-0450 expires, or after the District has provided a final response to any protest, whichever date is later, the District must commence final Contract negotiations with the highest-ranked Proposer in the Competitive Range; or

(B) Engage in discussions with Proposers in the Competitive Range and accept revised Proposals from them, and, following such discussions and receipt and evaluation of revised Proposals, conduct negotiations with the Proposers in the Competitive Range.

(5) **Discussions; Revised Proposals**. If the District chooses to enter into discussions with and receive revised Proposals from the Proposers in the Competitive Range, the District must proceed as follows:

(a) Initiating Discussions. The District must initiate oral or Written discussions with all of the Proposers in the Competitive Range regarding their Proposals with respect to the provisions of the RFP that the District identified in the RFP as the subject of discussions. The District may conduct discussions for the following purposes:

(A) Informing Proposers of deficiencies in their initial Proposals;

(B) Notifying Proposers of parts of their Proposals for which the District would like additional information; and

(C) Otherwise allowing Proposers to develop revised Proposals that will allow the District to obtain the best Proposal based on the requirements and evaluation criteria set forth in the RFP.

(b) Conducting Discussions. The District may conduct discussions with each Proposer in the Competitive Range necessary to fulfill the purposes of this section, but need not conduct the same amount of discussions with each Proposer. The District may terminate discussions with any Proposer in the Competitive Range at any time. The District must, however, offer all Proposers in the Competitive Range the opportunity to discuss their Proposals with the District before the District notifies Proposers of the date and time pursuant to this section that revised Proposals will be due.

(A) In conducting discussions, the District:

(i) Must treat all Proposers fairly and must not favor any Proposer over another;

(ii) Must not discuss other Proposers' Proposals;

(iii) Must not suggest specific revisions that a Proposer should make to its Proposal, and must not otherwise direct the Proposer to make any specific revisions to its Proposal.

(B) At any time during the time allowed for discussions, the District may:

(i) Continue discussions with a particular Proposer;

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(7) Terminating Discussions or Negotiations. At any time during discussions or negotiations conducted in accordance with this Rule, the District may terminate discussions or negotiations with the Proposer with whom it is currently conducting discussions or negotiations if the District reasonably believes that:

- (a) The Proposer is not discussing or negotiating in good faith; or
- (b) Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.

PPS 49-0660 RFP Pricing Mechanisms

(1) An RFP may result in a Contract with a lump-sum Contract Price or a fixed Contract Price, as in the case of Competitive Bidding. Alternatively, a Request for Proposals may result in a cost reimbursement Contract with a GMP or some other maximum price specified in the Contract.

(2) Economic incentives or disincentives may be included to reflect stated District purposes related to time of completion, safety, or other Public Contracting objectives, including but not limited to total least-cost mechanisms such as Life-Cycle Costing.

(3) A Guaranteed Maximum Price may be used as the pricing mechanism for CM/GC Services Contracts where a total Contract Price is provided in the design phase in order to assist the District in determining whether the Project scope is within the District's budget and allowing for design changes during preliminary design rather than after final design services have been completed.

- (a) If the collaborative process described above in this Section (3) is successful, the Contractor shall propose a final GMP, which may be accepted by the District and included within the Contract.
- (b) If the collaborative process described above in this Section (3) is not successful and no mutually agreeable resolution on the GMP for the project construction Work can be achieved with the Contractor, then the District must terminate the Contract. The District may then proceed to negotiate a new Contract (and GMP) with the Proposer that was next-ranked in the original selection process, or employ other means for continuing the Project under ORS 279C.

(4) When Cost Reimbursement Contracts are utilized, regardless of whether a GMP is included, the District must provide for audit controls that will effectively verify rates and ensure that costs are reasonable, allowable, and properly allocated.

PPS 49-0670 Design-Build Contracts

(1) General. The Design-Build form of contracting, as defined at PPS 49-0610(3), has technical complexities that are not readily apparent. The District must use this contracting method only with the assistance of knowledgeable staff or Consultants who are experienced in its use. In order to use the Design-Build process, the District must be able to reasonably anticipate the following types of benefits:

- (a) Obtaining, through a Design-Build team, engineering design, plan preparation, value engineering, construction engineering, construction, quality control, and required documentation as a fully integrated function with a single point of responsibility;
- (b) Integrating value engineering suggestions into the design phase, as the construction Contractor joins the Project team early with design responsibilities under a team approach, with the potential of reducing Contract changes;
- (c) Reducing the risk of design flaws, misunderstandings, and conflicts inherent in construction Contractors building from designs in which they have had no opportunity for input, with the potential of reducing Contract claims;

Other Than Personal Services

- (d) Shortening Project time as construction activity (early submittals, mobilization, subcontracting, and advance Work) commences prior to completion of a "Biddable" design, or where a design solution is still required (as in complex or phased Projects); or
 - (e) Obtaining innovative design solutions through the collaboration of the Contractor and design team, which would not otherwise be possible if the Contractor had not yet been selected.
- (2) **Authority.** The District must utilize the Design-Build form of contracting only in accordance with the requirements of these PPS 49-0600 through 49-0690 Rules. See particularly PPS 49-0620 pertaining to Alternative Contracting Methods and PPS 49-0680 pertaining to ESPCs.
- (3) **Selection.** Design-Build selection criteria may include those factors set forth above in PPS 49-0640(2)(a), (b), and (c).
- (4) **QBS Inapplicable.** Because the value of construction services predominates the Design-Build form of Contracting, the qualifications-based selection ("QBS") process mandated by ORS 279C.110 for the District in certain circumstances in obtaining certain Consultant services is not applicable.
- (5) **Licensing.** If a Design-Build Contractor is not an Oregon-licensed design professional, the District must require that the Design-Build Contractor disclose in its Written Offer that it is not an Oregon-licensed design professional, and identify the Oregon-licensed design professional(s) who will provide design Services. See ORS 671.030(5) regarding the offer of Architectural Services, and ORS 672.060(11) regarding the offer of Engineering Services that are appurtenant to construction services.
- (6) **Performance Security.** ORS 279C.380(1)(a) provides that for Design-Build Contracts, the surety's obligation on performance bonds, or the Bidder's obligation on cashier's or certified checks accepted in lieu thereof, includes the preparation and completion of design and related professional Services specified in the Contract. This additional obligation, beyond performance of construction services, extends only to the provision of professional Services and related design revisions, corrective Work, and associated costs prior to final completion of the Contract (or for such longer time as may be defined in the Contract). The obligation is not intended to be a substitute for professional liability insurance, and does not include errors and omissions or latent defects coverage.
- (7) **Contract Requirements.** The District must conform their Design-Build contracting practices to the following requirements:
- (a) **Design Services.** The level or type of design Services required must be clearly defined within the Procurement documents and Contract, along with a description of the level or type of design Services previously performed for the Project. The Services to be performed must be clearly delineated as either design Specifications or performance standards, and performance measurements must be identified.
 - (b) **Professional Liability.** The Contract must clearly identify the liability of design professionals with respect to the Design-Build Contractor and the District, as well as requirements for professional liability insurance.
 - (c) **Risk Allocation.** The Contract must clearly identify the extent to which the District requires an express indemnification from the Design-Build Contractor for any failure to perform, including professional errors and omissions, design warranties, construction operations, and faulty Work claims.
 - (d) **Warranties.** The Contract must clearly identify any express warranties made to the District regarding characteristics or capabilities of the completed Project (regardless of whether errors occur as the result of improper design, construction, or both), including any warranty that a design will be produced that meets the stated Project performance and budget guidelines.

