

## 2.40.010-P Teacher Membership on Committees

- (1) The Board affirms the proposition that teacher input is important to committees dealing with decisions that directly affect the educational activities of teachers and students. Therefore, whenever appointing any committee, an administrator is directed to determine the appropriateness of seeking teacher representation. If such membership is determined appropriate, provisions for such appointment shall be made. In instances where no teachers are appointed, the administrator must have adequate rationale for not including the teacher members.
