

During the 2021 legislative session, Portland Public Schools will center the district vision and accompanying system shifts in all of its advocacy work. Additionally, PPS will work vigorously with our education coalition partners to ensure that education is prioritized in the coming legislative session.

The policies and priorities outlined in the categories below provide examples of policy which may be discussed during the 2021 Legislative Session. They are not intended to be a comprehensive or exclusionary list of bills or budgets PPS may engage in. Rather, these categories, guided by the five educational system shifts, are meant to serve as a filter through which PPS will approach legislation brought forward in the 2021 Legislative Session.

The PPS 2021 Legislative Agenda is aligned with the five educational system shifts as outlined in the PPS strategic plan for the 2020-21 school year:

- A Connected and Transformative School District
- Racial Equity Aligned Systems, Structures, and Culture
- Cultivating System-Wide Learning and a Diverse Workforce
- Transformative Curriculum and Pedagogy
- A Culture of Physical and Emotional Safety