- (e) Incentives. The Contract must clearly identify any economic incentives and disincentives, the specific criteria that apply, and their relationship to other financial elements of the Contract.
- (f) Honoraria. If allowed by the RFP, honoraria or stipends may be provided for early design submittals from qualified finalists during the solicitation process on the basis that the District is benefited from such deliverables.

PPS 49-0680 Energy Savings Performance Contracts

(1) **Generally**. These PPS 49-0600 through PPS 49-0690 Rules include a limited, efficient method for the District to enter into ESPCs outside the Competitive Bidding requirements of ORS 279C.335 for existing buildings or structures, but not for new construction. If the District chooses not to utilize the ESPC Procurement method provided for by these PPS 49-0600 through 49-0690 Rules, the District may still enter into an ESPC by complying with the Competitive Bidding exemption process set forth in ORS 279C.335, or by otherwise complying with the Procurement requirements applicable to any district not subject to all the requirements of ORS 279C.335.

(2) **ESPC Contracting Method**. The ESPC form of contracting, as defined at PPS 49-0610(6), has unique technical complexities associated with the determination of what ECMs are feasible for the District, as well as the additional technical complexities associated with a Design-Build Contract. The District must only utilize the ESPC contracting method with the assistance of knowledgeable staff or Consultants who are experienced in its use. In order to utilize the ESPC contracting process, the District must be able to reasonably anticipate one or more of the following types of benefits:

- (a) Obtaining, through an ESCO, the following types of integrated Services: facility profiling, energy baseline studies, ECMs, Technical Energy Audits, project development planning, engineering design, plan preparation, cost estimating, Life-Cycle Costing, construction administration, project management, construction, quality control, operations and maintenance staff training, commissioning Services, M & V Services, and required documentation as a fully integrated function with a single point of responsibility;
- (b) Obtaining, through an ESCO, an Energy Savings Guarantee;
- (c) Integrating the Technical Energy Audit phase and the Project Development Plan phase into the design and construction phase of Work on the Project;
- (d) Reducing the risk of design flaws, misunderstandings, and conflicts inherent in the construction process, through the integration of ESPC Services;
- (e) Obtaining innovative design solutions through the collaboration of the members of the ESCO-integrated ESPC Services team;
- (f) Integrating cost-effective ECMs into an existing building or structure so that the ECMs pay for themselves through savings realized over the useful life of the ECMs;
- (g) Preliminary design, development, implementation, and an Energy Savings Guarantee of ECMs into an existing building or structure through an ESPC as a distinct part of a major remodel of that building or structure that is being performed under a separate remodeling Contract; and
- (h) Satisfying local energy efficiency design criteria or requirements.

(3) **Authority**. The District desiring to pursue an exemption from the Competitive Bidding requirements of ORS 279C.335 (and, if applicable, ORS 351.086) must utilize the ESPC form of contracting only in accordance with the requirements of these PPS 49-0600 to 49-0690 Rules.

(4) **No Findings Required**. The District is only required to comply with the ESPC contracting procedures set forth in PPS 49-0600 through 49-0690 of these Rules in order for the ESPC to be exempt from

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the Competitive Bidding processes of ORS 279C.335. No Findings are required for an ESPC to be exempt from the Competitive Bidding process for Public Improvement Contracts pursuant to ORS 279C.335, unless the District is subject to the requirements of ORS 279C.335 and chooses not to comply with the ESPC contracting procedures set forth in these PPS 49-0600 through 49-0690 Rules.

(5) Selection. ESPC selection criteria may include those factors set forth above in PPS 49-0640(2)(a), (b), (c), and (d). Since the Energy Savings Guarantee is such a fundamental component in the ESPC contracting process, Proposers must disclose in their Proposals the identity of any Person providing (directly or indirectly) any Energy Savings Guarantee that may be offered by the successful ESCO during the course of the performance of the ESPC, along with any financial statements and related information pertaining to any such Person.

(6) Qualifications Based Selection (QBS). Because the value of construction services predominates in the ESPC method of contracting, the QBS process mandated by ORS 279C.110 for the District in obtaining certain Consultant Services is not applicable.

(7) Licensing. If the ESCO is not an Oregon-licensed design professional, the District must require that the ESCO disclose in the ESPC that it is not an Oregon-licensed design professional, and identify the Oregon-licensed design professional(s) who will provide design Services. See ORS 671.030(5) regarding the offer of Architectural Services, and ORS 672.060(11) regarding the offer of Engineering Services that are appurtenant to construction services.

(8) Performance Security. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the ESCO must provide a performance bond and a payment bond, each for 100 percent of the full Contract Price, including the construction and design and related professional Services specified in the ESPC Design-Build Contract, pursuant to ORS 279C.380(1)(a). For ESPC Design-Build Contracts, these "design and related professional Services" include conventional design Services, commissioning Services, training Services for the District's operations and maintenance staff, and any similar professional Services provided by the ESCO under the ESPC Design-Build Contract prior to final completion of construction. M & V Services, and any Services associated with the ESCO's Energy Savings Guarantee, are not included in these ORS 279C.380(1)(a) "design and related professional Services." Nevertheless, the District may require that the ESCO provide performance security for M & V Services and any Services associated with the ESCO's Energy Savings Guarantee, if the District so provides in the RFP.

