

4.40.040-P Rose Festival Programs

For many district schools have cooperated with the Rose Festival Association in sponsoring and conducting ambassador selection contests at the secondary level, a Rose Festival Kids Program for students grades K-8 and various community service orientated projects. The Board recognizes the importance of Rose Festival Association activities to the cultural life of the community; the wide interest which many students and parents have in these programs and activities; and the special opportunities and scholarships which are provided to students who are selected as school ambassadors. Therefore, as a matter of policy, district schools shall cooperate in conducting the Rose Festival selection for ambassadors in accordance with Administrative Regulations and procedures, which are established for such programs by the office of the superintendent.