(9) Contracting Requirements. The District must conform their ESPC contracting practices to the following requirements:

- (a) General ESPC Contracting Practices.** An ESPC involves a multi-phase Project, which includes the following contractual elements:
 - (A)** A contractual structure which includes general Contract terms describing the relationship of the parties, the various phases of the Work, the contractual terms governing the Technical Energy Audit for the Project, the contractual terms governing the Project Development Plan for the Project, the contractual terms governing the final design and construction of the Project, the contractual terms governing the performance of the M & V Services for the Project, and the detailed provisions of the ESCO's Energy Savings Guarantee for the Project.
 - (B)** The various phases of the ESCO's Work will include the following:
 - (i)** The Technical Energy Audit phase of the Work;
 - (ii)** The Project Development Plan phase of the Work;
 - (iii)** A third phase of the Work that constitutes a Design-Build Contract, during which the ESCO completes any plans and Specifications required to implement the ECMs that

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

have been agreed to by the parties to the ESPC, and the ESCO performs all construction, commissioning, construction administration, and related Services to actually construct the Project; and

- (iv) A final phase of the Work whereby the ESCO, independently or in cooperation with an independent Consultant hired by the District, performs M & V Services to ensure that the Energy Savings Guarantee identified by the ESCO in the earlier phases of the Work and agreed to by the parties has actually been achieved.
- (b) Design-Build Contracting Requirements in ESPCs. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the District must conform its Design-Build contracting practices to the Design-Build contracting requirements set forth in PPS 49-0670(7).
- (c) Pricing Alternatives. The District may utilize one of the following pricing alternatives in an ESPC:
 - (A) A fixed price for each phase of the Services to be provided by the ESCO;
 - (B) A cost-reimbursement pricing mechanism, with a maximum not-to-exceed price or a GMP; or
 - (C) A combination of a fixed fee for certain components of the Services to be performed, a cost-reimbursement pricing mechanism for the construction services to be performed with a GMP, a single or annual fixed fee for M & V Services to be performed for an identified time period after final completion of the construction Work, and a single or annual Energy Savings Guarantee fixed fee payable for an identified time period after final completion of the construction Work that is conditioned on certain energy savings being achieved at the facility by the ECMs that have been implemented by the ESCO during the Project (in the event an annual M & V Services fee and annual Energy Savings Guarantee fee is utilized by the parties, the parties may provide in the Design-Build Contract that, at the sole option of the District, the ESCO's M & V Services may be terminated prior to the completion of the M & V/Energy Savings Guarantee period and the District's future obligation to pay the M & V Services fee and Energy Savings Guarantee fee will likewise be terminated, under terms agreed to by the parties).
- (d) Permitted ESPC Scope of Work. The scope of Work under the ESPC is restricted to implementation and installation of ECMs, as well as other Work on building systems or building components that are directly related to the ECMs, and that, as an integrated unit, will pay for themselves over the useful life of the ECMs installed. The permitted scope of Work for ESPCs resulting from a solicitation under these PPS 49-0600 through PPS 49-0690 Rules does not include maintenance services for the Project facility.

PPS 49-0690 Construction Manager/General Contractor Services ("CM/GC Services")

(1) **General.** The CM/GC Method is a technically complex project delivery system. The District must use this contracting method only with the assistance of legal counsel with substantial experience and necessary expertise in using the CM/GC Method, as well as knowledgeable staff, consultants, or both staff and consultants who have a demonstrated capability of managing the CM/GC process in the necessary disciplines of engineering, construction scheduling and cost control, accounting, legal, public contracting, and project management. Unlike the Design-Build form of contracting, the CM/GC Method does not contemplate a "single point of responsibility" under which the CM/GC is responsible for successful completion of all Work related to a performance Specification. The CM/GC has defined Contract obligations, including responsibilities as part of the Project team along with the District and design

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

professional, although with the CM/GC Method there is a separate contract between the District and design professional. In order to utilize the CM/GC Method, the District must be able to reasonably anticipate the following types of benefits:

- (a) **Time Savings.** With the CM/GC Method, the Public Improvement has significant schedule ramifications, such that concurrent design and construction are necessary in order to meet critical deadlines and shorten the overall duration of construction. The District may consider operational and financial data that show significant savings or increased opportunities for generating revenue as a result of early completion, as well as less disruption to public facilities as a result of shortened construction periods;
 - (b) **Cost Savings.** With the CM/GC Method, early CM/GC input during the design process is expected to contribute to significant cost savings. The District may consider value engineering, building systems analysis, Life-Cycle Costing analysis, and construction planning that lead to cost savings. The District must specify any special factors influencing this analysis, including high rates of inflation, market uncertainty due to material and labor fluctuations or scarcities, and the need for specialized construction expertise due to technical challenges; or
 - (c) **Technical Complexity.** With the CM/GC Method, the Public Improvement presents significant technical complexities that are best addressed by a collaborative or team effort between the District, design professionals, any District project management or technical consultants and the CM/GC, in which the CM/GC will assist in addressing specific Project challenges through preconstruction services. The District may consider the need for CM/GC input on issues such as operation of the facility during construction, tenant occupancy, public safety, delivery of an early budget or GMP, financing, historic preservation, difficult remodeling Projects, and Projects requiring complex phasing or highly coordinated scheduling.
- (2) **Authority.** The District must use the CM/GC form of contracting only in accordance with the requirements of these Division 49 Rules and ORS 279C.337, when a competitive bidding exemption is approved. See particularly PPS 49-0600 on "Purpose" and PPS 49-0620 on "Use of Alternative Contracting Methods."
- (3) **Selection.** CM/GC selection criteria may include those factors set forth in PPS 49-0640(2)(b).
- (4) **Basis for Payment.** The CM/GC process adds specified construction manager Personal Services to traditional design-bid-build general contractor Work, requiring full Contract performance within a negotiated GMP, fixed Contract Price or other maximum Contract Price. For a GMP pricing method, the basis for payment is reimbursable direct costs as defined under the Contract, plus a fee constituting full payment for construction Work and Personal Services rendered, which together must not exceed the GMP. See GMP definition at PPS 49-0610(7) and pricing mechanisms at PPS 49-0660.
- (5) **Contract Requirements.** The District shall conform their CM/GC contracting practices to the following requirements:
- (a) **Nature of the Initial CM/GC Services Contract Document.** A solicitation for CM/GC Services is a Procurement for a Public Improvement, since the scope of the Procurement includes not only pre-construction Personal Services to be performed by the CM/GC, but also construction Work that is expected to result in a completed Public Improvement. In the traditional CM/GC Services contracting approach, the text of the resulting CM/GC Services Contract will include comprehensive contract provisions that will not only fully govern the relationship between the District and the CM/GC for the pre-construction Personal Services, but will also include the general contract provisions that will control the CM/GC's providing of the construction Work necessary to complete the project (with any remaining necessary construction-related contract provisions being added through Early Work amendments to the Contract, the GMP amendment to

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

the Contract or, if necessary, a conventional amendment to the Contract). The traditional CM/GC Services contracting approach, however, also contemplates that the District will only authorize the CM/GC to perform the preconstruction Personal Services when the Contract is first executed unless construction Work is specifically included in the initial CM/GC Contract. Under this approach, the construction phase or phases of the CM/GC Services project are not yet authorized and the Contract only becomes a Public Improvement Contract once the parties amend the Contract, through an Early Work or a GMP amendment, to authorize the construction of a portion of the project or the entire project. See also OAR 839-025-0020, regarding the Bureau of Labor and Industries' determination of when a Contract for CM/GC Services becomes a "public works" Contract for purposes of paying prevailing wage rates for construction Work under the CM/GC Contract.

- (b) Setting the GMP, Fixed Contract Price or Other Maximum Contract Price. The GMP fixed Contract price or other maximum Contract Price shall be set at an identified time consistent with industry practice and project conditions and after supporting information reasonably considered necessary to its use has been developed, which will normally take place at the end of the design development phase of the project. The supporting information for the GMP must define both what Personal Services and construction Work are included and excluded from the GMP, fixed Contract price or other maximum Contract Price. A set of project drawings and Specifications must be produced establishing the scope of construction Work contemplated by the GMP fixed Contract price or other maximum Contract Price.
- (c) Adjustments to the GMP Fixed Contract Price or Other Maximum Contract Price. The Contract must clearly identify the standards or factors under which changes or additional construction Work will be considered outside of the scope of Work that warrants an increase in the GMP, fixed Contract price or other maximum Contract Price, as well as criteria for decreasing the GMP, fixed Contract price or other maximum Contract Price shall not be increased without a concomitant increase to the scope of the Work defined at the establishment of the GMP, fixed Contract price or other maximum Contract price or most recent Amendment to the GMP, fixed Contract price or other maximum Contract Price. An increase to the scope of the Work may take the form of conventional additions to the project scope, as well as corrections to the Contract terms and conditions, additions to insurance coverage required by the District and other changes to the Work.
- (d) Cost Savings. The Contract must clearly identify the disposition of any Cost Savings resulting from completion of the Work below the GMP; fixed Contract price or other maximum Contract price, that is, under what circumstances, if any, the CM/GC might share in those Cost Savings, or whether the Cost Savings accrue only to the District's benefit. Unless there is a clearly articulated reason for sharing the Cost Savings set forth in the Contract, the Cost Savings must accrue to the District.
- (e) Cost Reimbursement. The Contract must clearly identify what items or categories of items are eligible for cost reimbursement within the GMP or other maximum Contract Price, including any category of GC Work costs (a general grouping of direct costs that are not separately invoiced, subcontracted, or included within either overhead or fee), and may also incorporate a mutually agreeable cost-reimbursement standard.
- (f) Audit. Cost reimbursements must be made subject to final audit adjustment, and the Contract must establish an audit process to ensure that Contract costs are allowable, properly allocated, and reasonable.
- (g) Fee. Compensation for the CM/GC's Personal Services and construction Work, where the Contract uses a GMP, shall include a fee that is inclusive of profit, overhead, and all other

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

indirect or non-reimbursable costs. Costs determined to be included within the fee shall be expressly defined in the Contract terms and conditions at the time the District selects the GM/GC. The fee, which may be expressed as either a fixed dollar amount or as a proposed percentage of all reimbursable costs, must be identified during and become an element of the selection process. It must subsequently be expressed as a fixed amount for particular construction Work authorized to be performed, when Early Work is added to the Contract through an amendment and when the GMP is established. The CM/GC fee does not include any fee paid to the CM/GC for performing preconstruction services during a separate preconstruction phase.

- (h) Incentives. The Contract must clearly identify any economic incentives, the specific criteria that apply, and their relationship to other financial elements of the Contract (including the GMP, fixed Contract price or other maximum Contract price).
- (i) Controlled Insurance Programs. For Projects where an owner-controlled or contractor-controlled insurance program is permitted under ORS 737.602, the Contract must clearly identify whether an owner-controlled or contractor-controlled insurance program is anticipated or allowable. If so, the Contract must clearly identify (1) anticipated cost savings from reduced premiums, claims reductions, and other factors, (2) the allocation of cost savings, and (3) safety responsibilities, incentives or both safety responsibilities and incentives.
- (j) Early Work. The RFP must clearly identify, whenever feasible, the circumstances under which any Early Work may be authorized and undertaken for compensation prior to establishing the GMP, fixed Contract price, or other maximum Contract Price.
- (k) Subcontractor Selection. Subcontracts under the Contract are not Public Contracts within the meaning of the Code. However, the Contract must include provisions that clearly meet the requirements of ORS 279C.337(3) and other District requirements. Within the scope of ORS 279C.337(3), the CM/GC's subcontractor selection process must meet the following parameters:
 - (A) Absent a written justification prepared by the CM/GC and approved by the District as more particularly provided for in this section, the CM/GC's Subcontractor selection process must be "competitive," meaning that the process should include publicly-advertised subcontractor solicitations and be based on a low-bid competitive method, a low-quote competitive method for contracts in a specified dollar range agreeable to the District, or a method whereby both price and qualifications of the subcontractors are evaluated in a competitive environment, consistent with the RFP and Contract requirements;
 - (B) When the Subcontractor selection process for a particular Work package will not be "competitive" as provided for in this section, the process must meet the following requirements:
 - (i) The CM/GC must prepare and submit a written justification to the District, explaining the project circumstances that support a non-competitive Subcontractor selection process for a particular Work package, including, but not limited to, Emergency circumstances, the CM/GC's need to utilize a key Subcontractor member of the CM/GC's project team consistent with the CM/GC's project proposal, the need to meet other specified Contract requirements, the continuation or expansion of an existing Subcontractor agreement that was awarded through a "competitive process" along with facts supporting the continuation or expansion of the Subcontractor agreement, or a "sole source" justification;
 - (ii) For a "sole source" selection of a subcontractor to proceed, the District must evaluate the written justification provided by the CM/GC and must find that critical project

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

efficiencies require utilization of labor, services or materials from one subcontractor; that technical compatibility issues on the project require labor, services or materials from one subcontractor; that particular labor, services or materials are needed as part of an experimental or pilot project or as part of an experimental or pilot aspect of the project; or that other project circumstances exist to support the conclusion that the labor, services or materials are available from only one subcontractor;

- (iii) The CM/GC must provide an independent cost estimate for the Work package that will be subject to the non-competitive process, if required by the District;
 - (iv) The CM/GC must fully respond to any questions or comments submitted to the CM/GC by the District; and
 - (v) The District must approve the CM/GC's use of the non-competitive Subcontractor selection process prior to the CM/GC's pursuit of the non-competitive process.
- (C) A competitive selection process may be preceded by a publicly advertised sub-contractor pre-qualification process, with only those subcontractors meeting the pre-qualification requirements being invited to participate in the later competitive process through which the CM/GC will select the subcontractor to perform the construction Work described in the selection process;
- (D) If the CM/GC or an Affiliate or subsidiary of the CM/GC will be included in the subcontractor selection process to perform particular construction Work on the project, the CM/GC must disclose that fact in the selection process documents and announcements. The Contract must also identify the conditions, processes and procedures the CM/GC will utilize in that competitive process in order to make the process impartial, competitive and fair, including but not limited to objective, independent review and opening of bids or proposals for the elements of Work involved, by a representative of the District or another independent third party.
- (I) Subcontractor Approvals and Protests. The Contract must clearly establish whether the District must approve subcontract Awards, and to what extent, if any, the District will resolve or be involved in the resolution of protests of the CM/GC's selection of subcontractors and suppliers. The procedures and reporting mechanisms related to the resolution of subcontractor and supplier protests shall be established in the Contract with certainty, including the CM/GC's roles and responsibilities in this process and whether the CM/GC's subcontracting records are considered to be public records. In any event, the District must retain the right to monitor the subcontracting process in order to protect the District's interests and to confirm the CM/GC's compliance with the Contract and with applicable statutes, administrative rules and other legal requirements.
- (m) CM/GC Self-Performance or Performance by CM/GC Affiliates or Subsidiaries Without Competition. Consistent with the requirements of ORS 279C.337(3)(c), the Contract must establish the conditions under which the CM/GC or an Affiliate or subsidiary of the CM/GC may perform elements of the construction Work without competition from subcontractors, including, for example, job-site GC Work. Other than for GC Work, in order for the CM/GC or an Affiliate or subsidiary of the CM/GC to perform elements of the construction Work without competition from subcontractors, the CM/GC must provide, or must have included in the CM/GC's RFP proposal to perform CM/GC Services for the project, a detailed proposal for performance of the Work by the CM/GC or an Affiliate or subsidiary of the CM/GC. If required by the District, the CM/GC's proposal to perform the construction Work must be supported by at least one independent cost estimate prior to the Work being included in the Contract.

- (n) Unsuccessful Subcontractor Briefing. ORS 279C.337(3)(e) is designed to allow a subcontractor who was not selected by the CM/GC to perform a particular element of the construction Work to obtain specific information from the CM/GC, and meet with the CM/GC to discuss the subcontractor qualification and selection process involved and the CM/GC's subcontractor selection decisions, in order to better understand why the subcontractor was not successful in being selected to perform the particular element of the Work and to improve the subcontractor's substantive qualifications or the subcontractor's methods in competing for elements of the Work for the particular project involved, or for future projects. The briefing meetings may be held with individual subcontractors or, if the subcontractors agree, in groups of subcontractors, with those groups established by bid package or other designation agreed to by the contracting agency and the CM/GC. Nevertheless, the CM/GC is not obligated to provide this briefing opportunity unless the CM/GC receives a written request from a subcontractor to discuss the subcontractor qualification and selection process involved. Unless the District and the CM/GC agree on a different schedule, the CM/GC Contract should include provisions:
- (A) Allowing a subcontractor 60 days from the CM/GC's notice of award of a subcontract for a particular Work package to request, in writing, a post-selection meeting with the CM/GC under this section; and
 - (B) Requiring the CM/GC to set a meeting with the subcontractor under this section within 45 days of the subcontractor's written request.
- (o) Performance and Payment Bonds. Provided no construction Work is included with the preconstruction services to be performed under the initial form of the CM/GC Contract, no performance bond or payment bond is required to be provided by the CM/GC at the time of Contract signing, consistent with ORS 279C.380. Once construction Work is included in the Contract and authorized by the District to be performed by the CM/GC, however, the CM/GC must provide a performance bond and payment bond in the full amount of any Early Work to be performed by the CM/GC, or the full amount of the GMP, fixed price or other maximum contract price, as applicable. Furthermore, in the event additional Early Work is added to the CM/GC Contract after the initial Early Work or in the event an amendment to the CM/GC Contract is made so that the GMP, fixed price or other maximum contract price must be increased, the performance bond and the payment bond must be increased in an amount equal to the additional Early Work or the increased GMP, fixed price or other maximum contract price.
- (p) Independent Review of CM/GC Performance; Conflicts of Interest. If the District requires independent review, monitoring, inspection or other oversight of a CM/GC's performance of pre-construction Personal Services, construction Work or both pre-construction Personal Services and construction Work, the District must obtain those independent review services from a Contractor independent of the CM/GC, the CM/GC's Affiliates and the CM/GC's Subcontractors, pursuant to the requirements of ORS 279C.307. However, ORS 279C.307 does not prohibit the following:
- (A) The CM/GC's performance of both pre-construction Personal Services and construction Work that are included within the definition of CM/GC Services, consistent with ORS 279C.307(2); or
 - (B) The CM/GC's performance of internal quality control services, quality assurance services or other internal peer review of CM/GC work product that is intended to confirm the CM/GC's performance of the CM/GC Contract according to its terms.
- (q) Socio-Economic Programs. The Contract must clearly identify conditions relating to any required socio-economic programs (such as Affirmative Action or Prison Inmate Labor Programs), including the manner in which such programs affect the CM/GC's subcontracting

requirements, the enforcement mechanisms available, and the respective responsibilities of the CM/GC and the District.

CONTRACT PROVISIONS

PPS 49-0800 Required Contract Clauses

Except as provided by PPS 49-0150 and 49-0160, the District must include in all Solicitation Documents for Public Improvement Contracts all of the ORS 279C-required Contract clauses, as set forth in the checklist contained in PPS 49-0200(1)(c) regarding Solicitation Documents. The following series of Rules provides further guidance regarding particular Public Contract provisions.

PPS 49-0810 Waiver of Delay Damages Against Public Policy

The District must not place any provision in a Public Improvement Contract purporting to waive, release, or extinguish the rights of a Contractor to damages resulting from the District's unreasonable delay in performing the Contract. However, Contract provisions requiring Notice of delay, providing for alternative dispute resolution such as arbitration (where allowable) or mediation, providing other procedures for settling Contract disputes, or providing for reasonable liquidated damages are permissible.

PPS 49-0815 BOLI Public Works Bond

Pursuant to ORS 279C.830(2), the Specifications for every Public Works Contract shall contain a provision stating that the Contractor and every subcontractor must have a Public Works bond filed with the Construction Contractors Board before starting Work on the Project, unless otherwise exempt. This bond is in addition to performance bond and payment bond requirements. See BOLI rule at OAR 839-025-0015.

PPS 49-0820 Retainage

(1) **Withholding of Retainage.** The District will not retain an amount in excess of 5 percent of the Contract Price for Work completed. If the Contractor has performed at least 50 percent of the Contract Work and is progressing satisfactorily, upon the Contractor's submission of Written application containing the surety's Written approval, the District may, in its discretion, reduce or eliminate Retainage on any remaining progress payments. The District must respond in Writing to all such applications within a reasonable time. When the Contract Work is 97½ percent completed, the District may, at its discretion and without application by the Contractor, reduce the retained amount to 100 percent of the value of the remaining unperformed Contract Work. The District may at any time reinstate Retainage. Retainage must be included in the final payment of the Contract Price.

(2) **Form of Retainage.** Unless the District finds in Writing that accepting a bond or instrument described in Section (2)(a) or (2)(b) of this Rule poses an extraordinary risk that is not typically associated with the bond or instrument, the District, in lieu of withholding moneys from payment, shall accept from a Contractor:

- (a) Bonds, securities, or other instruments that are deposited and accepted as provided in Section (4)(a) of this Rule; or
- (b) A surety bond deposited as provided in Section (4)(b) of this Rule.

(3) **Deposit in Interest-Bearing Accounts.** Upon request of the Contractor, the District must deposit cash Retainage in an interest-bearing account in a bank, savings bank, trust company, or savings association, for the benefit of the District. Earnings on such account must accrue to the Contractor. The District must establish the account through the State Treasurer.

(4) **Alternatives to Cash Retainage.** In lieu of cash Retainage to be held by the District, the Contractor may substitute one of the following:

- (a) Deposit of bonds, securities, or other instruments.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (A) The Contractor may deposit bonds, securities, or other instruments with the District or in any bank or trust company to be held for the benefit of the District. If the District accepts the deposit, the District must reduce the cash Retainage by an amount equal to the value of the bonds and securities, and reimburse the excess to the Contractor.
- (B) Bonds, securities, or other instruments deposited or acquired in lieu of cash Retainage must be of a character approved by the District, including, but not limited to:
 - (i) Bills, certificates, notes, or bonds of the United States.
 - (ii) Other obligations of the United States or agencies of the United States.
 - (iii) Obligations of a corporation wholly owned by the federal government.
 - (iv) Indebtedness of the Federal National Mortgage Association.
 - (v) General obligation bonds of the State of Oregon or a political subdivision of the State of Oregon.
 - (vi) Irrevocable letters of credit issued by an insured institution, as defined in ORS 706.008.
- (C) Upon the District's determination that all requirements for the protection of the District's interests have been fulfilled, it must release to the Contractor all bonds and securities deposited in lieu of Retainage.
 - (b) Deposit of Surety Bond. The District, at its discretion, may allow the Contractor to deposit a surety bond in a form acceptable to the District in lieu of all or a portion of funds retained or to be retained. A Contractor depositing such a bond must accept surety bonds from its subcontractors and suppliers in lieu of Retainage. In such cases, Retainage must be reduced by an amount equal to the value of the bond, and the excess must be reimbursed.
- (5) **Recovery of Costs.** The District may recover from the Contractor all costs incurred in the proper handling of Retainage by reduction of the final payment.
- (6) **Additional Retainage When Certified Payroll Statements Not Filed.** Pursuant to ORS 279C.845(7), if a Contractor is required to file certified payroll statements and fails to do so, the District shall retain 25 percent of any amount earned by the Contractor on a Public Works Contract until the Contractor has filed such statements with the District. The District shall pay the Contractor the amount retained under this provision within 14 Days after the Contractor files the certified statements, regardless of whether a subcontractor has filed such statements (but see ORS 279C.845(1) regarding the requirement for both Contractors and subcontractors to file certified statements with the District). See BOLI rule at OAR 839-025-0010.

PPS 49-0830 Contractor Progress Payments

- (1) **Request for Progress Payments.** Each month the Contractor must submit to the District their Written request for a progress payment based on an estimated percentage of Contract completion. At the District's discretion, this request may also include the value of material to be incorporated in the completed Work, which has been delivered to the premises and appropriately stored. The sum of these estimates is referred to as the "value of completed Work." With these estimates as a base, the District will make a progress payment to the Contractor, which must be equal to:
 - (a) The value of completed Work;
 - (b) Less those amounts that have been previously paid;
 - (c) Less other amounts that may be deductible or owing and due to the District for any cause; and

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

(d) Less the appropriate amount of Retainage.

(2) **Progress Payments Do Not Mean Acceptance of Work.** Progress payments must not be construed as an acceptance or approval of any part of the Work, and must not relieve the Contractor of responsibility for defective workmanship or material.

PPS 49-0840 Interest

(1) **Prompt Payment Policy.** The District must pay promptly all payments due and owing to the Contractor on Contracts for Public Improvements.

(2) **Interest on Progress Payments.** Late payment interest must begin to accrue on payments due and owing on the earlier of 30 Days after receipt of invoice or 15 Days after District approval of payment (the "Progress Payment Due Date"). The interest rate must equal three times the discount rate on 90-day commercial paper in effect on the Progress Payment Due Date at the Federal Reserve Bank in the Federal Reserve District that includes Oregon, up to a maximum rate of 30 percent.

(3) **Interest on Final Payment.** Final payment on the Contract Price, including Retainage, must be due and owing no later than 30 Days after Contract completion and acceptance of the Work. Late-payment interest on such final payment must thereafter accrue at the rate of 1½ percent per month until paid.

(4) **Settlement or Judgment Interest.** In the event of a dispute as to compensation due a Contractor for Work performed, upon settlement or judgment in favor of the Contractor, interest on the amount of the settlement or judgment must be added to, and not made part of, the settlement or judgment. Such interest, at the discount rate on 90-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District that includes Oregon, must accrue from the later of the Progress Payment Due Date, or 30 Days after the Contractor submitted a claim for payment to the District in Writing or otherwise in accordance with the Contract requirements.

PPS 49-0850 Final Inspection

(1) **Notification of Completion; Inspection.** The Contractor must notify the District in Writing when the Contractor considers the Contract Work completed. Within 15 Days of receiving the Contractor's Notice, the District will inspect the Project and Project records, and will either accept the Work or notify the Contractor of remaining Work to be performed.

(2) **Acknowledgment of Acceptance.** When the District finds that all Work required under the Contract has been completed satisfactorily, the District must acknowledge acceptance of the Work in Writing.

PPS 49-0860 Public Works Contracts

(1) **Generally.** ORS 279C.800 through 279C.870 regulates Public Works Contracts, as defined in ORS 279C.800(6), and requirements for payment of prevailing wage rates. Also see BOLI rules at OAR Chapter 839.

(2) **Required Contract Conditions.** As detailed in the above statutes and Rules, every Public Works Contract must contain the following provisions:

(a) District authority to pay certain unpaid claims and charge such amounts to Contractors, as set forth in ORS 279C.515(1).

(b) Maximum hours of labor and overtime, as set forth in ORS 279C.520(1).

(c) Employer Notice to employees of hours and Days that employees may be required to Work, as set forth in ORS 279C.520(2).

(d) Contractor-required payments for certain services related to sickness or injury, as set forth in ORS 279C.530.

- (e) Requirement for payment of Prevailing Rate of Wage, as set forth in ORS 279C.830(1). If both state and federal prevailing rates of wage apply, the contract and every subcontract must provide that all workers must be paid the higher of the applicable state or federal Prevailing Rate of Wage.
- (f) A requirement for filing a public works bond by the Contractor and every subcontractor, as set forth in ORS 279(C).830(1)(a).

(3) Requirements for Specifications. The Specifications for every Public Works Contract, consisting of the Procurement package (such as the Project Manual, Bid or Proposal booklets, Request for Quotes, or similar Procurement Specifications), must contain the following provisions:

- (a) The State Prevailing Rate of Wage, and, if applicable, the federal Prevailing Rate of Wage, as required by ORS 279C.830(1)(a):
 - (A) Physically contained within or attached to hard copies of Procurement Specifications;
 - (B) Included by a statement incorporating the applicable wage rate publication into the Specifications by reference in compliance with OAR 839-025-0020; or
 - (C) When the rates are available electronically or by Internet access, the rates may be incorporated into the Specifications by referring to the rates and providing adequate information on how to access them in compliance with OAR 839-025-0020.
- (b) If both state and federal prevailing rates of wage apply, a requirement that the Contractor shall pay the higher of the applicable state or federal prevailing rate of way to all workers. See BOLI rules at OAR 839-025-0020 and 839-025-0035.
- (c) A requirement for filing a public works bond by the Contractor and every subcontractor, as set forth in ORS 279C.830(2).

PPS 49-0870 Specifications; Brand Name Products

(1) Generally. The District's Solicitation Document must not expressly or implicitly require any product by Brand Name or mark, nor must it require the product of any particular manufacturer or seller, except pursuant to an exemption granted under ORS 279C.345(2).

(2) Equivalents. The District may identify products by Brand Names as long as the following language: "approved equal," "or equal," "approved equivalent," or "equivalent," or similar language is included in the Solicitation Document. The District must determine, in its sole discretion, whether an Offeror's alternate product is "equal" or "equivalent."

(3) Product Exemption. The Superintendent is delegated the authority to exempt products from the prohibition in Section (1) of this Rule, pursuant to ORS 279C.345(2), upon any of the following Written Findings:

- (a) It is unlikely that the exemption will encourage favoritism in the Awarding of Public Improvement Contracts or substantially diminish competition for Public Improvement Contracts;
- (b) The Specification of a product by Brand Name or mark, or the product of a particular manufacturer or seller, would result in substantial cost savings to the District;
- (c) There is only one manufacturer or seller of the product of the quality required; or
- (d) Efficient utilization of existing equipment or supplies requires the acquisition of compatible equipment or supplies.

PPS 49-0880 Records Maintenance; Right to Audit Records

(1) **Records Maintenance; Access.** Contractors and subcontractors must maintain all fiscal records relating to Contracts in accordance with generally accepted accounting principles ("GAAP"). In addition, Contractors and subcontractors must maintain all other records necessary to clearly document (i) their performance, and (ii) any claims arising from or relating to their performance under a Public Contract. Contractors and subcontractors must make all records pertaining to their performance and any claims under a Contract (the books, fiscal records, and all other records, hereafter referred to as "Records") accessible to the District at reasonable times and places, whether or not litigation has been filed as to such claims.

(2) **Inspection and Audit.** The District may, at reasonable times and places, have access to and an opportunity to inspect, examine, copy, and audit the Records of any Person that has submitted cost or pricing data according to the terms of a Contract to the extent that the Records relate to such cost or pricing data. If the Person must provide cost or pricing data under a Contract, the Person must maintain such Records that relate to the cost or pricing data for three years from the date of final payment under the Contract, unless a shorter period is otherwise authorized in Writing.

(3) **Records Inspection; Contract Audit.** The District and its authorized representatives must be entitled to inspect, examine, copy, and audit any Contractor's or subcontractor's Records, as provided in Section (1) of this Rule. The Contractor and subcontractor must maintain the Records and keep the Records accessible and available at reasonable times and places for a minimum period of three years from the date of final payment under the Contract or subcontract, as applicable, or until the conclusion of any audit, controversy, or litigation arising out of or related to the Contract, whichever date is later, unless a shorter period is otherwise authorized in Writing.

PPS 49-0890 District Payment for Unpaid Labor or Supplies

(1) **Contract Incomplete.** If the Contract is still in force, the District may, in accordance with ORS 279C.515(1), pay a valid claim to the Person furnishing the labor or Services, and charge the amount against payments due or to become due to the Contractor under the Contract. If the District chooses to make such a payment as provided in ORS 279C.515(1), the Contractor and the Contractor's surety must not be relieved from liability for unpaid claims.

(2) **Contract Completed.** If the Contract has been completed and all funds disbursed to the prime Contractor, all claims must be referred to the Contractor's surety for resolution. The District must not make payments to subcontractors or suppliers for Work already paid for by the District.

PPS 49-0900 Contract Suspension; Termination Procedures

(1) **Suspension of Work.** In the event the District suspends performance of Work for any reason considered by the District to be in the public interest other than a labor dispute, the Contractor must be entitled to a reasonable extension of Contract time and to reasonable compensation for all costs, including a reasonable allowance for related overhead, incurred by the Contractor as a result of the suspension.

(2) **Termination of Contract by Mutual Agreement for Reasons Other Than Default.**

(a) Reasons for termination. The parties may agree to terminate the Contract or a divisible portion thereof if:

(A) The District suspends Work under the Contract for any reason considered to be in the public interest (other than a labor dispute, or any judicial proceeding relating to the Work filed to resolve a labor dispute); and

(B) Circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of the Work.

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services

(b) **Payment.** When a Contract, or any divisible portion thereof, is terminated pursuant to this Section (2), the District must pay the Contractor a reasonable amount of compensation for preparatory Work completed, and for costs and expenses arising out of termination. The District must also pay for all Work completed based on the Contract Price. Unless the Work completed is subject to unit or itemized pricing under the Contract, payment must be calculated based on percent of Contract completed. No claim for loss of anticipated profits will be allowed.

(3) **Public Interest Termination by the District.** The District may include in its Contracts terms detailing the circumstances under which the Contractor must be entitled to compensation as a matter of right in the event the District unilaterally terminates the Contract for any reason considered by the District to be in the public interest.

(4) **Responsibility for Completed Work.** Termination of the Contract or a divisible portion thereof pursuant to this Rule must not relieve either the Contractor or its surety of liability for claims arising out of the Work performed.

(5) **Remedies Cumulative.** The District may, at its discretion, avail itself of any or all rights or remedies set forth in these Rules, in the Contract, or available at law or in equity.

CONTRACT AMENDMENTS AND CHANGE ORDERS

PPS 49-0910 Public Improvement Contract Amendments and Changes to the Work

(1) **Definitions for Rule.** As used in this Rule with regard to Public Improvement Contracts:

(a) **"Amendment"** means a Written modification to the terms and conditions of a Public Improvement Contract, other than by Changes to the Work, within the general scope of the original Procurement that requires mutual agreement between the District and the Contractor.

(b) **"Changes to the Work"** means a mutually agreed-upon Change Order, or a Construction Change Directive or other Written order issued by the District or its authorized representatives to the Contractor requiring a Change in the Work within the general scope of a Public Improvement Contract and issued under its Changes provisions in administering the Contract and, if applicable, adjusting the Contract Price or Contract time for the Changed Work.

(2) **Change Orders.** Changes to the Work are anticipated in construction and, accordingly, the District shall include Change provisions in all Public Improvement Contracts that detail the scope of the Changes clause, provide pricing mechanisms, authorize the District or its authorized representative(s) to issue Changes to the Work, and provide a procedure for addressing Contractor claims for additional time or compensation. When Changes to the Work are agreed to or issued consistent with the Contract's Changes provisions, they are not considered to be new Procurements, and an exemption from Competitive Bidding is not required for their issuance by the District. Change orders that are approved pursuant to the terms of a construction contract are not subject to the contract Amendment procedures of these rules except as provided in Subsection 5 of this section.

(3) **Change Order Authority.** The District may establish internal limitations and delegations for authorizing Changes to the Work, including dollar limitations. Dollar limitations on Changes to the Work are not set by these Rules, but such Changes are limited by the above definition of that term.

(4) **Contract Amendments.** Public Improvement Contract Amendments within the general scope of the original Procurement are not considered to be new Procurements, and an exemption from Competitive Bidding is not required in order to add components or phases of Work specified in or reasonably implied from the Solicitation Document. Amendments to a Public Improvement Contract may be made only when:

(a) They are within the general scope of the original Procurement;

Portland Public Schools Public Contracting Rules
Division 49 – Public Contracting Rules for Contracts for Goods and/or Services
Other Than Personal Services

- (b) The field of competition and Contractor selection would not likely have been affected by the Contract modification. Factors to be considered in making that determination include similarities in Work, Project site, relative dollar values, differences in risk allocation, and whether the original Procurement was accomplished through Competitive Bidding, Competitive Proposals, Competitive Quotes, sole-source, or Emergency Contract;
- (c) In the case of a Contract obtained under an Alternative Contracting Method, any additional Work was specified or reasonably implied within the Findings supporting the Competitive Bidding exemption; and
- (d) The Amendment is made consistent with this Rule and other applicable legal requirements.

(5) Reporting Requirement for Amendments/Change Orders That Exceed 125% of Original Contract Price.

- (e) A Contract Amendment or Change Order or cumulative Contract Amendments or Change Orders that increase the total Contract Price to greater than one hundred twenty five percent (125%) of the original Contract Price shall be reported to the School Board, except in any of the following circumstances:
 - (D) The Original Contract Price does not exceed \$500,000.
 - (E) The Superintendent determines that the Amendment, additional scope, or alternative work was contemplated in the original procurement and provided for in the original Contract, and the School Board previously approved the entire scope and/or maximum renewal terms. (Examples include a solicitation and contract that provides for renewal or extension for subsequent terms or a contract that specifically allows for alternates or additional work.)
 - (F) Where a CM/GC or Design/Build Contract authorizes Early Work Amendments and requires execution of the GMP amendment to establish the total Contract Price, the GMP amendment shall establish the “Original Contract Price” for purposes of this Rule.
- (f) Contracts subject to the reporting requirement under this Rule shall be reported to the School Board a second time if subsequent Amendments or Change Orders increase the total Contract Price to greater than one hundred and fifty percent (150%) of the original Contract Price.
- (g) Contracts subject to the reporting requirement under this Rule shall be reported to the Board at the next regular business meeting of the Board following approval of the amendment or change triggering the reporting requirement. The report shall include an explanation of the basis for the amendment or change order.
